

# THE NEWTON GRAPHIC

Vol. LVI—No. 9

THE NEWTON GRAPHIC, FRIDAY, NOVEMBER 4, 1927

Ten Pages

TERMS \$3.00 A YEAR

## WINS ADVERTISING TROPHY

Photo by Locke

The above illustration gives a good idea of the handsome and valuable silver loving cup given by the Bonnet-Brown Corporation of Chicago to be contested for by the 4000 members of the National Editorial Association for "merited achievement in newspaper advertising" each year.

Last year the Newton Graphic was awarded second place and given an Honorable Mention while at the annual convention held this year at Omaha, Nebraska, the Graphic was unanimously given first place by the judges.

### GIFT OF AUTOMOBILE

When Rev. Ray A. Eusden, pastor of Elliot Church looked out of his window last Monday morning he saw a new automobile standing near his garage. Believing it belonged to a neighbor, he paid but little attention to it at first but later he noted a card attached to the machine, stating that it was a gift to him by friends of Elliot Church.

### ST. MARY'S MISSION

St. Mary's Church at Newton Lower Falls will conduct a Mission next week, with Rev. George Rogers Wood, S. S. J. E., as the Missioner. The sermon on Sunday morning and evening will be given by Dr. Wood and there will be services each day as follows: Holy Communion at 7:15 and 9:30 a. m. Children's Mission at 4 p. m. and evening service at 7:45 p. m.

## REFUNDS MONEY

Newton Y. W. C. A. Redeems Tickets Sold for Poirer Lecture

As has already been stated in the press the lectures to be given by M. Paul Poirer did not occur as scheduled. This was due to the unbusiness-like methods of his manager. The local Association at once began refunding money on the tickets which had been purchased. They are anxious to complete this refund as quickly as possible, and so they are requesting all ticket holders who have not already done so to get in touch with those people from whom they bought tickets. These patronesses will very gladly explain and adjust the matter.

While the matter of a future lecture by M. Poirer has been discussed the committee-in-charge finds themselves unable to make any definite plans at this time. If a lecture is to be given due notice will appear in the papers. It seems advisable to adjust the refunding of money on tickets at this time rather than to expect people to hold the tickets in the hope of a future lecture.

The Association is most appreciative of the consideration which has been shown it by all those interested in the lecture. The number of people who bought tickets was most gratifying, and their courteous words of understanding now that the money is being refunded are causing real gratitude on the part of the Directors.

### NEWTOWNE PLAYERS

On next Monday and Tuesday evenings, November 7th and 8th, the Newtowne Players will inaugurate an interesting and ambitious winter dramatic program, with the presentation of the delightful comedy, "Fickle Fortune."

This organization of talented players who love the drama for its sake, was formed two years ago by John W. Blakeney, Jr.

The Newtowne Players, through the courtesy of Rev. Joseph E. Robichaud, pastor of St. John the Evangelist Parish, stage their plays in the auditorium of the St. John School, which is equipped with most all of the accoutrements of the theatre. Their program this year calls for the presentation of a number of popular comedies, the proceeds of which are for the benefit of the Convent Fund of St. John the Evangelist Parish.

For the performance of Fickle Fortune the following cast has been selected. Misses Mary Cormier and Rosamond LeBlanc, clever juveniles, Gertrude Romkey of West Newton, star of many performances, Florence Di Napoli of Brighton, highly skilled in dramatic technique, Stella and Elcanor Veno, versatile character artists, Eva Rousseau, clever comedienne, and Florence Douette, also capable in character portrayals. Mr. Frank Feaney of West Newton long identified with amateur theatricals, Mr. Robert Grant of Auburndale, member of a number of dramatic clubs, and Mr. Frederick Morrell, old time minstrel and variety man comprise the male members of the cast. Music is to be furnished by a well-known orchestra.

## DR. COONS RESIGNS

Methodist Clergyman to Become President of College in Iowa

Rev. Dr. James E. Coons, pastor of the Newton Centre Methodist Church, for the past year, has resigned to accept the presidency of Iowa Wesleyan College at Mt. Pleasant, Iowa.

Rev. Coons is instructor and lecturer at the School of Theology of Boston University, and is known throughout New England. He is considered one of the outstanding platform speakers of the New England Conference.

He will assume his duties at Iowa Wesleyan on or about December 1. Dr. Coons is the 64th living Boston University alumnus to head a college; of these 41 are still active college or university presidents.

Dr. Coons holds the degrees of B.A., M.A., S.T.B. and D.D.

Mr. Coons was born in Hainesville, Ont., in 1877, and came to this country at an early age. He received his education at Folke Institute, Harkimer, N. Y.; Ohio Wesleyan, Boston University and Harvard University, being graduated from the School of Theology of Boston University in 1908.

He began preaching in the North Ohio Conference in 1902, and came under the New England Conference in 1908. Since that time he has been prominent in New England Methodism. His first pastorate was at the East Saugus Methodist Church. From there he went to First Church of Waltham and then to the Baker Memorial Church, Dorchester, where he gained recognition for his executive abilities.

In 1921 Dr. Coons was made superintendent of the Methodist Churches in the Lynn District, and served in that capacity until October, 1926, when he became pastor of the Newton Centre Church. Since 1924 he has been at Boston University.

Dr. Coons was a delegate to the General Conference of Methodism at Des Moines and Springfield in 1924. As a district superintendent he was a general favorite, and the 60 churches under his supervision gained in membership and widened their fields of service.

In 1899 Dr. Coons was married to Miss Mabel Ida McIntosh in Ohio City, N. Y. She is also a graduate of Ohio Wesleyan, as is their son, John Warren Coons, now finishing his education at Boston University. The couple celebrated their silver wedding anniversary in 1924.

### MISS WILLIAMS ENGAGED

Mr. and Mrs. G. Horace Williams of 944 Centre street, Newton Centre, have announced the engagement of their daughter Miss Margaret Chambrlain Williams, to Phillips Bennett Hoyt, son of Mr. and Mrs. Franklin Sherman Hoyt of 106 Berkeley street, West Newton.

Miss Williams is a senior at Skidmore College, Saratoga Springs, N. Y., and is student president of the college government.

Mr. Hoyt was graduated in the class of 1927 from the School of Electrical Engineering, Cornell University. During his senior year he was president of the Sigma Phi fraternity and vice president of the Quill and Dagger.

## POSTOFFICE TO MOVE

West Newton Postoffice to Have New Building on Waltham Street

The West Newton postoffice, which for 38 years has been located in the Nickerson Block at 1353 Washington street, will move within a few months to new quarters at 527 Waltham street, just around the corner from Washington street, and behind the new building being erected by the Kenmore Realty Company, which will also own the building where the postoffice will be located. The present quarters of the West Newton postoffice contain about 1700 square feet of floor space. The new quarters will contain 2500 square feet.

Charles H. Stacy, who was the last postmaster of the West Newton postoffice, before it was consolidated with the Newton Centre postoffice, when free delivery of mail was instituted in the different villages of Newton was also the local agent at West Newton for the Boston papers, and the store at 1353 Washington street was occupied in part by the postoffice and in part by Mr. Stacy for the conduct of his business. When the West Newton postoffice became a branch of the Newton Centre postoffice, Mr. Stacy was appointed Superintendent of it and he was permitted to continue the conduct of his newspaper business in conjunction with it. Miss Mary E. Reardon, who had been assistant to Mr. Stacy in the postoffice continued as clerk when West Newton became a branch and is still employed in the office there. She entered the service in 1887.

When free delivery was established at West Newton in 1897, four letter carriers were appointed: Charles E. Kimball, Winfield Scott, George Clark and Henry Meekins were the first postmen to serve at West Newton. Mr. Kimball and Mr. Meekins are still bringing mail to the people of West Newton. Mr. Clark resigned after serving a few months. Mr. Scott died about twenty years ago.

When Mr. Stacy retired from the postal service in 1920 after having served for 50 years, he was succeeded by Charles P. Cunniff who entered the West Newton postoffice as a clerk in 1899. Mr. Cunniff still is in charge of the office. There are five clerks and 13 carriers employed in the office.

### POLICE TO TAKE EXAMS FOR PROMOTION

The death of Lieut. Edward Desfond has necessitated the calling of examinations for the positions of sergeants and lieutenants in the Newton Police Department. The examination for lieutenant will be open to the sergeants of the department, eight in number, including Sergeants Bannan, Leehan, Mahoney, Meehan, Moran, Moran, Seaver and Veducchio. The examination for sergeant may be taken by patrolmen who have served on the force five or more years. Over twenty patrolmen have already made applications to take this examination. The names of those who pass the examinations successfully will remain on the eligible lists for two years. The examinations will be held on November 15.

## CITY'S FINANCES DISCUSSED

Comptroller White Explains the Much Abused "Supply Account" and Its Usual Deficit

At the meeting of the Board of Aldermen on October 24th, Alderman Baker of Ward 2 called attention to certain matters concerning the finances of the city after Chairman Collins of the Finance Committee had explained about the amounts expended on new schools during the past year, and how the authorization of a bond issue of \$150,000 to meet the cost of the new school at Newton Lower Falls would almost wipe out the borrowing capacity of Newton until the first of next year.

Mr. Baker remarked that if the Emergency and Deficiency account and the Water account of this city were properly handled, Newton would find its borrowing capacity considerably less than it is even supposed to be. He commented "that with the city facing a very expensive school building program for years to come, with the imperative need for a new fire alarm signal system and a new fire station at Newton Corner, he is puzzled to know what will happen to the proposal to build a new city hall within the next few years." He added, "I think the building of the proposed new City Hall will have to be put further into the future. If all these proposed measures are carried out as needed, the tax-rate must be increased."

As a result of Mr. Baker's comment regarding the proper handling of the Excess and Deficiency and the Supply Accounts, Comptroller of Accounts, Daniel White, prepared a statement which was given to each alderman at the last meeting of the board. This statement read:

Supplies Account—1921  
\$42,565.14

At the meeting of the Board of Aldermen on October 24th, the statement that the above supplies account should be charged to Excess and Deficiency Account to make a right "E & D" Account balance would require the following procedure:

1. Inventory of the Departments approved by His Honor the Mayor that on a given date the Supplies Account had no value in the storerooms of the Street and Water Departments.
2. Recommendation of His Honor the Mayor for an appropriation from Excess and Deficiency to cancel Deficit in Supplies Account—1921.
3. Vote of City Government of Appropriation of \$42,565.14 for said Deficit Supplies Account.

When Mr. White took the office of Comptroller in 1921 he called attention to the fact that the practice which had been used by the Forestry, Street and Water Departments of purchasing supplies without specific authority from the Aldermen, and then turning in vouchers as these supplies were withdrawn, the supplies then to be charged against the department using the supplies, was not legal. A

Supply Account was then established and set at \$100,000 as this was the amount of supplies the various departments stated they had in stock. Subsequent withdrawals reduced the amount of supplies supposedly on hand from 1921 until the present to about \$40,000, but as a matter of fact there are not \$40,000 worth of supplies in stock. Either because the departments overestimated the amounts of supplies in stock in 1921, or because withdrawals were made without vouchers having been turned in, this amount of supplies which the city owns "on paper" does not exist. Comptroller White's suggestion to remedy this inaccuracy in the city's finances followed Alderman Baker's reference to this situation.

### TALK ON DREAMS

What makes you dream, and when you dream, why do you dream the dreams you do? Do they mean anything? Why don't we dream all the time? These, and a number of other interesting things about dreams will be told the members of the Central Club, of the Central Church of Newtonville, at their supper and meeting to be held Monday evening, November 7, by Dr. Perry G. Stiles of the Harvard Medical School.

Dr. Stiles is an authority on this most interesting subject. His book, "Dreams," published by the President and Fellows of Harvard College, is one of the most authoritative and interesting treatises which has been written in our day. When a club has speakers, of the interest of Dr. Stiles, it is no wonder that it is growing in numbers and popularity.

On the same program will be Antonio Tedesco, who has made such a hit with his accordion playing everywhere he has appeared.

Among the coming activities of the Central Club is a series of social events to be given at the Newton Club. The first will be held on November 19. Members of the Central Club and their wives and friends are being invited and the entertainment will take the form of a short musicale with dancing to follow.

### RENEWS HIS RESIDENCE

District Attorney Robert T. Bushnell, of Middlesex County, a former resident on Tremont street, Newton, and who has recently been a resident of Somerville, has purchased a home on Collins road, Waban, and took possession on Tuesday.

### ANOTHER ALDERMANIC CANDIDATE

Howard H. Murphy of 55 Pine Grove avenue, Newton Lower Falls, has announced that he intends to run as a candidate for Alderman-at-Large from Ward 4 at the coming election. He will oppose Alderman John Gordon who has represented the Ward for the past four years.

### Free Bus Service To and From Theatres

Again proving that the well-known BOWDOIN SQUARE GARAGE is always thinking of the convenience of its patrons. It is an acknowledged fact that the BOWDOIN SQUARE GARAGE is the most centrally located and most easily reached downtown garage. This is especially true after 6 P. M. when the 100 foot Cambridge Street boulevard, leading to its door, is free from traffic. The free bus service should bring the theatres to its door, making ideal service for its patrons. Arrangements have been made with the Rawdon Auto Bus Line to provide free service to and from the downtown theatre district. Bus leaves garage 7:50 and 8:10 P. M. Leaves theatre district 10:50 and 11:20 P. M.

Telephone Newton North 2110

## THE WEEK IN NEWTON SPORTS

Edited by WARREN K. BRIMBLECOM

### EVERETT'S FORFEITS

Three of the seven high school football teams over which the Everett high school team was victor with its captain and fullback, Angelo DiMott, in the game have refused to accept the forfeit of these games which followed the discovery that DiMott was over age. Deering High of Portland, Maine, which was defeated by the Gilex outfit, 44 to 0, in an early season game was the first to decline to accept the forfeit on the grounds that it would have made no difference in the outcome of the game had the Everett leader been out. Tuesday afternoon the Everett authorities received a letter from Worcester high school of Commerce, which team was defeated by a 21 to 0 score stating that the game was fairly won by Everett. On Wednesday morning Everett received a letter from Rindge Technical school, a member of the Suburban league, also stating that Everett (winners by a 25 to 0 score) won fairly and would like to have the game stand as won by Everett if such was within their power according to the rules of the Suburban league.

The question of eligibility is one of the strictest of the league rules. Whether or not the forfeit is within or beyond the control of the individual school authorities. In the DiMott case it is apparent that the Everett officials were entirely free from blame and that they acted the part of true sportsmen in investigating the matter and in forfeiting the games won. Despite the Rindge letter and the fact that two other teams wish to decline to accept the forfeit, it is probable that Everett's three victories over league teams, Rindge, Newton and Brookline, will be entered on the defeat side of the record. All of the three teams that desire to reject the forfeit were defeated by large scores. There isn't much question that DiMott's presence in the Newton games was somewhat of a factor in the visitors' play. He had a prominent part in Everett's offense. On the other hand if he had been out of the lineup there will ever remain the undisputable fact that the score might still have been in Everett's favor.

Should Newton win over Rindge Tech and Brookline in its two remaining league games as it is expected to do the orange and black eleven will be the Suburban league champions, however technical such a title will be.

### EBELHARE WINS PENTATHLON

Edward Ebelhare was the winner of the annual fall pentathlon of the Newton high school outdoor track team which was held last week. The contestants were divided into two groups one of which was composed of seniors and juniors and the other of sophomores and freshmen. Ebelhare, who is a senior and who won several points for last year's track team, was closely pressed by Hamilton Kollmyer. Robert Kinraide, Malcolm Reid, who is captain of the indoor track team, and James McCruden, captain of outdoor track finished in third, fourth and fifth places respectively in the first group. The events in this group were the high jump, broad jump, shot put, 220-yd. dash and 880-yd. run. A new system of point scoring was used in the senior-junior division. A standard was set giving a score of 1000 points. For every fifth of a second in the running events and for every inch in the field events below the standard a certain number of points was deducted. None of the standards were reached although Ebelhare cleared 5 feet 9 inches in the high jump which was but one inch below the 1000 point rating.

Ebelhare scored a total of 3397.5 points. He won first in the high jump and shotput, third in the broad jump and picked up the remainder of his total in the other events. Kollmyer tallied 3385.7 points with firsts in the 220-yd. dash and 880-yd. run. Kinraide scored 3321.3, Reid 2133.1, and McCruden 1756.8. McCruden, who is one of the best half-milers in schoolboy circles strained a muscle while jumping and was unable to do his best the next day when the 880 was run off. The outlook for both indoor and outdoor track teams is very promising as many prospects were uncovered. In the 220-yd. dash Gibbs and Bourne, who are both juniors appear to be good men. In the sophomore-freshman group but three events were held and points scored on a place basis with the lowest number of points scored determining the winner. Hennessey had things all his own way by cleaning up firsts in all three events. Briggs was second and Smith third.

In each group medals will be given to the first three place winners in each event.

### Brookline vs. Rivers

Something new in football will be inaugurated Tuesday, Nov. 15th, at the Rivers school field in Brookline. Brookline high and Rivers school will stage a game to test the co-efficient plan. The new method brings together eleven of the same age, weight and height. It has been used at Rivers school all season and athletic director Thomas Hines of Brookline has agreed to give it a trial. Hines, however, will not use his first eleven as he wishes to save them for the Thanksgiving day battle with Newton high.

### Frenchy Gilligan Not To Play

The Exeter academy team will not play tomorrow in the game with Hebron academy. He will, however, be in condition to play against Andover a week from tomorrow in the annual prep school classic.

### Harvard Fresh Have Cinch

The Harvard freshman outfit had a cinch Wednesday afternoon in beating the Crimson second varsity by a 26 to 0 score. The game was almost entirely played under artificial lights. Tom Gilligan was at his regular post at quarterback and ran the team well.

### PLAY OF CENTRES SHOULD BE FEATURE

Tomorrow afternoon on Claflin field in the last home game of the season the Newton high eleven which has been making rapid strides in the past two weeks will meet the veteran Lawrence team, one of the leading contenders for the schoolboy state championship and as yet undefeated and unscathed by a high school eleven. Two weeks ago Lawrence was subdued by Andover academy by a 13 to 0 score but in all of its other games it has run up considerable scores. Last Saturday it won over Cambridge Latin 34 to 0. A few weeks ago Newton won over Cambridge Latin by a 3 to 0 score which did not show Newton's margin of superiority over the Cantab eleven by a great deal. Lawrence will be the favorite in tomorrow's game but they should not be able to run up very much of a score. Newton has a fine defense and should hold them off unless the breaks of the game go against the orange and black.

One of the features of the game should be the play of the two centres. Creighton Gatchell of Newton and Aurel Tremblay of Lawrence. The Newton pivot has been playing a great game all fall and has outplayed his opponent in every game. He can size up the opposition's offense nicely and thus gets in on nearly every play. He is right there on fumbles and on blocking punts as records of previous games show. The Lawrence centre, Tremblay, is a large boy and a fine shotputter. He has scored many points for the Mill city track team in recent years through his size and strength. It is quite possible that the one who shows best tomorrow will be the all-intermediate choice and it looks very much as though the Newton lad had the All-suburban league centre position clinched. An interesting fact regarding Gatchell's play is that prior to coming to Newton high he had had no previous football experience. Despite this handicap he has worked hard every minute, given his best at all times and deserves credit for his ability. Last year he jumped in against Somerville high to take Captain Harold Andres place when the latter was injured. He is a Bergen, Somerville centre, and all-scholastic choice the previous year as well as leading centre at the time last year, was opposing him. None of the spectators at that game will forget the way Newton marched down the field for a long distance plugging the centre of the line and making goodly gains through the holes that Gatchell opened up in the middle of the Somerville line. Tremblay of Lawrence is another fine centre and what a game the pair should put up tomorrow.

Coach Sullivan of Newton has been spending considerable time this week with the substitute linemen and backfield men and it would not be surprising to see him send that team on the field at the start of the game to take the play as they can do as all of these players will be back next year. Before the game is very far along however the first team will probably be sent in. This means that the starting lineup will probably have Reynolds and Payne on the ends, Marsh and Swan as tackles, Kane and Annesse as guards, Chamberlain centre, and Perry, Gilligan, Pescosolido and Sutcliffe in the backfield. Perry will be at quarterback and will run the team while Sutcliffe will play full back and carry the ball on line plunges. Joe Gilligan is all set to toss forwards and do the punting. Last Saturday against Somerville Gilligan got off some pretty punts which were accurately placed into open territory.

The Lawrence team which will come down from the Mill City is a fine team according to reports and the game should be one of the leading affairs on the schoolboy calendar. It is the second game between the two schools which entered into a two-year agreement. The first game took place last season at Lawrence on the new field they have there and which Lawrence won 21 to 6. John Proctor scored Newton's only touchdown on a runback off the opening kickoff through the entire Lawrence team with a pretty run on which his interference took out every threatening tackler. No game has been arranged for next season and with Newton's 1928 schedule practically completed it is doubtful when the two schools will meet again. Certainly not for several years.

### TOMORROW'S LEADING GAMES

Lawrence at Newton.  
Everett at Somerville.  
B. C. High at Medford.  
Fitchburg at Brockton.

### FALL TOURNAMENT COMPLETED

The finals of the annual fall tennis tournament of the Burr Tennis Association were recently completed as follows:  
Boys' Singles—Charles Glueck beat Gordon Naylor 6-1, 7-5.  
Girls' Singles—Doris Eyre beat Katharine Sprague 6-2, 4-6, 6-2.  
Men's Singles—Francis Broughton beat Harry Sylvester 7-5, 3-6, 6-2, 6-3.  
Women's Singles—Doris Eyre beat Marjorie Briggs 6-2, 6-2.  
Mixed Doubles—Doris Eyre and Francis Broughton beat Grace Sutcliffe and Arthur Marshall 6-2, 6-3.  
Men's Doubles—Abbott Gotshall and Webster Quartz beat Francis Broughton and William Blandy 5-7, 6-3, 7-5, 2-6, 7-5.

### Basketball Starts Unofficially

Monday afternoon the first basketball practice at Newton high will be held. While this will be an unofficial practice and only those boys who are not playing football will be on hand it is of considerable interest as it marks the resumption of basketball as an interscholastic sport at Newton after a lapse of twelve or thirteen years. The first official practice will not be held until after completion of the football season. Newton will not arrange a very long or hard schedule for this fall because of the fact that it will take time to build up a team which will be representative of the school. Raymond Green of the high school faculty is to be the coach of the five. Last fall and winter intramural and interclass basketball was played by a large number of teams in a round robin series. Several possible candidates for a varsity five were thus uncovered. Frank Spain, three star athlete, is planning to go out for practice in order to help him get in shape for the coming hockey season. He has had some experience at the game in grammar school and camp circles. Another possible candidate is Spencer deMille, captain-elect of baseball. With his height and batting eye he should make the ideal basketball centre. While he has had but very little experience at the game he should be able to pick it up quickly through his natural ability. There are many other lads who have played basketball in the church league and at the Y. M. C. A. as well as on their grammar school teams in previous years who should give Coach Green the nucleus for a good team.

### Dartmouth vs. Brown

Tomorrow afternoon the Dartmouth Indian stalks the Brown Bear in its den at Providence. Despite four straight defeats the Brown eleven is planning a warm reception. It is tradition that Brown, however crippled or disorganized, rallies for the game with its oldest rival. The coaches' drastic steps in the past two weeks have apparently borne some fruit as the varsity practice on Tuesday was more like that shown last season than at any time this fall. The old fight was there and plays were run smoothly. The varsity would have smothered the scrubs with touchdowns had not the ball been repeatedly brought back to the middle of the field. Ed Kevorkian, one of the local men on the varsity, has shifted his guard position with Paul Hodge at tackle. This shift was made in an effort to speed up the drive by having the latter work as a running guard. Considine will be at his usual place at centre.

### Harvard vs. Penn

Harvard and Penn meet tomorrow at Philadelphia. Chances are that Guy Holbrook, who showed great possibilities in the final quarter of the Holy Cross game, will get another chance to show his stuff. A close follower of Harvard football claims that the former Newton high star is the best back on the Harvard squad because of his ability to run, pass and kick. Holbrook was on the sidelines for the Dartmouth game but got in for a few minutes against Indiana last Saturday. Unless the Crimson coaches plan to keep him under cover for Yale and only give him enough work to keep him in shape for that affair he should go well tomorrow.

### Andover Plays Tomorrow

The Phillips Andover academy will play its scheduled game with the New Hampshire State freshman team tomorrow. Bob Olmstead, former Newton high and Bowdoin player, is one of the assistant coaches of the Andover outfit that are being brought along for the annual game with Exeter on the following Saturday. George Colburn, local youth and former Williston academy star athlete, is an end on the Wildcat freshman team and is said to be one of the best wing prospects to ever enter the New Hampshire University.

### Bowdoin Is Ready

Every Bowdoin college varsity man is ready for the tilt with the University of Maine tomorrow at Orono, Maine. The game is a battle for the State championship and the Morrill squad has been putting in some stiff scrimmages in preparation for it. There are five Newton men on the Bowdoin eleven which is quite a record for any one city. The Brunswick team has used a forward passing game with excellent results this year and may probably rely on this method to defeat Maine. Against Yale passes were completed for a net gain of 200 yards, this was nearly equalled in the New Hampshire State game, three out of four attempts were made good in the Colby affair and ten were completed against Bates.

### WHITTREDGE GARAGES

It takes time to get a permit. In some cities and towns it takes three to four weeks. Mr. C. W. Arnold of the Whittredge Portable Buildings Co. also points out that when frost gets into the ground it hinders foundation work and storms delay. While they can erect a two-car Whittredge Garage in a day there is no time to be lost this late in the season if one would be sure of having a building up before stormy weather begins.

Mr. Arnold, whose telephones are Waltham 3950, and 2321-M, will be glad to call, measure the land, get the required permit and in every way hasten the completion of an order for a garage. The Whittredge Portable Buildings Co. stand back of this service with prompt delivery and erection. Mr. Arnold is in charge of the Waltham Branch Exhibit, 287 Newton street, near High street.

Whittredge Garages are known all over New England for their quality of construction, durability, and attractive design. Although made of metal and fireproof they look like high grade wooden buildings after painting. Many of them have been erected in the best residential neighborhoods as well as locations where no other kind of buildings could be erected. Only copper bearing Keystone metal is used over a sturdy frame that will withstand the severest storms of New England winters.

### THE NEWTON TEELA-WOOKET CLUB

(Left to Right) The Misses Jean Latz, Betty Latz, Janet Kendall, Catherine Winsor, Jane Marx, Jeanne Manning, Louise Hawkes, Betty Fitts, Marion Mellus, Barbara Marx, Elizabeth Young, Betty Tucker, Catherine Hayden, Alice Furush, Ellen Scholl, Gertrude Ross, Barbara Nichols, Muriel Andrews, Carolyn Hodgson.

The Newton Teela-Wooket Club held its first meeting of the season on Friday, October 28th, at the home of Miss Gertrude G. Ross, 765 Walnut street, Newton Centre. This is a Club which the girls from Newton who were at the Teela-Wooket Camps in Roxbury, Vermont, organized during the summer, inviting all past-campers from this city to join with them in their winter meetings. The following officers were elected: Muriel Andrews of Waban, Pres.; Louise Hawkes of Newton Highlands, Secretary; and Barbara Nichols of Newton Highlands, Treas.

This club is one of a group of clubs which the Teela-Wooket girls have started in other localities throughout the country, all meeting on the last Friday of each month.

### D. R.

The first meeting of this season of Sarah Hull Chapter D. R. was held on the afternoon of Oct. 28th at the home of Mrs. Warren L. Gregory, 377 Walnut street, Newtonville. The Regent, Mrs. Sidney R. Porter, presided. A goodly sum of money was reported as having been realized from the Quarter Parties held last Spring and this amount was added to our Student Loan Fund. Also a more substantial sum was added to the Treasury as a result of the Rummage Sale held last April. A gift was recorded from the Graphic Press, in return for new subscriptions secured for that paper.

John Patterson was accepted and greeted as new member of Sarah Hull Chapter. The list of names of those who won the prizes of money given by Sarah Hull Chapter to Newton school children for competitive essays on a patriotic subject was read. Sarah Hull was glad to have one of these winners, Blanche Method of the Stearns School, present to read her essay on "America, Land of Opportunity." This paper was exceedingly well thought out. We were also addressed briefly by Miss Emily Reed, Recreation Director at the Stearns School, in regard to some problems being met in that district. Sarah Hull voted to give next year the same money prizes to the pupil schools as were given last year. The subject for the new competition is "What Your Country Expects of You."

Miss Hope Gregory sang a group of songs before and after the lecture by Mrs. Irving O. Palmer. Mrs. Palmer's talk on "Where the Four-Leaf Clover Grows" was a charmingly practical essay on cheerfulness. Its text was "Joy is the grace we say to God." Following this talk the Chapter and guests enjoyed the hospitality of the following hostesses: Mrs. Warren L. Gregory, Mrs. Wm. F. Bacon, Miss Emma F. Barker, Mrs. Sheridan Bisbee, Mrs. John Brimblecom and Miss Emma D. Coolidge.

### NEWTONVILLE SCHOOLS DISCUSSED

The School Committee held a special meeting Monday night to discuss further the location of the proposed new grade school at Newtonville. The committee held a private meeting to consider several sites, one of which will be recommended for the new school building which will relieve the congestion in the Clafin district. The joint committee of Aldermen and School Committee members will hold a meeting to decide on the location. The old wooden school on Washington park will be torn down. It is probable that the new school will be built on some site quite removed from the present Clafin School, as it is the policy to build schools today where playground facilities may be had. No intimation has been given by the School Committee as to the proposed location as it desires to keep real estate speculators from learning where the city will want to purchase land.

### NEWTON CENTRE SCHOOL ASSOCIATION

The first meeting of the Newton Centre School Association will be held Wednesday, November 9, 1927, in Mason School Hall, promptly at 2:45 p. m. Mrs. Florence B. Sloan, supervisor of the Children's Department of the Newton Public Library, will speak on "Our Children's Literature." This is also Education Week. Come and show your interest in your children's reading, music, and social hour. Small children will be cared for at the Rice School Kindergarten.

It is an acknowledged fact that the Bowdoin Square Garage is the most centrally located and most easily reached downtown garage, situated as it is at 91 Cambridge street, Boston, at the foot of Bowdoin street, just back of the State House. This is especially true after 6 p. m., when the 100-foot Cambridge street boulevard leading to the door of the garage is free from traffic. The free bus service, which has just been established by the Bowdoin Square Garage, should bring the theatres to its door, making ideal service for its patrons. Arrangements have been made with the Rawlins Auto Bus Line to provide free service to and from the downtown theatre district. Bus leaves garage 7:50 and 8:10 p. m. and the theatre district 10:50 and 11:20 p. m.

### KIWANIS CLUB

Sixty members of the Kiwanis Club met at the Woodland Park Golf Club, Tuesday noon at the regular weekly meeting. Rev. Herbert McCombie of the Lakeview Junior Church of Waltham was present as a guest of Frank Wilcox. The meeting was devoted to business affairs of the club, so no speaker was present to address the members. Dr. Fred Paul urged the club to enter a bowling team in the Kiwanis league and W. Uriah Fogwill made an appeal for the members to support the athletes of the club who would represent it in the bowling league. "Bill" Skelton made his debut as song leader and infused considerable "pep" into the meeting. Members are urged to attend the New England Conference at Springfield this month.

### LASELL SEMINARY

The Salem-Marblehead trip on Thursday of this week was a great success. A large number of Lasell students took advantage of the trip offered. The quaint streets of Marblehead—the picnic luncheon on the rocks—the many places of literary and historic interest in Salem combine to make this one of the long remembered school events.

On Saturday evening the senior class will entertain the underclass girls with a picturesque and original "stunt night" at Braden Hall. Rev. Cornelius Edward Clark, pastor of the Aurburndale Congregational Church will be the vesper speaker on Sunday, November 6.

The second of the Lasell Symphony Series Concerts under the direction of Paul Shirley will be held in the Aurburndale Club House on Tuesday evening next. Mr. Shirley will play the viola d'amore and will be assisted by Marjorie Gilchrist, soprano, Bernard Zighera, harp, and Howard Goding, piano.

### A HOUSE OF PRAYER

On Sunday November 6, in St. Paul's Church a new policy, in an effort to provide a place for all her people, will be inaugurated. At 8 a. m. the Holy Communion will be enriched by ceremonial that meets the desires of those accustomed to ritual in this service. At 10:45 the service will be planned to please all those who prefer the broader expression of Church worship and devotion.

At 4:30 there will be a Vesper Service based on simple ceremonial at which time Mr. George Lord, organist of Christ Church, the Old North of history, will give an organ recital on the new organ of the Church. On Sunday, Nov. 13, Mrs. Thomas D. Ginn will be the soloist. Mr. Frank Burton of Aurburndale, organist. These Vesper Services are being planned to provide a place and an hour for those unable to attend either at 8 a. m. or 10:45. The public, however, is cordially invited and those without a Church Home are especially urged to enter our fellowship.

### REAL ESTATE

ALVORD BROS. report that Nathan Stiles has contracted to build a frame house of eight rooms and two baths with a heated garage on a lot of 10,000 feet. The property is to be located in Westminster Park, Newton Centre, and is to be valued at \$17,000. The purchaser, Earle H. Pierce, will occupy as his home about the middle of December of this year.

They also report the sale of a single frame dwelling, garage, and 9,000 square feet of land at No. 32 Commonwealth Park, Newton Centre. The house is of Colonial exterior and contains six rooms, sun-porch, and tile bath. The George McQuesten Co. is the grantor. This property is assessed in the vicinity of \$10,000, and while the selling price is not made public it is understood to be considerably in excess of the assessed valuation. Final papers have already been placed on record.

No. 60 Athelstane road, Newton Centre, a new two-family house and two-car garage has been sold for Daniel A. Hagen to Albertus H. Forrist. One suite is already rented, and the new owner will occupy the other apartment. The place is valued at \$17,000. George Austin has conveyed to Carlton D. Bruya of Newton a seven-room house and 9,000 square feet of land located just off Commonwealth avenue at Aurburndale, No. 10 Higgins street. The valuation is \$7,500.

### NEWTON CHORAL SOCIETY

The fall concert of the society is to be held at Central church, Tuesday evening, December 6. The dress rehearsals will be held the Sunday evening previous.

Both selections from Sullivan's "Golden Legend," which are to be presented at the next concert, were taken up for careful study at Tuesday evening's rehearsal. Some time also was spent on the "Morning Call of the Muezzin," a very brilliant composition descriptive of Oriental life by Rheinberger. This composition will be a very interesting novelty for this concert, as it has not been sung by the choral societies of this neighborhood. New members are still being received at the rehearsals each Tuesday evening at 7:45 at Central church, Newtonville.

### CITY OF NEWTON

FORESTRY DIVISION  
STREET DEPT.

### Notice To Property Owners

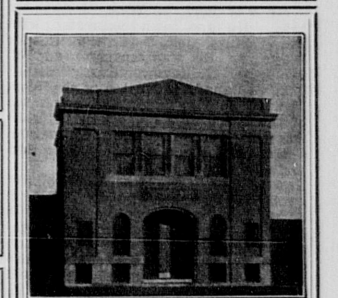

You are hereby required on or before November 25th, 1927, to destroy the gypsy and brown-tail moths on your property in this City. This notification is in accordance with Chapter 132, General Laws, Section 13, and the amendments hereto, which require cities and towns to destroy the eggs, caterpillars, pupae and nests of the gypsy and brown-tail moths under heavy penalty for failure to comply with the provisions of the law.

If a property owner fails to destroy such eggs, pupae and nests, then the city or town is required to destroy the same, and the cost of the work, in whole or in part, according to the value of the land, is assessed upon and becomes a lien on the land. (See Section 13, of said Chapter 132, and amendments hereto.)

The City Will Perform All Winter Moth Work Unless Otherwise Notified by Property Owners.

Full instructions as to the best methods of work against the moths may be obtained from the Forestry Division, City Hall, or from the State Forester, State House, Boston, Mass. Work done by contractors should be inspected and approved by the Local Superintendent before payment for same is made.

GEORGE E. STUART,  
Superintendent of Moth Suppression.  
This notice is issued by order of

### EDITORIAL

Since our attention was first called to the frequent automobile accidents at points where hedges prevented a clear view of traffic we have noted quite a number of points where this situation occurs. While hedges often add to the beauty of an estate we are sure that that beauty would not be curtailed if the hedges were trimmed considerably lower than at present.

Officials of the Telephone Company inform us that the heaviest part of the day for their business is between nine and ten o'clock in the morning. A little foresight on the part of telephone users who can telephone as well at other times in the day might speed up the service now given at that hour of the day.

Less than six weeks to the city election and there is hardly a ripple in municipal politics. Now is the time to see that the city is properly represented at City Hall.

Newton extends a welcome to District Attorney Robert T. Bushnell and his family.

### BOY SCOUTS

Troop 14 of Newton Upper Falls held an open night last Thursday evening at their Headquarters, Parish Hall, Summer street. Many parents and friends of the boys attended to witness their drill and activities.

The feature of the evening was a presentation of a gold watch and charm by Scoutmaster Kestle, on behalf of the Troop and Committee, to Mr. Harry H. Young as a testimonial for his untiring efforts in building the Troop's Cabin at Dover, Mass., which was turned over to the Troop October 12th with very fitting exercises. Mr. Young, though taken thoroughly by surprise, responded with gratitude for their kindness and also gave a brief history of the Troop's progress during the two years of its affiliation. He spoke highly of the boys and stated that Troop 14 had a record to be proud of. One being that it was the only entire Troop to spend a full week in camp at the "Ohio" and the only Troop to have built their own Tower, which is used as a look out. When on top of this Tower a view from 12 to 15 miles can be seen on a clear day. He also commended the boys for their faithfulness and hard work in making it possible for the erection of their cabin and hoped that they would make good use of it and remember how they toiled in making the camp their chief outfit. After his closing remarks amid a round of applause the Troop swung into formation and went through their maneuvers which proved very interesting to its audience who enjoyed a very pleasant evening.

### DEATH OF MR. FALES

Mr. Herbert E. Fales, treasurer for 23 years of the Hollingsworth & Whitney Co., Boston, paper manufacturers, died yesterday at his home, 145 Highland street, West Newton, following several months of failing health.

He was born in West Medway in 1866. He had been connected with the Hollingsworth & Whitney Co. for 42 years. He was treasurer and director of Hollingsworth & Whitney Ltd., of Canada, a trustee of the West Newton Savings Bank, and a member of the board of managers of the New England Home for Little Wanderers.

Mr. Fales was a member of the Second Congregational Church of West Newton, and of the Brae-Burn Country Club, of Dalhousie Lodge, A. F. & A. M., and the Algonquin Club. He is survived by three sons and a daughter. Funeral services, to be conducted by the Rev. J. Edgar Park, president of Wheaton College, will be held at his home Sunday at 3:30 p. m. Burial will be in Newton Cemetery.

### Newton Welfare Bureau

Tel. Newton North 0438

### NEWTON HOSPITAL EXTENDS DRIVE

The \$1,500,000 building and equipment fund campaign for the Newton Hospital, which was to be ended officially October 31, has been extended for a few days in order to permit all members of the campaign organization to make a final clean-up of the prospect cards still in their hands.

The decision was reached at the Newton Hospital campaign report meeting which was held Friday, October 28, at the Brae Burn Country Club. New gifts reported at this meeting totaled \$20,036 and brought the grand total for the campaign to date to \$1,228,324. This sum being within striking distance of the million and a quarter mark, Leon B. Rogers, chairman of the campaign fund, asked all members of the campaign organization to set \$1,250,000 as their minimum goal for the next and last report meeting which is to be held Friday night, November 4, at 6:30 at the Brae Burn Country Club.

In all departments of the campaign organization, the word has been passed along to speed up the solicitation of gifts during the last days of the campaign, which was started back in the spring of 1926. While members of the campaign organization were making plans for the final clean-up, Charles E. Kelsey, president of the board of trustees of the Newton Hospital, was sending out a last-minute radio plea for additional gifts that will assure the success of the undertaking. A special appeal was also being mailed to hundreds of prospects whom the campaign workers have been unable to visit.

If there was any let-down in the progress of the campaign it was not evident last Friday night in the splendid spirit of the men and women who have worked heroically for the Newton Hospital for more than a year and a half. In addition to several hundred dollars in miscellaneous gifts, following is the report of the campaign units at the October 28 meeting: Newtonville \$425, West Newton \$2,182, Auburndale \$345, Highlands \$8,093, Upper Falls \$35, Waban \$1,258, Newton Centre \$6,070 and Chestnut Hill \$710.

Among the latest memorial gifts reported was one for \$7,500 which will be used to endow a poor bed ward in the new hospital building. Another interesting subscription was one for \$50 received from the Boston Letter Carriers Mutual Benefit Association through its secretary, Charles H. Norton. The new gift doubles one that was made by the same association several months ago.

In a letter to Leon B. Rogers, campaign chairman, Mr. Norton said: "The majority of the letter carriers who work in the several Newton Post Offices have been very enthusiastic in their praise of the good work so they want to see the Newton Hospital building fully completed and equipped. This fact and the knowledge that the people of Newton have treated our men most graciously and generously for the past several years has caused the Boston Letter Carriers Association, of which the majority of your Newton letter carriers are members, to instruct me to add this \$50 to our previous donation of \$50."

A gift of \$5,000 toward the endowment fund of the Newton Hospital was recently made by members of the Charles Ward Post G. A. R. to endow in perpetuity a bed for G. A. R. veterans and their families. The new gift increases the hospital's endowment to \$504,835. It was explained by Charles E. Kelsey, president of the board of trustees, that this gift does not count toward the \$1,500,000 building and equipment fund.

Mr. Kelsey went on to explain that the free service of the Newton Hospital is in excess of fifty per cent, and that this service is made possible only through the income from endowment and from revenue derived from private rooms. He stated that in recent years the Newton Hospital has had an annual deficit of \$30,000, which has been liquidated heretofore by private contributions. With the completion of the new hospital building through raising the campaign fund, the Newton Hospital will have a 200-bed capacity and, according to Mr. Kelsey, will be practically self-supporting.

### MRS. IRENE E. GIBSON

Mrs. Irene E. Gibson, wife of William Gibson of 11 Arden road, Newtonville, died at the Newton Hospital on Tuesday night. She was born in Jamaica Plain 35 years ago, the daughter of the late James and Mary English. She was a graduate of the Boston Normal School and taught in the Boston schools prior to her marriage to Mr. Gibson seven years ago. She survived by her husband, two children, four sons and six sisters, one of whom is Mrs. Elizabeth Ryan of 468 Albemarle road, Newtonville. Her funeral service was held this morning at the Church of Our Lady and Interment was in St. Joseph's Cemetery, West Roxbury.

### GIRL SCOUTS

In accordance with a custom established a few years ago, three Newton Girl Scouts went to visit the child in the Newton Girl Scout bed in the Children's Hospital on Sunday afternoon, October 23rd. The girls took in blocks, picture books, Halloween hats and favors, and amused the children in the ward as well as the particular youngster they went to see. Afterwards a nurse showed them through the hospital, thus making the visit even more enjoyable and interesting.

Cookie Day was held in Newton Centre this year on Saturday, October 15th; by the combined efforts of the officers, members of the troop committee and Girl Scouts it was a grand success. The cookies were mixed, rolled and baked all day long in a store on Union St. More orders came in than it was possible to fill and many interested spectators gathered about to witness the famous Girl Scout Cookies in the making.

18 Girl Scouts from Troop 14, Waban, spent the night of Friday, October 28th, at Camp Mary Day. The weather was as warm and pleasant as summer and the girls were able to cook and eat all their meals out of doors as well as to sleep out under the wooden tent roofs. Halloween games and ghost stories were the program for Friday evening and trading and trailing games took up almost all the time on Saturday.

Many troops in the city gave Halloween parties at which witches rode and ghosts walked eerily. Troops 1 and 22 Newtonville held theirs on Friday and Monday. Troops 4 and 24 Waban, on Thursday and Saturday. Troop 3, Newton Centre on Thursday and Nonantum on Monday at the Stearns School Centre.

Senior Girl Scouts will be hostesses for the Sea Scouts of Norumbega Council when they go to Camp Mary Day on Saturday, November 5th, to take the raft in from the lake and make the boats fast and ship-shape for the winter. This good turn which the boys are doing for the girls completes the one they did last spring when they hauled the raft out into the lake and put the boats back into the water.

The first meeting of the Newton Girl Scout handicraft class was held at the Newton High School, Room 226, on Wednesday last. This class is open to all members of Senior troops who are interested in handicrafts and would like to have an opportunity to make attractive Christmas gifts for their families in a place outside of their homes where there would be no chance for "surprises" to be given away, or secrets discovered before Christmas time. Miss Mildred Lovejoy, assistant director for Newton is in charge of this class and any Girl Scouts who are interested in craftwork and Christmas presents (and who isn't interested in them) should apply to her at Girl Scout Headquarters for information.

### OFFICERS INSTALLED

Lady Mary Sears Lodge, No. 163, Daughters of Scotia, will hold a public installation of Officers at Bay State Hall, on Monday, November 7th at 8 p. m. Grand Deputy Mary Sears of Thistle Lodge, Worcester, and her Staff of Past Chief and Chief Daughters will conduct the installation ceremonies.

Mrs. Sears instituted this Lodge and they are highly honored by her being chosen their Deputy. All those of Scottish birth or descent are cordially invited to attend and again meet their "Ain Folks."

Large delegations will be present from Victory Lodge, Lynn; Bon Accord, Brookline; Jeanie Deans, Roxbury; Lady Tulloch, Jamaica Plain; Lady Haig, Medford; Lady Farquharson, Boston; Lady Walter, Scott, Quincy; Lady MacNab, Framingham; and White Heather, Somerville.

The Officers to be installed are as follows: Chief Daughter, Mrs. E. MacGillivray; Sub Chief Daughter, Mrs. H. MacDonald; Chaplain, Mrs. V. B. Clement; Secretary, Miss M. O'Hanley; Financial Secretary, Miss M. MacDonald; Treasurer, Miss A. Macdonald; Conductor, Miss A. Macdonald; Conductor Assistant, Mrs. M. Cavanaugh; Outside Guard, Mrs. A. Skene; Trustee, Mrs. E. Coutts.

### COST OF NEW SCHOOLS

Since 1920 Newton has spent \$3,166,329.99 on new schools. In addition to the \$141,879 just appropriated for the new school at Lower Falls, of this amount \$124,516.02 was for land, \$2,895,034.92 for buildings and \$147,289.05 for furnishings. To meet these costs issues of bonds totalling \$2,665,000 were authorized; of these bonds \$2,015,000 are still outstanding. The Angier School at Waban authorized in 1919 and completed in 1921 cost \$300,857.66 and its furnishings cost \$117,033.06; the land for the F. A. Day purchased in 1921 cost \$35,036.17, the school building \$324,247.44. The site for the new Underwood School cost \$34,672.85, the school \$304,286.43 and the furnishings \$10,648.77. The Davis School started in 1922 cost \$9,857 for the site, \$210,960.22 for the building and \$9,061.92 for the furnishings. The High School started in 1925 cost \$935,198.53 and its furnishings \$40,551.10. In addition large amounts have been expended for grading the high school grounds. The Levi Warren Junior High at West Newton cost \$565,030.60, its site \$32,450, and its furnishings \$43,730. The John Ward School at Chestnut Hill will cost \$254,454.04, the land where it is located cost \$12,500. Its furnishings have not yet been purchased.

### MICHAEL J. FANNING

Michael J. Fanning of 67 Smith avenue, West Newton, a life-long resident of that section, died yesterday following a long illness. Mr. Fanning had been a carpenter by occupation, but had retired from active work some time ago. He is survived by his widow, two sons, William O. and Howard F. Fanning, and two daughters, Miss Anna and Miss Alice Fanning. His funeral services will be held tomorrow morning at 9 at St. Bernard's Church. Burial will be in Calvary Cemetery.

### COSTUME BALL

The costume ball given by Newton Court, Foresters of America, at Columbus Hall, Nonantum, on Monday evening was a huge success. Several hundreds of persons attended and a jolly time was had. The first prize or the most appropriate costume was won by Mrs. Mary Drew of Adams street, who was attired as a farmer's wife. The second prize was won by Miss Clara Goldfede of Dorchester at 1200 St. Paul street. The committee in charge was headed by Amy Pecosolito, and included Louis DeRubeis, Anthony Mazzola, Lawrence Patuto, and Anthony Visco.

### RED CROSS

The Annual Meeting of the Newton Chapter of the Red Cross was held on the 26th October 1926 at 7:30 o'clock p. m. at the office of the Chapter, 12 Austin street, Newtonville.

The following officers were elected for the coming year: Mr. Donald Angier, Chairman; Mrs. Marcus Morton, Secretary; Mr. Joseph B. Jameson, Jr., Treasurer.

Reports were submitted by the Branch Chairmen of the Chapter (there being a branch chairman for each village in Newton) and the various standing Committees reported upon their activities for the past year.

Special mention was made relative to the following Red Cross activities carried on in Newton during the year October, 1926—October, 1927:

### Life-Saving

Free life-saving and swimming instruction was offered to the people of Newton by the Newton Chapter of the Red Cross. A trained life-saving instructor was provided by the Newton Chapter of the Red Cross for this purpose. 743 children enrolled in these courses; 237 were taught to swim and 224 passed the various life-saving and swimming tests.

### Home Service

Year after year the Newton Chapter of the Red Cross continues its home service work—during the past year giving aid to 97 families. Red Cross assistance is always available to needy service or ex-service men and to the families of such men. This assistance includes investigation and relief in illness, insurance, pension, rehabilitation claims, etc.

### Volunteer Service

Every Branch of the Newton Chapter participated during the year in the production of Newton's sewing and knitting quotas. Christmas bags were made and sent to soldiers and sailors in foreign service. Sweaters and pajamas were made and sent to the veterans in hospitals throughout the United States. Babies' garments, layettes, and children's clothes were made and sent through the National Red Cross for insular and foreign relief. Second hand clothing was collected and dispatched to disaster locations—such as the Mississippi River area.

Without the ungrudging support of the people of Newton—who join the Red Cross during the Roll Call and who respond generously to special appeals for funds that are made necessary from time to time by disasters of great magnitude, such as the Mississippi Flood—the work of the Newton Red Cross Chapter could not have been and could not be complete and satisfactory.

### Newton Highlands

—The Grundy family will move from Floral street to Wellesley.

—Granger Hapgood is a freshman at Brown University this fall.

—Mrs. William A. Fewkes is spending a few weeks on Centre street.

—Miss Nina Bradford of Aberdeen street left this week for Wayne, Me.

Reading Room, 255 Walnut St., Newtonville; weekdays, 10-6; evenings, except Wednesdays, 7-9; Sundays, 2-5.

All are welcome.

### IN MEMORIAM

Mr. Louis R. Henrich, whose death took place last Friday was born in Buffalo, N. Y., June 12, 1878, and was the youngest son of William and Anna M. Sohler Henrich. He graduated from M. I. T. in the architectural course in 1901 and received his Master's degree in 1902.

Early in his career he designed the Lincoln Memorial Gettysburg Speech Monument accepted in competition by Elihu Root, then secretary of war. Soon after he designed the Gov. Curtin Soldiers' Memorial Monument at Bellefonte, Penn.

As head designer for Coolidge and Carlson he was given credit largely for the success of Bates College Chapel in Maine, Sandwich Library, Sandwich, N. H.; Westfield Athenaeum, New Wesley Church, Worcester, Mass., dining hall and one other building at the Martha Berry School in Georgia. The success and beauty of these buildings proved the way for a whole group of new buildings for this school which was Mr. Henrich's last job to make the first big scheme for these proposed buildings.

He also took an active part in the designing of Claffin Hall and Tower Court, Wellesley.

Mr. Henrich comes of a family of builders. His father was a builder and his three older brothers continued the business in Buffalo, N. Y. Also one older brother an architect in that city.

Mr. Henrich was one of the outstanding men of Newton who could always be depended upon to help shape public opinion in the right direction. He was pre-eminently a Christian man in his fine idealism and consistent character. He had his own decided and independent convictions concerning community and the larger public interests, and his convictions were respected by all high-minded citizens. His influence was wholly in the right direction. His good life was a moral and spiritual asset to the community in which he lived and to his wide circle of friends who knew him best and loved him.

He had an important work to do in the world, and he did it well. The creation of his artistic genius, in memorials and in beautiful edifices, do honor to his name and to his home city. His early death, coming in the early prime of his life, when his best accomplishments were still to be achieved, marks for us all a loss which is most keenly felt.

Mr. Henrich passed away after an illness of eight months, leaving a widow, three sons and three daughters.

At the funeral services, Rev. Dr. Edward P. Drew, a former pastor of the Auburndale Church, officiated, assisted by the present pastor, Rev. Dr. C. E. Clark.

### MARRIAGES

DeMICHELE—WALSH; on Oct. 30 at Framingham by Rev. S. W. Barrett. Henry DeMichele of 22 River avenue, Upper Falls, and Agnes Walsh of Framingham.

\$8.50

Jones, Peterson & Newhall Co.

49-51 Temple Pl.  
Boston, Mass.

### BECKWITH—THOMPSON

At eight o'clock on Saturday, October 29th, in the Congregational Church at Newton Highlands a small group of friends and relatives witnessed the marriage of Miss Marion Sanford Thompson, daughter of Mr. and Mrs. Sanford E. Thompson, to Mr. Ward Sinclair Beckwith of Newton and Providence. The officiating clergyman was Rev. Samuel H. Woodrow of Newton Highlands and Rev. Charles W. Casson of Lynn. Mr. Thompson gave his daughter in marriage and a sister of the bride, Miss Dorothy Dewhurst Thompson, came home from Mt. Holyoke College to act as maid of honor. Mrs. R. Earle Tinkham of Brookline, was matron of honor and Little Virginia Lichtner flower girl. Mr. Beckwith had as his best man his brother, Walter Beckwith and another brother, Roswell Beckwith, served as usher together with David Thompson, brother of the bride, Wesley Casson and Kenneth Casson.

The bride's gown was of white satin fashioned in period style—she wore her mother's bridal veil of tulle, which fell from a bandeau of lace that belonged to her maternal grandmother and was held in place by small clusters of orange blossoms. The matron of honor was gowned in sunset satin and lace and the maid of honor in turquoise satin. Both carried chrysanthemums in autumn shades. The flower girl's frock was sunset chiffon and she carried a basket of variegated blossoms. The church and house decorations were palms, chrysanthemums and autumn leaves.

A reception at the home of the bride's parents, 1090 Walnut street, followed the ceremony. After a motor trip through the Berkshires, Mr. and Mrs. Beckwith will be "at home" at 44 Angell street, Providence. The bride is a Mt. Holyoke '25 graduate and Mr. Beckwith, a Tufts '24 man.

### POLICE NEWS

Clarence D'Avignon of Moody street, Waltham, was in the Newton court on Monday charged with several violations of the automobile laws. Clarence was arrested Sunday afternoon at Forest Grove, on the boundary of Auburndale and Waltham by Patrolman Austin of the Metropolitan Police force who found D'Avignon at the river resort operating a car of a popular make and of mature age which he had purchased for \$8. After paying the \$8 for the vehicle, Clarence had not followed up this expenditure by paying the costs of getting his car registered and insured. Nor did he have a license. In court the judge fined Clarence \$100 for driving an uninsured car, \$25 for driving an unregistered car, and \$25 for driving without having a license. So, instead of the "bargain" costing D'Avignon \$8, it cost him \$158. He was given time to pay.

9:30 A. M. Church School.  
All Seats Free at Every Service

## West Newton

—Mr. R. F. Koops has been drawn for jury service for civil business.

—John Cowin of Prince street is a student at Exeter Academy, Exeter, N. H.

—Mr. G. S. Hastings of Otis street returned this week from a Southern trip.

—Miss Barbara Eaton of Lenox street is a student at The Winsor School, Boston.

—Harvey Cook of Perkins street is attending The Mitchell School at Billerica, Mass.

—Miss Ann Felton of 219 Chestnut street is a student at the Beaver School, Chestnut Hill.

—Mr. and Mrs. E. W. Bonney are moving this week from North Gate Park to Newell street, Auburndale.

—Mr. Everett L. Upham and family of Mt. Vernon street have moved to Worthington street, Newtonville.

—The Lincoln Park Baptist Church Corporation will hold a business meeting on Thursday evening, November 10th.

—Mr. and Mrs. E. A. Studley of Portland, Maine, are the guests of Mr. and Mrs. Henry S. Wilder of Austin street.

—At the recent meeting of the Congregational Women's Association Mrs. Austin H. Decatur was elected a vice-president.

—Mrs. Herbert Cole of Somerset road gave a tea on Thursday afternoon from 4 to 6 o'clock in honor of guests from Oklahoma.

—Mrs. James Campbell of St. Johnsbury, Vermont, is the guest of her mother, Mrs. Frederick E. Waring of 29 Davis avenue.

—Mr. and Mrs. Stephen H. Whidden of Sterling street returned this week from their summer residence at Falmouth, Mass.

—There will be a Neighborhood Conference of Alliance members at the Unitarian Church parish house next Wednesday afternoon.

—Mrs. Clement Lippincott of Watertown street, who has been a guest of friends in Newport, R. I., returned to her home on Monday last.

—Mr. Hubert Carter and family of 170 Otis street, have returned from their farm at Jackson, New Hampshire, where they have spent the summer.

—Mr. Howard W. Whitaker, B. R. E., of Malden, will address the Teachers' conference at the Second Church Sunday School, this evening at 7:30 o'clock (Nov. 4).

—Miss Katherine Tower, a senior at Boston University is chairman of the committee in charge of the program to be given tomorrow evening by the Gamma Delta Society.

—Miss Barbara St. Dennis of the Newton Theological Institution has been secured by the Lincoln Park Baptist Church to take charge of the Religious Education of the Church.

—The Directors of the W. C. T. U. of West Newton, held a meeting at the home of president, Mrs. Jessie Clarke, 40 Wedgewood road, on Monday, October 31. A discussion of "Ways and Means for Earning Money for the Coming Year," was the object of the meeting.

—On Tuesday, November 1st, Mrs. Paul S. Phalan addressed the women of the Taunton Unitarian Church, taking for her topic, "What Shall We Do with the Year." A group of 350 enthusiastic women with receptive minds and approving words of appreciation, listened to Mrs. Phalan's address.

—Mrs. Henry B. Day of Chestnut street opened her home on Wednesday, Nov. 2d, for the Fourth Annual "Silver Tea" in aid of the Newton Circle and Florence Crittenton League. Short plays by Miss Katherine Warren of New York were enjoyed and tea and a social hour followed.

—"A Good Fellowship Supper" was given in the Lincoln Park Baptist Church on Wednesday evening, November 2d. The special guests were students from the seminary who have come here from foreign lands to study. India, the Philippine Islands, Latvia, Estonia, China and Haiti were represented.

—Mrs. Ernest Mullen, formerly of Chestnut street, West Newton, but now living in The Alden Manor, Brookline, narrowly escaped very serious injuries last week, when her Packard car collided with a Buick.

—The well known "left hand turn." A confusing signal from an officer misled both drivers, which caused much damage to both cars through the occupants escaped with greatly shattered nerves.

—On Wednesday, November 9, the West Newton Branch of the General Alliance will hold a "Guests Day" in the Parish House of the First Unitarian Church. Guests from neighboring Alliances are cordially invited to attend.

—Mr. Thomas G. Rees, Regional Vice President of New England, will address the Alliance. A box luncheon will be served and Miss Elizabeth Phalan, Violinist, will furnish the music with Miss Harriett Goodacre at the piano.

—Mrs. Henry B. Day of 321 Chestnut street, opened her home on Wednesday afternoon November 2, for "The Fourth Annual Silver Tea," in aid of the Newton Circle and the Florence Crittenton League. Miss Katherine Warren of New York gave a Programme of short plays which were so marvelously interpreted as to carry the audience to the scenes of her acting. The large group of women were most responsive with their applause and appreciation for so skillful a mastering of Miss Warren's readings, together with a most charming personality made her natural manner and simplicity most enthusiastically received.

# What Do You Know

About the Bank where your money may be deposited? Do you keep posted on its condition?

Massachusetts laws require that Savings Banks gradually build up a surplus fund until such fund reaches 10% of the deposits. Earnings beyond the 10% must be distributed through extra dividends or an increase in the regular dividends. This State law means that a maximum of 10% is required for safety.

This Bank's Deposits are  
\$3,732,012.78

Its Total Surplus Fund  
\$374,026.48

## RICE—EAMES

The wedding of Mr. Willard Wadsworth Rice, the son of the late Senator Abbott B. Rice of Newton Centre, and Miss Dorothy B. Eames, the daughter of Mr. and Mrs. George H. Eames of Framingham, took place last week, Wednesday evening in the Grace Congregational church of Framingham, and was the first wedding to be held in the church which was only dedicated two weeks ago.

Rev. Fredrick E. Emrich, D.D., former pastor of Grace Congregational church, who had united in marriage the parents of both the bride and bridegroom in the former Grace church edifice, performed the ceremony, assisted by the present minister, Rev. Theodore B. Lathrop. The church auditorium was filled with relatives and friends of the couple.

The bride was given in marriage by her father, George H. Eames. She was gowned in ivory satin and lace with bridal veil, and her shower bouquet was of orchids, roses and lilies of the valley. She was attended by her sister, Miss Blanche W. Eames, as maid of honor, and four bridesmaids, Mrs. Elizabeth Bridges French, Mrs. Marion Waterhouse Langtry, Mrs. Marion Shattuck and Miss Hannah Hanway. The maid of honor wore a gown of leghorn taffeta while the bridesmaids were attired in turquoise and coral satin.

The wedding marches were played on the church organ by Albert S. Heald, the church organist. Thurbur Bridges, Murvin French, Lincoln Alford of Newton and Tirrell Wagner of South Weymouth, the latter a classmate of the bridegroom at Harvard in the class of 1918, were the ushers. The church decorations were of palms, ferns and chrysanthemums by Butterworths.

A reception followed in the church parish house, at which the bride party received their many friends and relatives. Music was furnished by a trio composed of Mrs. Clapp, piano; Miss Molsan, violin; and Miss Curtis, cello. Mr. and Mrs. Rice, who received a wealth of beautiful wedding gifts, will sail Saturday from New York, for an extended tour abroad. On their return they will reside at 106 Summer street, Newton Centre.

The groom is a well known hockey player and has represented Harvard and B. A. A. on the ice.

## ENGAGEMENT ANNOUNCED

At a luncheon given Wednesday at the Brae-Burn Country Club, Mr. and Mrs. Herbert S. Virtue of Newton Highlands announced the engagement of the daughter, Miss Isobel Macpherson Virtue, to Paul Brainerd Sargent of Winchester.

Miss Virtue attended Miss McClintock's School in Boston and was graduated from the School of Fine Arts and Crafts in 1927. In 1926 she studied painting in Miss Child's summer school, in Italy.

Mr. Sargent is the son of Mrs. Thomas Mentor Howard of Winchester and the late Frank C. Sargent of Syracuse, N. Y. He was graduated from the Yale University in the class of '26 and is a member of the Alpha Delta Phi fraternity. He afterwards attended Yale Law School and is now associated with his brother, Willis Hubbard Sargent in Syracuse.

## Y. W. C. A.

The members of the Blue Triangle Club are busy this week making preparation for their dance to be held Saturday evening from 8 to 11. It is anticipated that the music, furnished by an orchestra from M. I. T., will add a great deal to the pleasure of the occasion. All those interested to attend are urged to get in touch with the office as early as possible.

At the meeting of the Blue Triangle Club next Monday evening it is expected that Mrs. Harry Huntington Powers will give the first of a series of four hours on the study and appreciation of art. Already about a dozen girls have signed up for this work, and are looking forward with keen appreciation to Mrs. Powers coming. It is anticipated now that the talks will be on the first Monday of November and December and the remaining two will be arranged for early in the coming year.

The gymnasium class for adults which meets Tuesdays at 7:30, and for children which meets Thursdays at 4 o'clock are steadily growing in enrollment. It is not too late to become a member of those groups and participate in the work.

The Girl Reserve club for Junior High School girls from 12 to 14 years old meets Tuesdays at 4 o'clock and the High School Club meets Fridays at 7:30. The Triangle Club for girls 7-11 meets Thursdays at 3 o'clock. The Watertown Club for Girl Reserves meets at the Union Church, West Watertown at 4 o'clock Fridays and the Aroxy, East Watertown, at 2:30 on the same day.

The bowling group will meet regularly on Thursday evenings at 7:30 in the Y. M. C. A.

## BUILDING BOOM CONTINUES

The report of the Public Buildings Department of Newton for October shows that during the month 140 permits for new buildings were issued and 49 permits for alterations. The value of the new buildings is estimated at \$2,065,599; the cost of the alterations is estimated at \$51,805. Included in the new buildings is the large new structure for the Newton Hospital valued at \$1,000,000, the school at Lower Falls to cost \$142,879, and a dormitory for the school to cost \$73,000, 58 single dwellings, 20 double dwellings and 54 garages. The total value of the building work for which permits were issued is \$2,117,404. So far this year 1344 building permits have been granted calling for estimated costs of \$8,483,916; in 1926 the number of permits for the corresponding period was 1287, and the estimated cost \$7,106,609. The permits by Wards for 1927 to date are—Ward 1, 81; Ward 2, 225; Ward 3, 251; Ward 4, 147; Ward 5, 255; Ward 6, 318; Ward 7, 67.

## MEETING OF PLANNING BOARD

The Planning Board will give a public hearing at City Hall on Tuesday, November 15, at 4 p. m., for consideration of the plans of developing Furbush avenue, West Newton, located on the land of W. J. Furbush and others; also for consideration of the plans of developing Hosmer circle, West Newton, which is located on land owned by Perley Crosby.

## DEBUTANTE PARTY

Mr. and Mrs. Edward Merrihew Hallett entertained Monday evening at a dance at the Hotel Somerset in honor of their daughter, Miss Augusta Hallett, and their niece, Miss Emily Prescott Warren, daughter of Mrs. Hallett's sister, Mrs. Prescott Warren. The party was the first debutante dance of the season to take place at the Hotel Somerset, and was attended by many of the post-buds as well as those having their presentations this year. Mrs. Hallett, attired in a blue velvet gown, and her sister, Mrs. Warren, in black velvet embroidered in rhinestones, received with their daughters, whose frocks of silver cloth and silver lace were fashioned alike in the period mode.

Immediately in advance of the dance there was a dinner for the ushers, which was also held at the hotel. Mr. Edward Merrihew Hallett, Jr., was in charge of the group of ushers, among whom was a brother, Francis Stanley Hallett, and F. E. Stanley Warren, brother of Miss Warren. Leicester Warren of Springfield, brother of the late Prescott Warren, was among the out-of-town guests present. Other men among the ushers were Gilman Angier, Edward Bailey, Bruce Beal, Richard Bolster, Simeon Cantrill, Denton Carmon, Dewitt Endicott, Philip Fowler, David Gierach, John Hoppewell, Stanford Hopkins, Henry Putnam, Frank Soule, Edward Stimpson, Alan Sweeney, David Whiting and John Whiting.

Miss Hallett and Miss Warren are grand daughters of Mrs. F. E. Stanley of Centre street, Newton.

Later in the month Mrs. F. O. Stanley of Waverley avenue, Newton, will give a tea for Miss Hallett and Miss Warren, who are her grand nieces.

## REAL ESTATE

John T. Burns and Sons, Inc., report that they have sold the property at 67 Beaumont avenue, Newtonville, for Robert Shelley to Marie F. Gallagher. The property comprises a brick colonial nine room home built about seven years ago, together with a two car garage. With the house there are 8940 square feet of land, and the total value of the property is \$25,000. They have also sold Mrs. Gallagher the adjoining lot, which is conveyed by the same grantor. This lot contains 8450 square feet and is valued at \$3,500. This is one of the finest properties in the Beaumont Hill district of Newton. Mrs. Gallagher buys for a home and will occupy the premises.

Burns and Sons have also sold the English type brick single house located at 495 Walnut street, Newtonville, together with garage and 8,000 sq. ft. of land. The total valuation of the property is \$18,000. F. L. Gray conveyed title to Thomas Dillon of New York.

The Burns agency has sold for Frank S. Lane the single frame house at 176 Collins road, Waban. With the house there are 11,000 feet of land, and the property is valued at \$15,000. Robert T. Bushnell has purchased for occupancy.

Burns and Sons report also the sale for Winifred S. Hart to M. F. Flanagan of a lot of land on Dolphin road, Newton Centre, containing 8,000 square feet, and valued at \$3,200.

## POLICE NEWS

Tuesday morning at 1 a. m., a Hudson coach was found abandoned in the driveway of C. E. Joffrey of 725 Commonwealth avenue. It was listed in the name of Dearly Stowell of Gardner.

Inspector Shaughnessy arrested Cecil Williams of Cambridge on Tuesday. Williams was turned over to the Chelsea police who want him on the charge of larceny.

Louis DeRubeis of Pearl street, Newton, was fined \$100 in the Newton court Tuesday for driving while under the influence of liquor. He was arrested last week when his car collided with a car driven by Patrolman Teegan.

Arthur Wescott of Elmhurst road, Newton, arrested on October 25, by Traffic Officer O'Donnell on charge of driving while under the influence of liquor, was found guilty in the Newton court on Wednesday and fined \$100. He appealed.

## ANOTHER AUTO SMASH

Automobiles operated by Frederic Baker of Melrose and James Porter of 2117 Commonwealth avenue, Auburndale, collided at the corner of Washington street and Commonwealth avenue on Wednesday morning. George Forsythe of Malden, who was riding with Baker, received a cut on the head.

## FIRE RECORD

Box 811 was pulled at 12:38 Wednesday noon for a brush fire on the Liggett estate off Beacon street.

## AUTOMOBILE ACCIDENTS

Sunday at 6 p. m. at the corner of Commonwealth avenue and Beaumont avenue, Newtonville, automobiles driven by Arnold Klein of Jamaica Plain, and Gilman Fogg of Summer street, Waltham, collided. Mrs. Anna Fogg, Mrs. Beatrice Klein and Madeline Klein were slightly injured.

Saturday morning at 10:45, cars driven by Lars Kaargaard of Medford and Edith Lindsey of Grove Hill avenue, Newtonville, collided at the corner of Commonwealth and Lakeview avenues, Newtonville. Both cars were badly damaged. Kaargaard's car was tipped over and he received slight injuries.

Sunday noon at the corner of Marginal and Putnam streets, cars driven by John Callahan of Holly road, Waban, and Mary Brooks of Brush Hill road, Milton, collided. Mary O'Connor and Pauline Callahan who were in the Callahan car, and Mary Schlosfortoff and Bridget Brooks, who were in the Milton car, received slight injuries.

Sunday afternoon at 4:45, at the corner of Watertown and Bridge streets, a car driven by Charles Kunz of Sherborn, hit Burton Shiro, 4, of Colonial avenue. The child received a cut over his left eye and was taken to the Newton Hospital by Kunz.

## ANNUAL MEETING

The annual meeting of the Newton District Nursing Association will be held at the headquarters, 12 Austin street, Newtonville, on Monday, November the fourteenth, at 10:15 A. M. Reports of the year's work will be given.

—Friends of Mrs. W. J. McCarty of Park street will be pleased to know that she is recovering from her recent illness and will soon return from the Phillips House, Boston.

—The semi-annual meeting of Channing Church will be held Tuesday evening following an all-sewing meeting by the ladies and a monthly supper served under the direction of Miss Dorothy Simpson.

—Damon Howlett, Harvard '28, is a member of the Glee Club and will act as song leader at the Harvard-Pennsylvania game on Saturday. Howlett is the son of Mr. and Mrs. A. D. Howlett of Newtonville avenue.

## FIREMAN'S LEG AMPUTATED

William Scott of 30 Chesley road, Newton Centre, a member of the Chestnut Hill company of the Newton Fire Department, who was hit by an automobile on Sunday night at the corner of Commonwealth avenue and Centre street, had his leg amputated above the knee when he was hit by the Newton Hospital. His condition is quite serious. Scott is 55 years of age and has been a member of the Fire Department for 23 years.

## FASCINATING CYNTHIA SWEETS

Before long our friend and others in Pendleton County will think more kindly of those he includes in the above list of undesirable. West Virginia has been building some excellent state roads. In January of this year the National Forest Reservation Commission voted to take over 72,000 acres of land in the Seneca Rocks and Smoke Hole regions, two-thirds of which is located in Pendleton County.

This country has great scenic beauty, and one long the roads of automobile tourists will visit it annually. Included among them will be many Yankees. And the good folks of Pendleton will learn that the "Yanks" are not "onery critters." The bitterness engendered by the Civil War still lingers in some places south of the Mason and Dixon line.

Thousands of persons have moved into Newton during the past few years. Many of these persons have a somewhat vague knowledge of our city. Tuesday afternoon as we walked down the steps of City Hall one new resident of this burg was going up the

## ABOUT TOWN

By Edw. H. Powers

Newton enjoys the reputation of being a very attractive community, physically, socially, financially and politically. Yet if the majority of the residents of this city took as little interest in its affairs as do some thousands of men and women in this municipality, Newton might be in a sorry state. Last year there were 16,117 men assessed for poll taxes in Newton. But 10,846 of these were registered as voters. Only 3,443 of them took the trouble to vote at the city election last year. There are at least as many women as men in Newton, but only 10,896 of the ladies are registered as voters, and but 2,723 performed their civic duty and voted at the last city election. In 1925, when a Mayor was elected, as well as 14 aldermen, only 10,465 men and women voted in Newton about 50 per cent of the registered voters.

On the 13th day of next December the citizens of Newton will elect a Mayor and 14 aldermen. These men, together with the seven aldermen whose terms will not expire until next year, will govern the city during 1928. Including the cost of the Water Department, the expenses of running Newton in 1926 totalled \$4,351,242.57. The budget for this year's city expenses totalled \$3,664,441. Since these huge sums are raised by taxes imposed on the residents and property owners of Newton, it would seem that everyone eligible and able to vote should take an interest in the city. It is not a tribute to the intelligence of over one-third of the adult population of this city that it neglects to become qualified to assist in determining how the city shall be governed, and who shall govern it. The 10,000 and more persons in Newton who should be registered voters, but who are not, should do their duty to themselves and to the city. Wealth and country by getting registered. And the 10,000 or more registered voters in Newton who did not go to the polls at the last two municipal elections here, should go this year. It would be fatuous to expect that all these politically negligent citizens will perform the civic duties they have been indifferent to. It is to be hoped that an appreciable number of them will get registered and will participate in the coming election.

In another part of this paper is an article about the West Newton post-office. One of the veteran carriers at this office is J. Henry Meekins of Derby street. Before entering the postal service, Mr. Meekins was employed for some years by the Boston & Albany railroad. In his younger days Henry was an enthusiastic drummer and wielded a "mean" drumstick. In the presidential campaign of 1896 Henry was the leader of the drum corps of the Newton Torchlight Battalion. This battalion marched for the Republican cause. Among other places it visited to participate in parades was Worcester. In going through one section of that city which was strongly Democratic, the Newton battalion was rather roughly treated. The boys marching obtained a first hand idea of the reception accorded the 6th Massachusetts regiment at Baltimore in 1861. Torches were snatched from the hands of the marchers and what happened to the bass drum is said to relate. But all the wrongs were not recorded by the marchers. They handed out a considerable number themselves to their assailants.

Lately we have been enjoying some sweet cider. Not the mistreated kind, embalmed with benzoate of soda, but naturally sweet cider a few days old which does not violate the Volstead Act. Cider caused me to think of some cider drank several years ago down in Pendleton County, West Virginia. That cider was not sweet, although it was quite palatable. We drank it innocently enough. We quaffed two glasses of it. And then! We realized that cider made by an expert and sufficiently aged had a kick that would make a Missouri mule seem like a toad. Pendleton County is in a region not noted for its cider. It is in the main range of the Alleghenies, its lowest point is 1250 feet above sea level. And those mountains about us were going up and down for about two hours. Several weeks ago we received a copy of a West Virginia paper from a friend there. It was a "booster edition" extolling the virtues of Mineral and Pendleton counties in that state. In the paper is an article praising Pendleton County. It was written by a prominent citizen of that place who treated us quite hospitably when we visited there. Although this gentleman is of a kindly nature, he is somewhat provincial in his views, as this paragraph of his article would seem to imply:—"The inhabitants (of Pendleton County) are of the purest Anglo-Saxon blood, being but one person of alien birth in the county. It is the home of the orthodox Protestant religion and can boast of neither a Catholic nor a Jew. It is uncontaminated by either railroads, aliens or Yankees; it is untouched by either greed, graft or commercialism."

Before long our friend and others in Pendleton County will think more kindly of those he includes in the above list of undesirable. West Virginia has been building some excellent state roads. In January of this year the National Forest Reservation Commission voted to take over 72,000 acres of land in the Seneca Rocks and Smoke Hole regions, two-thirds of which is located in Pendleton County.

This country has great scenic beauty, and one long the roads of automobile tourists will visit it annually. Included among them will be many Yankees. And the good folks of Pendleton will learn that the "Yanks" are not "onery critters." The bitterness engendered by the Civil War still lingers in some places south of the Mason and Dixon line.

Thousands of persons have moved into Newton during the past few years. Many of these persons have a somewhat vague knowledge of our city. Tuesday afternoon as we walked down the steps of City Hall one new resident of this burg was going up the

steps looking for the Tax Collector's office. As we passed him he asked another resident of this city, who had just paid his taxes, "Is Waban a part of Newton? I live there and I want to pay my taxes."

A plain-clothes policeman should be detailed to patrol Washington street from Thornton street to Adams street nights. Would be male "ramps" who drive automobiles along the curbs, or who park, are accosting and insulting girls and women. Some of these false alarm sheiks should be arrested and punished.

There seems to be a difference of opinion among residents of Newton Centre over the removal of the large fountain at the corner of Beacon and Centre streets. While many favor the removal of this fountain, others are opposed to this action. The Newton Centre aldermen are anxious to learn the views of residents of that district on this matter.

## DEATHS

GIBSON, on Nov. 1, at 11 Arden road, Newtonville, Mrs. Irene E. Gibson, age 35 years.

FANNING, on Nov. 3, at 67 Smith avenue, West Newton, Michael J. Fanning, age 72.

BOWLBY, on Nov. 1, at 62 Bellevue street, Newton, Clara Bowlby, age 62 years.

LOMBARD, on Nov. 3, at 45 Chestnut road, Chestnut Hill, Oliver Lombard, age 80.

CONDRIN, on Nov. 2, at 112 Sheridan street, West Newton, Mrs. Ann J. Condrin, age 62 years.

## Coke Production

Coke is the solid left when a caking coal is deprived of its volatile constituents by heating in a retort or oven. It consists mainly of carbon, is hard, porous and grayish, with a submetallic luster.

## New Saw Attachment

An attachment has been invented by which a circular saw for cutting wood can be mounted on the front of a tractor and operated by its engine.

## WOMEN'S CLUB ACTIVITIES

Edited by EMMA D. COOLIDGE

### COMING EVENTS

Newton Federation

**OPEN MEETING.** The Newton Federation of Women's Clubs is providing a most enticing program to draw out a large group of citizens, men and women, at its first OPEN MEETING of the season, Monday, November 7, at 8 o'clock. The Auburn-dale Club House is hostess in its spacious and attractive quarters that have come to stand for the presentation of all community methods of progress, educational, or political—the Auburn-dale Club House. Monday evening's opportunity is to know Newton, its past, its present, its possibilities for the future. Two citizens of Newton whose background and whose personalities make them qualified to speak have shown their interest in this public spirited meeting by being willing to give the addresses. The Mayor, Hon. Edwin O. Childs, will welcome the gathering, and surely no city can present a first official who by term of office, and eminent satisfaction to the majority of voters, is better qualified to know of Newton in its entire history.

The past will be presented by Mr. Henry Whitmore, of West Newton, descendant of one of the first families to settle in this city, a member of the real estate firm of Meredith and Grew, formerly president of the Boston Real Estate Exchange, and for many years on the staff of the Boston Herald. A knowledge of growth through real estate, a knowledge of men and affairs through news correspondence, and an avocation for study of Americana, make an excellent foundation for presentation of facts as to Newton "In Retrospect."

The future is in the hands of a man who had the creative ability to develop the N. E. Power Co., famous for its tremendous subjugation of the Connecticut River, a graduate of Wesleyan University, and for these more recent years giving his time and efforts to the solving of problems of the Planning Boards of Metropolitan Boston, and of civic affairs of this district and his home city, and to progress of the Boston Chamber of Commerce, as its president. Newton "In Prospect" should derive much from Mr. Henry I. Harriman's knowledge and vision, so informed.

A bit of frivolity, belonging to our city, and serving it in a most helpful manner, will be the Swedish Folk Dance Club, whose young people, while enjoying their pleasurable recreation, are helping to support those of their own race in the Swedish Old People's Home at West Newton, invited as guests, should welcome the double opportunity of the evening, in knowledge to be gained, and in enjoyment of the hospitality of the Women's organization.

**EDUCATION WEEK.** The Clubwomen of Newton are showing their civic spirit in aiding the celebration city-wide of Education Week. On Friday evening the 11th, the big gathering of the week, at High School Auditorium, will be one for parents and all interested citizens to hear Dr. James Gordon Gilkey, of Springfield.

The first of the meetings, Monday evening, the 7th, under the auspices of the School department and the Newton Federation, will be Open House at the new Levi Warren Junior High School at West Newton. This will be an excellent opportunity for parents of Newton to see this beautiful new building, and to become familiar with the surroundings of their children seeking education, not only in the material structure, with all the modern delights, but with the mental and spiritual stimuli as supplied by the instructors.

### Newtonville Woman's Club

The Education Committee is co-operating with the local schools in the observance of Education Week, and its members will act as hostesses to the parents who attend the exercises at the Claffin School on Monday, the 7th, or at the Horace Mann on Wednesday, the 9th. The programs in each school will be similar: visiting in the classroom in the first of the afternoon will be followed by some demonstrations by the pupils in the hall, after which Miss Bragg and Mr. Brainerd will talk briefly—the former on "Our Report Cards and Citizenship." As last year, there will be an opportunity for parents and teachers to meet informally as refreshments are served. The Education Committee is also actively supporting the parents' meeting in the High School Hall on Friday evening, the 11th, when Dr. Gilkey, of Springfield, speaks.

### Newton Upper Falls Woman's Club

At the November 7th meeting of the Newton Upper Falls Woman's Club, Mrs. Nelson L. Browne, chairman, will present Mrs. Carlton Warren Ray, of Newton Highlands. She has chosen for the subject of her talk "Humor in Literature," which promises to be an enjoyable as well as instructive presentation.

### Waban Woman's Club

Monday, November 7, is "New Members' Day." A one-act play: "Fourteen," will be given by members under the direction of Mrs. Bonney L. Dunbar, chairman of Dramatics. In the absence of Mrs. Philip Warren, the president, who is abroad, Mrs. Chester L. Churchill, first vice-president, will preside. Tea will be served after the play.

### West Newton Women's Educational Club

Mrs. Arthur M. Teulon and her Art Committee score again in an attractive offering for the entertainment and information of Club members, and—good news for Club women—others who may care to ask the privilege

of attendance—in a trip to the Boston Museum of Fine Arts on Tuesday, November 8. Mrs. Mary Parkman Sayward will lecture on the Sacred Tree, and illustrate with stereopticon, at 2 p. m. Many members are planning to go in earlier and have a social time at lunch before the lecture.

Mark your calendars for the Bridge Party on the 11th—details of which will be forthcoming next Tuesday—is the warning from Club headquarters.

### Twelfth District Legislative Conference

The Wellesley Hills Woman's Club is hostess for the many Clubs comprising the Twelfth District for the Legislative Conference on Wednesday afternoon, November 9th. The Congregational Church on Washington street makes a delightful and spacious place of meeting. The time of opening is 2 o'clock, and following the presentation of speakers, with appropriate subjects to the discussion, there will be the pleasure of sociability in tea. It can be said with certainty that many Newton Clubwomen will journey thither in their keen interest in legislative matters, and to see their friendly neighbors.

### Social Science Club

The members of the Social Science Club will enjoy their Annual Tea at their meeting for Wednesday, November 9th, from 3:30 to 5:30 o'clock, at the home of Mrs. John P. R. Sherman, 124 Vernon street. Mrs. Samuel Noyes Brannan, the president; Mrs. Sherman, and Mrs. Wolcott Calkins will receive.

### Newton Centre Woman's Club

On Wednesday morning November 9, there will be an informal talk for members of the Newton Centre Woman's Club, from 10:30 to 11:30 under the auspices of the Education Committee, which is in charge of Mrs. Ralph G. Hudson. Mrs. W. Cornell Appleton will speak on "What to See" in the way of current art exhibitions, etc.; Mrs. Charles L. Bird, on "What to Hear" in concerts, recitals, etc.; and Mrs. E. Ray Speare, on "What to Read."

The value and charm of these tabloid presentations for busy women, who wish to put their time only upon what is worthy of such bestowal during hectic days, is inestimable.

On Thursday morning November 10, the first of the season's Current Event talks by Mrs. Grace Morrison Poole will be given. Clubwomen know what a treat is in store from this bestower of live information.

### Newton Community Club And Auburndale Woman's Club

The next regular meeting of the Newton Community Club will be held on Thursday afternoon at 2:30 o'clock, November 10, in Underwood School Hall. The next meeting of the Auburndale Woman's Club, on the same date, will be held at the Auburndale Club House. Full details of these meetings will appear in the Tuesday edition of the Graphic, November 8.

Meanwhile, the Public Health Committee of the Newton Community Club is offering the following opportunities for group recreation to Club members and their friends. "Choose one of them as your weekly playday and know that you will find friendly faces and a jolly atmosphere. Then notify the group leader at once so that she may have a place for you.

**KEEP FIT CLASS**—Leader, Mrs. William R. Brewster, Tel. C. N. 1985-R. This Class is already half filled with enthusiastic members of last year. Would you like spring in your step and strength in your back? Come and join us. Fourteen (14) lessons for only \$5.00. First meeting was Tuesday, November 1, at 10:00 a. m., at the Newton Y. M. C. A. Miss Helen Dauncey will again be our leader. Good music.

**SWIMMING**—Leader, Mrs. F. Carroll Thompson, Tel. N. N. 1475. This Class is being held at the Brookline pool where the water is comfortably warm and all facilities excellent. Monday meetings at 10:00 a. m., is the time. Fees, 30 cents for admission, 50 cents for group lesson with excellent instructor. Bring your own cap. Leader will arrange transportation if notified. There is no better way to normalize your weight, or to relax and rest.

**HORSEBACK RIDING**—Leader, Miss Marion Stone, Tel. N. N. 4262-M. We ride from three to four on Tuesday afternoons in Winchester. Leader will arrange transportation if notified. Fee only \$1.50 an hour. There is still room for new members, and beginners are welcome. We ride in the Fells away from automobile traffic.

**BOWLING**—Leader, Mrs. Daniel M. Goodridge, Tel. N. N. 1129-W. Assistant Leader, Mrs. W. A. Somerby, Tel. N. N. 2013-R. Come and bowl! Take ten years from your age and ten pounds from your figure. Teams are now being made up. Pick your partner and come along. Small fee.

**HIKING**—Leader, Mrs. Ralph C. Henry, Tel. N. N. 2582-M. Hiking depends on the weather. If you would like to get out in the woods, enjoy the sunshine, and not be too strenuous, let Mrs. Henry have your name and address.

For further information and details, watch the Club Bulletin, and the Graphic, or write or telephone leaders or Mrs. John Patterson, chairman, N. N. 5995.

### Newton Highlands Woman's Club

Next week, in addition to the usual rounds of Classes and routine events, the Workshop is to be opened Friday, November 11, for a "Get-Together Afternoon" arranged by the Hospitality Committee for the purpose of promoting better acquaintanceship among members of the Newton Highlands Woman's Club.

Mrs. Will Travis Lavery and the 13 members of her committee have arranged an informal entertainment,

which will include a group of songs by Mrs. H. P. Forte and one or two surprise features which will not be announced in advance, and tea is to be served between the hours of 2:30 and 5 o'clock.

It is hoped members will bring their sewing and come prepared to spend the entire afternoon in social intercourse, particularly so the new comers, who, in this informal way, will have a much better chance of getting in touch with the club members than through the large and formal club meetings.

### RECENT EVENTS

#### Newton Upper Falls Woman's Club

It certainly seems as if the Newton Upper Falls Woman's Club is always having something delightful happen for their members. Two events of the past week made for great enjoyment. First, all roads led to Wayside Inn, Sudbury, Wednesday, the 26th, at least for twenty-five of the club members, headed by Mrs. Robert B. McLaughlin, the president. Members were generous with their cars, so all who wished might ride. Arriving at the Inn, they were welcomed by the matron, who graciously conducted them around the house and grounds showing everything of interest, not forgetting the little school-house and mill. Many things attracted the attention of the ladies, and while grouped about the old fireplace, excerpts from Longfellow's "Tales of the Wayside Inn" were read by Mrs. Nelson L. Browne, a director of the club. Apples and candy were enjoyed, these being a treat of the matron. Incidentally, Mrs. Herbert E. Child (nee Howe) a past president of the club, is proud of the fact, and the club is also, that she is a lineal descendant of the original owner "by the name of Howe," when the Inn was known as "Red Horse Tavern."

And the second event? A most thrilling one, with shivers and everything. Who said "Hobgoblin Hall"? That's how the home of Mr. and Mrs. Herbert E. Child looked, as the members and friends of the executive board of the Newton Upper Falls Woman's Club, Mrs. R. B. McLaughlin, president, entered, Monday, October 31, to enjoy an evening of carved a Halloween pumpkin-lantern grined its welcome at the front door. Inside the house festooned or from chandeliers, to windows, and doors, were ropes of orange and black crepe paper from which were suspended witches, black cats, owls and pumpkins. Black cats capered over back fences, "making night hideous," while witches and cats raced each other around floor lamps and candles. Calendula, picked from the child's garden, the morning of October 31 formed the floral decoration, and conformed to the color scheme. Nine tables of whist occupied the party till a late hour, when refreshments were served by the hostess, assisted by Miss Ruth Doremus of Morristown, N. J., and Miss Elizabeth Meara of Newton Upper Falls, who were adorned with appropriate Halloween caps. The orange napkins decked with cats, hobgoblins, and what not, added to the joy of the occasion. The proceeds of the party are to be used toward the Christmas meeting of the club which has Mrs. Child for its chairman.

### Newton Community Club

On Thursday, October 27th, the Newton Community Club held its meeting at the Underwood School. Mrs. Harry W. Pitts presided, and introduced the speaker, Professor Charles C. Batchelder, who gave an illuminating picture of political conditions as he had found them in Austria, Spain, Portugal, Persia, Turkey, Poland, Italy, and Russia. He pointed out that whereas the usual faulty conditions in these countries do not affect us vitally at this moment, the time may not be far off when we may be drawn into conflict over them. Professor Batchelder presented the problem confronting each of the above named countries, showing first how a democratic form of government has failed because of its lack of consideration for economic problems.

The state of affairs he declared was due in large part to the need in the backward countries for "leaders with brains" and exceptional ability. Professor Batchelder showed how Italy had improved under the Dictatorship of Mussolini and how this has been brought about by the Dictator's solving of economic problems.

President's Day of the West Newton Women's Educational Club was held Friday, October 28, in the Unitarian Parish House. The hall was beautifully decorated with palms, autumn leaves, and cut flowers. After a report by the secretary, a most interesting resume of the State Federation Meeting was given by Mrs. Alvah Jordan. The guests of honor were Mrs. Carl L. Schrader, 2nd vice-president of the State Federation, Mrs. Joseph Congdon 12th District director, and Mrs. J. Porter Russell, president of the Newton Federation, who all brought helpful messages to the club. Honor guests were thoughtfully provided with bouquets of pink roses, and to all presidents and secretaries were given adorable small bouquets of white asters for identification and adornment.

The program of the afternoon was in charge of Mrs. Fred M. Blanchard, which opened with Mrs. Gladys Shields Folsom of Braintree, who sang a group of songs: "Nocturne," by Lester, and "Morning of the Year," by Cadman. This was followed by Miss Margarette Baldwin, of Leland Powers School, who read most engagingly "Smilin' Through."

Miss Hazel Hallet of Greenwood, piano soloist, winner of the National prize for young artists, then played selections: "Capriccio," by Scarlatti, and the first movement of "Eraldo," by Macdowell, the latter was rendered

(Continued on Page 10)

## WOMEN'S CLUBS

(Continued from Page 9)

with the wonderful skill which gave this composition the prize.

Mrs. Folsom's next group of songs, so enjoyably sung, included "Ah, Love But a Day," by Beach, and "Hills," Miss Baldwin again pleased the audience with her reading of "The Courtship of Joshua Stebbins," by Verdeli, and "Aeolian Harp," by Hasselmanns.

An informal reception of special guests, and tea followed the program. Six past presidents served most helpfully in several capacities during the afternoon. The past presidents who so kindly assisted were Mrs. Harry S. Wells, who greeted all guests at the door, Mrs. George St. Amant, Mrs. Walter Beedle, and Mrs. Bernard Early were hostesses to the honor guests, Mrs. J. R. McLean and Mrs. J. A. McDonald were hostesses at the tea table. Two past presidents were unable to attend because of ill health. They were Mrs. Gordon and Mrs. Elwell. Mrs. George Phipps, the Club's oldest member, was a guest of honor, and members were greatly pleased to see her kindly face smiling upon them from the platform. She has been a member 45 years out of the 47 that the club has existed.

Mothers' Rest Association of Newton Centre

The annual meeting of the Mothers' Rest Association of the City of Newton, Inc., was held on October 20th, in the parlors of the First Baptist Church in Newton Centre. The meeting was opened with singing followed by a prayer by Mrs. Arbuckle. There are now 990 members of the Association, 193 having been added this year in the membership drive. The Rest opened June 8th, and 131 mothers and 241 children, ranging in age from six weeks to six years were given two weeks vacation in the country. Unconventional religious services were held Sunday afternoons and entertainments were furnished during the week by volunteers. The annual house was held at the Rest on Sunday, June 5th. The conspicuous activities of the year were the May Breakfast at the Woman's Club of Newton Centre, and the Bridge at the home of Mrs. Carl W. Bigelow of West Newton. These aroused much interest and enthusiasm. The following officers were elected for 1927-28: President, Mrs. H. J. Ide; first vice-president, Mrs. H. W. Ross; second vice-president, Mrs. Charles J. Maynard; secretary, Mrs. Charles J. Cobb; treasurer, Mrs. G. F. Richardson, Jr.; auditor, Mrs. Fred G. Sandford; Committee on Finance, Mrs. John F. Capron; Committee on Visitation, Mrs. F. D. Robinson; Committee on Special Relief, Mrs. S. Hardy Mitchell; Committee on Membership, Mrs. W. H. Raye; Committee on House and Grounds, Mrs. Charles T. Bartlett; Committee on Religious Services, Mrs. W. M. Mick; and Committee on Guests and Transportation, Mrs. Worthing L. West.

Women's Auxiliary to Y. M. C. A.

The Woman's Auxiliary to the Y. M. C. A. held its first meeting on Friday, October 28, at 3 o'clock. The president, Mrs. C. D. Kepner presided. Mr. Fred Trask led the devotions. Miss Margaret McGill, who was unable to be present, but sent as her substitute, Miss Jordan of the Boston Library.

## ABOUT TOWN

By Edw. H. Powers

Elliot Block is soon to be a memory. And the passing of this building brings back memories to many of Newton's older residents. We were told years ago by a lady who participated in one of the many amateur theatrical productions given in Elliot Hall, of an embarrassing situation she experienced one night when she was the heroine in a romantic drama. She and the villain in the play were out in a rowboat on a lake. The villain threw the heroine out of the boat. She was supposed to sink beneath the waves; but in falling out of the boat she landed on top of a soap box which was supporting one of the waves, and there she reposed, partly in, and partly out of the "water," in full view of the audience. The situation was saved by a resourceful member of the cast who crawled across the back of the stage (behind the lake) and pulled the heroine off her unwelcome perch.

We have recollections of some of the big rallies held in Elliot Hall. People took politics more seriously in those days. It would take a person of unusual fame to draw much of an audience to a rally today. Especially since political speeches are broadcast over the radio. And, can you imagine citizens marching in torchlight parades. While it is true that most of the marchers in the parades held years ago were but boys and girls, on the big occasions thousands of men of mature years would march. The youths of the 80s and 90s got a lot of fun when they paraded garbed as sailors, zouaves, Puritans or in any of the many costumes which were worn. Most of the paraders carried torches; kerosene torches that made the marchers quite sooty. Some of the outfits were equipped with flambeaux, which they flared upon given signals, to the delight of the small boys among the spectators. The marchers were regaled with hot coffee, cider, doughnuts and biscuits. Frequently the persons supplying the collation seemed to have obtained a "corner" on all the state doughnuts and biscuits in the town. If the "corner plate" surface of some of those "corner" plates was any criterion, they must have been at least a month old.

## BIRTHS

LEONE; on Oct. 26 to Mr. and Mrs. Joseph Leone of 37 Clinton street, a daughter.  
FORTE; on Oct. 27 to Mr. and Mrs. Orville Forte of 189 Windsor road, a daughter.

## MINSTREL SHOW

Annual Event to be Staged by Newton Catholic Club

Preparations for the nineteenth annual minstrel theatricals of the Newton Catholic Club, have been completed and all indications point to the most successful and snappiest production ever staged at the club house on Washington street, West Newton. "Heads Up" has been coached and directed by Gene MacDonald and his personal staff of five assistants, and Mr. MacDonald will direct the performances on Monday and Tuesday evenings, November 14 and 15.

Charles Laffie, and Joseph Curran, who have played in like shows at the club since it was founded, will again answer the call of the boards and make their reappearance in N. C. C. theatricals. Mae Monahan, Mary Welch, Kathryn Keely, and Kathryn Delahanty, are among the young ladies of the cast, who are known for their talent, while the other leading male roles are played by William Robblee, Jr., Harry R. Walsh, George J. Tenanty, Francis J. Kiley, and Philip Cronin.

Six snappy end men, Philip Cronin, Francis J. Bryson, John Fitzgerald, Paul and William Reilly, and Joseph J. Ryan, will gambo during the first part of the performances in a style that end men never could play before, and a mixed chorus of 100 voices, with pleasing soloists, and beautiful lighting and costume effects, will complete the program.

The scenes in the second part are in the office of Harrigan in Florida, on the road to Coral Cay, and at the camping grounds in Coral Cay. The plot is so written that several clever dancing numbers, love scenes, and specialties were in without disturbing the line of action. The latest song hits including "Since I Found You," "I Told Them All About You," "A Little Bungalow," and many others will be presented during the action of scenes 2 and 3 of "Heads Up." James MacCarthy and Frank Kane are in charge of the stage work, with Jack Tuschler and Carlton MacVarish in charge of lighting effects. James Brown is the professional stage director, Miss Edna Lally, musical director, and the remaining members of Gene MacDonald's staff are Mario Allegro and Anthony Travelli, masters of the ballet, and Barney Pierce, business manager.

## Step Out From Under Rent By Building a Home

The man who accuses landlords with unlawful profits, yet does nothing about it, is not wise.

Whether renting is expensive or not, each man owes it to his family to investigate home ownership—its costs, and its benefits.

The Newton Co-operative bank is in business to help people to home ownership under a most practical plan. We welcome the opportunity to tell you all about it—entirely without obligation.

## ALDERMEN MEET

Woodland Golf Club Wants Gasometer for Garage

The Woodland Golf Club petitioned the Board of Aldermen Monday night for permission to alter the old gasometer at 1322 Washington street, opposite the golf club grounds, into a 12-car garage. Alderman Baker asked, "In what zone is this gasometer located? Is it in a residential zone?" Chairman Hawkins of the License Committee replied that he did not know what zone the gasometer is in, and he had the matter referred back to the committee. The land is in a residential zone, but the club desires the garage only for club members.

### \$4000 For More Water

The board voted to appropriate \$4000 to increase the water supply of the city at the reservation in Needham. At the Dedham end of the water reservation near the banks of the Charles River is a large natural amphitheatre. With the \$4000 appropriated, a dike will be erected at the open end of this natural basin, and several acres of reservoir created in which water will be impounded. The water thus stored will percolate through several hundreds of feet of sand and gravel before finding its way into the supply well of the Newton water supply. It is believed that this storage of water will add materially to the supply during the dry season.

### Will Lay Conduits

The telephone company was granted permission to lay underground conduits on Boylston street from the Wellesley line to High street, from Centre street to Parker street; from Dudley road to the Brookline line.

### Permits Granted

Among the permits granted were: Lillian Siegel, 353 Lowell avenue, 3-car garage; Abram Bernhardt, 22 Lincoln street, gasoline storage tank and pump for private use, 500 gallons; John Egan, 14 Charlmont street, relocation of garage; Edward Jones, transfer of pool tables from 1250 to 1242 Washington street; Patrick Moorehead, 10 bowling alleys at 213 Washington street, in place of license to Ryan, which was revoked; Gas Company permit to lay mains on Needham street.

### Claims Against City

Claims recently presented to the city are:

Whiting Milk Companies, by John F. Cusick, Attorney, claim for damage to one of its trucks, caused by overhanging limb of tree on Orchard avenue, Ward 5, striking top of truck, Sept. 28th; Gaetano Lucianelli, by Edward M. Dangel, Attorney, claim for damage caused by fall in front of 219 Commonwealth avenue, defect in sidewalk, on Oct. 23rd; E. Brinn, 96 Ash street, Waltham, claim for damage to automobile, said car striking mound of earth on Valentine street and being thrown over a 30-foot embankment, Oct. 28th, Water Dept. trench was being repaired; Walter R. Burns, personal injuries caused by being thrown through windshield when car struck manhole cover 8 inches above ground, Indiana terrace.

### Appropriations

The appropriations made by the aldermen Monday night included: Traffic Signs, \$500.00; Maintenance of Property, \$500.00; Care of Grounds, \$1,000.00; High School Field Grading, \$360.60; Health Department, Auto Maintenance, \$100.00; Accounting Department, Laborers' Pensions, \$247.43; Engineering Department, Engineering Supplies, \$300.00; Buildings

## CENTRAL CLUB

Hear Dr. Percy Stiles Talk on Dreams

When you dream of a big woolly cat bounding up and down like an over-inflated rubber tube, what does that signify?

When you dream that you are walking about in the midst of many people to suddenly discover that you are garbed in nothing more elaborate than a night dress—what causes that? And what would you say was the interpretation of a dream in which you saw lying on the sidewalk in front of you a large white fish on its back?

Dr. Percy Stiles, of the Harvard Medical School and author of "Dreams," took the romance and mystery out of the dreams mentioned.

He was the principal speaker at the regular meeting of the month held on Monday night of this week at the Central Church, Newtonville, by the Central Club.

The explanation of the inflated cat simply lay in the fact that something the dreamer had eaten had caused him to feel a little tight around the belt. Those who dream that they are going out scantily attired have become insufficiently covered during the night by their bed clothes. The explanation of a fish lying on its back, according to Dr. Stiles, simply meant that the dreamer had a bad cold and was having difficulty in breathing.

Dr. Stiles showed lantern slides of dreams collected over a period of 30 years and his talk was both instructive and entertaining.

A number of new members were taken in at this meeting and the Club looks forward to a most interesting series of meetings this Fall and Winter.

## UNUSUAL ANCESTRY

Lieutenant and Mrs. Theodore Germond Hoff, U. S. N., announce the birth of a daughter on November 3rd at Manila, P. I. Lieut. Hoff is the son of Mr. and Mrs. Willard Hoff of Columbus street, Newton Highlands. Mrs. Hoff is the daughter of Captain and Mrs. Charles Conard, U. S. N., of Annapolis, Md. This child is the third generation born in the Orient, as Mrs. Conard and Mrs. Hoff were both born in Yokohama, Japan. On its father's side this child is a direct descendant of John and Priscilla Alden.

Department, Insurance Buildings, \$256.21; Appropriations, Street Department, taking land for sewers; Stiles Terrace, Ward 3, \$1,728.00; Roberts Avenue, Ward 2, \$1,660.00; Endicot Street, Ward 5, \$403.00; Selden Street, Ward 5, \$1,232.00; Hinckley Road, Ward 5, \$1,510.00; Improvement Dresser Brook, \$132.00; (City Treasurer authorized to receive \$50.00 from Robert Stone); Relocating, altering and widening the following streets: Lincoln street, Ward 5, \$308.00 (From St. Impvt. Bonds); Hammond street, Ward 6, General Law; Water Department, construction of water mains: Mandalay road and Dolphin road (P. W. and F.), \$1,600.00; Brookline street and other streets (F.), \$19,100.00; Water Department, increasing Water Supply, (W. and F.), \$4,000.00.

The Finance Committee reported as inexpedient these appropriations: new sidewalks, \$1000; moth extermination, \$1000; tools and equipment for Street Department, \$800; new automobile for Health Department, \$890; office expenses Engineering Department, \$200.

## PROCLAMATION

The Annual Red Cross Roll Call for members starts on Armistice Day and continues through November 24th. Newton Chapter, which has had a splendid record, extends an invitation to every man, woman and child in our city to join.

I urge in so far as is possible that this invitation be accepted in order that we, as a people, may have a definite part in the work of a Nation Organization which serves humanity and which holds itself in readiness to answer the call of distress any time, anywhere.

EDWIN O. CHILDS, Mayor.

## RED CROSS

Take Active Steps to Relieve Distress in Vermont

The Newton Chapter of the Red Cross has been in telegraphic communication with the National Headquarters of the Red Cross in Washington concerning the New England Flood situation. The following message has just been received in this connection from the American National Red Cross:

"The American National Red Cross is prepared, from its existing funds, to meet the need growing out of the serious floods in New England States, as they are revealed by the information available at this time. It is to meet situations such as this, without the necessity of a special campaign for funds that the goal of 5,000,000 Red Cross members has been fixed for the Annual Roll call beginning November 11, 1927.

"National Headquarters of the Red Cross or any of its Chapters is prepared, however, to receive such contributions as are tendered by those who may desire to have direct participation in this relief work, and add them to the funds made available from the Red Cross disaster reserve. This is not in any sense an appeal for contributions as the Red Cross is relying upon the response in the forthcoming Roll Call to meet its needs, other than for the large emergencies."

Whatever contributions may be received by the Newton Chapter, 12 Austin street, Newtonville, will be sent in the usual manner to the National Headquarters of the American Red Cross in Washington.

## ARMISTICE BALL TONIGHT

Newton Post, 48, of the American Legion, will hold its annual Armistice Day ball at the State Armory in West Newton tonight. The Grand March will start at 9 under the direction of Capt. Thomas Hickey of Co. C, 101st Infantry, National Guard. Invitations have been sent to state and city officials, military officers and leaders of the American Legion. The reception committee includes Past Commanders Edward Edmonds, Henry Comerais, Ray Cabot, Sinclair Weeks, Levi Libby, Frank Wilcox, Thomas Franey, Harold Marion, and Commander Julius Hamdy. The committee in charge is headed by Leonard Jackson, with Francis J. Barry as secretary and Thomas A. Franey as treasurer.

## ANNUAL BANQUET

Newton Catholic Club Entertains 200 Members and Guests

The Newton Catholic Club held its annual banquet at the club house in West Newton on Wednesday evening. Two hundred members and guests were present. President Richard Lane presided and Rev. William Dwyer, pastor of St. Bernard's Church, with which the club is connected, welcomed those present. Mayor Childs told of the commendable work done by the club in its nineteen years of existence, of the good it has done for this community in affording clean, healthful recreation for boys and young men and guiding them in the right direction.

Rev. Charles O'Brien, S. J., of Boston College, was the principal speaker. He lauded the club for the excellent work it has done and is doing and told of the activities of Boston College and its value to this city, state and nation. He stressed the advantages which Catholic training, as given by Boston College, affords to young men. Such training makes for loyal, patriotic citizens, and is an effective check against the forces which would disrupt the country. Mr. Charles S. O'Connor, a former member of the Boston School Committee, praised the spirit shown by the Catholic young men of this country when the United States entered the world war ten years ago. They readily volunteered for service, and displayed a willingness to make the supreme sacrifice for their country, which is the highest test of patriotism. Mr. O'Connor stated, "that in those trying days the religious affiliation of these young men was not questioned. Since the war has ended, certain self-proclaimed patriots throughout this country, have been casting aspersions on the loyalty of these young men."

Rev. William O'Brien, spiritual director of the club, summed up the remarks of the preceding speakers and praised true Catholic manhood. A very enjoyable entertainment was provided by Andrew Visocchi.

## ANNUAL BAZAAR

The Church of the Messiah, of Auburndale, will hold a two days fair on Tuesday and Wednesday, November 15 and 16, in the Parish House, corner of Commonwealth avenue and Auburn street. It will be under the auspices and direction of the Parish Council with all parish organizations participating. On the afternoons and evenings of Tuesday and Wednesday there will be a sale of Christmas gifts, fancy work, household articles, food, canned goods, etc. On Tuesday a chicken supper will be served at six o'clock by the Woman's Guild. On Wednesday at six-thirty there will be a cabaret supper with the program of entertainment in charge of the Young People's Fellowship. Special features at the fair will be a Slide Show, an Egyptian Room and Men's Store. Afternoon tea will be served. The general chairman is Mrs. George W. St. Amant.

## NOMINATION PAPERS FILED

The first papers of any candidate for office at the coming municipal election to be held on December 13th, were filed on Tuesday, when Representative Arthur W. Hollis filed the papers of Edwin O. Childs as a candidate for the office of Mayor. The only other nomination papers filed to date are those of Edward H. Powers of 27 Wiltshire road, who is a candidate for Ward Alderman from Ward 1.

## ABOUT TOWN

Proposed Post Office Consolidation Detrimental to Newton

For some time there have been rumors that the Newton postoffices are to be consolidated. Instead of the mail for each section of Newton being handled in the local postoffice, according to rumor, all the mail will be handled in a postoffice to be located at Newton Centre. Mail for all the letter carriers' routes in this city will be sorted at this office. It will then be carried to the different villages of the city where postoffices are now located, the carriers will report to these offices, and route their mail. Postoffices at Newton, Newtonville, West Newton, Auburndale, Lower Falls, Waban, Upper Falls, Newton Highlands and Chestnut Hill, will, if the rumor is true, become merely sort of sub-offices for the sale of stamps and the issuing of money-orders.

From an experience of seventeen years service in the Newton postoffice, it is our opinion that such a change as this would be detrimental to the best interests of the people of Newton. Newton, in the past, has enjoyed the unusual advantages of possessing a railroad station and a post office in each of its larger villages. These two things have contributed largely to make this city Boston's most desirable residential suburb. To take away from all but one of the villages of Newton the advantage of quicker handling of mail, which assures quicker handling of outgoing mail, in most instances, and certainly assures more accurate sorting of mail for delivery, will be a decided step backwards in the postal facilities heretofore enjoyed by this city. Within a few months a change was made in the postal service in this city which is of doubtful advantage. Before this change was made, mail collected from the street boxes in the city was taken to the Newton Corner postoffice to be sorted and despatched. Since the change went into effect, the Newton postoffice is closed at night; the mail deposited in the street boxes after the carriers make their afternoon collections, and the mail deposited at the postoffices in this city after the late afternoon, is carried into Boston to be sorted and despatched. This means, among other things, that letters mailed in Newton for delivery in Newton, are taken to Boston and then brought back again to Newton. Ordinarily these letters may be delivered as quickly as under the old method. But, when the mails in the Boston office are heavy, certainly during the Christmas season, letters mailed in this city for local delivery which are taken to Boston, will most assuredly be considerably delayed. It behooves the people of Newton, including the members of the city government, to ascertain if this rumor about the alleged drastic change to be made in the postal service of this city is true.

## ANNUAL FAIR

The annual fair and supper of the Universalist Church was held yesterday afternoon and evening by the Ladies Aid Society. The committee in charge was comprised of the following: Mrs. E. J. Cox, chairman; Miss Wellington, Mrs. Newell, Miss Turel, Mrs. Estes and Mrs. Kendall. In the afternoon a sale was conducted and many articles of usefulness and beauty were sold. A chicken supper at 6:30 was enjoyed by almost one hundred guests and the fair was termed a success both in attendance and in a financial way.

## BUSINESS MEN MEET

Newton Merchants Shown How To Make Window Display

The monthly meeting of the Newton Business Associates was held Tuesday evening at the Hunnewell Club. Thirty-five members enjoyed the dinner provided by Caterer Andrew Schwer of Paxton's and excellent music was provided by "Larry" Fredericks and his orchestra. "Larry" is an accomplished player both on the violin and banjo.

President Harold Moore presided at the business session. A nominating committee was appointed to bring in names of officers for the coming year. This committee includes Walter Hodgdon, Bernard M. Burke, Manuel Bloomberg, Frank H. Wing and W. E. Pike. President Moore suggested that the Business Associates hold a meeting during the first week of December to which will be invited the sixty candidates for Mayor, Aldermen-at-Large and the candidates for Ward Aldermen in Wards 1 and 7. It was voted to hold this meeting on December 6th.

President Moore favored co-operative advertising by the Newton merchants during the weeks preceding Christmas. Most of the members present agreed with him on this matter and it was voted to have the directors vested with authority to take whatever action they may deem suitable. John C. Brimblecom of the NEWTON GRAPHIC, who gave a prize of \$25 last year for the best decorated store window during the Christmas season, announced that he will give a similar prize this year.

Charles E. Adams of the Dennison Mfg. Company gave a demonstration of window dressing through the medium of crepe paper. Mr. Adams showed how quickly one can dress a window with crepe paper, and how simple it is to make attractive designs with this material. He instructed those present in the art of making rosettes and other ornaments out of crepe paper. Some of the members caught the "idea" quickly and made excellent rosettes; but the results of others' endeavors resembled cabbages and turnips.

## SARAH HULL CHAPTER D. R. BRIDGE AND KOZY KORNER

A most delightful party was given by the members of the Sarah Hull Chapter, Daughters of the Revolution, Monday afternoon at the Hunnewell Club, Newton. Bridge was enjoyed by about one hundred and sixty ladies and for those who did not wish to play cards a Kozy Korner in the club library was made most attractive by the hostesses, Mrs. George Agry and Mrs. F. W. Webber.

Mrs. Helen Wells, in a handsome Colonial costume, greeted the guests as they entered the Clubhouse and at an informal reception in the Parlors the State Regent, Mrs. Adelbert Fernald, and the Chapter Regent, Mrs. Sidney R. Porter, were also in Colonial gowns.

Refreshments were served and it was a most enjoyable occasion, with a goodly sum netted for the Student loan fund which the Daughters are to present to Wheaton College.

## STOLEN AUTO FOUND

A Chrysler touring car, owned by Lincoln Davis of 279 Beacon street, Boston, and stolen in that city last Monday, was found on Converse avenue, Newton on Tuesday.

## THE WEEK IN NEWTON SPORTS

Edited by WARREN K. BRIMBLECOM

## BASKETBALL STARTS

Monday afternoon in the high school gymnasium a number of candidates had their first practice in preparation for the coming basketball season which will mark the resumption of that sport in Newton high athletics after a lapse of a dozen or more years. Coach Raymond Green, under whose direction the sport will be and who directed an intramural and interclass league last winter as a forerunner to the development of a varsity five, has the candidates under his care. While official practice will not be held until the completion of the football schedule as there are many boys who will come out for the basketball team who are now on the gridiron squad.

It is expected that around four hundred boys will take part in basketball activities this coming winter and the head coach will have a corps of six assistants who are to be selected. While nothing definite has yet been determined in regard to the resumption of basketball other than a school team will be formed under Coach Green's direction and a schedule of games arranged more news will be forthcoming within a few weeks when the football season is over and attention is turned to winter sports.

A tentative basketball schedule which will be improved by the athletic committee in the near future offers twelve games, six of which will be staged on the home court and six away. The season will probably start on January 10th with Rindge Tech ushering in the season in an afternoon game at Newton.

The 13th is an open date; Newton goes to Cambridge on the 15th and to Rindge on the 20th. The 25th is an other open date and Newton meets Everett at Everett on the 27th. Beverly comes to Newton on the 31st and Cambridge on February 3rd. The 7th and 10th are open dates while Everett comes to Newton on the afternoon of the 14th. The season closes with Newton meeting Beverly on the Beverly floor on February 18th. All games are in the afternoon with the exception of the games at Everett and at Beverly which will be played in the evening. Negotiations are now being carried on with Lexington and Needham for home and home games to fill in the four open dates.

A large number of boys took part in the games last season and Coach Green has some very promising material to work with from all indications. Among those who are showing up well are Bliss, Becker, Rockwood, Ham and Fuller. Two players who are now with the football squad are played excellently last winter and are expected to be of varsity calibre this season are Payne and Harrington. Spencer deMille, captain-elect of baseball, is trying out for the team. While new at the game the tall first baseman has the makings of an ideal centre and defensive guard for a basketball player. His natural ability and battling eye should serve him in good stead in the popular indoor winter game. With the training he will get at high school he should go far in basketball at colleges where basketball is played.

## Brookline Seconds Win

Tuesday afternoon on the Brookline gridiron the Brookline high school second team posed out the Newton high intermediate eleven 13 to 12 in a thrilling game. Newton scored its first touchdown on a forward pass from Large to Coombs.

"Dandy" Lyons May Get Chance  
Francis "Dandy" Lyons, former Newton high backfield mauler and now on the varsity squad at Boston College may get his chance to show his worth in the Georgetown game tomorrow. With several of the first string backs laid up on account of injuries received in the Villanova game last week Coach Daley has been hard put to it for halfback material. This week Lyons, who has all the qualifications essential for a college back with his weight, speed and brains, has been given considerable attention this week. It will not be surprising if he gets his chance soon and capable critics claim that he will make the grade. In a practice scrimmage on Tuesday afternoon between the varsity substitutes and the freshmen which the former won 6 to 0 Lyons was one of the stars. He scored the only touchdown by intercepting a freshman forward pass and running 75 yards.

## Watch Holbrook

In the scrimmage at Soldiers Field on Tuesday afternoon Guy Holbrook was one of starting backs in the varsity lineup. The former Newton high star athlete has not been sent into a game this fall for any length of time although he now has entirely recovered from the injuries he received in an early season game. In the last quarter of the Holy Cross game he showed up exceedingly well but since then has not been given much chance. Whether or not he gets into the game with the Brown team tomorrow remains to be seen but he most certainly will get into the Yale game where he will be one of the men to watch closely. Harvard uncovered a 17-year old sophomore in Potter, who had previously had no football experience, and it would not surprise many to find that Holbrook was being kept out of the limelight for Yale.

## HOCKEY PRACTICE BEGINS

Coach Dr. Oscar Martin of the Newton high school hockey team, 1926 intercollegiate and state champions, called out candidates not taking part in football for hockey practice in the old gymnasium yesterday afternoon. Last year's championship team is pretty well broken up through graduation and there are only four letter men available. Captain Jimmie Brown, Frank Spain, Langdon Powers, and Bob Bennett are expected to form the nucleus around which Coach Martin will build his ice team. Spain, who is one of the foremost schoolboy hockey players in the state, resigned the captaincy of the football team at the opening of school in September because of the possibility of injuring his ankle which he hurt in football last fall and which was none too strong. The entire defense, John Proctor, Harold Andres, and Thompson at goal are now back in school this year and this will constitute the main problem. There are, however, a number of promising candidates from last year's second team which will be available. Among these are Everett Scheinfain, versatile end on the football team; White, a goal tender; Phil Andres, a halfback on the grid team and a brother of Harold Andres and McMullin. Spencer deMille, should he forsake basketball for hockey, is another possible varsity player.

Coach Dr. Martin, who is also faculty manager of athletics at Newton, has drawn up an excellent schedule which has been submitted to the athletic committee for approval. The tentative schedule follows:

Sat., Dec. 31—Alumnae at Newton.  
Wed., Jan. 4—Open.  
Thurs.-Fri., Jan. 5-6—Cambridge at Newton.  
Sat., Jan. 7—M. I. T. Freshmen at Newton.  
Mon.-Tues., Jan. 9-10—Melrose at Melrose.  
Wed., Jan. 11—Open.  
Thurs.-Fri., Jan. 12-13—Everett at Everett.  
Sat., Jan. 14—Dartmouth Freshmen at Hanover.  
Wed., Jan. 18—Open.  
Thurs.-Fri., Jan. 19-20—Stoneham at Stoneham.  
Sat., Jan. 21—Yale Freshmen at New Haven.  
Mon.-Tues., Jan. 23-24—Rindge Tech at Cambridge.  
Wed., Jan. 25—Middlesex at Concord.  
Thurs.-Fri., Jan. 26-27—Belmont at Newton.  
Sat., Jan. 28—Exeter at Exeter.  
Wed., Feb. 1—Milton at Milton.  
Thurs.-Fri., Feb. 2-3—Arlington at Newton.  
Sat., Feb. 4—Open.  
Wed., Feb. 8—Open.  
Fri., Feb. 10—Arena.  
Sat., Feb. 11—Open.  
Wed., Feb. 15—Harvard Freshmen at Cambridge.  
Fri., Feb. 17—Arena.  
Sat., Feb. 18—2a, Mark's at Southboro.  
Mon., Feb. 20—Harvard 2nds at Cambridge.  
Wed., Feb. 22—Arena.

As usual the interscholastic hockey league composed of Newton, Cambridge Latin, Rindge Tech, Melrose, Arlington, Stoneham, Belmont, and Everett will play a preliminary series out of doors prior to the championship series at the Arena in February. Newton has four leading teams at the end of the first round. Everett has replaced Brookline in the league this year. Whether or not the Wealthy Towners will have an ice team or not is not known but athletic director Tom Hines desires to devote his time to the track team. For the past two years "Looney" Hughes, former Newton high and B. A. star hockey player, has coached the Brookline outfit.

Two dates have been set aside for each outdoor league game so that in case of there being no ice on the first day they may be played off on the following day.

## Track Schedule Near Completion

Newton high indoor track team will have many good dual and interscholastic track meets this winter if the following schedule which will be submitted to the athletic committee in the near future is approved. The list includes:

Thurs., Dec. 29—Alumni at Newton.  
Sat., Jan. 7—Interclass Meet at Newton.  
Sat., Jan. 14—B. C. High at Newton.  
Sat., Jan. 21—Brookline at Newton.  
Sat., Jan. 28—Brookline at Newton.  
Sat., Feb. 4—Brookline at Brookline.  
Sat., Feb. 11—Medford at Newton.  
Sat., Feb. 18—Andover Interscholastics.

Wed., Feb. 22—Legion Meet at East Armory.  
Sat., Feb. 25—B. A. Meet at Mechanics Bldg.  
Sat., Mar. 3—State Meet at East Armory.

Donald Enoch of the faculty staff will again coach the indoor runners and field men who will be led by Captain Malcolm Reid, 300-yard and relay man. Indications are that a fast and well balanced team will represent the orange and black this winter. Practice will not start until the usual time in the middle or latter part of December. Among the veterans returning are in addition to Captain Reid, Jimmie McCrudden, 1000-yard runner; John Mullen, dashes; Edward Ebel-hare, high jumper; Romaine Cole, dashes and hurdles; Hamilton Kollmeyer, middle distances; and Robert Kinraide, dashes.

## WANT BRIDGE AT CRESCENT STREET

A petition was presented to the aldermen at the meeting on Monday night for a bridge over the B & A tracks at Crescent street, West Newton. It was circulated by Hugh E. Devine and contains nearly 300 names. There has been a demand for many years for a bridge at this point to serve residents of West Newton and Auburndale. A hearing on this petition will be held next month.

## 1928 FOOTBALL CARD

Faculty manager Dr. Oscar Martin of the Newton High school has but two open dates left on the 1928 football schedule. These are the two opening games and it is possible that St. Mary's will be taken by one and Quincy the other. Should Quincy again be placed on Newton's schedule it will probably be the opening game. Because of the fact that Thanksgiving Day falls near the very end of the month next year it makes it possible to stage ten games as in years previous to this when the opening game was put off until the final Saturday in September. Several important changes are noticed the most noteworthy being the resumption of relations with Waltham. The date of Nov. 17th has been agreed upon by both teams although no information as to where the game will be played is forthcoming. The last game with the Watch City team was played on the Waltham gridiron in 1925. The two year agreement with Lawrence has now run out and the first Saturday in November will see Newton and Medford mixing it at Fulton field in Medford. This year Medford and Newton agreed on an early season date as it was the only one available for both teams. Newton will play its return game with Beverly on the third Saturday as was arranged this season, only day in October next year, the same in 1928 the game of course will be at Beverly. The other dates on Newton's 1928 schedule remain the same, Oct. 6, Newton goes to Cambridge in the opening Suburban league game; Oct. 12th, they go to Everett for the usual holiday battle; Oct. 27, the last Saturday of the month, Somerville is the visitor at Newton; on Nov. 10, Rindge comes to Newton and on Thanksgiving Day is the usual Brookline appetizer.

While no official announcement has been made regarding the reappointment of John L. Sullivan as head coach of football it hardly seems possible that in view of the good showing he has made this year that he will not be offered the chance to continue. This year is now almost past history and Coach Sullivan is figuring on possible combinations for next season. There are many juniors and a few sophomores on the varsity outfit and but a few seniors playing regularly. Those who will graduate are Robert Bennett, Stanley Brown and William Sutcliffe in the backfield and Captain Romaine Cole, Creighton Gatchell, Vincent Hamilton and Brandon Marsh in the line. Despite the loss of these varsity players the Newton mentor will have a good nucleus around which to build. In the backfield Francis Duane, triple threat; Joe Gilligan, Donald MacIntyre, Frank Perry, Phil Andres, John Mullen, and Pescosoldo will all be available while for linemen there will be Everett Scheinfain, Richard Reynolds and Payne for ends; Robblee and Harrington for tackles; Shea and Wentworth for guards; and Chamberlain and Annese for centre.

## THE CHILDREN'S MUSEUM

"Donkey-boys in Egypt use the donkey's tail for a rudder. As the little mouse colored beasts carry a sight-seer about the country the Egyptian youngsters run along behind, hanging onto his tail and whacking him to make him keep up a fast pace—for a donkey," says a traveller returned from the land of mystery.

At the Children's Museum of Boston during the month of November a series of Saturday afternoon talks with illustrations will take the boys and girls on a travel tour throughout Africa. "Egypt, The Land of Mystery," is the subject for next Saturday, November 12, at 3:00 p. m. Some of the fascination of that land, the Sahara Desert, the caravans of camels, the pyramids, the mummies and tombs of ancient kings, and its present people, will be shown in slides.

Continuing the amusing story of the donkey, the traveller relates that the donkey is the most typical animal of all Egypt. They are so small that the feet of their riders touch the ground. Their hair is closely clipped, and their owners often paint stars, pictures, and stripes on their bodies, until they look like little zebras.

Another visit to the Zoo, stopping before the cages of the monkeys, and again before those of the snakes, will be shown in motion pictures at the Children's Museum in Jamaica Plain on Sunday, November 13 at 3:30 p. m. This program is called "Reptiles and Monkeys."

As announced by Miss Mildred Mander, director, the entire program for the November special children's lectures is as follows:  
Saturday—Nov. 12, 3:30, "Egypt, The Land of Mystery."  
Sunday—Nov. 13, 3:30, "Reptiles and Monkeys." With motion pictures.  
Saturday—Nov. 19, 3:00, "The Countries North of the Great Desert."  
Saturday—Nov. 26, 3:00, "The People of Africa."

## LODGES

Dalhousie Lodge of Masons received an official visit Wednesday evening from Dist. Deputy Grand Master Allen Roark, assisted by Howard S. Hatch, Dist. Deputy Grand Marshal and Fred H. Hitchcock, Dist. Deputy Grand Secretary. Next Wednesday evening will be Waban Night at this lodge.

## Y. W. C. A.

On Monday evening, November 14th, the Blue Triangle Club will hold a "Kid's Party" with all the members attending in juvenile dress. A very entertaining evening is anticipated.

The regular meeting of the Junior High School Girl Reserves will be held on Tuesday at 4 P. M. On Tuesday evening at 7:30, the Adult Gym Class meets. It is not too late to sign up for this Class now. Those interested in Basketball may also sign up. This Class will play on Tuesday evenings from 8:30 to 9:30.

The Triangle Club, for the younger children, comes together again this week on Thursday afternoons at 3 o'clock. The Children's Gym Class follows on Thursday afternoon at 4 o'clock. Also, Bowling at the Y. M. C. A. on Thursday evening at 7:30 sharp. The Watertown Club for junior high school girls meets on Friday afternoon at 4 o'clock in the Union Church at West Watertown.

The Nation-Wide dinner will be held on Monday evening, November 21st, at 6:30 P. M. There are over two hundred Associations throughout the United States which will observe this week (November 21st) in the interests of the business girls' clubs with special programs dealing with the subjects of principal interest to all business women. Mothers and guests will be most cordially welcomed.

### A WORD OF APPRECIATION

"Bob" Washburn in his weekly letter to the Boston Transcript has the following to say of a well known Newton resident:

"The Hon. Samuel Leland Powers, once much in Washington, is one of those too few fortunate spirits who has now come into full physical and intellectual vigor, with the respect and affection of all who know him. This alone makes life worth while. He has it. His spiritual condition, whatever it is, is outside the jurisdiction of a Washington weekly. He is a graduate of Dartmouth, a barrister, a former congressman from Massachusetts, wit and savant. He has already appeared in these pages but hitherto in minor parts only. He now comes into the full glare of the footlights, though led, for he is a man of modesty, that too scarce charm which seldom walks with established power. God blessed him with that great asset, never to be underestimated, the capacity to see and to spread cheer, which lights up the rough road of life. Strangely, while this gift does much to help others to live, it too often discounts the performer. Nevertheless, as great as it has been in Powers, his serious side has ever kept it in subjugation, so that he is recognized as a citizen of substantial qualities. It is noteworthy that he is the only father in New England who rides in a better motor than his son. His is the only family in New England with that rare combination, a father of size, a son of size."

### HOSPITAL AID WHIST

Mrs. George F. Schrafft of Centre street, Newton, is opening her delightful home Monday, Nov. 14, for a bridge given for the benefit of the Newton Hospital Aid Association. 100 tables have already been taken and the interest shown has been most gratifying to the committee. The arrangements are in charge of Mrs. Pitt-Frew assisted by Mrs. J. N. Lovell, Mrs. George St. Amant, Mrs. Ernest J. Weaver, Mrs. Dana Dutch, Mrs. Edward H. Wiswell, Mrs. Francis J. Flagg, Miss Rose Loring and Mrs. Francis H. Williams.

The candy is in charge of Mrs. F. A. Day, Jr., and Mrs. Carl Montanari.

### "WHAT PRICE GLORY" AT OPERA HOUSE

The famous film of the World War, "What Price Glory," one of the greatest moving picture dramas ever made, will be shown all next week at the Newton Opera House. It is not so long ago that this great "movie" was exhibited in Boston at regular theatre prices. Residents of this city can see it at very reasonable prices of admission. Ten years have passed since the "A. E. F." commenced to go into action in France. "What Price Glory" recalls those stirring days, and also gives vivid scenes of the hardships endured by the boys who went to the front in France.

### INSTALLATION

The American Legion Auxiliary of Newton Post, No. 48, will install the newly elected officers at Elks Hall, Newton, on Wednesday, Nov. 16th, at 8 o'clock. This is an event to be looked forward to with much interest. Among the guests who have been invited are His Honor Mayor Childs, Mr. John W. Reth, Department Commander of Massachusetts and members of Charles Ward Post No. 62, G. A. R., also all Newton members of Newton Post No. 48. Mrs. Elizabeth McNamara, Middlesex County Chairman, will be assisted by the Malden Color Team during installation exercises.

Among the activities of the Auxiliary will be a "food and novelty goods sale" to be held on Saturday, December 3rd, at Newton Corner.

### LASELL SEMINARY

The Junior Class of Lasell have elected the following officers: President, Elizabeth Wells, Haverhill, Mass.; Vice-President, Marjorie Winslow, Auburndale, Mass.; Secretary, Mary McConn, Minneapolis, Minn.; Treasurer, Phyllis Beck, Lockport, N. Y.; Song Leader, Isabelle Daggett, Island Falls, Maine; Cheer Leader, Lestra Hibberd, Richmond, Indiana. At the Sophomore Class elections, the following officers were chosen: President, Gwendolyn McDonald, Otawa, Canada; Vice-President, Katharine Fitch, St. Johnsbury, Vt.; Secretary-Treasurer, Dorothy Finken, Westfield, N. J.; Song and Cheer Leader, Florence Fitch, South Windham, Conn. Rev. Raymond Calkins, D.D., will address the students at the vesper service on Sunday afternoon.

## OUR WASHINGTON LETTER

Washington, November 9—Those in political life are apprehensive that the spy epidemic which has hit Washington may be extended into their affairs. The revelations resulting in a mistrial of the notorious Fall-Sinclair conspiracy case have left their mark on the town. The fact that this city was honey-combed with private detectives spying on jurors and public men and then having secret service agents putting the spies under surveillance is not without significance. With great issues hanging on votes, legislators realize it is sometimes dangerous to fraternize with men holding high places.

During the war the espionage system was at its height in the Capital City, but at that time it was justified and expected. The result was that men in responsible positions were cognizant of the risks of sociability and do not talk unwisely. It is believed that the oil scandal developments will make certain congressmen suspicious and cautious about accepting invitations to gatherings. Haunted by the spectre of scandal the socially ambitious wives may find it difficult to persuade their husbands to attend all affairs to which they are invited.

Hearings on flood control legislation started here this week. It is hoped that the suggestions of the various groups can be adopted in a general plan for the relief of the Mississippi areas. Questionnaires were sent out to the governors of 31 states requesting data on flood conditions in their regions for the guidance of the flood control committee. There is a possibility that certain legislators will endeavor to tie up power projects with flood relief. Even though it will imperil the early passage of appropriation bills by Congress there are crusaders in politics who stop at nothing.

The battle of mimeographs has been renewed. Senator Borah of Idaho has resumed his daily conferences with newspaper correspondents, which is occasionally supplemented by a prepared statement. The Idaho Senator formerly confined his discussions to international affairs where he was recognized as an authority, but now he has turned his attention to all subjects having a political trend. Mr. Borah is the only high official in Washington who has himself interviewed every day. It is interesting to note that the President of the United States holds only two conferences a week with representatives of the press.

There are others politically ambitious who have taken a tip from Mr. Borah in an effort to break into headlines with each issue. When they find they cannot muster a corporal's guard of news writers on these occasions they resort to the prepared statement, which is mimeographed and sent out to every Washington correspondent. As indication of the growth of this wild scramble for publicity, a count was made last week and in one day ten legislators issued statements on subjects ranging from taxes to uprisings in foreign countries.

So many men inside and outside of Congress are claiming the title of "spokesman for the farmers" that it is difficult to determine just what the agriculturalists really want from Congress. Despite the hubbub raised by organized groups the conservative members of Congress representing both major parties feel that the rank and file of farmers are not interested in the numerous projects having their origin in the minds of self-constituted "spokesmen." Even the organizations are split into factions and present varying programs for legislative consideration. The organized farm groups know full well that their existence depends upon agitation and the result is confusion.

Several advocates of farm relief in the Senate and House have threatened a filibuster against all legislation until a measure of benefit to agriculture is passed. It is doubtful that the party leaders would consent to such drastic methods without a fight. The equalization fee as provided in the McNary-Haugen bill, which was vetoed by President Coolidge, is a stumbling block for the farm groups.

The organized farmers are not the only class to marshal their forces in Washington. The business organizations have already launched a nationwide campaign for tax reductions and to prevent the extension of governmental control over private industry. The public utilities are particularly concerned over the effect of the so-called Walsh resolution, which would subject their affairs to government supervision. The power interests are also alive to the danger of harmful legislation and are digging in for a hard winter at the Capitol.

### WINTER RATE TO NEW YORK

Of interest to our readers is the announcement of the Colonial Line that the winter rate of this popular Long Island Sound transportation company is in effect, which means it is now possible to travel from Boston to New York, via rail and boat, for the appealing price of \$4.00.

Patrons familiar with Colonial Line service know that the management make every effort to live up to their slogan, "the public be pleased," and that polite attendants, special attention to ladies traveling alone or with children, and a radio concert, are marked features of this service.

For further particulars, folders, picture post cards and other information write or telephone the Boston office of this line at No. 1 State street, Hancock 4458.

### BUILDING PERMITS

1 family brick house 20 Gralyn road, Newton Centre, cost \$15,000; George G. O'Shea, owner and builder.  
 1 family frame house, 487 Ward street, cost \$25,000; Carl D. Hall, owner and builder.  
 1 family frame house 45 Margaret road, Newton Highlands, cost \$5000; Fritz Fern, owner and builder.  
 1 family brick house 17 Locksley road, Newton Centre, cost \$11,000; W. Burns, owner, L. A. Comeau, builder.  
 1 family frame house 85 Warren street, Newton Centre, cost \$6000; A. J. Archibald, owner and builder.

## GIRL SCOUTS

Ten Boy Scouts, members of Troop 1, Newtonville, with Mr. Douglas Sloan, their scout master, have just done a good turn to the Newton Girl Scouts. On Saturday, November 5th, they went up to Camp Mary Day, the Girl Scout Camp in Natick, and towed the raft across the lake and hauled it up on the shore by the Craft House, all high and dry and safe from winter's storms. This was a hard and tedious job as the raft is very heavy and difficult to move. After hauling the raft ashore and making it fast, they carried the boats and canoes into the garage and then set to, to make way with the dinner which had been cooked for them over the camp fire in the Council Bowl by the Newton Girl Scout Director and Field Captain. After dinner the cooks were overcome with joyous surprise to see the boys seize the dish pan and dish towels, wash up the dishes and put them away. Before the boys departed for home they politely asked for an invitation to return to Camp in the Spring to put the raft and boats back into the water again. Of course the hearty was given on the spot and we are all hoping that the day the party comes off will be suitable for swimming as well as rowing.

Scouts in all the Newton villages were busy on Thursday putting Red Cross posters in shop windows and on bulletin boards. These posters are for the annual Roll Call of the Red Cross and the Girl Scouts are doing all that they can to make this year's response the greatest ever, as they have in their minds the suffering among the people in the flooded areas of our New England states.

The Newton Girl Scout craft class started auspiciously on Wednesday afternoon, November 2nd, in Room 226 of the High School directly after school. Block printing will be one of the industries taught at this class and it may interest some of the girls to know that the "American Girl," the Girl Scout's National Magazine is conducting a contest for block print designs. Three prizes will be offered and the contest closes at midnight December 30th. Particulars may be learned from troop captains or the November American Girl.

The Girl Scout Leaders Course sponsored by the Waban Women's Club held its first meeting at the Union Church in Waban on Thursday, November 3rd, at 10 a. m. Twelve members were present at this first meeting, and they learned a large part of the tenderfoot work that is given to girls when they first join a Girl Scout troop. This class is open to women from any village in Newton free of charge. It is to be held for one more Thursday in November and three Thursdays in December, in which time all of the tenderfoot work and some of the second class work will have been covered.

Troop 25, the new troop in West Newton, has chosen the Corn Flower as its emblem and will be known as the Corn Flower Troop. The troop has 36 members. Of these 20 have passed their Tenderfoot test 15 are Applicants and hope to be invested as real members of the troop as soon as they pass the Tenderfoot test and one is a Second Class Scout.

### PETITIONS PRESENTED TO ALDERMEN

Rose M. Dearborn, South avenue, Cohasset, asks for a license to conduct 10 bowling alleys in a new building to be erected at the corner of Bacon and Washington street.  
 J. F. Maher Company asks for a license to deal in second hand automobiles at 49 Elmwood street, Newton.  
 Rupert C. Thompson petitions for a permit for a gasoline filling station on land leased from the Boston & Albany railroad opposite Crafts street, on Washington street.

### Heat for Your Living Room

**FURNACE** heat for the cool days of Fall and Spring is an unnecessary expense.

Install a Radiantfire in your fireplace or in any part of the room. This marvelous development in gas heating burns for hours at the cost of a shovelful of coal. You can save a great deal of coal this winter by using a Radiantfire.

Glowing, comforting heat is instantly available. Saves bother — saves coal — beautifies the room — helps ventilation.

Have real living-room comfort this Winter—and right now during the cool Autumn evenings. Call and see a Radiantfire in operation. It will be a revelation to you. Do it today. Save furnace heat for severe weather.

## EDITORIAL

Nine years ago the entire country rejoiced over the news that an armistice had been declared in the great world war and that our youth would no longer be called upon to make the "supreme sacrifice" for their country. During the past nine years there has been a gradual decline in thoughts and actions of that war until today we have no hesitation in saying that outside those households which were made desolate by the war, hardly a person ever recalls the many incidents which took place during that titanic struggle. It is well, therefore, that the day should be recognized not only to remind those of us who took some part in the war, but more important still, to let the younger generation know something of the feeling engendered by that struggle and to realize its tremendous importance.

The Massachusetts Club, of which Mr. William F. Garcelon is president has been discussing a resolution proposed by Mr. Robert M. Washburn, urging both the major political parties to take a definite stand on the prohibitory law in state and national platforms next year. The Massachusetts Club is the oldest Republican Club in the state and its members are generally conservative and it is a safe guess that the club will probably take no definite action in the matter. It may be good politics to temporize on this important question but we firmly believe that a platform pledging the party to a strict enforcement of the prohibitory law would be the safest in the end for the Republican party.

The Woman's National Committee for Law Enforcement have asked that next Sunday be observed as a day of prayer as a moral and spiritual revival was never more needed than in certain parts of the country. That appeal should be answered by every one interested in the welfare of this nation and should serve to remind every citizen that he or she has a direct part in maintaining the constitution of our country and that if they fail to do their share lawlessness will certainly prevail. God save the Commonwealth of Massachusetts from any such fate.

The Newton Centre Woman's Club is to be commended for its enterprise in planning for a thorough discussion of traffic problems by two experts in that question. There should be a wide interest taken in the open meeting of next Thursday evening at the Newton Centre Woman's Club house to hear Mr. Edward Dana of the Boston Elevated Railway Company and Mr. Fitz-Henry Smith, Jr., of the Boston Traffic Advisory Committee.

With our courts showing a tendency to fine instead of giving a jail sentence for drunken driving, we welcome the proposed plan of the insurance companies to refuse to insure automobile operators whose record for violation of the automobile regulations is not satisfactory. There is no surer way to reach the violators of law than by some such agency and we are hopeful that the great menace of drunken driving may be curbed by this method of procedure.

City Solicitor Bartlett told the Rotary Club this week that he believed

that armed guards for judges, juries, prosecuting officers and the courts, detracted from the dignity of the courts. While that may be true, we note that it takes the police power to compel people to respect the "dignity" of the law.

While there are many well worth organizations appealing at this time of the year for funds to maintain their valuable work, we believe none of them can equal what is being done by the Salvation Army. Don't overlook its claims for your consideration.

That Vermont is truly "our neighbor" has been deeply impressed on our community when 52% of our milk supply is cut off by the catastrophe which has occurred in the Green Mountain state.

## ARMISTICE DAY

"The tumult and the shouting dies;  
The captains and the kings depart;  
Still stands Thine ancient sacrifice,  
An humble and a contrite heart."  
Lord God of Hosts, be with us yet,  
Lest we forget—lest we forget!

## DEATHS

BARTLETT, on Nov. 7, at 43 Victoria circle, Newton Centre, John R. Bartlett, age 56 years.

## USUAL BIG GAINS

The Annual Report of the Water-town Co-operative Bank just made to the Commissioner of Banks as of the close of October business 1927 shows a gain in total assets of \$2,010,743.99.

The total number of holders of un-matured shares is 8965, matured share certificates 2358 and paid up share certificates 1129. Loans on near by real estate, homes, not over \$8000 to any one person now amount to \$12,090,350 a gain during the year of \$1,883,000 the average loan being \$4820 all at 6 per cent.

The amounts added to guaranty fund and surplus during the year was \$37,100.15, these amounts, which are set aside to protect the bank in case of any losses, now amount to \$164,557.29.

Dividends have been declared at the rate of 5% on un-matured shares and 5% on matured and paid up share certificates. 11,412 shares of series 55 and series 56 matured during the year at \$200 each share upon payment of dues for 141 months. The following are the officers: Pierce L. Fish, president; Alfred A. Glidden, vice president; Ulysses S. Young, treasurer; Lowell A. Warren, assistant treasurer; William Bell, manager of East Watertown Branch; Anson W. Belding, Frederic E. Critchett, Arturo De Filippo, Charles E. Fay, Pierce L. Fish, Alfred A. Glidden, Andrew Hawes, William H. Lucas, Walter L. Mayo, B. Fay McGlaughlin, William P. McGuire, John M. Magurn, Horace W. Otis, John F. Tufts, Ulysses S. Young, Directors.

## POLICE NEWS

Joseph Sheehan of 939 Washington street, Newtonville, a driver for the Ross Taxi Company, was given a suspended fine of \$100 in the Newton Court on Tuesday, and ordered to pay \$50 restitution to his employers. He was accused of having taken a cab belonging to the taxi company and keeping it over night and into the following day for his own use.

James Bonnar of 68 Maple street, Newton, was fined \$10 in the Newton Court yesterday for driving without proper lights. On the charge of driving on the restricted side of Commonwealth avenue, he was found not guilty. Fines of \$10 were imposed on the following for speeding: Charles Crowley, Washington street, Newton; Thomas Morrell, Langley road, Newton Centre; Fred Bartlett, Natick; George Simmons, Ruggles street, Roxbury.

The police are looking for an automobilist who ran into the fruit wagon of John Baldasaro of 290 Watertown street, Newton, on Elliot street, Upper Falls, last Saturday night, and then fled from the scene. Baldasaro was injured on his right side. After hitting the fruit wagon the offending driver's car hit an automobile driven by Ernest Schorer of 382 Elliot street. Eight victims of "hooch" were arrested Saturday and Sunday for drunkenness.

John A. Walsh of 2031 Commonwealth avenue, Auburndale, was arrested on Tuesday noon by Inspector Shaughnessy and Patrolman Tainter charged with driving while under the influence of liquor.

On August 13 the Newton police raided the home of Michael Totaro at 286 Watertown street and seized 40 gallons of wine and 12½ gallons of beer. Totaro was found guilty in the Newton court of violating the liquor laws. He appealed, claiming that he had never seen Edward O'Brien, the spotter who testified that he had purchased liquor from him, and that the so-called wine had turned to vinegar and was unfit to drink. When the case came up in the Superior Court recently, O'Brien failed to appear and Totaro was found not guilty. So, Judge Bacon on Saturday, ordered the "wet goods" returned to Totaro. He had been sentenced to three months in the House of Correction, and fined \$100 by the Newton court.

## Many Kinds of Orchids

Something like 20,000 original kinds of orchids are known to exist, and from each of them as many as 3,000 crossed varieties have been reared.

## Aids Pine Trees

Forest service experiments show that yellow pine seed trees left after logging grow about twice as fast as similar trees in virgin forests.

## Makes Black Flowers

Species of rhododendrons which produce absolutely black flowers, were recently discovered by an American botanist in Tibet.

## Works Both Ways

Short ladies should avoid much trimming on their skirts, says a fashion writer. Yes, and so should long ladies if their husbands are short.

Copyright 1925 by Hoyle, Jr.

ARTICLE No. 26

One of the puzzling questions of auction is the proper lead to make after the bidding is concluded and the final declaration is determined. The only way to get the best results is to study a good table of leads and follow the conventional rules. Usually it is easy to determine your proper lead when your partner has bid a suit, and you have four or more of his suit, you have to use good judgment as to the lead and should know the why and the wherefore. That this point is not clearly understood is shown by the following Baltimore "Seven" evening ago during a bridge game the following situation arose: I had bid two clubs and the opponent on my left had bid two diamonds and won the bid. My partner had four clubs to the queen and his original lead was his low club. After the hand had been played I claimed that his original lead should have been the queen of clubs as this was my suit, and would enable me to place the honors in the other hands. He claimed that he was correct in leading his low club and referred me to your article on Opening Leads. As I understand your discussion of opening leads, this lead of his was absolutely correct, but as no logical reason occurs to me for such a lead I would appreciate very much if you would give me your reason for preferring this lead rather than the queen card of the suit. The reason the fourth best lead is preferred to an honor lead, with four to an honor of your partner's declared suit, is because it is usually more important to count the number of the suit held by partner than to know his highest honor and have to guess as to the number. With the lead of the fourth best you know at once by the rule of eleven where the high cards are located and if there is an honor in dummy, whether or not you should finesse. In that way you can usually "kill" an honor in dummy even with a fourth best lead and so obtain the same result as if the honor had been led. On the other hand, the lead of an honor enables you to "kill" the honor in dummy but gives you no guide as to the num-

ber of cards in your suit held by your partner or opponent, which in most hands is extremely important. For these reasons, the experts have preferred the low lead to the honor. Of course there are some cases where an honor lead will gain a trick; but in the long run the fourth best is the winner, and winning a trick is really a matter of beating averages.

As a little test of your knowledge, think over the proper lead in the two following hands and compare results with the analysis that will be given in the next article.

## Problem No. 29

Hearts—A, K, 9  
Clubs—J, 9, 7, 4  
Diamonds—K, J, 10, 8  
Spades—8, 2

No score, first game. Z dealt and bid one heart. If all passed, what is A's proper opening lead?

## Problem No. 30

Hearts—10, 7  
Clubs—Q, J, 7, 4  
Diamonds—8, 7, 3, 2  
Spades—K, 3

No score, rubber game. Z dealt and bid one no-trump. A and Y passed and B bid two clubs. Z and A passed. Y bid two no-trump and all passed. What is A's proper opening lead?

## Problem No. 31

Hearts—10, 8, 4  
Clubs—K, Q, 10, 8, 3  
Diamonds—A, 7  
Spades—A, J, 7

Y : Clubs—6, 5  
A B : Diamonds—9, 6, 5, 4  
Z : Spades—K, 9, 6, 5, 3

No score, rubber game. Z dealt and bid one heart. All passed and A opened the eight of spades. Z played the seven from Y's hand, B played the king and Z the four. What should B now play and why? An analysis of this interesting hand will be given in the next article.

## SCHOOL NOTES

## Open Night

The Levi F. Warren Junior High, Newton's newest school building, was opened to the public Monday evening. Hundreds of parents and people interested in Newton schools as well as out-of-town superintendents and principals visited the school. Members of the Student Junior Safety Patrol guided the visitors through the building, explaining all the interesting features. The entire faculty were in their respective rooms ready to greet parents. The visitors were enthusiastic in their praise of the attractive building that affords such splendid opportunity for seventh, eighth and ninth grade classes.

A beautiful bronze reproduction of Michael Angelo's "Moses" has been placed in the auditorium of the new Levi F. Warren School. This statue is the gift of the Carter family of West Newton Hill.

## Mason School

The Newton Centre School Association held the first meeting of the year on Wednesday afternoon at 2:30 in the assembly hall of the Mason School. Mrs. Sloan, of the Children's Library, gave a very interesting and instructive talk on books for children. Mrs. Cronin gave an example to show what is being done in the Story Hour at the library. The meeting was well attended. A social hour followed.

## BOOK WEEK—NOVEMBER 13-19

BOOK WEEK, November 13 to 19, is set apart to focus the attention of all who are seeking to encourage a love of fine books among boys and girls.

The aim of all the various agencies who join in the Book Week Program is not merely to have an impressive demonstration for seven days but rather to make the week a dramatic start of a year-round community interest in and responsibility for our young people's reading.

During the week at the Main Library, Centre street, an exhibit of fine books, new and old, suitable for boys' and girls' reading will be shown in the Children's Room, open daily from 9 to 6 o'clock. This is an opportunity for adults to see the books and to talk with the Children's Librarian about gifts for boys' and girls' own libraries, or guidance in their use of the Public Library.

On Wednesday evening, November 16th, the Children's Room will be open from 6 to 9 o'clock. At 8 o'clock, Mr. John J. Cronan, will tell stories in the Lecture Hall. A cordial invitation is extended to all older boys and girls, and to adults. Come and hear Mr. Cronan!

### Waban

—Miss Phyllis Bache is spending  
the year in Italy.

—Miss Katherine Fassett spent last  
week-end at West Point.

—Mrs. J. W. Rice was hostess to the  
Monday Neighborhood Club at its last  
meeting.

—Miss Priscilla Bache is at Bryn  
Mawr taking a post-graduate course in  
sociology.

—Mr. and Mrs. Edward H. Woods  
are entertaining their Evening Bridge  
Club tonight.

—Mrs. D. M. Hill and Mrs. Henry  
L. Johnson are spending the week in  
New York City.

—Mrs. C. A. Sawyer entertained the  
Friday Luncheon Bridge Club last  
week at her home on Dorset road.

—Mr. and Mrs. Arthur H. Brown  
had as house guests over the week-end  
Capt. William S. Pye, U. S. N., and  
Mrs. Pye.

—Mr. and Mrs. Herman Hindenlang  
are taking the Panama Canal trip to  
California, thence to Honolulu to spend  
the winter.

—Mr. and Mrs. Joseph Congdon en-  
tertained the Evening Bridge Club, of  
which they are members, last Satur-  
day night.

—Mr. Herbert R. Lane, 55 Windsor  
road, has been elected chairman of the  
Waban Branch of the Newton  
Chapter of the Red Cross.

—Mrs. Henry W. Robbins of Moffat  
road gave a very delightful bridge at  
the Brae Burn Country Club on Fri-  
day of last week in honor of her sis-  
ter, Miss Alley of California.

Due to the clever publicity and  
the wholehearted co-operation of the  
women of the Union Church, the  
Way Bazaar was thronged with guests  
from near and far, and promises to  
be an unqualified success.

—Miss Mary E. Parks and Miss  
Edith Jenkins of 30 Plainfield street  
sailed Saturday, November 5th, on the  
SS Fairfax of the Merchants & Miners  
Lines for Boston to Baltimore, Md.,  
en route to Jacksonville, Fla.

—John Clair Minot's Review of  
Current Fiction, the second in the  
course of Literature Lectures under  
the auspices of the Waban Women's  
Club, has been postponed from Novem-  
ber 8 to Friday, December 2.

—Waban people are most fortunate  
in the opportunity to so easily see and  
hear Richard Halliburton, that much  
talked of young adventurer, who is to  
present his "Royal Road to Romance"  
at the Angier School Hall next  
Wednesday, November 16, at 8 o'clock.

—Mary Stephen and John Arger-  
singer led the discussion at the Young  
People's Forum last Sunday night on  
the subject "Should Immigration to  
the United States Be Abolished?"

Next Sunday Dunbar Holmes will be  
in charge of the discussion on the fol-  
lowing subject: "How can we best  
make war against war?"

—At the November meeting of the  
Women's Association of the Union  
Church, to be held next Wednesday,  
the 16th, the members of the Church  
League of the Church of the Good  
Shepherd will be the guests of the  
Union Church women. All will  
unite in sewing for the Newton Wel-  
fare Bureau. After luncheon Mrs.  
Celia Wellman will speak.

—The Conferences for Well Chil-  
dren which are being held each Thurs-  
day afternoon in the Angier School  
are free to all children—whether  
from Waban or adjoining villages—  
from the age of 14 days to 14 years.  
An excellent diagnostician is in  
charge. For appointments call Mrs.  
T. J. Cram of 287 Waban avenue.

### Newton Centre

—Rev. Dr. Albert C. Dieffenbach is  
the new minister at the Unitarian  
church.

—Mrs. G. F. Wales of Furber lane  
returned Wednesday from a week in  
New York.

—On Tuesday Mrs. H. W. Anderson  
of Ledges road left by auto for Pough-  
keepsie, N. Y.

—Miss Minnie Hovey is seriously  
ill at her home, 14 Oak terrace, New-  
ton Highlands.

—The Highland Glee Club will sing  
at the evening services next Sunday  
at Trinity Church.

—Mrs. John Groves of Parker street  
left Wednesday for Washington, D. C.,  
and West Virginia.

—Mr. and Mrs. A. J. Young of Oak  
wood terrace are receiving congratula-  
tions on the birth of a son.

—Rev. Dr. Charles N. Arbuckle of  
the Baptist Church will be the preach-  
er Sunday at Wheaton College.

—The Stebbins Alliance of the Uni-  
tarian Church meets Monday morning.  
Rev. Roderick Stebbins will speak.

—The Matheron Club of the Unitar-  
ian parish will meet with Mr. and Mrs.  
A. G. Prescott on Lake avenue his af-  
ternoon.

—Miss Dorothy Weld, 47 Suffolk  
road, has been appointed Chestnut  
Hill chairman for the coming Red  
Cross Roll Call.

—The meeting of the Flower Chap-  
ter of the Methodist Church was held  
Tuesday evening at the home of Mrs.  
Denton Nutter, Centre street.

—Miss Harriet O. Paul, 66 Oxford  
road, has been elected Chairman of  
the Newton Centre Branch of the  
Newton Chapter of the Red Cross.

—Mrs. John G. Joyce announces the  
engagement of her daughter, Miss Al-  
lice Ruth Joyce to Mr. John E. Smith,  
son of Mr. and Mrs. John P. Smith,  
of Pawtucket, R. I.

—Mr. and Mrs. Randolph F. Tucker  
of Chestnut Hill gave a house dance  
on Tuesday evening in honor of Miss  
Stella Mary Gray, the daughter of  
the British consul general and Mrs.  
Edward F. Gray.

—Mrs. DeWitt G. Willcox and Mrs.  
Frederick L. Anderson are members  
of the Interdenominational committee  
for Home and Foreign Missions which  
holds its fall meeting Nov. 20 at the  
Old South Church in Boston.

—Prof. E. S. Brightman of Brae-  
land avenue, professor of Philosophy  
at the Boston University Graduate  
School, has been selected to give the  
fourth annual series of John M. Flow-  
ers' memorial lectures at Duke Uni-  
versity at Durham, North Carolina, on  
Nov. 7-8-9. This fund was established  
by B. N. Duke in memory of a young  
alumnus of Trinity College who died  
in the Far East.

### THE SECOND CHURCH in NEWTON West Newton

10:45. Morning Worship.  
Rev. Boynton Merrill  
will preach.

9:30 A. M. Church School.  
All Seats Free at Every  
Service

### West Newton

its vivid landscape and picturesque  
background.

—Mrs. Frederick S. Boddgett of 288  
Prince street is in Jackson, N. H., for  
the remainder of the week.

—Leslie Packard of Williamsburg  
and Laurel Park, Mass., was the guest  
this week of Clendenning Smith, Jr.

—Mr. and Mrs. Rolf Stevens of 25  
Sewall street are spending the week  
at Toy Town Tavern, Winchendon,  
Mass.

—Mr. William Rhodes Davis, corner  
of Dartmouth and Fuller streets, is  
spending the week on a business trip  
to New York.

—Miss Lucy Ellis Allen gave a talk  
this week before a girls' club in Cam-  
bridge, connected with the Shepherd  
Memorial Church.

—Miss Elizabeth Hammond was the  
speaker at the meeting of the Wom-  
an's Guild of the Second church on  
Wednesday afternoon.

—Mrs. J. N. Lovell, 257 Otis street,  
has been elected Chairman of the  
West Newton Branch of the Newton  
Chapter of the Red Cross.

—Mr. and Mrs. Forrest H. Barton,  
34 Otis street, have moved to Chicago,  
Ill., to which city Mr. Barton's busi-  
ness interests have been transferred.

—Mr. Edwin Nowers and family,  
who have been the guests of Mr. and  
Mrs. Frank Nowers of 919 Watertown  
street, returned to their home in West-  
minster, Vt.

—Mrs. Susan Speer of Orchard ave-  
nue sailed Tuesday, November 8, on  
the S. S. Alleghany of the Merchants  
and Miners Lines from Boston to Balti-  
more, Md.

—Mrs. Ralph McPherson, who has  
been visiting her sister Mrs. James  
Chandler of Washington street, is re-  
turning to her home in Cape Breton,  
Nova Scotia.

—Miss Marion C. Wheeler, formerly  
of 60 Otis street, Newtonville, will en-  
ertain a party of young people this  
Friday evening at her home at 923  
Watertown street, West Newton.

—The first meeting of the season of  
the Men's Club of West Newton will  
take place next Thursday evening in  
the entertainment room of the Second  
Church. After the dinner Mr. Whiting  
Williams of Cleveland, Ohio, will speak  
on "What's Industry Doing to Us?"

—Mrs. Joseph A. Symonds, formerly  
of 15 Davis avenue, who has spent two  
years with her son, Professor Symonds,  
in Honolulu, Hawaiian Islands, is  
spending a few days in West Newton,  
returning to her present home in New  
York the last of the week.

—Mrs. Mary Parkman Sayward de-  
livered a most didactic and preceptive  
lecture on Tuesday, November 8, at  
the Museum of Fine Arts, Boston, be-  
fore the Art class connected with the  
West Newton Woman's Educational  
Club. Mrs. Sayward took for her sub-  
ject "The Sacred Tree," which dates  
back to 2500 B. C.

—The Woman's Guild connected with  
the Second Church held its November  
meeting on Wednesday of this week  
in the church parlor. Miss Elizabeth  
Hammond gave a very interesting talk  
upon her week as a delegate at North-  
field this summer. The mental picture  
which Miss Hammond painted of the  
town of Northfield was so descriptive  
as to transplant her listeners, mental-  
ly, before the school and grounds with

#### Miss Burrage Dead

The death of Miss Mary U. Burrage of Chestnut hill took place on Sunday.

#### Mother Louisa Dead

Mother Louisa of the Religious Order of the Sacred Heart died at Newton last week Thursday.

### NEWTONVILLE IMPROVEMENT ASSOCIATION

A meeting of the Executive Committee of the Newtonville Improvement Association was held on Thursday evening, November 3, at the home of Mr. H. W. Orr, 278 Mill street.

Present were Messrs. G. R. Kraber, H. W. Orr, J. C. Irwin, G. L. Curtis, G. H. Harris, J. R. Prescott, A. L. Wakefield, W. H. Zoller, and F. C. Alexander.

Discussions took place on several community matters of importance, including the fire alarm system, and local playgrounds for small children. A close watch is being kept by members of the committee on several unsightly spots in the village.

Mr. H. W. Orr and Mr. G. H. Harris were appointed delegates to the meeting of the Newton Central Council on November 10.

### KIWANIS CLUB

The members of the Newton Kiwanis Club were treated to a very interesting talk on birds by Charles H. Floyd of Auburndale at the weekly meeting on Tuesday at the Woodland Golf Club. Mr. Floyd has been hunting birds assiduously for years, not to kill them, but to study them. He is a member of an organization which traps, bands, and studies birds under government supervision and with the co-operation of government authorities. Much valuable information regarding the habits of birds has been gathered. Mr. Floyd and the others engaged in this work have banded many thousands of birds in recent years and taken quantities of photographs. He showed a number of stereoscopic slides made from these photographs, and told the Kiwanians many interesting facts about the feathered creatures which are common to this climate.

Mr. Floyd explained that the birds are not harmed by being caught and handled by experienced persons, and many of them apparently like being caught by their friends as they repeatedly enter the same traps. He stated that as a result of the knowledge obtained by those engaged in the scientific study of birds, many species which have been accused of being destructive to crops, have been found to live for the most part on harmful pests. The chief enemy of birds, according to Mr. Floyd, is the common house-cat, particularly cats which are allowed to roam about nights. Forest fires also take a heavy toll from birds.

Seventy members were present at the meeting. Three new members were introduced: Clyde G. Hess, boys' secretary at the Newton Y. M. C. A., Charles A. Mahoney, of the Newton Street Department, and L. Frank Perkins of Newton Highlands. "Bill" Skelton officiated as song leader.

### Y. M. C. A.

The speaker at the Fellowship Club on Monday, November 14th, will be Rev. John R. Dallinger, Assistant to Dr. MacLure at the Grace Church of Newton. His subject will be, "Prayer and Worship in the Lives of Young Men and Boys."

The World Committee of the Young Men's Christian Association has designated November 13th to 19th as a week of prayer for young men and boys. The Newton Association is joining with other Associations all over the world in the observance of this week.

The Public Speaking Class will hold its first session on November 17th at which time Mayor Childs will make a short address. This is a fine opportunity for any young man to make himself more proficient in the art of Public Speaking.

### ABOUT TOWN

By Edw. H. Powers

Tuesday a gentleman entered the City Clerk's office in City Hall to register as a voter. The registrar on duty handed him a card to read. These cards are contained in a revolving box and are picked at random. Persons wishing to register must read one of the cards to prove that they have a knowledge of the English language. The man who went into the office on Tuesday gave one glance at the card handed him and said, "I can't read this card. I am Jewish." The registrar looked at the card. On it was printed "I do declare that I believe in the Christian Religion and have a firm persuasion of its truth." This applicant was handed another card.

Now that the north end of Cabot Park, abutting Newtonville avenue, has been partly filled in, agitation for the building of tennis courts on this area is again starting. This project was favored last year by Playground Commissioner Hermann, Mayor Childs and many of the aldermen, and the Finance Committee almost decided to recommend an appropriation to pay for the building of the courts. These courts would serve many residents of Wards 1 and 2 and would be greatly appreciated. Cabot Park now only serves the children and young men who indulge in football and baseball games. The tennis courts would afford healthful recreation to both youngsters and grown-ups. Those who have been endeavoring to induce the aldermen to authorize the construction of the tennis courts at this place, hope that this matter will be provided for in the budget of next year.

Residents of Boyd, Jewett, Fayette and other streets in that district, who travel across Boyd Park, think that the city should improve the entrance to the park from Pond avenue. The footpath there is of gravel, and when washed away by heavy rains, is a hazardous place on which to walk.

The work of repairing the Centre street bridge over the B & A tracks at Newton Corner, has been discontinued while the workmen who were there are assisting in rebuilding the bridges over the Westfield River. The construction of three bridges over this stream by the flood last week has seriously interrupted traffic over the B & A. Much freight is being held up and passenger trains must make long detours.

There is a law compelling bicycles when operated on public highways to carry a light after dark. This law should be enforced in Newton. Certain stores deliver merchandise by means of push-carts operated by boys. These carts do not carry lights after dark and the boys operating them are endangered.

Fred Morgan of the Newton post-office has been in the service 39 years. Fred weighs only 117 pounds, but there is nothing delicate about him. During all these years he has plodded the hills of Newton, frequently carrying loads of mail that weighed nearly as much as he. The scorching heat of the summers and the difficult conditions occasioned by ice and snow in winters might cause husky postmen to be overcome, but Fred has had enough stamina to regularly serve his routes despite the most adverse weather and walking conditions. Manufacturers of automobiles brag when their motors will successfully operate 100,000 miles, but Fred has covered this distance and considerably over 50,000 miles more, and he is still going strong.

We had a visit a few days ago from our old friend James Dunn of Gardner street. "Jim," who is a veteran of the Civil War, and a retired letter carrier, has seen 87 summers come and go, yet he is still active. He has been a lifelong resident of Newton Corner and has a wealth of information about affairs in this community in days of yore.

Another veteran resident of the city who paid the Graphic office a visit the other day is James Paxton of Montvale road, Newton Centre, who came down to take a look at Newton Corner where he was in business for nearly half a century.

### NEWTON LEAGUE OF WOMEN VOTERS

The members of the Newton League of Women Voters are working wholeheartedly for the success of the Silver Tea to be given by them at the Bonar Atwood Studio in Newtonville on Thursday, November seventeenth, at three o'clock in the afternoon.

One of the unusual and pleasing features connected with the giving of this tea is the co-operation of a group of High School students, who, under the direction of Miss Ethel W. McGregory, have prepared delightfully artistic posters announcing the Tea. The posters will be judged by Mrs. Austin H. Deacatur and Mrs. Royal B. Farnum, the winners of the prizes being announced later.

The public will have the opportunity of viewing the posters in the various windows and bulletin boards in Newton in which they will appear within a few days.

The speakers at the Tea will be Mrs. Robert L. DeNormandie, President of the State League, who will talk on "The Way of the League" and Miss Leslie White Hopkinson, State Chairman, who will speak on the subject, "Can Democracy be Efficient?" The meeting will be an open one to which the women of Newton are cordially invited.

### AUTO HITS WOMAN

Mrs. M. B. Biscoe of 399 Boylston street, Newton Centre, was hit Sunday at the corner of Dudley road and Boylston street, Newton Centre, by an auto driven by John Harris of Allston. She received cuts on the head and face and was rendered unconscious. She was taken to the Newton Hospital.

## Building Quality into Used Cars

Unusual facilities for reconditioning  
automobiles make possible the high  
value found in our dependable used cars.

In the first place, we can tell exactly  
what needs to be done to a car without  
long and expensive experimenting. Our  
mechanics are thoroughly competent—  
and, working with special tools, they ac-  
complish a given task in the minimum  
time. Furthermore, we use only genuine  
parts for replacement purposes.

As a result, our reconditioned cars sim-  
ply cannot be matched for value.

### CITY OF NEWTON

City Clerk's Office

November 9, 1927.  
Notice is hereby given that the  
Board of Aldermen will hold public  
hearings at City Hall, West Newton,  
Mass., on Monday, November 21st,  
1927, at 7:45 o'clock P. M., upon the  
following petitions, under the provi-  
sions of the General Laws and Re-  
vised Ordinances of the City, viz:  
No. 58710 A. F. Avery Estate, by Al-  
fred E. Bealisto, for permit  
to erect 3-car garage at 346  
Crafts street, Ward 3.  
No. 58711 H. H. Halewood, for per-  
mit to erect 3-car garage at  
395 Lexington street, Ward 4.  
No. 58712 George Hanner, for per-  
mit for gasoline storage tank  
and pump at 137 Monadnock  
road, Ward 6, and to keep  
so store, and use gasoline in  
connection therewith. Tank  
of 275 gallons capacity to be  
installed for private use only.  
No. 58665 Rubert C. Thompson, for  
permit to keep, store and  
sell gasoline on land to be  
leased from the Boston &  
Albany Railroad, 664 Wash-  
ington street, near Boston &  
Albany signal lower, in con-  
nection with gasoline selling  
station. Maximum quantity  
of gasoline at one time, 5,000  
gallons.  
FRANK M. GRANT, City Clerk.

## Newton

—Call Airth's Express. Tel. New-  
ton 1389.—Advertisement.

—New November records at the  
Newton Music store.—Advertisement.  
—Capt. Samuel Pray has been re-  
elected treasurer of the Boston Ma-  
rine Society.

—Rev. Ray A. Eusden and Mrs. Eus-  
den of Centre street are enjoying the  
week in Northfield.

—Mr. and Mrs. William R. Brewster  
of Church street are receiving con-  
gratulations on the birth of a son.

—Miss Carrie Leland of Maine is  
spending the winter with her sister,  
Mrs. L. D. Towle of Franklin street.

—Mr. Alfred E. Allen of Maple ave-  
nue is enjoying a visit in Florida, hav-  
ing motored there with his daughter  
and family this week.

—Mrs. Steven Bayard Wilson (Dor-  
othy MacLure Leonard) is visiting her  
parents, Dr. and Mrs. Laurens Mac-  
Lure of Eldredge street.

—Miss Edith Jamieson, 34 Eldredge  
street, has been elected Chairman of  
the Newton Branch of the Newton  
Chapter of the Red Cross.

—The Graphic will offer a prize of  
\$25 for the best window display at  
Newton Corner by members of the  
Newton Business Associates for the  
Christmas season. Conditions of the  
contest will be announced later.

—The Newton Hebrew Ladies' Aid  
Society had their regular meeting and  
package party at the N. A. A. Club  
Dulby street. Everyone had a most  
enjoyable evening. They donated a ton  
of coal to a woman in need.

—An individual Tuner of Newton  
offers FREE to the public his inspec-  
tion of any used pianos they have in  
mind to purchase. Attendant risk of  
serious interior conditions is now  
avoidable. Also locates good used  
"buys" for you. Cen. New. 1306-J.—  
Adv.

—The monthly supper of Channing  
Church took place Tuesday evening  
in charge of Miss Dorothy Simpson.  
It was followed by a short business  
meeting and that in turn by a one-act  
play, "Buying Culture," in which Mrs.  
A. C. Cummings, Miss Ruth Pearson  
and Rev. Mr. Drummond took part.

—Mrs. Emma D. Coolidge of Pem-  
broke street and Mrs. Sterling Elliott,  
formerly of Newton, now of Water-  
town, had the distinction of being the  
first pourers for the New England  
Woman's Club tea which followed the  
club's first meeting in their new quar-  
ters in the Hotel Kenmore, last Mon-  
day afternoon.

—Father and Son Night was ob-  
served on Wednesday evening at Par-  
ish Hall in the Methodist Church. A  
large group of the male part of the  
congregation attended the very excel-  
lent program, consisting of Howell,  
the Musical Magician, singing and de-  
licious refreshments.

—George Brumby, a resident of New-  
ton for over fifty years, died on Nov-  
ember 3rd, at the residence of his  
daughter, Mrs. Mary McDonald, on  
River Ridge road, Lower Falls. He  
was a native of England and was 75  
years of age. Besides his daughter he  
is survived by one son, George Brumby  
of Hamilton. His funeral service was  
held last Saturday at the Church of  
Our Lady, Newton, and he was buried  
in St. Patrick's Cemetery, Watertown.

the Ladies' Aid of the Methodist  
Church met Wednesday afternoon at  
the home of Mrs. E. E. Forsyth on  
Park street.

—An enjoyable concert was given  
in the Immanuel Baptist Church  
Tuesday evening by Agnes Edwards  
Hatch, soprano, Priscilla Smith, harp-  
ist, and Constance Bevan Whitcomb,  
pianist.

## Legal Notices

### MORTGAGEE'S SALE OF REAL ESTATE

By virtue of the power of sale contained  
in a certain mortgage deed given by  
David F. Cobb and Ruth F. Cobb, his  
wife in her own right, of Brookline, Nor-  
folk County, Massachusetts, to Brookline  
Trust Company, a banking corporation  
duly organized under the laws of the  
Commonwealth of Massachusetts, and  
having its usual place of business in said  
Brookline, Norfolk County, Massachusetts,  
dated June 13th, 1925 and recorded with  
Middlesex South District Deeds, Book  
4861 Page 179, of which mortgage the  
debtors are the present holder, for breach  
of the conditions of said mortgage, and  
for the purpose of foreclosing the same,  
will be sold at public auction on the pre-  
mises hereinafter described, on Monday,  
the fifth day of December, 1927, at quarter  
past four o'clock in the afternoon, all and  
singular the premises conveyed by said  
mortgage deed and therein described sub-  
stantially as follows:

The land in that part of Newton, Mid-  
dlesex County, Massachusetts, called New-  
tonville with the buildings thereon now  
known as and numbered 100 Berkshire  
Road shown as Lot A on a "Plan of Land  
Newtonville, Mass. Belonging to  
Bulough Park Trust" by E. S. Smille,  
Surveyor, dated March 24, 1920, recorded  
with Middlesex South District Deeds at  
the end of Book 4329, bounded

Northerly and Northerly by said  
Berkshire Road and Bulough Park as  
shown on said plan two hundred forty  
feet; Southwesterly by land shown on  
said plan as land of Crowell thirty feet;  
Southerly by land shown on said plan as  
land of Crowell and land of McMillan one  
hundred ninety feet; and Easterly by land  
shown on said plan as Lot B one hundred  
twenty feet; be any or all of said mea-  
surements more or less. Also all our right,  
title and interest in the triangular parcel  
lying at the intersection of said Berkshire  
Road and Bulough Park adjacent to the  
curved boundary line of said Lot A, which  
said triangular parcel is intended to form  
part of Berkshire Road, extending here-  
by to convey and hereby conveying to  
the grantee the same premises conveyed  
to said Ruth F. Cobb by said mortgage  
deed of even delivery and record here-  
with, and the premises are hereby con-  
veyed subject to the restrictions herein  
referred to so far as now in force and  
applicable. Said premises will be sold  
subject to all unpaid taxes, municipal  
assessments and tax titles, if any. Five  
Hundred Dollars will be required in cash  
at time and place of sale; other terms  
announced at sale.

**BROOKLINE TRUST COMPANY.**  
Mortgagee and present holder  
of said mortgage.  
By Paul N. Jewett, Treasurer.  
Charles A. Leavitt, Atty.  
55 Kilby Street, Boston, Mass.  
Nov. 11-18-25.

### MORTGAGEE'S SALE OF REAL ESTATE

By virtue of the power of sale contained  
in a certain mortgage deed given by  
JOHN J. WALL, dated July 18, 1927  
and recorded with Middlesex South Dis-  
trict Deeds, Book 5122, Page 456, of which  
mortgage the undersigned is the present  
holder, for breach of the conditions of  
said mortgage and for the purpose of fore-  
closing the same, will be sold at Public  
Auction at nine (9) o'clock A. M. on the  
twenty-eighth (28th) day of November,  
A. D. 1927, on the mortgaged premises,  
all and singular the premises described  
as follows:

**TO WIT:** "The land in that part of Newton,  
Middlesex County, Massachusetts, called  
Waban, shown as lots 30 and 31 on a  
plan entitled "Subdivision of Lands in  
Waban Village, City of Newton, Mass.,"  
Roland H. Barnes and Henry F. Beal,  
Civil Engineers, dated August, 1926, which  
plan is to be recorded herewith. Said  
lots are together bounded and described  
as follows:

**SOUTHEASTERLY** by lot 32 on said  
plan, 118 feet more or less; **SOUTH-**  
**WESTERLY** by lot 30 and 31 on said  
plan, 125 feet more or less; **NORTH-**  
**WESTERLY** by Chestnut Street by two  
hundred and thirty feet more or less;  
or less; **NORTHERLY** by a curved line,  
45.54 feet more or less; and **NORTH-**  
**EASTERLY** by Larchmont Avenue, 161.90  
feet.

Said lot 30 contains 10,400 square feet  
of land.  
Said lot 31 contains 10,480 square feet  
of land.

Said lots are conveyed together with  
right to use said Larchmont Avenue in  
common with others entitled thereto, sub-  
ject to existing ordinances, restrictions of  
record, drainage and sewer easements,  
if any. Said plan is a redraft of the plan  
by Beal & Plafed, Engineers, dated  
November 14, 1924, and recorded with  
Middlesex South District Deeds, Plan  
Book 248 Plan 3.

Terms of Sale: \$200.00 will be required  
at the time and place of sale to be paid  
in cash by the purchaser, and the balance  
within thirty days thereafter at said Regis-  
try of Deeds. Other terms to be an-  
nounced at the sale.

**DOLPH L. DINNEN** and  
**E. PHILIP FINN**,  
Present Holders of Said Mortgage.  
1 Beacon Street, Boston.  
Nov. 11-18-25.

**Commonwealth of Massachusetts.**  
Middlesex, ss. Probate Court.  
To all persons interested in the estate of  
James M. W. Hall

WHEREAS Roger F. Hooper, the sur-  
viving administrator of the estate of said  
deceased, has presented for allowance,  
at the account of his administration, and  
Fred A. Fernald's administration  
upon the estate of said deceased.

You are hereby cited to appear at a  
Probate Court, to be held at Cambridge  
in said County, on the thirtieth day of  
November A. D. 1927, at ten o'clock in the  
forenoon, to show cause, if any you have,  
why the same should not be allowed.

And said administrator is ordered to  
serve this citation by delivering a copy  
thereof to all persons interested in the  
estate fourteen days at least before said  
Court, or by publishing the same once in  
each week, for three successive weeks,  
in the Newton Graphic, a newspaper pub-  
lished in Newton, the last publication to  
be one day at least before said Court, and  
by mailing post-paid a copy of this cita-  
tion to all known persons interested in  
the estate seven days at least before said  
Court.

Witness, John C. Leggat, Esquire, First  
Judge of said Court, this eighth day of  
November in the year one thousand nine  
hundred and twenty-seven.  
LORING P. JORDAN, Register.  
Nov. 11-18-25.

**Commonwealth of Massachusetts.**  
Middlesex, ss. Probate Court.  
To the heirs-at-law, next of kin, credi-  
tors, and all other persons interested in  
the estate of

**Sarah Jane Walsh**  
Also known as Sarah Jane Welch, late of  
Newton in said County, deceased, intestate.

WHEREAS, a petition has been pre-  
sented to said Court to grant a letter of  
administration on the estate of said de-  
ceased to Mary Ann Walsh, widow, and  
reton in said County of Middlesex, without giving  
a surety on her bond.

You are hereby cited to appear at a  
Probate Court to be held at Cambridge  
in said County of Middlesex, on the  
twenty-ninth day of November A. D. 1927,  
at ten o'clock in the forenoon, to show  
cause, if any you have, why the same  
should not be granted.

And the petitioner is hereby directed  
to give public notice thereof, by publishing  
this citation once in each week, for three  
successive weeks, in the Newton Graphic,  
a newspaper published in Newton, the  
last publication to be one day, at least  
before said Court.

Witness, John C. Leggat, Esquire, Fir-  
st Judge of said Court, this eighth day  
of November in the year one thousand nine  
hundred and twenty-seven.

Registrars of Voters for certificate of  
signatures of voters signing the pa-  
pers on or before 5 o'clock, Friday,  
Nov. 25th, 1927.

FRANK M. GRANT,  
City Clerk.

**MORTGAGEE'S SALE**  
By virtue of the power of sale contained  
in a certain mortgage deed given by  
JOHN J. WALL, dated July 18, 1927  
and recorded with Middlesex South Dis-  
trict Deeds, Book 5122, Page 456, of which  
mortgage the undersigned is the present  
holder, for breach of the conditions of  
said mortgage and for the purpose of fore-  
closing the same, will be sold at Public  
Auction at nine (9) o'clock A. M. on the  
twenty-eighth (28th) day of November,  
A. D. 1927, on the mortgaged premises,  
all and singular the premises described  
as follows:

**TO WIT:** "The land in that part of Newton,  
Middlesex County, said Common-  
wealth of Massachusetts, called New-  
tonville, being shown as Lot A on Plan of  
Land in Newtonville, Mass., by F. A. Gar-  
vin, dated September 29, 1925, recorded  
with Middlesex South District Deeds, Plan  
Book 562, as Plan 2, and bounded and  
described as follows:

**NORTHERLY** by lot 30 street, thirty-  
seven and 53/100 feet (37.53");  
**EASTERLY** by land of Halsey, sixty-  
four feet (64");

**SOUTHERLY** by land of Cunningham,  
thirty-eight and 10/100 feet (38.10");  
**WESTERLY** by Lot B on said plan,  
sixty and 90/100 feet (60.90");

Containing 2338 square feet according  
to said plan, be all said measurements  
more or less.

For reference to my title, see deed from  
Patrick J. Timmins, dated November 26,  
1926, recorded with said Deeds, Book 5053,  
Page 5.

This conveyance is subject to a mortgage  
held by the Watertown Cooperative Bank  
dated November 26, 1926 and reton in  
said County of Middlesex, without giving  
a surety on her bond.

A deposit of five hundred dollars (\$500)  
cash or a certified check will be required  
at the time and place of the sale, and  
the balance within ten (10) days there-  
after. Other terms will be announced at  
the sale. Said premises will be sold sub-  
ject to any and all unpaid taxes or other  
municipal liens and assessments.

## WOMEN'S CLUB ACTIVITIES

Edited by EMMA D. COOLIDGE

### COMING EVENTS

Three timely informative or entertaining events open to the community are listed first in the Column this week, so that men and women desirous of attending will be sure to know of these welcome opportunities. Do not let these be forgotten or slip by with the regret that they were not availed of. Other events planned by these three Clubs—Newton Centre Woman's Club, Newton Highlands Woman's Club, and Waban Woman's Club—are for the sake of saving of space and repetition included in this part of the notices.

#### Newton Centre Woman's Club

Once more a Woman's Club scores in planning a meeting that is of community-wide interest, and of especial appeal to the men, who ought to come out in great numbers to hear discussion of the Traffic Problem of Boston and vicinity by experts on the subject. Surely with men and women driving their cars into the business and shopping districts, and with the street car question meaning home or not each day they will be eager to hear of the conditions and, better still, of the corrective suggestions that will be given on next Thursday evening, November 17, at 8 o'clock, by Mr. Edward Dana, president of the Boston Elevated Railway Co., and by Mr. Fitz-Henry Smith, Jr., chairman of the Boston Street Traffic Advisory Committee in the Newton Centre Woman's Club House. Questions will be answered by speakers. There is no charge for admission. Mrs. Walter Hartstone, chairman of the Legislative Committee, is to be congratulated upon arranging this worthwhile meeting.

Mrs. Hartstone well says about this subject: The problem of street traffic and how to handle it effectively is one that becomes increasingly important with the growth of our cities and the growth of the number of motor vehicles. Because this problem so directly affects us in our life in the community, it is important that we learn something about the problem and the suggestions made for solving it.

In the first place let us remember that the automobile industry is one of tremendous proportions. The industries which are allied to automobile manufacture involve millions of dollars of investment and employ millions of people. We must face the fact that the automobile has come to stay. We cannot legislate away the use of automobiles without destroying one of the greatest factors in the growth of prosperity of this country. Our problem is not how to remove the automobile from our streets, in order to relieve congestion, but how to adjust our streets so that they will adequately take care of increased traffic for years to come.

When our cities were built no one had in mind the use of streets for large numbers of vehicles. Hardly any city is adapted by its street structure to the large use of motor cars and trucks. And so we have increasing congestion and its inconvenience and dangers. The remedy which has seemed simplest has been the restriction of parking—that is a help, not a solution. We must go deeper than this. We must find ways and means of changing our street structure so that traffic will be expedited. The automobile has become an economic necessity. We must find a way of preventing its destruction.

Efforts are being made to regulate street traffic by means of traffic police and traffic signals. These are considerable help. But they do not go to the roots of the matter. How can we expect real relief from congestion when we pour thousands of cars into streets which are narrow, crooked and unco-ordinated?

The major portion of the taxes received by the city of Boston comes from business establishments in downtown Boston. These business organizations need the automobile. To hamper business in its use of this modern instrument for expediting transactions is to kill the very source of our city's prosperity and growth.

In Boston several organizations, looking forward to the future, have tried hard to secure action on the part of the city and legislature for the widening of streets and for the creation of new highways to equalize the load of street traffic. We have had some important street widenings like Stuart Street, Tremont Street, Dock Square and others, but we need newer and bigger street projects if Boston and its growing suburbs are not to be relegated to last place.

It is the duty of every man and woman to get behind the big projects for traffic relief. We should realize that our prosperity as individuals is closely tied up with the development of business from which our incomes are derived.

It will be well for us to learn more about the conditions which produce congestion and the remedies that are proposed. The problem of traffic congestion is not a matter merely for engineers and experts, it is a matter for every citizen; and as citizens learn to use their careful judgment in this matter so will we find the necessary relief. It is such help and co-operation interest and intelligent understanding that will make the big task of the Traffic Problem easier to accomplish.

#### Newton Highlands Woman's Club

In order that the husbands of members may enjoy the rather unusual program, the meeting next Tuesday, November 15, is to be held in the evening, and to accommodate the larger audience, will be in Lincoln Hall instead of in the usual meeting place in the Parish House of the Congregational Church.

Want Your House or Windows CLEANED?—Have the BEST Neighborhood References (Established 1906)  
Efficient Service by Reliable Men  
Suffolk Cleaning Service  
121 WARWICK ST., Roxbury  
Tel. Highlands 4880

The evening is to be given over to a musical travelogue under the direction of Branson DeCout, of Orange, N. J., who is to present a series of colored "Dream Pictures" of the South Sea Islands, ranging in scope from Samoa and Java to the beautiful cities of South America. Mr. DeCout is to give a running commentary on the pictures, with a musical accompaniment, meantime, by the Ampico.

The Dramatic Committee, under the leadership of Miss Marion O. Whitcomb, is hard at work these days on the annual play to be given early in December. Several rehearsals are being held each week and are in the evening, in order to accommodate the business men who are to be numbered in the cast this season.

One of the features of the sale to be held by the Art Committee in connection with the Community Day observance, December 2, is the doll house which is to be completely furnished with American-made, Colonial furniture. Members of the Committee are making painstaking efforts to have every detail of the well-ordered home reproduced in the doll-house which is sure to be the Mecca for all the small children.

On the morning of November 15th, the first of the course of lectures on Modern Drama will be held in the Club Vespasian at 9 o'clock, with Miriam Frank Skirball, Ph.D., recently a member of the faculty of Simmons College, presenting her subject. The study will be the more enjoyable because of the interpretations which will accompany the plays discussed.

#### Waban Woman's Club

The Waban Woman's Club is sharing with other than members a most delightful lecture which they have arranged for Wednesday evening, November 16th. Mrs. George F. Reinhardt is business manager of the event, and tickets are being sold in advance, so that the men and women who desire to partake of the feast should get in touch with her or with members of her selling committee at once. Richard Halliburton will have as his subject "The Royal Road to Romance," the Angus School at 8 o'clock, on the night chosen.

Members of the Club are enjoying a Course of Literature Lectures which began on November 4th. The second, a review of current literature by John Clair Minot, scheduled for Tuesday, November 8th, had to be postponed to December 2nd. The third of the Course is as planned for Tuesday afternoon, at 3 o'clock, November 15th, in the Union Church Vestry, when Dr. Henry Hallam Sanderson will speak on "The Spirit of Modern Poetry." Those interested should apply at once to Miss Dorothy Rice chairman of the Literature Committee, C. N. 0461-M.

### OTHER COMING EVENTS

#### Shakespeare Club of Newton Highlands

The Shakespeare Club meets next Saturday, November 12th, at the home of Mrs. W. M. Mick, 559 Parker street, Newton Centre at 2:30 o'clock. The members will be quizzed on the third act of Macbeth by Mrs. H. E. Durgin, of Norwell, a Club member.

#### Auburndale Woman's Club Business and Professional Division

The new Division of Business and Professional Women of the Auburndale Woman's Club prove their right to the title by having as their first activity the very lucrative one of a Bridge to raise money for the worthy cause of Christmas charity. Judging from the many accounts of Bridge parties that have been in this column in the past week it would indicate that this form of fund-raising is a most safe and sound financial bridge to prosperity, to play upon the word. Monday evening, November 14th, is the date for this Bridge, and the place is the Auburndale Club House.

Miss Mary Butler is chairman of the event assisted by Mrs. Albert L. Puffer and Mrs. John Brown, Jr., from the senior Club. Tickets will be sold at the door, or—preferably—before the date set, and may be obtained from Mrs. Puffer, 28 Auburn street; Miss Butler, 38 Charles street; or from Miss Nellie Lease, Miss Edith Squire, Miss Ellen Fuller, Mrs. Irene Cronin and Mrs. Margaret Marchant. Provision will be made to fill in tables for those who so desire.

After the game there will be refreshments, this interesting part of the social event being in charge of Mrs. Doria Fuller and Mrs. George Magrane.

#### Christian Era Study Club

Mrs. Harry Perkins, of 155 Aspen avenue, will open her home for the next meeting of the Christian Era Study Club, which occurs on the afternoon of Monday, November 14th at 2:30 o'clock. The study of the Founding of a Government, namely our own, is the interesting topic of the year, and on Monday Mrs. Dean V. Hancome will present as her section "The New Congress, 1788," and Mrs. Nathaniel L. Grant will describe as her special part, "Our First President." Both are inspiring of ideas, facts, and deductions.

#### West Newton Women's Educational Club

The Travel Class of the West Newton Women's Educational Club meets with Mrs. Ethel Leach, 79 Adella avenue, and has as hostess with Mrs. Leach, Mrs. B. Howard Lester, on Monday November 14th. "Coast Survey and Light Houses" is the subject of a paper to be read by Mrs. Alvah Jordan with its thrill of aid to shipwrecked sailors, and "Nature's Hiding Places and Caves," with their wonders and mysteries, will be a paper read by Mrs. Frederick Waring.

#### Monday Club of Newton Highlands

"Travelog" is the curiosity-provoking title of the program for the Monday Club for their meeting at 2:30

o'clock of the 14th. Mrs. Florence E. Foster, and Mrs. Seward W. Jones are in charge of this presentation, which occurs after the business meeting, at the home of Mrs. H. E. Williams, 7 Norman road, as the afternoon's hostess. Following the "journey," a social hour with refreshments will be enjoyed, always the most acceptable way of recuperation from travel.

#### C. L. S. C. of Newton Highlands

Mrs. Sanford E. Thompson, hostess for the C. L. S. C. on the same afternoon, the 14th, at 2:30 o'clock, opens her home, 85 Erie avenue, when Mrs. Hiram A. Miller has the courage and talent to cover "2500 Years of Chinese Literature" for the enlightenment, and edification of her fellow members. Current events will also be summed up by the committee appointed for this excellent service.

#### Auburndale Review Club

On Tuesday, the 15th, at 10 o'clock, the members of the Auburndale Review Club will meet at the home of Mrs. Edward J. Frost, of 379 Central street, and after their business meeting will have the attractive program of consideration of "Modern Dramatists," the individual, the personality, the character and characteristics, the ability, the works and the influence thereof. Three Club members have the presenting of the subject, Mrs. George E. Martin, Mrs. Arthur C. Farley, and Mrs. George P. Knapp.

#### Newtonville Woman's Club

The regular meeting of the Newtonville Woman's Club will be held on Tuesday, November 15th, at the Congregational Church, with Prof. Frank W. C. Hersey, of Harvard University, speaking on the subject "A Walk in Scott-Land." The appreciation of Scott's talent and his love for his writings, will make the topic a joy to him and to hearers. Club members are urged not to forget their annual contribution of jellies and old linen for the Newton Hospital, also a labor of love and appreciation that is one of the Club should be proud has become an annual custom.

The next meeting of the Garden Club will be held at the home of Mrs. Charles D. Kepner, 43 Grove Hill avenue, on Wednesday, November 16. The subject is one that will aid members to make the time more cheery and friendly during the drear months when the outer world is bare of blossoms and of green—House Plants.

#### Community Service Club of West Newton

Next week holds two interesting meetings, for the members of the Community Service Club of West Newton. Their regular meeting of the month falls on Wednesday, November 16th, and Miss Eunice Avery, known to Newton Clubwomen for her grasp on current events, will speak on "Women of the East and West." The meeting will be held in the attractive Parish House of the Unitarian Church at 2:30 o'clock, with the president, Mrs. Phister Cowin presiding. After the program a social hour with tea will give added enjoyment.

On Friday, the 18th, Mrs. Claude U. Gilson begins her always fascinating series of Current Events lectures, at 10:40 o'clock in the same Parish House. Mrs. Gilson has become an annual event with this Club which can bespeak no better recommendation. Tickets for the Course of ten lectures may be obtained from the treasurer, Mrs. Sidney B. Thomas.

#### Newton Community Club

Enthusiastic seekers after Bridge skill are going to the fount of all such knowledge, Mrs. Prescott Warren, whether beginners or those more wary in the game, there being arranged at present a series for both players. It looks now as if the Classes will be held at Mrs. Warren's Boston home on Chestnut street, and those desiring to know more of the plans should apply either to Mrs. Warren or to Miss Dorothy L. Simpson, N. N. 0153.

#### Auburndale Woman's Club

For the Auburndale Woman's Club November 17th is Home Talent Day, and that means Dramatics, and dramatics in capitals, in token of the talent of the members who have achieved fame through past performances. The Dramatic Committee, under the leadership of Mrs. Walter Van Patten Steiger, chairman, is to present two plays. One entitled "Suppressed Desires" sounds unusually interesting. The second is "Columbine." Auburndale women have always played to capacity houses and these plays will as always, call out a full membership.

#### Newton Circle, Inc.

With a brilliant list of patronesses the Bazaar of the Florence Crittenton League to be held at the Copley Plaza, November 16 and 17, promises to be the attraction of the week for women who desire to aid a worthy cause, and to start upon their Christmas lists with some very dainty and lovely gifts that may here be purchased. Mrs. Calvin Coolidge's name heads the list of patronesses, and among the many mentioned there stand out such well-known women as Mrs. Alva Fuller, Mrs. Rudolph L. Agassiz, Mrs. Robert Anderson, Mrs. A. C. Burrage, Mrs. I. W. Chick, Mrs. Costello Coolidge Converse, Mrs. Andrew Carnegie, 2nd, Mrs. F. B. Crowninshield, Mrs. William H. Endicott, Mrs. Louis A. Frothingham, Mrs. Francis L. Higginson, Mrs. Andrew J. Pagasiz, Mrs. Robert Saltonstall, and Mrs. Bayard Tucker. (Continued on Page 10)

## CENTRAL COUNCIL

### Round Table Conference And Roll Call At Fall Meeting

The fall meeting of the Newton Central Council was held on Thursday, Nov. 10, at 7:30 p. m., in the Bonner-Avondale Studio in Newtonville.

It was a get-together meeting for Council delegates and interested friends, and took the form of a Roll Call and Round Table Conference.

Mrs. Palmer, President of the Council, presided. She spoke of certain Council activities in particular. One was the Community Calendar, an effort to prevent conflicts in dates between organizations planning events which affect a large number of people in the city of Newton. By telephoning the Council office any organization can find out "dates ahead" planned by other organizations, for meetings, entertainments, or campaigns.

Miss Peloubet, secretary of the Council, told how the Women's Clubs and the Council are co-operating in relation to volunteer service. Money, cars, gifts, are all needed, as are special talents and training—but more than all, leadership and just friendly personal interest.

The roll of the organizations in the various divisions of the Council was then called, each member organization responding either with "present," or with a few words in regard to its plans and problems.

Mr. Ernest G. Haggood, the new chairman of the Civic Division of the Council, was introduced by Mrs. Palmer. Mr. Gorham Harris of the Newtonville Improvement Association and Mr. G. Clement Colburn of the Kiwanis Club said a few words.

Dr. J. Mace Andrews, chairman of the Health Division, gave a report on the pre-school clinics, held under the auspices of the Board of Health last spring for children about to enter school in the fall. These clinics were recommended by the Health Division of the Council.

The Red Cross was represented by Mrs. Marcus Morton, who told of life saving work accomplished, and planned, and by Mrs. G. M. Angier, who aroused enthusiasm for the Roll Call.

Mr. Arthur Kendrick spoke for the Special Health Committee of the Newton Welfare Bureau, saying that one use of the Christmas Seal money had been paying for physical examinations in the schools. He hoped that the city of Newton would be willing to finance this work in the near future.

The All-Newton Music School announced a concert of the Russian Symphony Choir to take place on Friday, January 13. Mrs. M. E. Seaver spoke for the Bowen School, stressing the need of a playground and assembly hall for the Bowen School district. Miss Butters of the Newton Welfare Bureau told of plans for more intelligent Christmas giving. Mrs. Cooper, president of the West Newton Community Center, spoke of their plans and Mr. H. W. Bascom of those of the Y. M. C. A. Miss Anne L. Leathers said that the Y. W. C. A. were making efforts to enlarge their work and carry it into the villages of Newton wherever needed.

Mrs. Louis H. Marshall, chairman of the Welfare Division, then reported on the study of boy and girl life in Newton made under the auspices of her division.

Mrs. Palmer introduced Mr. Francis L. Bacon, assistant superintendent of schools, who gave a most significant report on the result of the study. Some of the phases covered by the study were: club life, truancy, and motor accidents to children.

Mr. James T. Dacey was then introduced by Mrs. Palmer as the clerk of a special committee appointed by the Welfare Division of the Council to study the need of individual work with boys and girls in Newton.

The recommendations of this committee for a special worker to investigate this field were adopted by the Council.

Coffee and sandwiches were served and many workers and members of the community interested in social problems had an opportunity to talk over their plans together.

## WINTER SPORTS

### Playground Department Appoints Skating Instructor

Preparations have been begun under the direction of Ernest Hermann, superintendent of playgrounds, for the winter skating season at Newton playgrounds and skating areas.

Plans for the season include the installing of new snow slides on the Burr and the Eaton avenue playgrounds and the employing for the first time in Newton of a public skating instructor.

Accommodations for skaters at the large areas at Bullough's Pond and Crystal Lake, and at the Boyd, Stearns, Waban and West Newton playgrounds will be in readiness by the time ice is firm enough for skating.

It is believed that regular skating this year should be possible by December 20.

The skating instructor will be Paul Keller, 18 Clafin place, Newtonville, a language teacher in the Newton High School.

Mr. Keller is an exceptionally accomplished skater, it is understood. He is a master of fancy skating, and has won a number of important championships in that field. He ranks as a fancy skater of international reputation having completed with success in fancy skating exhibitions in foreign countries as well as in America. Mr. Keller is a veteran of the World War.

He will spend much of his time, it is stated, at Bullough's Pond skating area, devoting himself to teaching children the essentials of skating that should be known to beginners, and also giving advanced instructions to older boys and girls and adults, teaching figure skating to those who are sufficiently expert on the ice to be able to learn the art.

For some time the playground authorities have sought a man of the right type to act as a public instructor for Newton skaters and would be skaters, but it is believed that hitherto it had not seemed possible to secure the services of a suitable person.

The Playground Commission is believed to have been very fortunate in arranging for Mr. Keller to undertake the work, and it is thought that many persons will avail themselves of the opportunity to have instruction from a capable expert.

Construction of the small playground slides will, according to Playground Superintendent Hermann, prove a boon to many children who would, as a result of regulations forbidding the use of sleds in streets, be unable otherwise to enjoy sliding this winter.

study the need of individual work with boys and girls in Newton.

The recommendations of this committee for a special worker to investigate this field were adopted by the Council.

Coffee and sandwiches were served and many workers and members of the community interested in social problems had an opportunity to talk over their plans together.

### THANKSGIVING FOR EVERYONE

If you intend to remember any of those less fortunate than yourself by sending a Thanksgiving dinner, why not inquire of the Newton Central Council office first and find out if you are duplicating the efforts of someone else?

Inquire now. Inquiries later than the Tuesday before Thanksgiving are often too late because dinners have already been ordered. Telephone Newton North 2717, or send a list of the families to whom you are planning to give dinners to the Newton Central Council, 12 Austin street, Newtonville.

## SIXTH CONFERENCE

### Young People's Conference To Hold Sixth Annual Session

The sixth annual Young People's Conference, held under the auspices of the Newton Young People's Inter-Church Council, will open on Friday afternoon, November 25, at the Eliot Congregational Church, Newton. It will continue Friday evening and Saturday afternoon and evening. A cafeteria supper will be served on Friday and the grand windup will come on Saturday with a banquet and installation of officers.

Prof. H. Augustine Smith of Boston University will lead the conference and will have charge of the course on Christian Music. His subjects on Friday will be "The Wonder of the Hymn Book and Congregational Singing as a Fine Art" and on Saturday "Church Music and the Synthetic Arts." Prof. Smith is an international authority on church music and has had charge of the music, pageantry and fine arts at many national and international conventions. The "Hymnal for American Youth" is the work of Prof. Smith.

Another leader of note is Prof. Herbert C. Mayer, also of Boston University, head of the Department of Young People's Work at the School of Religious Education. The first four Young People's conferences were directed by Prof. Mayer. He will discuss "Who Am I?" "What Can I Do?" "What Am I Good For?" "What Can I Be?"

Among the other leaders will be Frank Grebe, director of Religious Education at the Second Church, West Newton. Mr. Grebe will have charge of the discussion group on "Getting and Keeping Members." Miss Ruth Carter, formerly in charge of the Young People's Department of the Maine Council of Religious Education, will lead one of the discussion groups on "Our Place in the Community." Miss Beatrice MacIntyre, well known to all girls who have been members of the Older Girls' Camp Conference at Camp Merrowista, of which she is athletic director, will lead one of the groups. Stanley Kendig, director of Religious Education at the Wakefield Baptist Church, will help a group to solve the vexatious problem of "How to Have a Good Time." He will also have charge of the Friday social period.

Hayden L. Stright, director of Religious Education at the Newtonville Methodist Church, will direct the conference for the third successive year. Miss Miriam Lockwood of Waban is in charge of registration and all questions regarding this may be referred to her at 178 Neholm road.

### MINSTREL SHOW A SUCCESS

The 19th annual minstrel show of the Newton Catholic Club, "Hands Up," was given Monday and Tuesday nights by a cast of over 100. The perennial stars of these shows, Joseph Curran and Charles Laffie, again made the big hit with their comic sketches. The lead character parts were taken by Misses Mary Monahan, Katherine Delahanty, Katherine Kelley and Mary Welch; William Robblee, Jr., Francis Kiley, Harry Walsh and George Tenant. Richard Lane was interloper. So successful was the show that the demand for tickets necessitated a third performance.

### QUEBEC OFFICIALS VISIT NEWTON

Mayor Joseph Beaubien of Outremont, a suburb of Montreal, and other officials of that place, were taken on a tour of this city on Tuesday morning under the guidance of Buildings Commissioner Chadwick, City Engineer and Fire Chief Randlett and Street Commissioner Stuart. The visitors inspected streets, public buildings and fire apparatus in this city. They have been making a tour of Boston and its suburbs.

## LEGION BALL

### Newton Post Holds Successful Affair On Armistice Day

Newton Post, American Legion, held its annual Armistice Day Ball last Friday night at the State Armory, West Newton. The armory was decorated with blue and gold, the colors of the Legion. Over 350 attended. The guests included Mayor Childs, Representative Arthur Hollis, Colonel Hanson, District Commander, State Commander Reth and Chef de Guerre Stiles of Middlesex Voiture 40 & 8. Many of the military and naval men present were attired in the uniforms of the branches of the service with which they had been, or are connected. The Grand March, which started at nine o'clock under the direction of Captain Thomas Hickey, was led by Mayor Childs and Mrs. Corabelle Francis, President of the Legion Auxiliary.

At 11 o'clock the gathering observed silence for a minute, following which "Taps" were sounded, and three volleys fired as a tribute to those who had made the supreme sacrifice in the World War.

### NEWTON HOSPITAL AID ASSOCIATION

Newton seldom sees a more representative group than filled the beautiful rooms of the home of Mrs. George F. Schrafft on Monday afternoon when the whole house was thrown open in warm cordiality for a Bridge given for the benefit of the Newton Hospital Aid Association.

The glowing colors of the chrysanthemums lighted every corner of the spacious rooms and in the hospitable hall where Mrs. Schrafft and Mrs. George H. Talbot received guests from Brookline, Boston, Wellesley and all Newton the picture was most attractive. Over 100 tables were scattered through the rooms, and on each table was a picture of the new hospital mounted as an attractive 1928 calendar, and presented by Bachrach, which added to the general enthusiasm.

It was a most successful function and not only the guests but the hospital appreciated Mrs. Schrafft's generous hospitality. The party was planned and managed by Mrs. Pitt Drew, assisted by an able committee from the different villages of Newton.

### CHORAL SOCIETY CONCERT

The semi-annual concert of the Newton Choral Society will take place Tuesday evening, December 6, at Central church. Most of the concerts of the society have taken place in this church, and it is very well adapted for the presentation of this fine music. The dress rehearsal will be held on the preceding Sunday afternoon.

One of the most interesting compositions on which the society is now working in preparation for this concert, is Rheinberger's "Call of the Muezzin." This number has not been performed by the choral societies of this neighborhood, so it will be a very original novelty. The conductor, Mr. William Lester Bates, went to a good deal of pains to obtain the music for this composition. It could not be had in Boston, so he wrote to music publishers in several American cities, but failed to find it. It was finally obtained for him from a music publisher in Germany. It gives a vigorous and colorful tone picture of one feature of oriental life.

### FALL DOWN STAIRS FATAL

Dennis Murphy, 40, of 262 Beach street, Revere, employed by J. Vincent Murray at 778 Beacon street, Newton Centre, fell down a flight of cellar stairs at that address Wednesday morning and received a severe fracture of the skull, which caused his death shortly after he was removed to the Newton Hospital.

## HONOR DR. MACLURE

### Festival Service In Grace Church Marks Twentieth Anniversary

A festival service commemorating the twentieth anniversary of the rectorship of Rev. Laurens MacLure, D.D., was held Wednesday evening in Grace Church, Newton. A reception to Dr. and Mrs. MacLure followed in the parish house.

Bishop Charles L. Slattery conducted the service, assisted by suffragan bishop Samuel G. Babcock. Junior Warden John H. Sellman spoke for the wardens and vestry and members of the church. Raymond Robinson, organist of King's Chapel, assisted by Charles G. Wilson, organist of Grace Church, played. The altar decorations were festival white and green and the decorations of the parish house were palms and cut flowers. Dr. and Mrs. MacLure were assisted in receiving by the two wardens, Charles E. Riley and John H. Sellman and Miss Riley and Mrs. Sellman.

Bishop Slattery said in his short informal address that he first met Dr. MacLure twenty-eight years ago when they were both in the ministry of Pennsylvania and that it was one of the greatest pleasures he had ever experienced on his return to Massachusetts to learn that he was to renew his interrupted friendship with him. He pointed out that Dr. MacLure was the only rector in the diocese who was a delegate to the general convention of the church and was also a member of the standing committee. Continuing he said:

"I cannot express to you, how much I count on him. He is one of those who judge the men who are to enter the ministry, and upon his good judgment and strong loyalty the diocese has come largely to depend. It is a comfort to know that Dr. MacLure is here at Grace Church."

He made further remarks concerning the generous offer of Grace Church in 1926 to give financial aid in excess of the funds usually given.

The bishop was followed by John H. Sellman, junior warden of the church, who expressed the appreciation of the wardens and vestry an parish for Dr. MacLure's work in Newton.

The general committee in charge of the festival was Curtis Nye Smith, chairman; Miss Lucy Cobb, chairman of committee on invitations; Miss Helen Cobb, chairman for decorations; Theodore E. Jewell, chairman for the festival service; William V. M. Fawcett, chairman for the reception, and Leopold Gruener and Frank I. Peckham, committee men for the supper.

### MANY POLICE TAKE EXAMINATION

All the sergeants on the Newton police force, eight in number, and twenty-seven patrolmen, took examinations at City Hall on Tuesday for advancement to the positions of Lieutenant and Sergeant. It is expected that the results of the examination for the position of Lieutenant will be known in a week or ten days. It is probable that the results of the examination for Sergeant will not be known until somewhat later.

### POLES FALL AT LOWER FALLS

Yesterday morning at 10:45 a pole of the Edison Company on Washington street, near Wales street, Lower Falls, started to topple over. A large ruck was in danger of being hit by the falling pole, and its operator brought it to a quick stop. The pole halted in its descent and the driver of the truck started to pass by. Just as the truck got under the pole, the big stick dropped again and landed on the automobile. In the mix-up a guy wire became caught on the truck, pulling down another pole. The street was blocked and the cars on the Framingham line delayed for over 30 minutes.

## DR. BARKER COMING

### Former Taft Physician To Address High School Pupils

The man who kept Taft physically fit and on the job every day while he was President of the United States, Dr. Charles E. Barker of Grand Rapids, Michigan, is here next Monday.

Through the initiative of the Newton Rotary Club Dr. Barker will address pupils of the High School Monday morning and in the evening at eight o'clock at the auditorium of the Newton High School he will speak to parents and citizens on the subject of "The Road to Happiness." The Newton High School Band will play before the address is given.

The Doctor is unique and any attempt to describe him is sure to omit much that should be said. He is a man of wide experience on the public platform, and his addresses are of such an amazing and inspiring character that all who have the opportunity to do so should hear him.

Dr. Barker makes no attempt at oratory, but he is a wonderfully interesting and electric speaker. He puts the "punch of a pile driver" into his words, and drives home with thrilling illustrations the truths he upholds. He quickly "gets" an audience and holds it, straight through a talk of an hour.

During the eight years that Dr. Barker has been lecturing under the auspices of Rotary International, he has been engaged by 850 Rotary Clubs; has delivered 2786 addresses; has spoken to 2,370,000 High School students; 826,000 women have heard his address to mothers, and 764,000 men have listened to his address on a "Father's Responsibility to His Son."

The Community Service Committee of the Newton Rotary Club is arranging the program and cordially invites the citizens of Newton to hear Dr. Barker on next Monday, November 21, at eight o'clock at the High School auditorium.

### OPEN FORUM

On Sunday afternoon, November 20th, at 3:30, in the Auditorium of the Auburndale Club, Auburndale, there will be held the first of three open forums under the auspices of the Auburndale Club.

The speaker will be Mr. Philip La Follette, Lecturer in Law at the University of Wisconsin, and a son of the late Senator Robert La Follette.

Mr. La Follette is a well-known authority on Prison Reform, and his subject will be: "The Abolishment of Capital Punishment."

There will be Community singing. All persons interested are cordially invited to attend.

### BADLY CUT IN AUTO CRASH

Tuesday night at 9:20 as Arthur Gates was driving his car on Washington street, near Court street, Newtonville, according to the report he made to the police, another car cut sharply in front of him causing a collision which damaged Gates' car and caused him to be badly cut between the shoulders by a piece of broken windshield. He was taken to the Newton Hospital by a passing motorist and eight stitches were taken in the wound. The other car continued on to Crafts street, according to spectators and then came back to the scene of the accident. Its operator handed a slip of paper to a bystander telling him to give it to the operator of the other car. This paper bore the name and address, "F. W. Morrell, 480 Geneva avenue, Dorchester." The car had a Rhode Island registry.

The next regular meeting of the West Newton W. C. T. U. will be Monday evening, Nov. 21, at the home of Mrs. Fannie E. Waring, 29 Davis avenue, West Newton. Mrs. Elizabeth Congdon and Mrs. Ida Henley will assist Mrs. Waring as hostesses. Reports from the recent State convention will be given by the delegates.

Members of the West Newton W. C. T. U. will be at the Flower Mission, 14 Ashburton place, next Monday and Tuesday to assist in preparing the Thanksgiving flowers and fruits to be sent to the needy and to shut-ins.

### KNIGHTS OF COLUMBUS

Newton Council, Knights of Columbus, at its meeting on Tuesday night in Elks Hall conducted a Whist and "45" tournament for the members. Members of the Council are contributing clothing for the victims of the flood in Vermont. Grand Knight John Monahan is in charge of this work.

## THE WEEK IN NEWTON SPORTS

Edited by WARREN K. BRIMBLECOM

### Brown Plans For Next Fall

In the game tomorrow afternoon between Brown University and New Hampshire University Coach McLaughrey of Brown is planning to use a team composed entirely of juniors and sophomores in order to get a line on a foundation for the 1928 eleven. This means that Charlie Considine, with four other first string men, will probably view the game from the bench unless things should go wrong and they are needed to put over the winning punch. Ed Kevorkian, the Newton Centre youth, will take his place in the lineup as one of the tackles. While Considine will play his final game for Brown against Colgate on Thanksgiving Day next fall there will be another former Newton high player available for a line position on the Bear varsity. Granger Hagood, a tackle at Newton in 1926, has been playing a guard position on the Brown freshmen team. In time he should develop into a great college lineman.

### Bowdoin Players To Get Letters

In all probability the Bowdoin athletic council will meet tomorrow evening to award insignia to the members of the 1927 football team which has completed its season. Among those eligible for letters are several Newton men, including Bob Adams, Winslow Howland, Dawson Alexander, linesmen, and Stuart Stone and Richard and Harry Thayer in the backfield. Next year's captaincy lies between two Newton men, Winslow Howland whose centre play was a feature of the Bowdoin team's defence and Bob Adams who is rated as one of the best ends in any of the Maine colleges.

### Browne & Nichols Gives Game

The final facts regarding the Country Day school and Browne & Nichols football game last week have set at rest the uncertainty regarding the winner of the game. It was previously reported that Browne & Nichols, winners of the game after being allowed to use ineligible players, would forfeit the victory to Country Day if they accepted it as they played with Day school and that the latter would knowledge and agreement of the using of the questioned players. Late Tuesday afternoon statements were issued by the headmasters of both schools. The facts were that prior to the day of the game Browne & Nichols notified Country Day that they would forfeit the game because injuries and scholastic difficulties had made it impossible to play a representative team. Country Day invited the Cambridge school to use three ineligible players without any suggestion of so doing from Browne & Nichols. On the day before the game Browne & Nichols accepted the suggestion but notified the local school that the game was Country Day's whatever the outcome. The game was therefore played under a friendly understanding that the outcome would not affect the private school championship which Country Day had already won on account of the forfeiture.

### LOCAL YOUTH TO ENTER WEST POINT

Congressman Robert Luce announces his selections for the designation of candidates for appointment to the U. S. Naval Academy at West Point. Joseph E. Gill of 51 Warwick road, West Newton, is named as principal. Gill is now a student at Boston College and if he passes the physical examination will be admitted to the Academy in June, 1928. Horace P. Rounds of 131 Prince street, West Newton is named as first alternate and George C. Humphreys of 249 Clinton road, Brookline, is named as second alternate.

### NEWTON EXPECTS HARD GRID GAME

Next Thursday morning the Newton high and the Brookline high football teams will meet on the Brookline gridiron in their annual Thanksgiving Day battle. There are no closer rivals than these two schools in scholastic sports of any kind but the rivalry perhaps is a little more tense in the popular fall sport than in other lines. Newton high has not gained a verdict over the Wealthy Towners for several years in fact it was in 1923 that the orange and black last waved above the maroon and blue. In 1924 the game ended in a scoreless tie while in 1925 and 1926 Brookline was the winner by scores of 6 to 0 and 9 to 0.

But this year local fans expect to see Captain Romaine Cole's eleven bring home the championship of the Suburban league which incidentally is at stake. Newton is at present leading the league with a total of eight points gained in four victories, one of which is the technical victory gained through the forfeit of the Everett game. Brookline is pressing Everett with six points two of which came as the result of the Everett forfeit, two at the expense of Somerville last Saturday and the remaining two through tie games with Rindge and Cambridge Latin. Thus it is obvious that in next week's games the worst that Newton can get is a tie for the title should Brookline to return the victor. In case of a tie game or a victory for the Garden City eleven it means the title. Brookline, therefore, has everything to win and nothing to lose which will give the home eleven an additional incentive.

On the other hand the coaching reins at Newton are being held for the first time by John L. Sullivan, a member of the high school faculty, who was appointed to the position last spring a few months after the unexpected death of Coach Allie W. Dickinson. The new Newton leader has developed a good team out of material which was somewhat below the usual standard at the start of the season but which rose to its heights against Lawrence and held the Mill City outfit, potential state champions to a single touchdown.

Newton will be the favorite in next Thursday's game but Coach Sullivan expects the Brookline team to prove to be a worthy foe. In order that the orange and black eleven shall go into the game in the proper frame of mind and in the best of physical shape he is giving them just enough work to hold them at the peak of their form. The first of the week the squad was given two good workouts and on Wednesday was told to forget football for the afternoon. Yesterday a very light workout was held and today is another day of leisure. Tomorrow the entire squad will accompany their coach to the Waltham-Manchester game and watch others play. Next week will again be taken up in earnest on Monday and Tuesday with scrimmage practice of more or less intensity depending upon the attitude of the players for such work while Wednesday will be devoted to the final touches of signal practice and method of play.

Practically the entire squad is in fine physical shape due to the care given them by the trainer of the squad, Frank Simmons, of the staff in the department of physical education. The starting lineup is practically certain to be the same that has started the last few games. Captain Romaine Cole will be at his usual position at right end. Vincent Hamilton at right tackle. Frank Shea at right guard. Creighton Gatchell at centre. "Axle" Harrington at left guard. Charles Robblee at left tackle and Everett Scheinfain, who will call the plays and signals, at left end will be in the forward line. Francis Duane will be in the quarterback position and play at safety on the defence while the remainder of the backfield will be made up of Bob Bennett and William Sutcliffe, halfbacks, and Stanley Brown fullback. Bennett and Duane will do the kicking and passing while Brown and Sutcliffe will be used to dent the Brookline line for gains when needed.

Newton has many substitutes available for use in case the first string men must be relieved. In the backfield Phil Andres, Joe Gilligan, Frank Perry, John Mullen, and Andrew Pescosolido are ready for the call while Dick Reynolds and Payne will under study for Scheinfain and Capt. Cole on the wings. Brandon Marsh and Wentworth for the tackles. Kane and Anness for the guards and Lovely at centre. Assistant Coach Carson Stanwood has been spending a lot of time with Lovely in grooming him for a possible centre next season. Creighton Gatchell, who graduates next June and hopes to enter West Point, will leave a big gap in the middle of the line next year which at present is largely made up of juniors. Chamberlain, the substitute centre during most of the season, is at present suffering from a boil and will probably not be around in time for the Brookline game and in case Gatchell needs relief Lovely will get his chance. He is a rugged youth, loves the game of football and will give his best for the team.

While Newton, as has been said, will

probably be the favorite in the Brookline game, which by the way brings to a close the 1927 football season, it will be one of the closest and hardest fought games of the season. Coach Thomas Hines of Brookline has the reputation of bringing his teams to their best game on Thanksgiving day and indications this year are the same. Five weeks ago the Newton intermediates could have given Brookline's first team a good game but recent happenings show the great improvement that has taken place due to the ability of the maroon and blue team to hold Rindge and Cambridge Latin to tie games and emerge victorious over Somerville on consecutive Saturdays. Watch that Brookline team next Thursday that they do not surprise Newton and cause one of the biggest upsets in schoolboy circles this season.

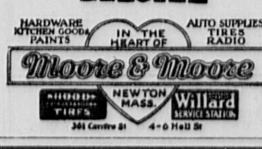

### POLICE NEWS

John McDonald of Dover street, Boston, was arrested Sunday by Patrolman Chadwick charged with drunkenness and with driving while under the influence of liquor. He will be tried on November 21.

**Y. M. C. A.**

Under the auspices of the Newton Y. M. C. A. the Newton Constabulary Band gave a fine concert last Sunday afternoon, November 13th at the Immigration Detention Station at East Boston.

There were about 75 men and women and children who enjoyed the concert. These people are often detained for a number of weeks and therefore appreciate all the more anything that is done for them along the line of concerts, and entertainments.

The Week of Prayer has been observed at the Newton Y. M. C. A. by various gatherings of men and boys. Rev. John R. Dallinger spoke of the value of prayer to the members of the Fellowship Club on Monday evening, and Rev. McCombs spoke to a large group of young men in the gymnasium. Rev. Wm. E. Austill and Rev. N. Everett Hanson addressed groups of boys on Tuesday and Wednesday afternoons.

The Bowling Committee of the Newton Community Club have arranged for a Boston Pin tournament which will be rolled at the Y. M. C. A. alleys beginning Wednesday, November 16th.

**WOODLAND G. C. ELECTS**

The annual meeting of the Woodland Golf Club was held Tuesday evening at the clubhouse during which officers for the coming year were elected. Combining business with pleasure the members staged a turkey tournament in the afternoon previous to the dinner.

President E. J. Frost was re-elected to serve another year. Other officers included I. E. Moulthrop, vice-president; E. J. Swenson, treasurer; and N. W. Emerson, secretary. Directors elected for three years besides Messrs. Frost and Moulthrop were P. W. Page and R. S. Wason. C. H. Buker, A. H. Sweetnam and C. E. Berry make up the nominating committee for next year. A buffet dinner and entertainment followed the business meeting.

A field of 44 teams participated in the four-ball best-ball tournament which comprised the variety of competition in the turkey "hunt." B. G. Rae and S. M. Patterson showed the way to the remainder of the field combining their efforts to return a net of 69 ahead of three other teams, who tied for second with 70.

**COMMONWEALTH COUNTRY CLUB**

The social season at the Commonwealth Country Club out at Chestnut Hill will be inaugurated by a Matinee Auction Bridge on Monday afternoon, Nov. 21.

Mrs. Alex R. Keltie and Mrs. Wilford D. Pitcher are the hostesses on this occasion. They will be assisted by Mes. Martine E. Lebon, Frank W. Lyman, George D. Moore, Charles O. Pengra, Arthur L. Race and A. Leroy Race. The beneficiaries will be the Fatherless Children of France.

There will also be an informal dance at the clubhouse the night of the Harvard-Yale game, Saturday, Nov. 19, for members and their guests.

**NEW DEALER FOR NORFOLK PAINTS AND VARNISHES**

The Norfolk Paint and Varnish Co., New England's fastest growing paint and varnish manufacturers, announce that The Brown Supply Company of Waban will in the future carry a full line of their paints and varnishes.

Throughout New England, Norfolk paints, varnishes, enamels, lacquers and stains have won wide acceptances, because they have proved they are scientifically "right" to withstand the harsh New England climate.

The Norfolk Paint and Varnish Co. issue an interesting and instructive booklet, "Hints on Household Painting." This clearly explains just what finish to use on almost every conceivable surface, and how it may be applied successfully without previous technical knowledge.

This booklet is free for the asking and can be easily obtained from any Norfolk dealer or by writing direct to the Norfolk Paint and Varnish Co., Norfolk Downs, Mass.

The firm of Chandler & Barber, of which Mr. D. Fletcher Barber of Newton is a member, also carry a full line of Norfolk Paints and Varnishes at their store, 124 Summer street, Boston.

**ABOUT TOWN**

By Edw. H. Powers

William E. Pike, who installed the electrical equipment of the traffic signals which have been placed at many street intersections in the Newtons, has had a long career in electrical work in all its branches. A native of this city, he has been an electrical contractor here for over 25 years and has kept pace with this rapidly advancing industry. He has wired hundreds of buildings in the Newtons from small dwellings to large structures, and his odd moments have been occupied repairing the ever-growing number of electrical appliances which are used for business and household purposes. Mr. Pike was a close friend of the late Louis Ross, who took advantage of every improvement in electrical devices and whose late home at Newtonville and office building at Newton Corner are as excellently equipped electrically as any buildings in this state.

The Columbia Automatic Traffic Signal, which has been installed temporarily at the intersection of Commonwealth avenue and Lexington street, Auburndale, is the first of its type to be placed in operation in this city. This signal was made by Albert Cole of this city and the electrical work was performed by William E. Pike of Newton. Mr. Cole was the maker of the fourteen flashing signals which have been performing so satisfactorily for a number of months at some of the most dangerous street intersections in different parts of Newton, and Mr. Pike installed these signals. The efficiency of these traffic beacons has been proven by the fact that no accidents have occurred at the intersections where they have been installed, although collisions were of frequent occurrence at these places before.

The signal booth at the intersection of Lexington street and Commonwealth avenue was originally intended to be occupied by a traffic officer who would operate a semaphore. It also was supposed to be mounted on a base 18 inches high. Chief of Police Burke decided, however, to have the signal automatically operated. It is probable that a considerably smaller signal will be permanently located at Auburndale to be automatically operated, and that the booth will be removed to Nonantum square, Newton, where it will be mounted on a base and painted. There is no place in the city where better traffic regulating facilities are needed than at Nonantum square. For years there has been agitation for a tower to house the traffic officer there. When the city displayed no inclination to provide this much wanted guide to traffic at Newton Corner, business men around that section were willing to subscribe for a tower. On two occasions a subscription was started to raise money for the purchase of the tower, but because no location would be assigned for it owing to the parking of the Middlesex & Boston cars where the tower was proposed to be situated, the matter fell through.

Chief Burke decided last year to place a tower at Nonantum square after the Middlesex & Boston Street Railway discontinued using the easterly track as a terminal for its cars, thus affording a location for the traffic tower. The thousands who use the square and the business men at Newton Corner expected to see the tower in position some months ago, but they are still hopefully waiting. There are few places in Greater Boston where there is a more complicated traffic situation than at Nonantum square. Between the foot traffic, the thousands of automobiles approaching from several different directions and crossing at various angles, and the use of the square by the cars of the Boston Elevated and the Middlesex & Boston, the traffic officer on the job at this point must be well above the average in efficiency.

This city and its citizens are fortunate in being served by such a man in the person of Traffic Officer Ray Taffe. Taffe is a veteran of the World War and for a number of years he has handled the difficult assignment at Newton Corner in a manner that has drawn praise from those who have observed his work.

He has received little consideration in the respect of having been afforded protection from the weather. Summer and winter he has been exposed to the elements. Assuming that the long delayed tower will within a couple of months be finally placed at Nonantum

**Y. W. C. A.**

The various clubs at the Newton Y. W. C. A. are industriously preparing for Thanksgiving festivities. It is this season of the year when the Service Work of these clubs comes into particular play.

On Monday evening, November 21st, at 6:30 p. m. the Nation Wide Dinner will be held at the rooms at 251 Washington street, Newton. On this date, throughout the country, all the business and professional women's clubs are meeting and holding suitable programs. Miss Anne Leathers, Executive-Secretary of the Newton Y. W. C. A., is going to talk, and a very interesting evening is anticipated. A cordial welcome is extended to everybody interested. Call the rooms—Newton North 3447—for dinner reservations.

The gymnasium and basketball classes, the Junior and Senior High School Girl Reserves, the Triangle Club, and the Watertown group, all hold regular meetings this week.

Announcement is made that another Dancing Party will be held on Saturday evening, December 3rd, from 8 to 11 p. m. It is expected that this party will even surpass the good time enjoyed by all at the November dance.

Note: The rooms will be closed on Thanksgiving Day, November 24th.

**NEWTON W. C. T. U.**

The present day troubles subject of vital interest to studious people was wrapt in the question, "What Are the Most Important Problems of the Present Prohibition Situation and How Are They Solved?" was skillfully answered by Mr. Gordon C. MacMaster, Superintendent of the Metropolitan District of the Anti-Saloon League, at Eliot Church, Chapel, Newton, at the November meeting of the Newton W. C. T. U. An audience, eager for knowledge, listened to the fervent appeal of Mr. MacMaster for the co-operation of all organizations opposed to the proposed repeal of the 18th amendment, recently sent to the State Legislature for action during the year 1928; if carried during that period, it will appear on the State ballot for 1928 to be decided at the polls. He showed clearly the prospect of terrible results "if evil influences should prevail and those who are voters should fail to rouse the people to the seriousness of the issue."

The searcher after truth at the border line, Canada, received a wine list. "One of the 'New Taverns' had the comfort of seats but otherwise were a poor substitute for the old saloon. At closing time of an evening session, after eating a little and dancing a little, and drinking a great deal, seventy-five people went out into the darkness of the night, discoursing with onlookers and revealing the real situation, that twelve to fifteen were actually drunk. There were twelve hundred such places in Montreal. The police the next day stated in answer to a query regarding arrests, 'Of Only one, our orders are not to arrest anybody unless lying drunk in the gutter.' That situation must not return to the United States."

The importance of education was stressed as well as publicity, motion pictures and schools. Mrs. Carolyn King Hunt, the well-known musician, played with rare skill and touching expression the beautiful selections, Handel's Largo, Gluck's Melody and the Festival March. Mary Stuart Jordan of the Choate School, Brookline, was given a second prize on her excellent essay, "Leave Smoking to Your Competitor." The first was received while at Bigelow School, Newton. The second prize was awarded by Middlesex County, W. C. T. U., and presented by Mrs. Katherine L. Goddard, President, Newton W. C. T. U.

**MRS. MARY KILEY**

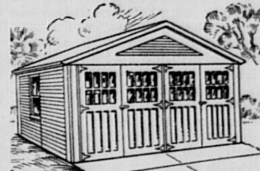

Mrs. Mary Kiley of 49 Smith avenue, wife of William Kiley, died on Sunday, following a long illness. She was 69 years of age and had been a resident of this city for over 40 years. Her funeral service was held this morning at Corpus Christi Church, Auburndale, and burial was in Calvary Cemetery.

square, not only will Officer Taffe receive the shelter he should long ago have been given, but what is more important, the traffic officer on duty at this point will be in a place of vantage where he can see the traffic, and be seen by it.

## EDITORIAL

It will certainly add to the gaiety of the coming city election to have a three-cornered contest for school committee in Ward 2. We have been so accustomed to unopposed candidates for the school committee that we may not know how to act in the matter. Incidentally, if all three candidates enter the race, the preferential system will apply and thereby complicate the situation.

Newton should give hearty support to the Red Cross drive which is now underway. With such concrete examples of the value of Red Cross work as the Mississippi and Vermont floods, it behooves every lover of his country to do his or her share in this movement.

The New England Peabody Home for Crippled Children, one of our own philanthropies, has a tea room and gift shop which ought to be patronized by Newton people.

Discussion of such vital problems as Traffic Conditions not only informs the people of the pertinent facts but prepares the way for the proper remedy.

## LODGES

Newton Lodge K. of P. will hold a Newspaper Party, next Tuesday evening at Bonner-Arwood Hall, Newtonville. A novel and interesting time is promised to all those who attend.

## NEWTON WELFARE BUREAU

While Thanksgiving is the immediate holiday, already the Bureau is making plans for handling Christmas work.

Last Wednesday, in the Bureau's Assembly Room, there was a conference of 1926 Christmas Day donors with the executives of the various Newton philanthropic organizations to discuss the whole question of Christmas giving. The executives felt that one of the principal tasks in Newton is the preservation of normal family life with what it implies of independent self-support and self-respect.

Some of the points of Christmas giving arrived at during the discussion were:

1. When Christmas is provided by outside sources for a family where a real need exists, it should be done in as normal a manner as possible;
2. That individuals planning Christmas cheer with groups be urged not to consider the reaction of giving on particular group; rather the effect which the gift will have on the recipient;
3. That an effort be made to make the Christmas spirit reach around the year by giving something desperately needed in selected families;
4. When possible to help the parents play the role of Santa Claus.

Wanted: Idle toys for Christmas service. If some of the idle toys need to be freshened with new paint or strengthened by slight repairs, the Boy Scouts of the various Scout Troops will be glad to perform those services upon them—toys to be sent to the Newton Welfare Bureau, 12 Austin street, Newtonville.

Newton Welfare Bureau, Newton North 0438.

## POLICE NEWS

Wednesday evening Patrolman Carley arrested John Dennis of 124 1/2 Centre street who had escaped from the State Farm at Middleton.

Antonia Ciampa of Winthrop made a serious mistake when he by driving on the north side of Commonwealth avenue, which is forbidden to automobile traffic, especially when he drove there with the lights of his car not functioning. When Ciampa was stopped by a policeman, he had no license to drive the car, so for this offense he was fined \$25 in the Newton Court yesterday. He also was fined \$5 for driving without proper lights. The charge against him for driving on the restricted side of the avenue, was placed on file.

A number of persons were in court yesterday for violating automobile regulations in the Nonantum district. Louis DeSimone of 244 Adams street was fined \$10 for parking without lights. Lawrence Proia of 19 Quirk court was fined \$5 for parking on the wrong side of the street. Joseph Mazzola of 230 Adams street and Anthony Mazzola of 441 Albemarle road, were charged with parking without lights. As they are only 16 years of age, their cases will be tried in the juvenile court on November 25th.

Four "speeders" were fined in court on Tuesday for driving too fast in Newton. James Maskos, through his counsel, asked that his case be placed on file because he had come down from Leominster to appear. Judge Bacon could not see that this was sufficient reason to free Maskos from a penalty, but he did slice \$5 off the amount imposed on the other speeders in court on that day. Maskos was fined \$5; Edward Isham of Brattle street, Cambridge, Karl Kenney, Central avenue, Weston, and Stanley Osborne of Quincy street Cambridge, each was fined \$10.

In the Newton court on Wednesday Fred Phillips of Waverley paid \$10 for speeding. Charles Carpentino of Waltham was fined \$10, Douglas McCarthy of Somerville was fined \$15.

Mrs. Elizabeth Davis, 48, of 41 Curve street, West Newton, was found not guilty in the Newton court on Tuesday on charges of larceny from her husband. Timothy Davis, Davis charged his wife with stealing \$147 insurance money, \$292 in cash and a diamond ring worth \$250. While Davis was in a State hospital, his mother died and his wife collected the insurance. He also charged that she took the ring and the \$292 from a small safe in the house during his absence while he was in the hospital. Mrs. Davis contended that she had purchased the ring from her husband, and had a receipt for it, that the \$292 had not existed, and that the premiums for the insurance on Davis' mother had, for the most part, been paid by her. The deed to the Davis home is in Mrs. Davis' name and, according to the husband, when he returned from the hospital his wife would not allow him to come into the house.

## "C. A. R."

"Old Ironsides" Society, C. A. R., held the second meeting of the season on Wednesday, Dec. 7. A large attendance added greatly to the enthusiasm of the work. After the salute to the flag, "America" was sung, accompanied by Bradford Greene. A complete study of the Revolution is being made this winter. Virginia Conant gave a paper on "The Necessity of Controlling the Hudson." Henry Newhall, one of the "Battles of Ticonderoga," Robert Benzaquin, "Battle of Brooklyn Heights," Robert Dewing, "Battle of Fort Washington," and Alice Chapin, "Why the French Wanted to Help." The members of the society are planning many happy minutes for those who come to their Thanksgiving Party at the Universalist church parlors, Washington Park, Newtonville, Tuesday afternoon, November 22, from 2 to 6. All the proceeds are to be given to "Save Old Ironsides" fund. The society is now the proud possessor of wood from the "Constitution," from which a gavel is to be made. They showed their keen interest for helping those in trouble by voting \$5 for the Vermont sufferers. Barbara Webster told the junior members stories of Colonial days while the senior members read their papers. Mrs. Fred R. Gleason, who was chairman of the hostesses for the afternoon, and her committee made the social hour very pleasant.

## IN AID OF HOLY GHOST HOSPITAL

Monday night at 8:30 in the hall of the Nonantum A. A. on Dalby street, Nonantum, a whist will be held in aid of the William H. Thomas Memorial at the Holy Ghost Hospital for incurables. Over 40 articles have been donated to be presented at this affair. The committee in charge includes Miss Eleanor Mulcahy, Miss Mary Muligan and Charles Fagan.

## MARRIAGE

MacDOUGALL—McDONALD, on Nov. 14 at Newton Centre by Rev. T. A. Curtin. John D. MacDougall of Jamaica Plain, and Katherine McDonald of 78 Dalton road, Newton Centre.

## NEWS BRIEFS

## Parents' Day Observed

Large attendance at Parents' Evening last Friday at High School. Rev. James Gordon Gilkey delivers address on "Is the Modern Home a Failure."

District Governor Charles H. Simonds tells of growth of Rotary movement in 43 countries at weekly meeting of Newton club.

## Dies From Fractured Skull

Charles Nofolistos of Boston dies at hospital after injury to skull at Auburndale.

## Poison Kills Child

Eria Senarian, 3 yrs., dies after swallowing strychnine.

## Death of Mrs. Augusta M. Stanley

Widow of late Francis E. Stanley, automobile manufacturer of first steam automobile, dies at Centre street home last Friday following two weeks' illness.

## MARK FIRST POST OFFICE SITE

The regular meeting of the Lucy Jackson Chapter, D. A. R., was held November 14, 1927, at which time the site of the first post office in Newton was marked. It stood on the grounds of the Perrin Memorial M. E. Church, Newton Lower Falls. The boulder which was placed weighs one and one-half tons and was taken from the river at the old Wales street bridge, which is located at the fording place in Newton Lower Falls. It was put in place and marker set by Mr. Thomas F. Donahue.

The first post office was established December 17, 1813. Amos Allen was the first postmaster. Mrs. Bakeman, chairman of the Committee on Preservation of Historic Spots, read a paper on the early days of the post office, after which the marker was unveiled by Mr. Dennis Anderson, the present postmaster of Newton Lower Falls. The dedicatory prayer was offered by Mr. E. J. Fairweather, followed by the singing of "America."

There is an incident in connection with this post office which is very interesting. Mrs. Thomas Wiswall, who lived opposite the present High School in Newtonville in 1814, went all the way to Newton Lower Falls to mail a letter to her husband.

The members adjourned to the Chapter House, where Mrs. Corson, vice-regent, presided and opened the meeting with the salute to the flag. The business meeting followed, after which a very interesting paper was given by Miss Annie Esther Jameson of the Colonel Loammi Baldwin Chapter of Woburn on "Early Hostesses of the White House," following which a social hour was enjoyed.

## ARTICLE No. 27

Diamonds — K, Q, 9  
Spades — Q, 8, 2

No score, first game. Z dealt and bid one no-trump. A doubled, Y passed and B bid two hearts. If all passed, what should Z open? This hand is a real puzzle for the proper lead is really a guess between the low spade and the king of diamonds. Personally, the writer would lead the deuce of spades but regards the king of diamonds as an equally sound opening. Either lead will save game, but the lead of the ace of clubs, followed by a low club, will lose the game. It just goes to show the importance of the proper opening lead.

## Answer to Problem No. 31

Hearts — 10, 8, 4  
Clubs — K, Q, 10, 8, 3  
Diamonds — A, 7  
Spades — A, J, 7

Hearts — 10, 7  
Clubs — Q, J, 7, 4  
Diamonds — 10, 8, 7, 3, 2  
Spades — K, 3

No score, rubber game. Z dealt and bid one no-trump. A and Y passed and B bid two clubs. Z and A passed. Y bid two no-trumps and all passed. What is A's proper lead? A should lead the queen of clubs. With four or more of your partner's declared suit, you should lead fourth best unless holding two or more cards in sequence. In that event, lead the higher of the two cards. This is the one exception to the rule stated in the preceding article and the example is given for the express purpose of calling this exception to the attention of our readers.

The following hand is also a good example of the difficulty of the opening lead.

Hearts — A, 10, 3  
Clubs — A, J, 8, 3

## Problem No. 32

Hearts — K, 8, 2  
Clubs — A, 7, 3, 2  
Diamonds — J, 7  
Spades — 10

Hearts — 7, 6, 5, 3  
Clubs — 6, 5, 4  
Diamonds — 4, 2  
Spades — Q

Hearts — none  
Clubs — Q, J, 10, 8  
Diamonds — 8, 5  
Spades — K, 4, 3, 2

If diamonds are trumps and Z is in the lead, how can Y-Z win all of the tricks against any defense? Solution in the next article.

## REAL CONTEST FOR SCHOOL COMMITTEE

A real contest is underway for the office of School Committee from Ward 2. George J. Tracy of 264 Lowell avenue, who was elected to the committee in 1924 is a candidate for re-election. He is being opposed by Harry E. Bryant of 22 Prescott street, a master in the English High School at Boston, and by J. Mace Andrews of 67 Clyde street, a professor at Boston University. It is also rumored that John Finelli of 45 Ashmont avenue, a lawyer, will also be a candidate. Newton has not seen so much interest displayed in an election for a place on the School Committee for many years.

## Finelli A Candidate

John Finelli of 45 Ashmont avenue, Newtonville, has announced his candidacy for School Committee from Ward 2. This brings the number of contestants for this office to four. Mr. Finelli was born in Italy and has resided in Newton for twenty years. He attended the College of Liberal Arts and the Law School of Boston University and has practiced law for some years. He has been prominently identified with civic affairs in this city.

## O'Connell To Run For Alderman

Daniel O'Connell of Nevada street, Newtonville, who served as Ward Alderman from Ward 2 for four years, and who was defeated last year by Augustus L. Wakefield, is again a candidate for the office which he formerly held. O'Connell filed his nomination papers on Wednesday.

## SCHOOL NOTES

## MASON SCHOOL

Newton Centre Juniors Near Soccer Championship

The Newton Centre Playground Junior Soccer Team won a great victory over the Waban Junior Soccer Team by a score of 5-0.

This was the first of the two elimination games for the championship of all the Newton Playgrounds. Both teams had won the championship of their respective Playground Soccer Division.

The game was hard fought throughout since a victory meant a game with the winners of the third Playground Soccer Division for the championship of all the Newtons.

The playing of Scott, Houghton and McKay for Newton Centre was brilliant.

The Newton Centre Playground Girls' Soccer Team was defeated by the girls from the Burr Playground by a score of 4-0.

The Newton Centre Girls' Captain Ball team defeated the Highland Playground by a score of 4-0.

## STEARNS SCHOOL

The first monthly meeting of the Parent-Teachers Association, assisted by members of the Newton Community Club, will be held in the school hall Monday, November 23, at 2:30 o'clock. Miss Sloane of the Newton Library will give a short talk and pupils of the school will furnish music and entertainment.

The parents are most cordially invited. Refreshments will be served.

## STEARNS SCHOOL CENTER

Saturday, Dec. 3, from 12 noon to 6 p. m., the clubs of the Center hold their bazaar. This year come to Newtonville to the new store at the corner of Walnut street and Madison avenue. There are leather pocketbooks, stuffed animals, Italian embroidery, aprons, yarn and paper flowers, a home-made quilt, well made, to choose from. Everyone who came last year will come this year. All Newtonville's Saturday shoppers are invited to stop in. There will be tea and coffee. The minstrel show on Monday and Tuesday nights, November 28 and 29, is by the Senior Girls' Club. All the girls are selling tickets. Even now the rehearsals are rare. After the costumes, "make up" and audience have been added, ordinary life will seem quite dull till Christmas.

## LASELL SEMINARY

On Friday evening of this week the lecturer at Lasell Seminary will be Mr. Thomas A. Watson—an associate of Alexander Bell in his scientific work. Mr. Watson's subject will be "The Invention and Early History of the Telephone."

Rev. Timothy Peshkoff will address the students at the vespers service on November 20th. Mr. Peshkoff is the founder and organizer of the First Russian Independent Orthodox Church in America.

In 1917 Mr. Peshkoff was elected delegate to the Russian Consulate Convention of the United States called by the Russian Ambassador, Boris Bachmetreff of Washington.

## BIRTHS

KEANE, on Nov. 7 to Mr. and Mrs. Andrew Keane of 294 Webster street, a daughter.  
VERROCHI, on Nov. 12 to Mr. and Mrs. Michael Verocchi of 85 Florence street, a son.

## MRS. ELIZABETH C. ORDWAY

Funeral services for Mrs. Elizabeth C. Ordway, wife of Warren Ordway of 67 Elgin street, Newton Centre, who died Monday at the New England Baptist Hospital, were conducted yesterday afternoon at Trinity Church, Newton Centre. Her brother, Rev. Mortimer Chester of Woodland, California, officiated, assisted by Rev. Edward T. Sullivan. Favorite hymns of the deceased were played during the service, including "Abide With Me," "Lead, Kindly Light," "Oh, Love That Will Not Let Me Go," and "Now the Day Is Over." The pallbearers were the gentlemen who had officiated as ushers at her wedding, Starr M. Pierce of Boston, Minton Warren of Cambridge, William Marquis of Brookline and Lawrence M. Mayo of West Newton. Burial was in the family lot at Newton Cemetery. Mrs. Ordway is survived by her husband, her brother and an infant daughter.

Rev. Boynton Merrill will preach.

9:30 A. M. Church School.  
All Seats Free at Every Service

## West Newton

—Mr. Louis A. Bacon of 354 Walham street, returned Saturday from a visit to New Hampshire.

—Ansen and James Albree of Winthrop and Shaw streets, are students at the Blair Academy in New Jersey.

—Mr. Everett L. Upham, formerly of 189 Mt. Vernon street, is building a new house at 203 Mt. Vernon street.

—Bradford Bachrach, who is a student at Exeter Academy, is spending the week end at his home on Highland street.

—Miss Anna Albree, who is a dietitian in the New York Hospital, is spending the week end with her family on Winthrop street.

—Mr. Walter W. Bigelow and family, 19 Fairfax street, are spending a few days and the week end at Mr. Bigelow's old home in Springfield, Mass.

—Mrs. Harry C. Barker of Exeter, New Hampshire, a former well known resident of West Newton, motored to Boston last week to attend a course of lectures, and called upon several friends.

—Miss Betty Rogers placed third in the class in which she was entered in the riding meet held this week at the House in the Pines at Norton between the House in the Pines and Wheaton College.

—Misses Olga and Elizabeth Tankins of Hopedale, Mass., the charming sisters of Mrs. William Rhodes Davis of 163 Fuller street, are making their home with Mr. and Mrs. Davis while attending the Newton High School.

—The Travel Class connected with the West Newton Woman's Educational Club, was entertained on Monday afternoon, November 14, at the home of Mrs. Ethel Leach, 79 Adella avenue, with Mrs. B. Howard Lester as assisting hostess. Mrs. Alvah L. Jordan read a paper upon "Coast Survey and Light Houses." Mrs. Frederick E. Waring gave a paper entitled "Nature's Hiding Places—Caves." Both subjects were most masterly handled and awakened a keener interest and a lasting knowledge of "Caves" and "Light Houses," in the minds of every listener.

—Mrs. William P. Goodrich is reported ill at her home 223 Central street.

—Mr. Nathan E. Dewing of 14 Oakland avenue is confined to his home by illness.

—Miss Dorothy Young of Woodland road is studying music with Mrs. Dana Kendall.

—Mr. Charles B. Floyd has been elected a trustee of the Children's Museum of Boston.

—Miss Blanche Walter of Fern street is taking vocal lessons under the direction of Madame Fabina of Boston.

—Sunday evening at half past seven, the Senior Choir of the Congregational Church, assisted by soloists will sing the cantata, "A Song of Thanksgiving" by J. H. Maunders.

—John Davis the young son of Mr. and Mrs. John Goodrich of 2065 Commonwealth avenue suffered a severe injury to his nose when playing football last Saturday.

—The Women's Christian Temperance Union will hold its regular meeting at the home of Mrs. Fannie E. Waring, 29 Davis avenue, West Newton, Monday evening, Nov. 21.

—There was a large attendance at the Bridge Party at the Auburndale Club House Monday evening. Each player in lieu of a prize was presented with a dainty handkerchief.

—Miss Mildred Beardsley of Crescent street entertained at the South Congregational Church, Lawrence, on Wednesday evening and will be at the Vendome on Saturday afternoon.

—Mr. and Mrs. G. W. McNear of Auburn street and Mr. and Mrs. M. E. Beardsley of Crescent street are spending the week-end at Wakefield, N. H., with Mr. and Mrs. E. H. Ashenden, formerly of Auburndale.

—Sunday, November 20th at 3:30 P. M. Forum meeting at the Auburndale Club—Mr. Philip F. LaFollette of Wisconsin, son of the late Robert M. LaFollette, will speak on "The Abolishment of Capital Punishment."

—The Young Peoples Department of the Congregational Church are holding "Get Together Meetings" in the Chapel every Wednesday evening. The object is to make articles which will be sold at their ending of Dec. 3rd.

—A very pleasing play "The Night Before Thanksgiving" written by Miss Mary Davidson was given in the Congregational Church Parlor Wednesday afternoon. The cast consisted of David Ordway and Weston Prior, the children; Virginia Amesbury and Claudia Goodrich, the elves; Mrs. E. Smith, the mother; and Rev. C. E. Clark, the father; and Mrs. Aborn, the maid and coach.

## Newton Centre

—Dr. George E. West of Beacon street, who has been seriously ill at the Newton Hospital, is convalescing at his daughter's home at Middleton, Conn.

—Miss Marion Marshall of the House in Pines placed first in the advanced class at the riding meet held at Norton this week between Wheaton College and the House in the Pines. Miss Marshall was captain of the House team. She also won the champion cup and teamed with Miss Katherine Allen to win the cup for tandem riding.

## About

# MORTGAGES ON HOMES

Continuity of a mortgage is often a valuable feature. Mortgages held by individuals or even by Trustees are apt to be called for payment and frequently are called at times when the borrower finds it inconvenient either to pay or to secure the loan elsewhere.

A mortgage held by this bank is not apt to be called for payment if the terms are complied with and the valuation of the premises has not decreased.

To help the thrifty, small payments are accepted at any time even as small as ten dollars.

Bring this advertisement as your introduction.

# A car for her, too!

In thousands of American homes there are now two automobiles—"a car for her, too," so that there may be transportation for the family while "he" drives to business. And because it is so easy to drive and park... so decidedly smart and comfortable, today's Chevrolet is an outstanding favorite among women drivers everywhere. Come in! You'll be amazed to learn how little it costs to own and operate a Chevrolet.

## FIRE RECORD

Box 266 was pulled Wednesday morning at 7:58 for a fire in the house at 34 Prospect park, Newtonville, occupied by John Stephens, Jr. The blaze was caused by an overheated electric iron.

A still alarm at 10:30 Tuesday morning brought the firemen to the house at 11 Rossmore road, Newtonville, occupied by W. P. Jones. This fire was confined to the cellar of the house. It was caused by spontaneous combustion.

## AUTO THIEVES ARRESTED

Inspector Good went to Worcester Sunday and brought back to Newton James D'Amore and James D'Amico of Olneyville, Rhode Island. The boys had been arrested by the Worcester police for stealing a car from Mrs. Ruth Liebman of Algonquin road, Chestnut Hill. They had previously stolen a car in Olneyville and abandoned it, a ruined wreck in Roxbury. They were held in \$2000 each for trial November 18.

## Legal Notices

### MORTGAGEE'S SALE OF REAL ESTATE

By virtue of the power of sale contained in a certain mortgage deed given by David F. Cobb and Ruth E. Cobb, his wife in her own right, of Brookline, Norfolk County, Massachusetts, to Brookline Trust Company, a corporation duly organized under the laws of the Commonwealth of Massachusetts and having its usual place of business in said Brookline, Norfolk County, Massachusetts, dated June 13th, 1925 and recorded with Middlesex South District Deeds, Book 4861, Page 179, of which mortgage the undersigned is the present holder, for breach of the conditions of said mortgage, and for the purpose of foreclosing the same, will be sold at public auction on Monday, the fifth day of December, 1927, at quarter past four o'clock in the afternoon, all and singular the premises conveyed by said mortgage deed and therein described substantially as follows:

The land in that part of Newton, Middlesex County, Massachusetts, called Newtonville, with the buildings thereon now known as and numbered 100 Brookline road shown as Lot A on a "Plan of Land in Newtonville, Mass. Belonging to Bulfinch Park Trust, by E. S. Smiley, Surveyor, dated March 24, 1920, recorded with Middlesex South District Deeds at the end of Book 4323, bounded:

Northerly and Northwesterly by said Berkshire Road and Bulfinch Park as shown on said plan two hundred forty feet; Southwesterly by land shown on said plan as land of Crowell thirty feet; Southerly by land shown on said plan as land of Crowell and land of McMillan one hundred ninety feet; and Easterly by land shown on said plan as Lot B one hundred twenty feet; be any or all of said measurements more or less. Also all our right, title and interest in the triangular parcel lying at the intersection of said Berkshire Road and Bulfinch Park adjacent to the curved boundary line of said Lot A, which said triangular parcel is intended to be a part of Berkshire Road, Intending hereby to convey and hereby conveying to the grantee the same premises conveyed to said Ruth F. Cobb by Effie M. Ross by deed of even delivery and record herewith, and the premises are hereby conveyed subject to the restrictions therein referred to so far as now in force and applicable. Said premises will be sold subject to all unpaid taxes, municipal assessments and tax titles, if any. Five Hundred Dollars will be required in cash at time and place of sale; other terms announced at sale.

BROOKLINE TRUST COMPANY,  
Mortgagee and present holder  
of said mortgage,

## G. A. R. POST 62 MAKES GIFT TO HOSPITAL

Charles Ward Post 62, G. A. R., having cared for the needy veterans of the Civil War, and their families for the past sixty years, has again shown its interest in our city by making a gift of Five Thousand dollars to the Newton Hospital, to provide a permanent Free Bed in that Institution.

The following copies of the correspondence which has passed between the Post and the Hospital Officials will be interesting to many of our citizens.

"Headquarters Charles Ward Post 62, G. A. R.,  
Newtonville, Oct. 22, 1927.

Mr. Charles Kelsey, President,  
Newton Hospital.

Dear Sir:  
The Charles Ward Post 62, Department of Massachusetts, Grand Army of the Republic, has unanimously voted to donate the sum of Five Thousand Dollars to the Newton Hospital, for the purpose of purchasing a permanent free bed. Enclosed you will find check for \$5000.

The Post desires that preference be given to Civil War Veterans, their wives, their widows, their sons and daughters, as their needs may appear. The members of the Post hope by this act to perpetuate the memory of this honorable Post as a message of patriotic endeavor to future generations of the young people of the City of Newton.

Respectfully submitted,  
WILLIAM M. MICK, Commander.

"Newton Hospital,  
October 25, 1927.

Mr. William M. Mick, Commander,  
Charles Ward Post 62, G. A. R.

My dear Sir:

Your letter of October 22nd, enclosing check for \$5,000 with the announcement that the Charles Ward Post 62 has unanimously voted this sum for the Newton Hospital for the purpose of purchasing a permanent free bed is received.

In return the Trustees of the Newton Hospital wish to express to you their genuine appreciation of the confidence you have placed in the institution, and of the aid you have given, and express the hope that we may carry out the purpose of the gift to the entire satisfaction of every member of your Post. You will receive a formal receipt from our Treasurer for the amount of this check.

Faithfully yours,  
CHARLES E. KELSEY, Pres.

Treasurer's Office,  
Newton Hospital,  
October 26, 1927.

Mr. William M. Mick, Commander.

My dear Mr. Mick:

Mr. Charles E. Kelsey, president of Newton Hospital, handed me today check for \$5,000 together with your letter to him of October 22nd. I am enclosing formal receipt for the \$5,000 and may I express to you and through you to the Charles Ward Post the sincere gratitude of Newton Hospital for your generosity.

This gift will be entered upon the Hospital records as establishing a free bed under the name of "Charles Ward Post, No. 62, G. A. R. Free Bed," and I am notifying the Superintendent of the Hospital that in the occupation of this bed under the rules of the hospital, preference shall be given to Civil War Veterans, their wives, their widows, and their sons and daughters, as their needs may appear.

Very sincerely yours,  
STANLEY M. BOLSTER.

## THANK YOU

The following notice was recently published in "The Welcome" the church paper of the First Church in Newton Centre and deserves a wide reading.

You hear those two words very often nowadays, especially if you use the telephone much. "By the new rules the operator says 'Thank you' every time you give her a number. Why does the Telephone Company compel its employees to say 'Thank you'?" They do not publish their reasons, but they are not far from the truth. It is a necessity in a telephone exchange. A pleasant tone of voice is invaluable to an operator. If she says "thank you" a few thousand times a day, she will inevitably cultivate "thank you" and unconsciously cultivate the spirit of courtesy. It will show in her voice and manner.

But it is a poor rule which won't work both ways. Suppose you call "central" and get no answer. Impatiently you jiggle the arm of the receiver up and down, and when at last you hear "What number, please?" you answer in an exasperated tone, "Give me 4067-M." "Thank you," comes back over the wire in a pleasant voice, and you are a little ashamed of your impatience. You realize that at certain hours the operator has five calls at a brief delay. Your next call is made in a decidedly milder tone, and you add "please."

"As in water face answereth to face, so doth the heart of man to man," said the Wise Man of old. In other words, the world is a mirror and will show you a smiling or a frowning face according to the face you show it. True courtesy is not an assumed manner but the outshining of a genuinely loving and kindly spirit. Let us feel "thank you," and we shall not fail to say it.

## SINGLE TAX LEAGUE

A meeting of the Single Tax League of Mass. was held on Friday night, Nov. 11, at the studio of Louis F. Baurach at Newton Corner. It was decided to form a Speakers Bureau to fill engagements for speaking before Public Bodies on the subject of Social Economy from the Henry George, or the Individualistic, as opposed to the Communitarian angle. It was also agreed to form Rotatory Study Groups; these to be under the direction of men competent to stimulate research along the lines of scientific investigation, among whom will be such well known citizens as William Lloyd Garrison, and John Sturges Codman.

## OUR WASHINGTON LETTER

Washington, November 16—Visitors at the White House find it difficult to find a clue from the President as to the contents of his annual message to Congress. Many of them discover that instead of going to the well and pumping information they have been very adroitly interviewed as to their opinions on national and international issues. Of course the advantage is with the President in these conferences, as it is not quite proper to interrogate the Chief Executive under his own roof. Two of the Cabinet members in the dark as the President's aims and objectives. There is no certainty that the President will accept their suggestions as to recommendations to Congress. Therefore, Cabinet members do not usually know the contents of the President's message until it is actually delivered to the Congress.

The President has the privilege of sending his message to Congress or delivering it in person. It has been indicated at the White House that Mr. Coolidge will have the message read by reading clerks in the Senate and House this year. Secretary Hoover has been in conference with the President and no doubt many of his suggestions as to flood relief, tariffs, and aeronautics will find their way into the annual message.

Aviation has achieved widespread popularity since Congress adjourned and more than passing interest will be manifested in the subject at this session. Many legislators who would not ordinarily acquaint themselves with aviation matters are now giving special attention to the question of airports. Various communities realize that in a short time commercial flying will be extended to all parts of the country and become a business proposition instead of a novelty. Many localities are offering free airport sites and are endeavoring, in some instances, to have the government establish stations in their vicinity. Hence, the unusual activity of congressmen.

A number of Senators and Congressmen have been obliged to return to Washington before the Seventieth Congress convenes. They realize that in order to maintain their political fences they must obtain some patronage. Of course, one of the most desirable sources of patronage, from a political standpoint are appointments to high Federal offices. As a result Senators that are trekking to the White House are extolling the virtues of their candidates for governmental offices, and expressing the hope that they may carry out the purpose of the gift to the entire satisfaction of every member of your Post. You will receive a formal receipt from our Treasurer for the amount of this check.

Faithfully yours,  
CHARLES E. KELSEY, Pres.

Treasurer's Office,  
Newton Hospital,  
October 26, 1927.

Mr. William M. Mick, Commander.

My dear Mr. Mick:

It now seems assured that legislation dealing with flood relief will be expedited at the next session. The disaster which overtook New England shows quite clearly that floods are impartial in bringing ruin to various sections. It is a known fact that the East was more or less indifferent to the plans for flood control through legislation, although generous in its sympathy and financial assistance during the time of the disaster. Now that the sectional bias has largely disappeared, the political opportunists who were planning to capitalize on this legislation and grab off some "pork" such as special appropriations for bridges, highways, etc., in their particular localities will find themselves blocked in such a way that they will have a certain group vote for legislation provided they can attach a "rider" to the bill which will give them political patronage in their community. So many states are affected by the flood relief that party lines and sectional feeling undoubtedly will be wiped out when the legislation is before Congress.

## THE CHILDREN'S MUSEUM

"Where did we all come from?" Answering one of the most vital questions that arises in every person's mind, the newly formed club at the Children's Museum of Boston, Jamaica Plain, is based on the principles of science, made easy and interesting according to Mrs. R. W. Sayles' manuscript. Mrs. Sayles, of Chestnut Hill, is conducting the study of the history of man in his relation to the universe.

The newly organized club is composed of boys and girls above the sixth grade in school and meets at the museum every Monday afternoon at 4. Membership in the club is free, and the only requirement is attendance at the weekly meetings.

The Travel Club, under the direction of Miss Pearl Bragdon, is taking an imaginary voyage, via airplane, around the world, stopping off at countries of interest. "What are the boys and girls have learned that the peoples of five countries wear wooden shoes, and that in China the men wear skirts, and the women trousers.

At their regular meeting on Saturday, at 1:45 p. m., the members of the Travel Club will hear a Dutch native of north Africa, Mr. Hugo, tell of his own country. Mr. Hugo is at present studying at the Harvard Graduate School of Education.

Other clubs which are interesting boys and girls at the museum are the Exchange Bureau, and the Mineral Club. Members of the Exchange Bureau publish a nature magazine called "Our Hobbies." According to Herbert Bamberg, youthful editor, new reporters are welcome to submit stories for the magazine, and are urged to attend the meetings on Tuesday and Saturday afternoons at 4.

The Mineral Club meets on alternate Wednesday afternoons at 4, and its members take up the study and identification of minerals.

"The Countries North of the Great Desert," illustrated by lantern slides, is the subject of the Saturday 3 o'clock talk at the museum on November 19.

## MARRIAGES

DREW-LAVIN; on Nov. 12 at So. Natick by Rev. J. J. Harrington. John A. Drew of 116 Adams street, Newton, and Mary H. Lavin of So. Natick.

PRENDERGAST-LYNCH; on Nov. 14 at Upper Falls by Rev. Dennis Donovan. Walter L. Prendergast of 23 Chandler place, and Dorothy Lynch of 965 Chestnut street, Newton Upper Falls.

## PHONE CO. TO CUT DISTANCE TOLLS

The American Telephone & Telegraph Company announces, effective December 1, a further reduction in long distance toll rates between places more than 300 miles apart, which will bring about annual savings to long distance users estimated at \$1,500,000.

It is able to make this further cut in rates, it says, because of economies resulting from its recent extension of long distance toll cables, and from more general application of vacuum tube repeaters, loading coils, and other devices for improving transmission. The reduction will apply principally to day rates. To avoid congestion during the night hours, long distance night rates (8:30 p. m. to 4:30 a. m.) will be held approximately at their present levels, and long distance evening rates (7 p. m. to 8:30 p. m.) will be about half way between the night rates and the day rates.

Under the new proposed schedule, present rates for short haul calls of less than 300 miles are not affected. Beyond that the longer the distance, the greater the reduction; and a call between any two points in the United States can be made for \$10 or less.

The station-to-station day rate between Boston and San Francisco, for example, is reduced from \$11.80 to \$9.50. In this connection it is interesting to recall that when the Transcontinental line was opened in 1915 the original Boston-San Francisco rate was \$19.00. Other typical reductions on December 1 are Boston to Dallas from \$6.85 to \$5.75; Boston to Chicago from \$3.95 to \$3.50; and Boston-Cincinnati, \$3.50 to \$3.25.

## ANNUAL MEETING

The Newton District Nursing Association held its annual meeting at 12 Austin street, Newtonville, on Monday, November 14. Eighteen members were present. Reports of the year's work were given by the President, Secretary, Treasurer and Superintendent.

11,779 visits were made to 1,291 patients. 354 visits were made to expectant mothers. 1,894 nursing welfare visits have been made to well infants and children.

Two of the early members of the Boards, Mrs. F. E. Stanley and Mrs. Justin Whittier, who have served faithfully during their long membership, passed away during the year.

Miss Olive Elliot came as Superintendent in November following the resignation of Miss Elizabeth Ross who had been with the organization two years making the adjustment necessary when the work was transferred from the Hospital to a separate organization at 12 Austin street.

Twenty-four senior students from the Hospital have had two months with the district staff nurses during the year.

The following doctors have been very faithful through another year in giving their services at the Well Baby Conferences: Dr. Fisher, Dr. Godfrey, Dr. Jack and Dr. Keever at West Newton Library; Dr. Thayer, Dr. Cecil Clark, Dr. Marston and Dr. Fred Paul at St. Barnabas School; Dr. Baxter at Bowen School and Dr. Hoey and Dr. Brown at the Twombly House in Newton Upper Falls. Dr. Burke and Dr. O'Halloran have been generous in substituting when our own physicians have not been able to attend.

The following officers and directors were elected for the year 1927-28: Mrs. G. W. St. Amant, President; Mrs. Samuel Tower, Vice-President; Mrs. George M. Angier, Secretary; Mrs. Leverett Saltonstall, Assistant Secretary; Mrs. Charles L. Smith, Treasurer. Directors: Mrs. J. M. Allen, Mrs. H. C. Bond, Mrs. H. D. Cabot, Miss Gretchen Clifford, Mrs. H. P. Converse, Mrs. F. Ashley Day, Jr., Miss Marion Dorr, Mrs. Herbert Felton, Mrs. Charles Gardner, Mrs. Ed. W. Hayes, Mrs. W. T. Glidden, Jr., Mrs. Richard Hart, Mrs. Joseph D. Hayes, Mrs. A. S. Hutchinson, Mrs. Matt B. Jones, Mrs. H. F. Keever, Mrs. G. B. King, Mrs. Fred Loveland, Miss C. A. Lovett, Mrs. John R. McLean, Mrs. J. A. Moir, Mrs. Ellery Peabody, Mrs. Samuel Powers, Mrs. F. W. Pray, Mrs. Frank Scofield, Mrs. J. Warren Shoemaker, Mrs. W. G. Snow, Mrs. Alonzo Weed, Mrs. Harry S. Wells, Mrs. Donald Williams and Mrs. C. J. A. Wilson.

## YOUNG PEOPLE'S CONFERENCE

The annual Young People's Conference of the Newton Young People's Church Council will be held on Friday and Saturday, Nov. 25 and 26, at Eliot Congregational Church, Newton. There will be four sessions, two on Friday and two on Saturday, afternoons and evenings. A cafeteria supper will be served on Friday and a banquet on Saturday.

Professor H. Augustine Smith of Boston University will have charge of the course on Christian music and Professor Herbert C. Mayer of Boston University comes back to the conference as the principal speaker, after an absence of two years.

Hayden L. Stright, director of religious education at the Newtonville Methodist Church will direct the conference for the third successive year. Miss Miriam Lockwood of Waban is in charge of the registration and Alastair Fraser of publicity. The officers of the council are James B. Colton, president; Leonice Bellamy, vice president, and Dorcas Cummings, secretary.

## AUTOMOBILE ACCIDENTS

Saturday afternoon at 1:45 at the corner of Watertown street and Eliot avenue, West Newton, cars driven by Anna Haven of Winchester road, Newton, and James Hanchett of 233 Walnut street, Lower Falls, crashed. Both cars were damaged considerably. Hanchett and Thomas Dudley of 35 Elm street, West Newton, were injured.

Sunday evening at 5 at the corner of Jackson road and Pearl street, Newton, automobiles driven by Thomas Blair of 50 Elm street, West Newton, and J. F. Kelly of Upland road, Watertown, collided. A number of the occupants were reported as receiving injuries, including J. F. Kelly, Rebecca Kelly, Bertha Kelly of Upland road, Watertown, Alice Morris and Margaret Morris of 35 Morse street, Watertown.

## USED CARS

"with an OK that counts"

## Reconditioned Right— and Priced Right

When we recondition a used car, we do a thorough job. All work is done by efficient expert mechanics, using genuine parts for all replacements. Then we price it right which accounts for our wonderful used car values. This square-deal reconditioning and selling policy is your assurance that you pay only for what you get when you buy a used car from us—and that your car will give thousands of miles of dependable service. Look for our red "O. K." tag when you buy a used car. It is your assurance of quality and value.

many Newton women were actively in-  
terested was held at the Copley Plaza  
on Wednesday and Thursday of this  
week. Mrs. John Lodge is president  
of the Newton Circle, Inc.

### AUTOMOBILE ACCIDENTS

Mrs. Mary Smith of 201 Washington  
street, Newton, who was hit by an  
automobile driven by James Maloney  
of Cambridge street, Allston, on No-  
vember 8th, is still on the dangerous  
list at St. Elizabeth's Hospital. Her  
right arm was fractured and she suf-  
fered several broken ribs. Mrs. Smith,  
who is 71 years of age, has been a  
life long resident of this city.  
Tuesday evening an auto driven by  
Edmond LaPorte of 22 Faxon street,  
Nonantum, hit Dorothy Halfrey, 3, of  
119 Dalby street, when the child ran  
out at the intersection of Dalby and  
California streets in front of the car.  
LaPorte carried her to the office of  
Dr. Burke on Lowell avenue, where  
she was treated for a bruise on her  
right leg.  
Harry Gray, 14, of 24 Washburn  
street, Newton, reported to the police  
that as he alighted from a Boston  
Elevated car at the corner of Park  
and Elmwood streets on Tuesday eve-  
ning he was hit by an automobile  
operated by John Graceffa of Calvary  
street, Waltham. He received sev-  
eral bruises and cuts.

### COMMUNITY THANKSGIVING

A Community Thanksgiving service  
will be held in the Auburndale Con-  
gregational Church on Wednesday, No-  
vember 23, the eve of Thanksgiving  
Day at 7:45 o'clock. The service will  
be held under the auspices of the Cen-  
tenary Methodist Church, the Congre-  
gational Church and the Church of  
the Messiah, Episcopal of Auburndale.  
Rev. Cornelius Edwards Clark will  
preach the sermon.

### GIRL SCOUTS

On Saturday November 12th, a  
meeting to organize a Junior Patrol  
Leaders Association was held at Camp  
Mary Day. 30 patrol leaders repre-  
senting 11 different Junior troops  
from seven villages spent the day to-  
gether in the open. In the morning  
the girls were formed into patrols,  
elected patrol leaders and played  
games. Lunch was eaten in the Coun-  
cil Bowl by the camp fire. After lunch  
a business meeting was held at which  
Julia Harvey of Troop 5, West New-  
ton, was elected chairman of the as-  
sociation and Margaret Watts of  
Troop 1, Newtonville, was made sec-  
retary. The girls discussed the duties  
and responsibilities of a patrol leader  
and told of interesting things that  
they are doing in their troops. They  
voted to have two more meetings  
during the season, one in January  
and another in May. It was suggested  
that the corporals might be invited  
to attend one of the meetings. The  
business meeting was followed by a  
treasure hunt which was won by Carol  
Hanson of Troop 8, Auburndale. Vig-  
orous games of kick ball, dodge ball  
and German Bat Ball were played on  
the campus and the afternoon ended  
with "Taps" around the fire. One  
girl fell from a very new troop was  
heard to say as she left for home,  
"Well I never had a better time any-  
how."

The Patrol Leaders that were pre-  
sent were: Troop 1 Newtonville, Mar-  
garet Watts; Troop 5 West Newton,  
Julia Harvey, Alice Jack, Rosalind  
Bigelow; Troop 7 Upper Falls, Audrey  
Cooper, Ethel Walker, Grace Walker;  
Troop 8 Auburndale, Carol Hanson,  
Betty Elwell, Helen Shepard, Lucille  
Cate; Troop 11 Newton Highlands,  
Virginia Ewart, Evelyn Hoffman,  
Katherine Briggs, Virginia Thomas;  
Troop 22 Newtonville, Jean Scribner,  
Barbara Milgram; Troop 23 Newton  
Centre, Ruth Ulmer; Troop 24 Waban,  
Lois Winslow, Mary Elizabeth Stuart,  
Grace Moulton; Troop 25 West New-  
ton, Jean Harvey, Jane Hayden,  
Margery Tylee, Helen Brandt; Troop  
3 Newtonville, Mary Marshall, Elea-  
nor Hanlon, Sadie Totten, Loraine  
Bond, Eleanor Totten, Loraine  
Bond, Eleanor Totten, Loraine  
Bond.

The Girls' Conference of the Met-  
ropolitan Division will be held in Ar-  
lington on January 13th, 14th, and  
15th. One outstanding Girl Scout  
from each of 15 towns in the division  
will be selected to represent her com-  
munity at the first meeting of the  
Girls' Committee which plans and  
conducts all sessions of the conference.  
The meeting is to be held at the  
Massachusetts Girl Scout Headquar-  
ters on Newbury street, Boston, on  
Saturday November 19th, and the girl  
Jant will represent Newton will be  
Jane McGregor, a First Class Girl  
Scout from Troop 20 Newton.

An appeal from the Western Divi-  
sion Headquarters in Springfield has  
come to the Newton Girl Scouts to  
aid the flood refugees in the western  
part of the State. They ask for boys'  
sweaters, shirts and stockings, woolen  
stockings, sweaters and baby layettes.  
This is a good opportunity for com-  
munity service as well as a good turn  
for those who are in misfortune. All  
articles of clothing should be brought  
to the Newton Girl Scout Headquar-  
ters from where they will be sent di-  
rect to Springfield.

International Memorial for Girl  
Scout Founder.

Fund to be raised to promote Girl  
Scouting and Guiding in all parts of  
the world.  
A project to make Girl Scouting  
international in scope was introduced  
by Mrs. Arthur Osgood Choate, chair-  
man of the Juliette Low Memorial  
Committee, at the annual national con-  
vention of 1,800 Girl Scout leaders  
which was held at the Waldorf Astor  
recently. A resolution was  
passed that a fund be raised in mem-  
ory of Juliette Low, founder of the  
Girl Scout movement in this country,  
to promote Girl Scouting and Girl  
Guiding throughout the world as a  
contribution toward world peace and  
good will to be administered by  
the National Board of Directors of  
the Girl Scouts of which Mrs. Calvin  
Coolidge is honorary president, Dean-  
smaria Sarah Louise Arnold, presi-  
dent, and Mrs. Herbert Hoover, first  
vice-president and chairman of the  
board of Directors.

The resolution further reads: The  
intention of the Memorial Committee  
in offering this resolution is that it  
should be the duty of the American  
International Committee to suggest to  
the Board of Directors the purpose  
for which the interest on this fund  
shall be used each year or from time  
to time. Examples of uses which the  
Memorial Committee thought possible  
were: Helping the poorer countries  
to send delegates to international  
meetings or camps, helping countries  
get captains by sending a representa-  
tive, possibly from the international  
council to speak before their women's  
colleges or other groups. Finances  
the exchange of visiting trainers from  
one country to another, and any other  
projects which might help the spread  
and effectiveness of Girl Scouting and  
Girl Guiding throughout the world.  
The Memorial Committee desire that  
this fund shall be so framed legally  
that it shall never become tied up  
to a dead issue.

### LADIES' NIGHT

The regular Ladies' Night and din-  
ner of the Newton Lodge of Elks was  
held Tuesday evening at the Boston  
Chamber of Commerce and was attend-  
ed by several hundred members and  
guests. Preceding the dinner there  
was an informal reception to Grand  
Exalted Ruler John F. Malley.  
E. R. Robert Vachon of Newton  
Lodge was toastmaster and first in-  
staller. Hon. Edwin O. Childs, who  
welcomed all members and guests in  
the name of Newton Lodge, James  
F. Flanagan, president of the Massa-  
chusetts Elks Association, brought  
a greeting from that organization and  
G. E. R. Malley, the speaker of the  
evening, told of the splendid work the  
Elks all over the country are planning  
for the coming year. In some States  
work is being done for the crippled  
children, California is taking up work  
for the tubercular patients and Massa-  
chusetts is devoting her work to schol-  
arship funds.

### RED CROSS

November 15, 1927.

To the Editor,

Dear Sir:

On account of the close proximity of  
Boston and Newton, it sometimes hap-  
pens that Newton residents receive ap-  
peal letters from both the Boston Met-  
ropolitan and the Newton Chapters of  
the Red Cross. Usually, the Boston  
Chapter letters are sent to business ad-  
dresses in town; those from the New-  
ton Chapter, to the home addresses.  
Once in a while, despite our earnest  
efforts to prevent it, one of the Boston  
Chapter letters finds its way to the  
home address of a Newton resident.

I am taking this method of advis-  
ing Newton residents who may have  
received during this Roll Call at their  
home addresses appeal letters from  
the Boston Metropolitan Chapter, that  
they ignore such letters and enroll as  
members and make their contributions  
through the Newton Chapter.

If it happens that there are any  
Newton residents who, for sentimental  
reasons, wish to continue their af-  
filiation with the Boston Chapter, this  
desire will, of course, be respected.

Very truly yours,  
ROY M. CUSHMAN, Director,  
Boston Metropolitan Chapter  
American Red Cross.

### WILLIAM BAGLEY

William Bagley of 8 Orris street, a  
resident of this city for 60 years, died  
on November 10th at his late home.  
He was born 80 years ago in Portland,  
Maine, and during the Civil War  
served in Company F, 31st Maine In-  
fantry. He was a member of Post 29,  
G. A. R. of Waltham, and an honorary  
member of the Spanish War Veterans  
and American Legion of that city. His  
funeral was held Saturday morning at  
Corpus Christi Church, Auburndale,  
and burial was in Calvary Cemetery.  
He is survived by three children, Mrs.  
Michael Hoban and Edward Bagley  
of Auburndale, and Mrs. Mary Tiffany  
of Cambridge.

### BUYWAY BAZAAR

Waban has again justified its repu-  
tation for responding generously to  
any task imposed upon it!  
This time it was by its enthusias-  
tic preparation for any patronage of  
the Buyway Bazaar, which was held  
on Wednesday and Thursday of last  
week in the Union Church. The net  
proceeds of over \$5,000 will comple-  
tely wipe out the pledge of \$11,000  
which the Women's Association made  
to the Church Building Fund.

The grounds and the church were  
artistically lighted and decorated and  
scores of cars outside testified to the  
popularity of the attractions within.  
The clever publicity work of Mrs.  
Dana M. Dutch and her committee had  
drawn guests from near and far.

Il Caffè Italiano, in charge of Mrs.  
J. Earle Parker and her group, served  
dinners on Wednesday night to over  
500 people and luncheons on both  
Wednesday and Thursday to over 200  
guests.

20 distinct shops, very attractively  
decorated, were located in the various  
Sunday School rooms, the transepts  
and the Church Parlor.

Wonderland turned out to be a com-  
pletely equipped toy shop run by Mrs.  
Vernon Durbin and her group. In  
connection with this shop, Children's  
Movies were given on Wednesday af-  
ternoon.

Miss Jessie Gould headed the com-  
mittee who presided over the "Wee  
Tot and Flapper Shop"; Mrs. C. A.  
Andrews had charge of the "Timely  
Toggery Shop"; Mrs. S. H. Wiley had  
the "Noel Gift Shop"; Mrs. Esmond  
Rice the "Vanity Box"; Mrs. W. F.  
Lamont, the "Gift Edge Food Shop";  
Mrs. R. E. Clements, "The Garden  
Gate Flower Shop"; Mrs. H. M. North,  
the "S. O. S." which being interpreted  
means "Shop of Stationery"; Mrs.  
A. L. Stephens the "Pawn Shop";  
Mrs. N. W. T. Knott, the "Home An-  
nex of Housekeeping Helps"; Mrs.  
Robert Estabrook, "The Tuck-away  
Sweet Shop"; Mrs. H. S. Kimball had  
charge of the "Silhouette Shop" where  
the Rev. Manley F. Albright did  
intensive work cutting "souful  
silhouettes." A long waiting line  
stood outside the Fortune Wigwam to  
learn their present, past and future  
from Mrs. Florence A. McAuliffe and  
Mrs. H. P. Wasgett. Mrs. F. C. Allen  
was in charge of "The Antique Shop" and Mrs. Harry H. Hahn of the "Bas-  
ketry" while the "Tip Top Shops" were  
run by the men, under the lead-  
ership of J. R. Chandler. Mr. Chan-  
dler proved himself to be a clever auc-  
tioneer and disposed of most of the  
articles left unsold on Thursday eve-  
ning.

Mrs. R. W. Moore, Jr., was in  
charge of the "Information Booth,"  
Mrs. W. A. Hosley of the "Check  
Room" and Mrs. R. W. Fyfe was cas-  
hier. Running through the whole af-  
fair one would discuss the artistic and  
executive ability of Mrs. Eugene Bis-  
sell who as general chairman is re-  
ceiving the thanks of the Union  
Church people for the complete suc-  
cess of this undertaking.

### DEATHS

MURPHY: on Nov. 16 at Newton Hos-  
pital, Dennis Murphy of Revere, age  
40 years.

## WOMEN'S CLUB ACTIVITIES

Edited by EMMA D. COOLIDGE

### COMING EVENTS

#### Newton Upper Falls Woman's Club

The Newton Upper Falls Woman's Club is fortunate in securing Miss Julia Tobin, soprano soloist, and Miss Marjorie Sumpter, reader, as the artists for the next meeting, Monday evening, November 21, in the Club room in Emerson School. Miss Madeline W. Cobb is chairman of the evening's program.

Miss Tobin is well known in Newton as she has charge of the music in the Clafin School.

Miss Sumpter is a favorite with the Newton Upper Falls Woman's Club, having entertained them on a number of special occasions. Friends of the Club are cordially invited to attend, and will be admitted upon paying a small fee at the door, as no tickets are being sold in advance.

#### Waban Woman's Club

On Monday afternoon, at 2:30 o'clock, the Waban Woman's Club will meet in the Club House, where Dr. George A. Dorsey will address the members after the business meeting. His subject is "How Do You Get That Way," and Dr. Dorsey proves his understanding of his favorite subject, psychology, when he gives such a title to a lecture, for its modern trend appeals to curiosity and imagination. Dr. Dorsey is best known as the author of "Why We Behave Like Human Beings," and again his apt choice of titles indicates why this book is well-known. He is a lecturer of note as well as a writer of interest, and the Waban Club women are sure to enjoy this program.

On Tuesday, November 22, the second in the series of Literature Lectures will be given at 3 o'clock in the Union Church Vestry. Miss E. Kathleen Jones is the lecturer, and her subject is "Real Lands and People in Recent Books." An assembling of similar material from the new books is a most informative way of learning not only of the books along one line, but in this instance of going on a journey into the world. These Club members who have visited the lands that will be discussed will find pleasant and remembered experiences emphasized, or others recalled with new meaning, and Club members who have not seen these lands, and their inhabitants will be made to feel that they have taken the trip, with the knowledge gained.

#### Newton Federation

The Executive Board of the Newton Federation holds its second monthly meeting on next Tuesday afternoon, the 22nd, at 2:30 o'clock, in the Technical High School Library. Delegates and interested Club members will at the time be brought up to date on affairs of Club interest. The Federation has sponsored or aided materially in many worthwhile activities the past month, with its own Newton Historical meeting, and Education Week.

#### State Federation

RADIO BROADCAST. Wednesday morning, November 23rd, at 10:30 o'clock the Club women may once more listen in over WNAC to the Club broadcasting. The special feature of Club talent in musicians once more falls to the honor of Wellesley Hills Woman's Club. We would not question their talent and we approve their Club spirit in offering their services so generously to the State Federation for these broadcasts, but we wonder why the other Clubs who have musical talent are not starting in pursuit of the honor, or rivaling this Club. There are many Newton Clubs who are achieving local fame in their Glee Club and Club Chorus. How long are they going to be silent in their genius and let one Club have all the publicity?

The Newton Community Club has a Choral Class that gave a most entertaining musical program last year for the Newton Federation. The Newtonville Woman's Club has a Glee Club that is composed of real artists, and that added greatly to the enjoyment of his Club's annual dramatics last winter. Under the leadership of Mrs. Ethel Keach Ferrin, chairman of the Newtonville Glee Club, the Newton Community Club Chorus has been invited to join in rehearsals once a week in the studio of Miss Dorothy Curtis, at Newtonville. Why do not these singers enter the State Federation broadcasting, and not leave the field so exclusively to the Wellesley artists?

As to the Wednesday morning program, Mrs. Paul A. Peters, chairman of Co-operation with War Veterans, will broadcast a Thanksgiving message to ex-service men. Mrs. Henry E. Roberts, Fifth District director, is to outline "News From Neighboring Clubs." Vanessa Denon, Soprano, and Mrs. Cora Ward Ryan, accompanist, of the Wellesley Woman's Club, have arranged a musical program. Herbert Liversige, Baritone, has some request solos, and Marjorie Mills, as usual, continues with practical helps for homemakers. Jean Sargent continues as genial Club hostess at the studio.

#### Newton Highlands Woman's Club

Activities for Community Day, Friday, December 2nd, are going merrily forward, with new ideas and inspirations that will delight the heart of man, woman and child. Other plans are maturing, including the Current

Events extra lectures by their popular lecturer, Miss Eunice Avery, tickets for which may be obtained for 75 cents, or for a single lecture 50 cents. Miss Avery will lecture November 30th at 2:30 o'clock, in the Workshop, and again December 28th. The Class in Design and Color, under Mrs. Ward I. Cornell's tutelage, is meeting Wednesday morning at 10:15 o'clock in the Workshop, and members now on their fifth lesson for November 23rd are gaining much wisdom as well as enjoyment.

#### West Newton's Women's Educational Club

Where are we going in Public Health? is the extremely pertinent query to be answered by Mr. Frank Kiernan for members of the West Newton Women's Educational Club at their regular meeting on Friday afternoon, the 25th. With all the wonderings, theories, and suggestions on this subject one may well consider just where we are going, so much are these in the public eye. Mr. Kiernan is connected with the Massachusetts Tuberculosis League. He will be presented by the Public Health Committee, Mrs. Willard Church, chairman. Mrs. William Jones will furnish music, and tea and a social hour will follow the program. The Parish House of the Unitarian Church is the place of meeting and 2:30 o'clock the hour.

#### Newton Centre Woman's Club

The annual festivity that is always so enjoyed by the members of the Newton Centre Woman's Club, their families and fortunate guests once more draws near. The Evening Assembly will be held in the Club House, November 25th, the evening following Thanksgiving Day.

#### Newtonville Woman's Club

The annual event also for the Newtonville Woman's Club draws near. Tickets for the play "Adam and Eva" have been issued and all who have enjoyed the dramatic abilities of these "stars" in the past few seasons will be glad to learn that December 2nd is the date, and the High School Auditorium the place, for this benefit for the Education Fund. Heretofore the expense of production has been paid by the program advertisements, but this year, since it is considered that the Club gives the scholarship, it has been thought best that the Club raise the money. Therefore each member is urged personally to be responsible for as many tickets as possible. This should not be in the class of urging, for Club members are glad to give the Scholarship, and one might almost say gladder still to attend the play that their own talented members present, each year giving them as great if not greater pleasure than many of the best plays in the city of Boston.

### RECENT EVENTS

#### Twelfth District

Wednesday afternoon, November 9, at two o'clock, the Wellesley Hills Woman's Club was hostess for the Twelfth District Legislative Conference, held in the Assembly Room of the First Congregational Church, Washington street, Wellesley Hills. Mrs. Joseph Condon, District director, presided. The meeting opened with the singing of "America The Beautiful" and the salute to the flag. Mrs. Fred I. Brown, president of the Club, welcomed the Conference and Mrs. Arthur Owens Potter, State president, brought a greeting from the State Federation.

The program of the afternoon was in charge of Mrs. John H. Kimball, State chairman of Legislation. Hon. Eben S. Draper spoke on "The Platform of the Republican Party." Dr. Payson Smith, Commissioner of Education, discussed "Legislation for Education," and Miss Martha N. Brooks, Wellesley College 1904, Representative to the General Court, from Gloucester, spoke on "The Consent of the Governed." After the program tea was served by the hostesses of the Wellesley Hills Club, Miss Edith Leach and Mrs. Harry M. Watts. The Legislative Committee of the Club, Mrs. James A. Symonds, chairman, acted as ushers. Excerpts from the addresses follow, the remarks of Dr. Smith being especially arousing to thought.

Mr. Edmund R. Dewing, chairman of the Selectmen, in his greeting for the town, referred to the "slacker" vote and emphasized the need of becoming familiar with both sides of a legislative question before endorsing it.

Hon. Eben S. Draper stressed the prosperity of the country under the Republican party, and the hard times which it suffered when the Democratic party was in power, due to the difference in tariff policy.

Dr. Payson Smith stated that the great difficulty nowadays was to make people look beyond the present "putting-the-house-in-order" made necessary by the war. Any matter of educational and social legislation, as, for example, the question of advisers for girls in the high schools, is hard to "put over," he declared. "The opposers beg the issue by saying that the movement emanates from Washington and is another effort to federalize the state. They work upon the prejudices of the uninformed people, as does Mayor Thompson of Chicago. What connection is there between advisers in high schools and educational legislation at Washington?"

Dr. Smith said he favored the Child Labor amendment, for if the government can call the youth to war, that youth is entitled to protection from that government. In that question, at least, there was much befogging of the issue. "We should compel the man or woman who comes to us for our vote to show his or her hand and not confuse us by irrelevant statements."

"Once the only duty of a citizen was to know what to do and do it. Sometimes it is easier to be an obedient citizen than an intelligent one. A machine age has complicated our life and we must have laws to protect our children. There ought to be a campaign of education among our people as to the needs of children. Any piece of legislation must have a background of public support, and there is no form of public opinion better than that provided by the Women's Clubs."

"An advance in the required school age is needed. One to seven is the ratio of school children to working children who are delinquent, showing that the school has a stabilizing influence on the child. We must have more part time schools for the working child. We spend \$5,000,000 for education, and we ought to spend part of his sum for those children who haven't had their chance. This will benefit the community as well."

In answer to questions, Dr. Smith said, "Family need is not the predominant reason for the child's leaving school, but the urge of the boy himself. It is the boy of 14 who wishes to run away, or in some way free himself from restraint. In case the family is needy, we have the Mother's Aid up to \$15. But it is possible to have the boy work part time while going to school, and so keep his self respect. Five hundred classes have been established for the child who can't carry the regular school work, or needs training in other methods of education such as the 'motor type,' etc."

The speaker on the Democratic platform, Mr. Charles H. McGlus, chairman of the State Democratic Committee, who had promised to come, did not appear nor send any word. This was a great disappointment, as the State Federation always presents both sides of a question, and it was no fault of Mrs. Kimball's that this was not done.

Miss Martha N. Brooks, Wellesley 1904, representative to the General Court from the 16th Essex district, spoke on "The Consent of the Governed." She said in part, "Those who govern derive their power from the consent of the governed. Then comes the question, How shall we express the consent of the governed? It is the work of the recess committee to study the election laws and how they may be revised. Miss Brooks then reviewed the different election forms such as the old convention system, the direct primary, the pre-primary, the short ballot, etc. "Maine has voted to keep the primary," said Miss Brooks, "but in Massachusetts we are looking for a combination of the best in the convention and primary methods. In any case, the final decision always rests with the people, and whatever is decided must suit present day conditions. Let us take a positive stand and initiate legislation. Don't take a passive attitude, for the responsibility is yours. No matter what form of government we have, everything depends upon the responsibility and interest of the individual voter."

Club women of Newton who could not attend this Conference may find the above quotations of informative value and also may find they will be food for thought.

#### Newton Community Club

The last meeting of the Newton Community Club was held November 10th at the Underwood School Hall. The president, Mrs. Harry W. Fitts, presided. During the business meeting, short notices were given by the Education Committee, the Music Committee, and the Public Health Committee. A very strong appeal was made for all to join the American Red Cross.

At the Hunnewell Club on Monday afternoon, December 5th, the club is holding its annual auction party. The affair is in charge of the directors, and is for the benefit of the philanthropic fund. Its success will be dependent upon each individual member who is earnestly urged to buy a ticket and help make the occasion an unqualified success.

Following this business Mrs. Fitts introduced the speaker of the afternoon, Miss Margaret Slattery. Her subject was "New Eyes for the Mind." Miss Slattery made a strong plea that we put away all our prejudices and "look at things with clear eyes, with honest eyes, with generous eyes, and with patient eyes."

Mrs. Mary G. Reed, president of the Federated Music Clubs of Massachusetts, and a pianist of ability, played a number of selections. Tea was served, and a social hour enjoyed after the program.

The next meeting of the Club will be held December 8th at the usual place and time. Professor Kirtley F. Mather will speak. Professor Mather is professor of geology at Harvard University. There will be music. Tea will be served.

Reader of the Graphic for Tuesday, November 8th, will now discover that the Newton Community Club through the offices of the Program Chairman, Mrs. Sidney Peterson, are to have a celebrity, indeed, for this December meeting. Dr. Mather not only speaks to a crowded hall at Harvard and Radcliffe, so intensely interesting does he make his modern presentations of subjects as old as the world and life itself, but he is now conducting a most popular and worthwhile series of lectures, the general subject of which is "Ancient Prophets and Modern Problems," on Christianity, at the Newton Centre Woman's Club House, on Sunday mornings, from 9:45 to 10:45. This Forum is sponsored by the First Baptist Church of Newton, but is non-sectarian and open to all denominations, and is appealing to thinkers. It is proving of interest to many who are

## For a comfortable winter. AUTOMATIC GAS HEATING

Wherever Gas is available people are making it their Home Heating Fuel. The modern Gas Furnace automatically maintains even, healthful room temperature, regardless of weather conditions. Once started, it is self-adjusting. Another appealing point is absolute cleanliness. And the price of all this comfort is surprisingly reasonable, as your investigation will show. Hundreds of Boston Homes are now heated by Gas. Why not yours?

## WOMEN'S CLUBS

(Continued from Page 9)

not habitual churchgoers, but who are substantial in thought in spite of this. Members of the Community Club will be especially interested to hear this lecture on December 8th because of the place Dr. Mather has already gained for himself in the community. His subject will be "The Path of Life," and it is to have the added attraction of being illustrated by stereopticon.

It seems like a long time between meetings from November 10 to December 8, and is of course a month, but the regular meeting of the fourth Thursday is necessarily omitted on account of Thanksgiving.

### West Newton Women's Educational Club

A delightful and successful Bridge Party which was well attended was held by the West Newton Women's Educational Club at the Brae Burn Country Club last Friday afternoon, the 11th. The party given to raise funds for the Eliza N. L. Walton Scholarship Fund was in charge of the Scholarship Committee, Mrs. J. A. McDonald, chairman. It was a success socially as well as financially. No prizes were given in compliance with the law, but each lady received a beautiful linen handkerchief as a favor, so that virtue was indeed rewarded since all players had a memento rather than just the winners at each table. So always doth good follow a right deed! Refreshments ended a very pleasant afternoon.

### Auburndale Woman's Club

On November 10th, members of the Auburndale Woman's Club were entertained by Mr. Henry Beston. Mr. Beston is an author of note, his "Famous and Adventurous Ladies in History" being one of his well-known books. He has also written several books for children.

The afternoon talk was an informal one and the speaker gave a brief biographical summary of the lives of three interesting women in history. Mr. Beston's exquisite French was a delight to many of his audience, while he transported his listeners to the day of The French Revolution and the horrors of the guillotine.

The "Nun Soldier" took the audience back to Seville in the 16th century. The story told was woven around a girl who ran away from the convent, and later became a soldier. She then came to America, only to be sent back again to her nunnery.

The biographer led "Lady Hester Stanhope," "The Crazy Queen of Lebanon" before his audience, showing her in all the majesty of her early days and later as the queer old lady on her mountain top, in Lebanon.

The afternoon was in charge of The Literature Committee, Mrs. Percival R. Allen, chairman.

### Newton Upper Falls Woman's Club

The Newton Upper Falls Woman's Club is most energetic, for Thursday afternoon, November 17, marked another activity for this month. Mrs. William Meles, of High street, opened home for an afternoon of cards, which was attended to the limit of its capacity. At four o'clock tea, with all the accompaniments, was served, the hostess being assisted by Mrs. Robert B. McLaughlin, president; Mrs. Noyes Meara, and Mrs. Raymond Capobianco.

### Newton Highlands Woman's Club

A pleasant method of promoting acquaintance among the Club women of Newton Highlands was arranged by Mrs. Will Travis Lavery and members of the Hospitality Committee for Friday afternoon last, and as the date selected happened to be Armistice Day, a decidedly patriotic note was used for the decorations of the Workshop. Large flags hung upon the walls, and smaller ones were grouped over the mantel, and each member of the committee wore upon her shoulder rosettes and streamers of red, white and blue.

Even the floral centerpiece on the gable table in the center of the room carried out the national colors, and the entire room was lighted by tall red candles placed on the individual tea tables which were scattered about for the convenience of the company. Every one came early and stayed late, bringing sewing and knit-

ting and creating, thereby, a most "homey" atmosphere. Tea, ices and cakes were served during the afternoon, and there was an informal musical program by three members, Mrs. Maude A. Reidy and Mrs. Lucy Simmonds playing several instrumental numbers and Mrs. H. P. Forte, who has not been heard in the Club for some time, singing a group of songs.

Altogether it was a delightful afternoon, amid pleasant and congenial surroundings and much praise is due Mrs. Lavery and her assistants for the time and work they gave for the purpose of bringing together those who not often have the opportunity of meeting.

### Auburndale Review Club

At the home of Mrs. E. J. Frost, last Tuesday morning, the members of the Review Club and their guests, enjoyed a most delightful program. Through the influence of Mrs. Arthur C. Farley, who was in charge of the morning, two artists of rare ability furnished music. Mrs. Gertrude Erhardt Farley, who is well known not only locally but to music lovers all around Boston, sang a group of three songs, and her accompanist, at the piano, was Nicolas Slonimsky, conductor of the Chamber Orchestra of Boston, which is made up of Boston Symphony players. Mrs. Farley's selections, one of which was a composition of Mr. Slonimsky's, were so enthusiastically received, that the two artists graciously responded with another of the Chamber Orchestra's own arrangements. The Review Club feels an especial pride in the rise of Mrs. Farley's fame in the musical world, as she is a member of the Club, although not taking active part owing to the constant demands made upon her time by her musical engagements.

At a concert in Jordan Hall on the evening of December 20th when this Chamber Orchestra is to furnish music, she is to have the part of vocal soloist. Following the musical treat, came an intellectual one. A paper on Calderon de la Vega, the foremost Dramatist and Poet of the 17th century, by Mrs. J. A. McDonald, held the interest of her audience to the end, and this was followed by short accounts of the lives and writings of several more recent writers, by Mrs. George Knapp and Mrs. George Martin.

### Christian Era Study Club

Mrs. Harry Perkins was the hostess for the Christian Era Study Club on last Monday afternoon. Reports of Federated chairmen and other Club business took about half an hour, and the rest of the afternoon was divided between Miss Blanche Noyes and Mrs. N. L. Grant. "Robert Norris" was the subject for discussion by Miss Noyes, and the story of his timely aid in raising money for prolonging the Revolutionary War led up very aptly to Mrs. Grant's topic of "George Washington." The paper on the latter had for its authority none other than the President of the United States himself, as Mrs. Grant read President Coolidge's address on Washington, which was broadcasted over the air on the 22nd of last February.

### West Newton Junior Women's Educational Club

On Tuesday, November 8, the West Newton Junior Women's Educational Club had its second meeting of the year at the home of Mrs. Edwin Wolfe, of 52 Winthrop street, West Newton. Sixteen members and three leaders were present. The meeting was called to order at 7:30 o'clock by the president, Marion Jackson. After a short business meeting, the girls were asked to help out with the candy at the Scholarship Bridge party which was to be held on Friday, November 11, at the Brae Burn Club. Mention was also made of the next meeting of the club, to be held on Friday, November 25. The meeting was adjourned at 7:30 o'clock. Constance Dort's committee had charge of the entertainment for the evening, and after an informal bridge party, the guests were served fruit salad, hot chocolate, and cakes by the hostess, Mrs. Fred M. Blane, president of the Senior Club, was the honored guest of the evening. The meeting was an enjoyable social affair as well as a worthwhile business one.

### Newtonville Woman's Club

"A Walk in Scott Land" was the subject of the talk given by Prof. Frank W. C. Hersey of Harvard University before the Newtonville Woman's Club on Tuesday, November 15th. He showed very beautiful pictures of

Scotland and portrayed the history and romance of that country by reading selections from Scott's works. Preceding the lecture, and a most appropriate and enjoyable introduction to it, a group of four Scotch songs were sung by a quartet composed of Mrs. Clinton W. Kyle, Mrs. Carl C. Davis, Mrs. William F. Ferrin and Mrs. Fred W. Mordock. Mrs. Royal P. Lapham served as accompanist and to Mrs. Carl C. Davis belongs the credit of this arrangement of the music.

The first tea of the season followed. Mrs. George Merritt and Mrs. William McK. Burr of the Hospitality Committee, were the hostesses, and Mrs. Arthur M. Ellis, Mrs. Raymond Lang, Mrs. Albert D. Parker, and Mrs. John W. Spiers poured.

The Volunteer Service Committee has been especially active in their good cause this week. Mrs. Ellison Day and her committee not only visited the Veterans' Hospital at West Roxbury where they sew and mend for the disabled soldiers, every two weeks all winter, but on Tuesday and Wednesday they gave their generous services by helping the Red Cross solicit members at Trinity place and Huntington avenue in Boston.

## MORTGAGEE'S SALE OF REAL ESTATE

By virtue and in execution of the Power of Sale contained in a certain mortgage deed given by Louis Martiniello to Adolph J. Dinner and E. Philip Finn, dated November 14, 1926, recorded with Middlesex South District Deeds, Book 5024, Page 567, of which mortgage the undersigned is the present holder, for breach of the conditions of said mortgage and for the purpose of foreclosing the same, will be sold at Public Auction on Tuesday, December 6, 1927, at 10 o'clock A. M., on the premises hereinafter described, all and singular the premises described in said mortgage, to-wit:

The land in that part of Newton, Middlesex County, Massachusetts, called Waban, shown as lots 30 and 31 on a plan entitled "Subdivision of Land in Waban Village," dated August 1926, recorded with Middlesex South District Deeds, Book 5024, Page 567, and which is together bounded and described as follows:

SOUTHEASTERLY by lot 32 on said plan, 118 feet more or less; SOUTHWESTERLY by Boston and Albany Railroad, 144 feet; NORTHERLY by the plan, 45.54 feet more or less; and NORTHEASTERLY by Larchmont Avenue, 161.90 feet.

Said lot 30 contains 10,400 square feet of land.  
Said lot 31 contains 10,480 square feet of land.  
Said lots are conveyed together with right to use said Larchmont Avenue in common with others entitled thereto, subject to zoning ordinances, restrictions of record, drainage and sewer easements, if any, and the right of the City of Newton, by the City Engineer, to lay out, alter, widen, or improve said Larchmont Avenue, as shown on said plan, and to be recorded hereafter.

Terms of Sale: \$200.00 will be required at once in cash, and the balance within ten days thereafter at said Registry Office, on terms to be announced at the sale.

ADOLPH J. DINNER and E. PHILIP FINN, Present Holders of Said Mortgage.  
1 Beacon Street, Boston.  
Nov. 11-18-25.

## MORTGAGEE'S SALE OF REAL ESTATE

By virtue and in execution of the power of sale contained in a certain mortgage deed given by Leon M. Holman and Ida H. Holman to the Trustees of the Newton Estates, dated December 24, 1925, and recorded with Middlesex South District Deeds, Book 4926, Page 580, for breach of the conditions of said mortgage and for the purpose of foreclosing the same will be sold at Public Auction on Tuesday, December 12, 1927, at 10 o'clock in the forenoon, on the premises hereinafter described, all and singular the premises conveyed and described in said mortgage, to-wit:

A certain parcel of land with the buildings thereon, situated on the easterly side of Main Road, in Newton, and being lot seven (7) on a plan of land in Newton, dated May 28, 1927, at 10 o'clock in the forenoon, recorded with Middlesex South District Deeds, Book 4926, Page 580, and being lot seven (7) on a plan of land in Newton, dated May 28, 1927, at 10 o'clock in the forenoon, recorded with Middlesex South District Deeds, Book 4926, Page 580.

Southwesterly by said Beacon Street, one hundred (100) feet.  
Northerly by the lot now or formerly of Fowler, one hundred fifty (150) feet.  
Northerly by land of the City of Newton, known as the Waban Play-ground, one hundred (100) feet.  
Easterly by the lot now or formerly of William C. Strong et al, Trustees, one hundred fifty (150) feet.  
Containing in all about (15,000) square feet, be the same more or less.

Said premises will be sold subject to restrictions of record, to a mortgage of \$12,000, to the West Newton Savings Bank, dated December 24, 1925, and recorded with Middlesex South District Deeds, Book 4926, Page 580, and to any and all unpaid taxes and tax titles and all known persons interested in said estate, seven days at least before said sale.

Witness, John C. Leggat, Esquire, First Judge of said Court, this seventh day of November in the year one thousand nine hundred and twenty-seven.  
LORING P. JORDAN, Register.  
Nov. 11-18-25.

## MORTGAGEE'S SALE

By virtue and in execution of the Power of Sale contained in a certain mortgage deed given by HERMAN WALL to HAYNES & HERNANDEZ, INC., dated July 15, 1926, and recorded with Middlesex South District Deeds, Book 5122, Page 456, of which mortgage the undersigned is the present holder, for breach of the conditions of said mortgage and for the purpose of foreclosing the same, will be sold at Public Auction on Tuesday, November 28, 1927, at 10 o'clock A. M., on the premises hereinafter described, all and singular the premises described in said mortgage, to-wit:

Said premises being land in that part of Newton, Middlesex County, said Commonwealth of Massachusetts, called Newtonville, shown as lot 1 on a plan of land in Newtonville, Mass., by F. A. Garvin, dated September 30, 1925, recorded with Middlesex South District Deeds, Book 362, Plan 2, and bounded and described as follows:

NORTHEASTERLY by Court Street, thirty-seven and 5/100 feet (37.57'); SOUTHWESTERLY by land of Cunningham, thirty-eight and 10/100 feet (38.10'); NORTHERLY by land of Cunningham, sixty and 10/100 feet (60.10'); and EASTERLY by land of Halsein, sixty and 10/100 feet (60.10').

Containing 2358 square feet according to map, and be all said measurements more or less.

For reference to my title, see deed from said premises, dated November 15, 1926, recorded with Middlesex South District Deeds, Book 5053, Page 6.  
A deposit of \$1000.00 will be required in cash or a certified check will be required at the time and place of the sale, and the balance within ten (10) days thereafter. Other terms will be announced at the sale. Said premises will be sold subject to all known persons interested in said premises, and to all municipal liens and assessments.

HAYNES & HERNANDEZ, INC., Present Holder of the Said Mortgage.  
November 18, 1927.  
Nov. 11-18-25.

**Commonwealth of Massachusetts.**  
**Middlesex, ss. Probate Court.**  
To the heirs-at-law, next of kin and all other persons interested in the estate of late of Sarah Jane Walsh, also known as Sarah Jane Welch, late of Newton in said County, deceased, intestate.  
**WHEREAS**, a petition has been presented to said Court to grant a letter of administration on the estate of said deceased to Mary Ann Ford of Newton in the County of Middlesex, without giving a surety on her official bond.  
You are hereby cited to appear at a Probate Court to be held at Cambridge in said County of Middlesex, on the twenty-ninth day of November A. D. 1927, at ten o'clock in the forenoon, to show cause, if any you have, why the same should not be granted.  
And the petitioner is hereby directed to give public notice thereof, by publishing this citation once in each week, for three successive weeks, in the Newton Graphic, a newspaper published in Newton, the last publication to be on the day at least before said Court.

Witness, John C. Leggat, Esquire, First Judge of said Court, this eighth day of November in the year one thousand nine hundred and twenty-seven.

### FORESTRY DIVISION STREET DEPT.

#### Notice to Property Owners

You are hereby required on or before November 26th, 1927, to destroy the gypsy and brown-tail moths on your property in this City.

This notification is in accordance with Chapter 132, General Laws, Section 18, and the amendments hereto, which require cities and towns to destroy the eggs, caterpillars, pupae and nests of the gypsy and brown-tail moths under heavy penalty for failure to comply with the provisions of the law.

If a property owner fails to destroy such eggs, pupae and nests, then the City or Town is required to destroy the same, and the cost of the work, in whole or in part, according to the value of the land, is assessed upon and becomes a lien on the land. (See Section 18, of said Chapter 132, and amendments hereto.)

### The City Will Perform All Winter Moth Work Unless Otherwise Notified by Property Owners.

Full instructions as to the best methods of work against the moths may be obtained from the Forestry Division, City Hall, or from the State Forester, State House, Boston, Mass.

Work done by contractors should be inspected and approved by the Local Superintendent before payment for same is made.

GEORGE E. STUART, Superintendent of Moth Suppression.  
This notice is issued by order of EDWIN O. CHILDS, Mayor.

## MORTGAGEE'S SALE OF REAL ESTATE

By virtue and in execution of a power of sale contained in a certain mortgage deed given by Jacob I. Nesson to Maurice Gordon, dated December 24, 1925, and recorded with Middlesex South District Deeds, Book 4926, Page 580, for breach of the conditions of said mortgage and for the purpose of foreclosing the same will be sold at Public Auction on Tuesday, December 12, 1927, at 10 o'clock in the forenoon, on the premises hereinafter described, all and singular the premises conveyed and described in said mortgage, to-wit:

A certain parcel of land with the buildings thereon, situated on the easterly side of Main Road, in Newton, and being lot seven (7) on a plan of land in Newton, dated May 28, 1927, at 10 o'clock in the forenoon, recorded with Middlesex South District Deeds, Book 4926, Page 580, and being lot seven (7) on a plan of land in Newton, dated May 28, 1927, at 10 o'clock in the forenoon, recorded with Middlesex South District Deeds, Book 4926, Page 580.

Southwesterly by said Beacon Street, one hundred (100) feet.  
Northerly by the lot now or formerly of Fowler, one hundred fifty (150) feet.  
Northerly by land of the City of Newton, known as the Waban Play-ground, one hundred (100) feet.  
Easterly by the lot now or formerly of William C. Strong et al, Trustees, one hundred fifty (150) feet.  
Containing in all about (15,000) square feet, be the same more or less.

Said premises will be sold subject to restrictions of record, to a mortgage of \$12,000, to the West Newton Savings Bank, dated December 24, 1925, and recorded with Middlesex South District Deeds, Book 4926, Page 580, and to any and all unpaid taxes and tax titles and all known persons interested in said estate, seven days at least before said sale.

Witness, John C. Leggat, Esquire, First Judge of said Court, this seventh day of November in the year one thousand nine hundred and twenty-seven.  
LORING P. JORDAN, Register.  
Nov. 11-18-25.

## MORTGAGEE'S SALE

By virtue and in execution of the Power of Sale contained in a certain mortgage deed given by HERMAN WALL to HAYNES & HERNANDEZ, INC., dated July 15, 1926, and recorded with Middlesex South District Deeds, Book 5122, Page 456, of which mortgage the undersigned is the present holder, for breach of the conditions of said mortgage and for the purpose of foreclosing the same, will be sold at Public Auction on Tuesday, November 28, 1927, at 10 o'clock A. M., on the premises hereinafter described, all and singular the premises described in said mortgage, to-wit:

Said premises being land in that part of Newton, Middlesex County, said Commonwealth of Massachusetts, called Newtonville, shown as lot 1 on a plan of land in Newtonville, Mass., by F. A. Garvin, dated September 30, 1925, recorded with Middlesex South District Deeds, Book 362, Plan 2, and bounded and described as follows:

NORTHEASTERLY by Court Street, thirty-seven and 5/100 feet (37.57'); SOUTHWESTERLY by land of Cunningham, thirty-eight and 10/100 feet (38.10'); NORTHERLY by land of Cunningham, sixty and 10/100 feet (60.10'); and EASTERLY by land of Halsein, sixty and 10/100 feet (60.10').

Containing 2358 square feet according to map, and be all said measurements more or less.

For reference to my title, see deed from said premises, dated November 15, 1926, recorded with Middlesex South District Deeds, Book 5053, Page 6.  
A deposit of \$1000.00 will be required in cash or a certified check will be required at the time and place of the sale, and the balance within ten (10) days thereafter. Other terms will be announced at the sale. Said premises will be sold subject to all known persons interested in said premises, and to all municipal liens and assessments.

## CONGRESSMAN LUCE ADDRESSES KIWANIS CLUB ON FARM RELIEF

He Also Discusses In Common-Sense Fashion, the Abolition of the Corporation Tax

Hon. Robert Luce of Waltham, Congressman from this district, addressed the Newton Kiwanis Club at its weekly meeting on Tuesday at the Woodland Golf Club. He was introduced by President Clement Colburn of the club and was given a prolonged round of applause by the Kiwanians.

Mr. Luce, in his address, dwelt on two important measures now being considered by Congress. The first is the pet measure of the Congressman, one for which he has fought for years. He said, in part:

"Of numerous important problems confronting Congress, promising the busiest and most interesting session in many years, two are outstanding—first, that of the revenue law, and secondly that of farm relief.

"Time would not permit me here to go over in detail all the tax changes proposed, but perhaps I will be pardoned for dwelling on one of them with some satisfaction. Four years ago I became impressed with the belief that the corporation tax law was working injustice to the smaller corporations and was militating against the public welfare. On inquiry I found that of nearly 100,000 corporations paying an income tax, about two-thirds paid less than 4% of the total.

Mr. Luce told of having endeavored four years ago to have the House of Representatives pass his bill to relieve small corporations from the burdensome income tax they now must pay, but that while his bill met the favor of the members of the House Committee which considered it they felt they should have more definite information as to the effect on the revenue and by a point of order they succeeded in preventing a vote. By the way, the man who made the ruling, a president of the House, explained, told me it was the closest point he ever had to decide.

"When the bill reached the Senate, a proposal of like effect was made and prevailed, but it was lost in the conference committee.

"The next year from the seed thus planted has taken nearly four years to approach maturity, which after all is not so long for a legislative proposal to mature, on the average. Of course it has ripened by winning the support of various men in position to help, among them Senator Walsh of this State. A fortnight ago a Washington dispatch reported that one of the eight bills he was drafting to introduce in the coming session, which he placed foremost in the list, was to accomplish this very purpose, and he invited recommendations as to how to do this. ## DR. CHARLES R. BARKER HERE

In Four Addresses at The Newton High School on Monday He Makes a Deep Impression on Pupils and Parents Alike

The glowing advance notices given of the abilities of Dr. Charles E. Barker were quite inadequate to describe the impression which Dr. Barker made in his four addresses here on Monday at the Newton High School. In the morning he held the close attention of large audiences of both boys and girls, in the afternoon he spoke to mothers with telling effect and in the evening, following a brief talk at the dinner of the Newton Rotary Club held in the High School luncheon, he spoke for over an hour to an audience which filled the auditorium to its capacity.

Dr. Barker is no ordinary speaker but is alive every moment of the time he is speaking. He paces the platform, emphasizing his words with forceful gestures and illustrating his theme with pertinent stories.

The High School band of the direction of Mr. Charles Spaulding gave a good program of music before Dr. Barker spoke.

Dr. Cecil W. Clark, president of the Newton Rotary Club, under whose auspices Dr. Barker came to Newton, presided and first introduced Mr. Francis L. Bacon, who briefly outlined some of the results obtained in a recent survey of boy and girl life in Newton.

In introducing Dr. Charles E. Barker, a prominent member of the Grand Rapids, Michigan, Rotary Club, President "Cecil" spoke of his extraordinary service to his fellow-men and the application of the Rotary motto, "Service Above Self" in his daily life.

He has studied boys and girls for thirteen years and is an authority which can safely be quoted.

In opening Dr. Barker spoke of the pleasant memories he had of his last visit to our city eleven years ago and narrated several stories that contained much humor.

The great debt which all children owe to their mothers and which often goes unrecognized was the first feature of his address. He held up as a model the great devotion between Abraham Lincoln and his mother for twelve short years. Nancy Hanks with great foresight built the foundation of Lincoln's character by teaching him to read and incidentally weaving into his sensitive mind the truths of the Bible. How many mothers of today will spare a few minutes of their precious time to see that their child is not coming into contact with companions or books, which are going to undermine him both spiritually and physically.

The biggest job which any man and woman can undertake is that of Motherhood and Fatherhood. This job cannot be met in a haphazard way. It must be done and can be met in

demanded this thing, he would vote for it to prevent his political ruin.

Mr. Luce deprecated the sympathy extended to those clamoring for "Farm Relief." He called attention to the rapid trend from rural to urban life which has been taking place in this country for the past generation.

In 1870, four-fifths of this country's population was making a living from agricultural pursuits. According to the last census but 30% of the people of the United States were engaged in agriculture; today not over 25% are thus occupied. He argued that since millions have been, and are being expended to teach farmers to produce bigger crops by improved knowledge and methods, since modern machinery enables a few men to do the work of many men and horses, it is inevitable that fewer can make a living from the soil. He continued, "If farmers do not like that life, they can leave it. If they prefer to live in cities, let them."

In conclusion he said, "The most serious menace of the proposed legislation lies in its aspect as a demand of part of the people for benefits at the expense of the whole. The movement for it is essentially selfish. It is a vivid illustration of the tendency of the times. In our commercial, our industrial, our economic, our political relations organized greed is our greatest danger. Against it ought to be arrayed all the forces of altruism that society can command. Favor should not be given by law to any one section or any one group. It is the common welfare, the welfare of each other, that should be kept at the front."

a sensible and scientific manner.

It is an understood fact that the most dangerous period that a child passes through is the adolescent period—when a boy is entering manhood and a girl, womanhood. A girl passes through this stage between the ages of 11 and 15 and a boy between 12 and 16. This is the "gang" age when girls and boys sometimes make their life-long pals and chums. The best organizations now in existence which is doing the most for the growing boy and girl are the Boy Scouts and Girl Scouts and with this view before them, all parents should stand behind these organizations and help them in any way possible. In the past the tendency has been to aid the boys more than the girls, but it has gradually become realized that girls as well as boys must be aided in this habit of character forming age.

A duty of Mothers and Fathers, not only to their own children, but to the entire community is that they should attend some place of religious worship every Sunday, fifty-two times a year. It matters not what the religious conviction is as long as a connecting link between the Church and the Community is held fast because religion is a vital part of human life and without churches cities cannot thrive.

One of the greatest responsibilities of a parent is to teach a child the meaning of obedience—to mind the first time it is spoken to. It is an understood fact that a pendulum swings so far and then swings back again. The past generation has been charged with extreme severity of discipline and for this generation the pendulum has swung to the other extreme. Dr. Barker's definition of lawlessness is "lawlessness is a habit of the mind usually contracted in childhood." Unless a child when he is first shown the tendencies toward breaking the rules that should govern his behavior is corrected, a possible criminal is in the making.

To be "on the job" the parents should always answer their children's questions truthfully and tactfully so that they will not go elsewhere to find the answers which many times might give them wrong impressions of life.

It is the parents' place to explain to a growing child the things which every child has a right to know about his sex life. The word "sex" has been man-handled and woman-handled and has in the past been something to talk of under one's breath. The average child's interest and the questioning age usually starts between five and six and the query "Where did I come from" is often asked of the father or mother at this time. The parents in the past have acknowledged the fact that most of them did not know what to say or how to say it. Many thoughtful answers such as "The stork brought you" or "The postman left you on the doorstep" were told the youngster, but in a few years the growing boy or girl would find other answers, probably told in a vulgar fashion that might cause much damage that could not be repaired.

In explaining this question to a child Dr. Barker told of two examples to give in approaching the main explanation. The first was that of the flower. He described the "Mother" and "Father" parts, not with diagrams, but simply with only his two hands, as though talking with a child and so a child could understand the way in which pollen is made into a baby seed and then drops into the earth to grow into a flower. The other instance was that of the birds, of the mating in the South, the coming to the North, the building of the nest and then the Mother bird laying the eggs and sitting on them for many days to keep them warm. In each egg the baby bird is forming, first a head then body, legs, feet, wings and finally the bill—when this is finished the wee bird starts pecking its shell until it is broken and its first peep of the world is seen. All this time the Father bird is watching and car-

ing for the Mother until the baby birds are old enough to fly.

These examples are excellent ways in which to adjust the child's mind for what is to follow. In explaining the real question he told it simply but intelligently—how a tiny seed was planted under the Mother's heart, the slowly forming of his head, body, legs and arms and the long time it took to complete this wonderful work. After many months he began to move his arms and legs until one day, he just pushed himself right out of his mother's body.

A boy or girl given an explanation similar to this is started right and it has been proved that the beginnings many times help to make or mar the endings. In closing his thought Dr. Barker said "Does it pay?"

The harmful practice of petting parties that goes on all over the country today is one that should be considered for it is of vital importance and the serious mishaps that often result in this familiarity are many times more numerous and occur more often than many people know.

The closing paragraph of the speaker's talk was as follows: "This is the first time I have had so many boys and girls out at night with their parents. If this address has been interesting it has been your attention that has largely helped to make it so. I don't know when I have enjoyed speaking to men and women as I have tonight. If you have not enjoyed this address, you are the best bunch of actors I have ever seen."

At the close of the lecture Dr. Barker asked all who were interested in receiving copies of two of his lectures to leave their order with the ushers and over 1500 copies were so ordered.

## POLICE BALL

The annual ball of the Newton Police Benefit Association held at the State Armory on Wednesday night, was attended by over 1000 persons, including Mayor Childs, Judge Thomas Weston, Judge W. Lloyd Allen, and many members of the city government. An excellent orchestral concert was given from 8 to 9 and the quartet of the Lynn Police sang several numbers. Chief Bernard M. Burke was Floor Marshal, assisted by William D. Condrin as Floor Director; John J. Monahan, Thomas F. Leehan, Frank G. Feeley, George Mullen and Walter F. Jenkins as Assistant Floor Directors. Captain James J. Mullen was chairman of the reception committee. The committee on arrangements included William D. Condrin, Chairman, John J. Monahan, Thomas F. Leehan, George L. Mullen, Frank G. Feeley and Walter F. Jenkins.

## CHARLES A. WASHBURN

Charles A. Washburn of 142 Lowell avenue, Newtonville, died on Saturday last, in his 72nd year. He was born at Eagle River, Michigan, and had resided here for 30 years. Mr. Washburn came to the East as a boy to receive his education and was a graduate of the Massachusetts Institute of Technology. Following his graduation he became connected with the firm of Sanford & Sons, manufacturers of carpets at Amsterdam, New York. He is survived by his widow, Mrs. Adeline Washburn, and one daughter, Mrs. Frank Belden. His funeral service was held Tuesday afternoon, Rev. Arthur M. Ellis, D.D., officiating. Burial was in Newton Cemetery.

## ALL NEWTON MUSIC SCHOOL

The first pupils' recital of the year will be held at the Peirce School, West Newton, on Friday evening, December 2nd, at 7:30 o'clock. The program will consist mainly of violin and piano solos. There will be a group of Christmas Carols by the pupils of Miss Crandell's classes. The parents of the pupils and their friends as well as those interested in the work of the school, are cordially invited to attend.

## ANNOUNCE CHANGE IN GAS RATES TO TAKE EFFECT JANUARY FIRST

Important Action Taken by the Boston Consolidated Gas Company Affecting Consumers

The new rates which the Boston Consolidated Gas Company has announced will be put into effect on January 1st are of interest to the great majority as persons in those places served by this corporation. There will be a fixed charge to each customer of \$1.00 per month, and for periods less than a month this charge will be pro-rated at 3c per diem. The running charge to ordinary customers will be 90c gross per 1000 cubic feet, and a net price of 85c will be given to those who pay their bills within 10 days of date of billing.

The rate now charged is \$1.20 per thousand cubic feet, with a minimum charge of \$6.00 per year to those customers who use less than 5000 cubic feet of gas during any one year. The new service charge and rates will increase the cost of gas to those using less on the average, than 2800 cubic feet monthly, and will decrease the cost to those using more than this amount. About one-third of the more than 250,000 customers of the Boston Consolidated Gas Company will pay considerably less on their gas bills, about one-third of the customers will find their bills to average about the same as at present, the difference amounting to not more than twenty-five cents, under or over the amounts they have been paying each month, and one-third of the customers of the company will pay between twenty-five and seventy-nine cents a month more on their bills.

The Gas Company states that 75% of its customers are carried at a loss, according to figures tabulated by the company, it costs \$1.16 a month to furnish service to a customer. Persons using gas to any extent for cooking or heating, have been, so the Gas Company contends, carrying along those who use gas merely as a convenience or convenience fuel. And, the Gas Company also asserts that those who use but little gas, are not, for the larger part, persons of humble means, but customers who dwell in comfortable homes and expensive apartment buildings. In one of the most magnificent apartment houses in Greater Boston, are 83 customers who use on the average less than 825 cubic feet of gas per month.

The Gas Company is frank in admitting that it hopes to sell more gas under the new rates. It wants to increase the sale of gas as a regular fuel for heating and cooking purposes. It contends that gas, at 85c per thousand cubic feet, will be the cheapest fuel, and that the greater use of gas will, to a large degree, eliminate the smoke nuisance. If the sale of gas, under the new rates, does not appreciably increase, the Boston Consolidated Gas Company will receive no greater income, or profits, than at present, as the change in rates will not increase the receipts on the amount of gas now being sold.

Among the reasons advanced by the Gas Company to justify the change in rates and the establishment of a service charge are—the fact that on other public utilities, such as water and the telephone, a service charge is levied, and that this method is becoming more used. It is now in operation by 516 gas companies in 43 of the states. The number of companies which have changed to this method, nearly doubled last year. Among the places in Massachusetts where it has been put into operation are Amesbury, Amherst, Athol, Gardner, Spencer, Revere and Worcester. Other places in the state, such as Lowell and Brockton, charge a high rate for the first hundred cubic feet of gas used, which is in effect, a service charge.

To customers who use a large amount of gas for domestic purposes, the company proposes a special rate of 60c per thousand cubic feet. Where this rate is given, a larger service charge will also be imposed. Those who are opposed to the proposed new rates, contend that it is planned to make the small consumer pay more to benefit the large consumer, and that unless those who use but little gas, will use considerably more, their bills will be nearly

doubled. They contend that many housewives prefer to use coal for cooking rather than gas, and with most houses using electricity for illuminating purposes, unless many families will change to the use of gas exclusively for cooking, or to its use for heating purposes, they will not require any more gas than they now use.

## NEWTON WELFARE BUREAU BENEFIT

Tables are being reserved for an auction party which will be given at 2:30 p. m. on Friday, December 16, at the Newton Centre Woman's Club House for the benefit of the Newton Welfare Bureau. During the financial drive of this organization last spring, only \$1300 of the \$2000 quota allotted to Newton Centre was raised. It is hoped that the response to this appeal will be so generous that the proceeds from this event will add a substantial sum to the amount needed. The Woman's Club has generously donated the use of its Club House for December 16. Further details can be had from the following committee: Mrs. Edward A. Andrews, Mrs. Harry Anderson, Mrs. Elias B. Bishop, Mrs. Charles H. Cobb, Miss Edith Gammons, Mrs. Gertrude Hayden, Mrs. H. Will Ross, Mrs. Helen F. Taylor, Mrs. Howard Winslow and Mrs. Ellis Spear, Jr., Chairman.

## CHORAL SOCIETY CONCERT

The Newton Choral Society is fortunate in having a group of star artists to assist at its semi-annual concert to be given Tuesday evening, December 6, at Central Church. Miss Gladys de Almeida, soprano, is to appear at this event. She recently sang for the Boston Apollo Club. Also the Boston Orchestral quartette has been engaged, consisting of the following gifted artists: Mr. Walter Loud, violin; Mr. Albert Berger, violin and viola; Mr. Louis Dalbeck, cello; Mr. Raymond Conn, piano. These musicians will present a delightful program.

The singers of the chorus are requested to meet at Central Church Sunday afternoon, Nov. 27, for an extra rehearsal.

## MISS HART'S WILL

The will of Miss Nellie Hart, who died last October, which has been filed at the Probate court, bequeaths a major part of her estate to "My devoted nurse," Margaret F. MacLean. Miss MacLean is left the Hart summer home at Cumberland, Me., \$24,000 outright, the income from a trust fund of \$10,000 during life. In addition, Miss MacLean is made the residuary legatee. Mrs. Walter Hart is left \$10,000 and her daughter, a trust fund of \$5000, and the trust fund of \$10,000 left to Miss MacLean during her lifetime. \$500 each is left to Dr. F. S. Keith, and to Mary F. Boulter, both of Newton, \$1000 each to Sophia and Lucy Kirk and \$300 to the Society for Prevention of Cruelty to Animals. The Newton Library is left a valuable set of books on Japan.

## LODGES

Newton Lodge of Elks will receive an official visit next Monday from Acting G. E. R. District Deputy Thomas J. Brady. The meeting will be held in the Newton Centre Woman's Club house at 7:30 o'clock.

Christmas Shoppers will find many attractive articles displayed to their advantage at 20 Highland street, West Newton. Beautiful dolls, imported stationery and handkerchiefs, Guest towels, Shopping bags, Bridge table covers and Luncheon sets. Lamps, Leather and Glass goods. Toys and novelties, small consumer.

Full line of Christmas and other cards.

## Splendid Security

If a person wants to build or buy a home, he can often get a larger loan, at no higher rate from this bank. We make such loans safely because they are "amortized" loans. The borrower pays one dollar back every month for every two hundred dollars borrowed, by which method the loan becomes fully paid and is canceled in about 141 months.

At the time the loan is made, the property is good security, and no real estate property is likely to depreciate in value as fast as loans are being paid off.

## THE WEEK IN NEWTON SPORTS

Edited by WARREN K. BRIMBLECOM

### CHURCH SCHOOL BASKETBALL LEAGUE

Eight teams are entered in the Norumbega Church School League. Games are to be played on Tuesday and Thursday nights at the Newton Y. M. C. A. Two rounds will be played starting the first round November 29. Second round begins January 17 and ends March 1.

On Tuesday evening Mr. Frank Simmons, coach of the Newton High School gave a very interesting interpretation of the new rules and recent changes. All players from the eight teams had an opportunity to hear and ask questions regarding the game.

The first games will be played Tuesday, November 29th, at 8:15. Auburndale Methodist Episcopal vs Needham Congregational, and the Watertown Methodist vs the Watertown Baptist.

Following is the remainder of the schedule for the first round:

Tuesday, Nov. 29th—Aub. M. E. vs Needham Congregational; Whitney vs Watertown Baptist.

Thursday, Dec. 1st—Immanuel Baptist vs Newtonville M. E.; Eliot vs Central Congregational.

Tuesday, Dec. 6th—Whitney vs Eliot; Watertown Baptist vs Central Congregational.

Thursday, Dec. 8th—Auburndale M. E. vs Immanuel Baptist; Needham Congregational vs Newtonville M. E.

Tuesday, Dec. 13th—Whitney vs Central Congregational; Watertown Baptist vs Eliot Congregational.

Thursday, Dec. 15th—Auburndale M. E. vs Newtonville M. E.; Needham Congregational vs Immanuel Baptist.

Tuesday, Dec. 20th—Whitney vs Needham Congregational; Watertown Baptist vs Immanuel Baptist.

Thursday, Dec. 22nd—Eliot Congregational vs Newtonville M. E.; Central Congregational vs Auburndale M. E.

Tuesday, Dec. 27th—Whitney vs Immanuel Baptist; Watertown Baptist vs Newtonville M. E.

Thursday, Dec. 29th—Eliot Congregational vs Auburndale M. E.; Central Congregational vs Needham Congregational.

Tuesday, Jan. 3rd—Whitney vs Newtonville M. E.; Watertown Baptist vs Auburndale M. E.

Thursday, Jan. 5th—Eliot Congregational vs Needham Congregational; Central Congregational vs Immanuel Baptist.

Tuesday, Jan. 10th—Whitney vs Auburndale M. E.; Watertown Baptist vs Needham Congregational.

Thursday, Jan. 12th—Eliot Congregational vs Immanuel Baptist; Central Congregational vs Newtonville M. E.

The following young men are representing the eight teams: Centenary Methodist Episcopal of Auburndale: Alastair Fraser, Fred Van Wormer, Kenneth Bourne, Harry Langdon, Raymond Mabey, Edward Gammons, Edwin B. Locke, Arthur Wilson, and Donald Wilson.

Needham Congregational: George Coombs, Donald Taylor, John Drinkwater, W. Newcomb, R. Marshall, D. McPhail, Ralph Studley, Roland Studley, L. Nelson, W. Peterson, F. Coates, A. Davis, A. Beale, F. Kroog.

St. John's M. E. of Watertown: D. W. Ross, F. Eugene Nash, Chester H. Parker, K. W. Hurley, Edw. G. Thurlow, Norman Stoney, Allen Sherman, Kenneth Newell, Schuyler M. Sharpe, Claude Baker, Arthur Nickerson, Wayne Phelps, Clyde Walworth, John Spaulding, Howard Stoney, W. Le Shanna, Edwin Armstrong, Wm. Morrison.

Eliot Congregational of Newton: Edgar Dolbier, Walter Dolbier, Charles Gatchell, Allan Hinkle, Arthur Irwin, William Pearce, John Fellows, Carleton Williamson, John Dickenson, Stephen Currier, George Gregory, Edwin Lombard, Ralph Allen, Harvey Macuen and John Davidson.

Central Congregational of Newtonville: Arnold E. Nichols, W. H. Hartford, P. C. Brown, W. C. Miller, C. Pescosolido, M. Fowler, Irving Thurston, James Swain, Albert Pitt, John W. Locke, B. Chipman, W. Loud, Sheldon Fisher, Geo. Maynard, C. Webster, and A. Lapham.

First Baptist of Watertown: Allan H. Merrill, Malcolm Bacon, Wilson Cazmay, Harold Titus, Walter Murray, Will Murray, Bill Fay, Edward Jones, Everett Goodwin, Morton Jenkins, Norman Burdick, Everett Strayhorn, Bruce Mason, Ralph Colby, Robert Thompson.

Immanuel Baptist of Newton: W. Achorn, R. Feola, L. Goode, S. Goodrich, B. Leacy, G. Leacy, R. McCassey, W. Hargreaves, W. Dimock, H. Sharrot, A. Stevenson, H. Garrison, R. Garrison, R. Burke, H. Henderson, and M. Keddy.

Howland Elected Captain

Winslow R. Howland, Bowdoin '29, of Auburndale, was elected to captain the 1928 eleven at that college at a meeting of the lettermen on Monday.

Howland played centre on the Brunswick team and was one of the leading pivot men among the smaller colleges.

The election of captain followed a meeting of the Bowdoin Athletic Council at which "B's" were awarded. Robert Adams, former Newton high captain and end on this year's Bowdoin team, Stuart Stone of West Newton, William Alexander of Newton, and Harry and Richard Thayer were among those awarded letters. On the freshman squad George H. Souther of Waban, former Huntington school player, was among those given numerical.

With the approach of winter various athletes turn their attention to the many winter indoor sports. The Y. M. C. A., as is its usual custom, is entering teams in several sports in the various leagues conducted by the Y. M. C. A. Two-State organization of Massachusetts and Rhode Island.

Perhaps the most popular of the winter indoor sports is basketball. This winter the Y. M. C. A. is entered in the Suburban division of the Two-State league with teams representing Chelsea, Melrose, Gloucester, Newburyport and Everett. Home and home games will be staged between each team with Newton opening its season on Saturday, December 3rd, with Chelsea on the Newton court.

Fritz Boughner, a graduate of Springfield Y. M. C. A. Training College in 1927 and Life Saving Instructor, who conducted the life saving campaigns in Newton for the Red Cross this past summer, will coach the local fives. Practice is being held Tuesday and

### MANY SPORTS FOR WINTER AT Y. M. C. A.

Thursday evenings. Several veterans of the past few years will provide the nucleus around which Boughner will build his team. Among those reporting on Tuesday were James Daniels, Donald Cunningham, Arthur Kohler, Charles Jodrey, Joe Purcell, Walter Thompson, Lionel Shaw and Ray Adams.

The local association has also entered a team in the Eastern Division of the Volley Ball league which is composed of Boston, Newton, Brockton, Cambridge and Lynn. The schedule opens Saturday afternoon December 3rd at Newton with Cambridge furnishing the opposition. A strong team is expected to represent Newton, in this sport as there are several veterans from last year's team who are out for the team.

The Y. M. C. A. wrestling team opened its season on Tuesday night against the Massachusetts College of Osteopathy. The visitors won the majority of the bouts although the competition was very close. Joe Arsenault and John Lane, the former in the 147-lb. class and the latter in the 175-lb. class, each were entered in two bouts. Francis Cassidy and William Palmieri were Newton's entries in the 135-lb. class while Tommy Noonan, 156-pounder, was the other Newton wrestler. Noonan has been coming along fast recently and should score many points for the team this winter. Dr. Fred Sims is again coaching the team for which an attractive schedule is being arranged. Coach Greene of the Massachusetts Institute of Technology wrestling team refereed the bouts on Tuesday night.

A basketball league will probably be formed among the members of the senior class which last year attracted much interest. Teams representing the various sections from which the local association draws its members will play a round robin series. These teams will be Newton, Brighton, Watertown and Waltham.

SPORT NOTES

Owen To Lead Team Again

George Owen, Jr., former Newton high and Harvard three sport star, will again lead the University Club team on the ice. Last year the club had a strong team made up of former hockey stars of whom several learned the game while at Newton high. They finished up the season at the top of the amateur league and have hopes of repeating this year. One of the chief incentives for the team to play winning hockey is the fact that an amateur sextet will represent the United States at the next Olympic games in 1928 at Antwerp. There is a fine possibility that the University Club outfit will be the one chosen if they continue to show the ability they did last year. Owen still retains his interest in sport with tennis in the summer, experting on Harvard football games in the fall and hockey in the winter.

Stubbs Calls Harvard Team Out

Coach Joseph Stubbs of the Harvard hockey team has called the candidates out and they are now taking their regular practice turn at the Boston Arena. As in past years the Crimson will probably number several former Newton high hockey players on the squad. Guy Holbrook, sophomore; than whom there has never been a better schoolboy hockey player, will try out for the team. He should have little difficulty in making the forward line, especially if the new Harvard coach continues the policy of his predecessor in having two distinct teams to send on the ice. With two years more to play Holbrook has a fine chance of gaining distinction in the college hockey world and is helping Harvard to hold the position it has held for the past few years as collegiate champion.

Rivers School Victor

The fifth annual private school football meet between athletes representing Country Day school, Rivers school and Roxbury Latin school was held Tuesday on the Rivers school athletic grounds in Brookline. Rivers school totaled 84 points to win with Country Day second with 76 points and Roxbury Latin third with 59 points. Crosby Greene, Jr., of Country Day school was one of the high scorers with a total of 10 1/2 points. Country Day was first in the dash, which consisted in picking the ball up and running with it, scoring 23 points with Roxbury Latin second with 11. In the centre pass event Rivers outshone the other schools while in the forward passing event Roxbury Latin was one point in front with a 16. Country Day had 15 and Rivers school 13. Events were held in four classes, so that all the athletes of each school took part in the competition. C. Greene picked up his points with a first in the dash, a tie for fourth in the centre passing for accuracy, and a first in the forward passing event with a toss of 49-yards. Roger Greene, a brother of Crosby, finished a close second in the dash. Atherton took a third in the centre passing, Gleason a third in the punting with a 46 yard punt, and Gleason a first in the drop kicking to give the local private school the rest of its points in Class A. In Class B, White and Bottomley took first and second in the dash, Carleton and Labouchere split second in centre passing, White and Ritchie placed second and third in forward passing. Burns and Gleason, second and fourth in punting, and Gleason third in dropkicking for Country Day's points. In Class C the local youths to score were Downes with a third in the dash, Hall second in centre-passing, Dutoon fourth in the same event, Downes first in forward passing, Muth or first in punting and Downes and Waldinger, second and fourth in dropkicking.

The remainder of Country Day's points were picked up in Class D by Foster and O'Donnell with second and third in the dash, O'Donnell fourth in forward passing, and Mellus first in punting.

## ABOUT TOWN

By Edw. H. Powers

Sunday we walked through Boyd Park. A number of youths, about 16 or 17 years of age, were preparing to indulge in a football game. Most of them had uniforms; a few had not. The playing field was quite muddy. We would like to have seen the players in that game after it had been in progress for a while. Particularly those who played without being equipped with uniforms.

The football field at Boyd park is not of regulation width. This park is located where Boyd Pond stood until it was drained about 35 years ago. Through the park, on the west side runs Laundry Brook, the largest and longest brook in this city. This brook starts near what was formerly known as Alcock's Swamp at Newton Highlands. In the pioneer days of Newton, it ran unrestricted to the Charles River, emptying into that stream a short distance above where the Galen street bridge stands at Watertown. The settlers of Newton named the brook, "Smelt Brook," because thousands of fishes of this species were caught in the brook each year as they swam up from the salt water at spawning time. During the Colonial days a dike was erected to dam the waters of Smelt Brook to create a mill pond, forming the body of water later known as Bullough's Pond. Mill street, one of the oldest highways in this community, was so named because it led to the mill from one of the main roads of the town; the road now called Centre street. Later other dikes were built along the course of Smelt Brook, one just over the Watertown line, the resultant pond becoming known as Boyd's Pond, and the third dike having been built a short distance south of the Charles River created what became known as Morse's and later Howard's Pond. The mill of the Colonial period at Bullough's Pond, was a grist mill, where the old inhabitants brought their grain to be ground. The water from Boyd's Pond turned the wheel that furnished power to a silk mill conducted by Isaac Farwell. Later this mill was bought by Thomas Dalby for the manufacture of underwear. It is still used for this purpose, but long ago steam power replaced the old water wheel. The water from Howard's Pond furnished power for a small machine shop, later used as a needle factory.

The dike which made Boyd's Pond was built in 1870, simultaneously with the erection of Farwell's silk mill. In the early '90's of the last century, when Dalby's mill had ceased depending to much extent on the waters of Boyd's Pond, agitation started for the draining of this small body of water. Several children had been drowned in it. It was a breeding place for mosquitoes and it had become a convenient dump for rubbish and a depository for defunct cats, dogs and poultry. So, yielding to demands, the city purchased the pond, drained it, and dignified it with the name of Boyd Park. A considerable amount of filling was placed in the area and it was made into a playground, one of the first in this city. An interesting feature in connection with Boyd Park is—that much of it is located over the Watertown line, although it is the property of the City of Newton.

The course of the brook running through Boyd Park was deepened, and in Winters the park was flooded to afford skating facilities. For some years there has been agitation to have the brook covered. It is a source of danger to the many small children in the neighborhood which is now thickly settled. The brook is not attractive in appearance, and the brook is not attractive and it causes the playground to be much smaller in area than if the stream were covered. Many years ago, a number of the larger brooks in Newton were made more presentable by being cleaned, dredged and bordered by sloping banks. Along some of these brooks streets were constructed, such as Jackson and Albemarle roads. Later persons owning property abutting those brooks which had been improved by the method just referred to, petitioned to have these brooks covered. The open brooks, lined with grassy banks, have ceased to be popular in Newton. "Smelt Brook," now known as Laundry Brook, has been covered for much of its length. It is proposed to cover that part of it which bounds Jackson road and Boyd park. But when this will be done, is a question. With the many demands on the finances of the city for new schools, fire alarm signal system, and other needed improvements, many things which are wanted by citizens have been postponed. The desire of the residents in the neighborhood near Boyd park, that the brook here be covered. This improvement may have to be delayed somewhat, but the entrance to the "park" from Garden street, should be improved as soon as possible. The recent heavy rains have made a gully of this entrance. As soon as money is available, a concrete walk or steps should replace the present gravel approach.

It is doubtful if any one thinks of Newton as a mining district, yet iron ore was at one time dug in considerable quantities not far from where the new city hall will be built in the near, or far distant, future. This ore was found in the bogs south of Bullough's Pond, and it was carried to the foundries at Easton, South Boston, and other places. The foundry at Easton, a century ago, when iron was carried there from Newton, used the mineral mostly for the making of agricultural implements.

The Newton Woman's Christian Temperance Union will hold the regular meeting at Channing Church Vestry, Eldredge street, Newton, Rev. C. A. Drummond, Pastor, on Thursday, Dec. 1st, at 2:30 o'clock P. M. Speaker: Miss Laura A. Jones, Vice-President, Mass. W. C. T. U., subject: "What the Church Owes the State." Music by Mrs. Carolyn King-Hunt.

It Pays to Advertise

## OUR WASHINGTON LETTER

Washington, November 23.—While it is customary for jokesmiths to make Congress the butt of their humor, few realize that there are a group of specialists employed by Congress to put a check to costly and harmful errors. In recent years it has been found necessary to establish a legislative drafting bureau at the Capitol for the purpose of drafting bills which are presented to Congress by the individual legislators. These specialists do the work of research and drafting and usually serve as editors and censors of congressmen's ideas. In many instances congressmen who sponsor legislation are given credit by the uninformed public for their knowledge of lawmaking that in reality belongs to the specialists in the legislative drafting bureau.

Inquiry shows that there are a number of Congressmen and Senators who are reluctant in utilizing the services of drafting experts. They feel that their position entitles them to draft their own bills and they are qualified by training to handle all matters dealing with constitutional and statutory law, action, etc. Quite frequently they learn the error of their way when committees considering their bills refer to the experts despite the claims of the sponsors that their measures are letter perfect and fool-proof. Court test as to the legality of Congressional acts sometimes discloses the fact that many legislative measures are inconsistent, unintelligible and loosely worded. Another item considered is that bills are occasionally too hastily drawn resulting in interpretations by administration officials directly at variance with the intent of Congress. It is obvious that the legislative drafting bureau has a real responsibility, especially in these days when every incoming legislator proposes to introduce a multitude of bills.

Newcomers to the Senate and House are frequently disappointed at the indifference of the legislative leaders. The incoming members feel that the established leaders have no appreciation of their importance. They come to Washington loudly demanding places on major committees because they feel that they are so especially qualified to handle problems of national importance. The Committee on Committees of the majority and minority parties catalogue the pompous individuals and take some of the "wind out of their sails" by placing them on unimportant committees, such as the Disposition of Useless Papers in Executive Departments, which is nothing more or less than passing on clerks putting government paper in the waste baskets.

Senators and House leaders are endeavoring to glean a clue as to the President's recommendations for the next Congress. The speech before the Union League Club in Philadelphia last week covered several factors of his program, such as an endorsement to cut taxes amounting to \$225,000,000; a greater air force for the military and naval establishments, and the de-

Marshall C. Spring, Pres.

Albert T. Stuart, Vice-Pres.

development of commercial aviation. Incidentally, Mr. Coolidge has indicated that he favors Federal aid for highway construction amounting to \$75,000,000 annually. The west and middle west are greatly interested in the farm relief features of his measure but he gave no definite hint in his Philadelphia address.

The form of government for the Philippines is a subject of concern for the administration. There are several schools of thought, some advocating supremacy for the civil government, others for a military rule, and still another group for self-government. Feeling exists here that the present administration will not favor relinquishing American control over the Philippines for some years. The

politicians are watching with interest the appointment of a Governor General for the Philippines to fill the vacancy occasioned by the death of General Leonard Wood.

There are four committees of Congress in session prior to the opening of the session. The House Committee on Ways and Means is considering proposals of the Treasury Department and organized groups of taxpayers as to reductions in income and corporation tax rates. The special committee studying flood control has received recommendations from a number of committees representing the communities along the Mississippi River. They will also give attention to the New England situation. The House Committee on Accounts has

been conducting hearings relative to readjustments of positions and salaries in the Federal service.

It now seems that the proposals for reapportionment of representation in Congress based upon the census returns will be put over until the elections. The enactment of this legislation will change the political complexion of the House considerably and provoke controversy. Speaker Longworth and others are inclined to pass it up in the absence of popular demand for reforms. The proposal to change the date for the Congress to convene in order to eliminate the "lame ducks" or defeat legislators from participating in legislative matters after their rejection at the polls will probably share the same fate.

## EDITORIAL

We are in hearty accord with the movement to levy a gasoline tax in this Commonwealth, although we are strongly opposed to the suggestion that part of that tax should be apportioned to the various cities and towns in the state. Our opposition is based on the fact that if this action is taken, the various municipalities will reduce their local budget for road construction to that extent and that, so far as extension of good roads is involved, no material gain will have been made. If it was possible to make this apportionment augment the local budget, we should have no objection to leaving it to local authorities to determine where it should be expended. But we do not believe this possible and much prefer to have all the money raised by the tax to be expended by the Public Works Department of the State.

The Newton Rotary Club performed a real service to this city in calling Dr. Charles E. Barker to Newton. Mr. Barker, director of secondary education in this city, stated that last Monday was the most notable day in all the history of the Newton High School. Dr. Barker's addresses to high school students and to parents were unusual both in treatment and substance, and cannot help being a power for good in the future relations of parents and children. We need more of the same kind of sensible talk on the same lines taken by Dr. Barker.

## NEWS BRIEFS

## Traffic Problems

Mr. Edward Dana of the Boston Elevated, Mr. FitzHenry Smith, Jr., of the Boston Chamber of Commerce and Mr. Henry L. Harriman were speakers at an open meeting last week Thursday at Newton Centre on the traffic problem.

## Spaulding—Anderson

One of the notable weddings of the season was that of Miss Katherine Anderson of Homer street, Newton Centre, and Mr. Chancy J. Spaulding of Auburndale which took place last Saturday evening at the First Church of Newton Centre.

## Silver Tea

The Newton League of Women Voters held a Silver Tea last week Thursday at the Bonnar-Atwood studio.

## FIRE RECORD

Saturday night Patrolman Marshall discovered smoke pouring out of the cellar of Paxton's store on Elmwood street, Newton. He called Engine 1 and the firemen discovered that the smoke was coming from some wood which had been placed in an oven to dry.

Monday night the firemen received a still alarm for a fire in the house at 544 Grove street, Lower Falls. Upon responding, the alarm was found to be false.

Box 53 was pulled at 10:44 Monday night for a slight fire in the cellar of the house at 540 Grove street, Lower Falls, occupied by Mrs. Annie Tangney and family. The cause of the fire is unknown.

## POLICE NEWS

Patrolman Michael Keating made an important arrest Saturday afternoon when, with the assistance of Inspector Shaughnessy, he took into custody Jane D. Baillie. Keating was on duty at Nonantum Square when a man rushed up to him and asked him to arrest a woman who was in a store near the square. He claimed she was the person who had victimized his wife in connection with the sale of some lace. The policeman did not want to arrest the woman without proper authority, so he communicated with police headquarters and Inspector Shaughnessy came down while Keating detained the suspect by engaging her in conversation. She was placed under arrest on the charge of peddling without a license and taken to West Newton where she was identified by the woman whom she was accused of victimizing. She is accused of having cheated a number of persons in Newton and other places and is also wanted by the Winchester police. Judge Bacon imposed a three months sentence in jail on her and she appealed. Bail was furnished by Valle Stanley of the well known gypsy family of that name.

Wilfred Aucoin of William street, Newton, was arrested yesterday morning charged with larceny of clothing from a house in Newton.

Hugh McDonnell of 6 Highland terrace, Newtonville, was arrested on Saturday by Patrolman Dowling charged with driving while under the influence of liquor. McDonnell's car collided with another automobile on Highland street, and then hit a pole. Duncan McLennan of Richardson street, Newton, was found not guilty by Judge Bacon on Saturday of driving without his automobile being properly lighted, and of driving so as to endanger the lives and safety of the public. McLennan's car and a car driven by Miss Martha Heffron of West Newton collided recently on Centre street near Hall, and Miss Heffron brought the above charges against Mr. McLennan.

Edward Tangney, 17, of Grove street, Lower Falls, was found guilty by Judge Bacon on Saturday on the charge of pulling a false alarm. He was ordered to make restitution to the city of \$50 to pay for the expense incurred by the fire apparatus responding to the alarm, and given a suspended sentence to the Lyman School.

Mrs. Wilhelmina Schultz of Cleveland street, West Newton, was found guilty in the Newton Court on Saturday of keeping a barking and biting dog, and fined \$10. The complainant was Mrs. Louis Grinspoon of 111 Cleveland street, who was represented by her son, Attorney Louis Grinspoon, Jr. John A. Walsh of 2081 Commonwealth avenue, Auburndale, was found not guilty in the Newton Court on Wednesday on the charge of driving while under the influence of liquor. He was arrested recently after his automobile had collided with a trolley car. A physician who examined Walsh at the Newton Hospital testified that while he had smelled liquor on the breath of the defendant, Walsh was not drunk, in his opinion. Walsh had received slight injuries in the collision and was taken to the hospital for treatment. He was arrested the next day by Patrolman Tainter who had been a passenger on the trolley car which was in the collision.

## LAFOLLETTE AT AUBURNDALE

Philip LaFollette of the University of Wisconsin, son of the late Senator Robert LaFollette was the speaker at the first open forum of the season at the Auburndale Club on Sunday afternoon.

He spoke against "Capital Punishment," stating that juries are reluctant to sentence murderers to death, and thus conviction is more difficult to obtain. He answered questions asked by the audience.

Charles Floyd, chairman of the Forum Committee, presided, and the singing was led by Bryant Nichols, assisted by Raymond Sikes at the piano. The next forum will be held on Sunday, January 15. The speaker will be Rev. J. J. Corrigan, professor of social science at Boston College.

## W. C. T. U.

West Newton W. C. T. U. will hold a quarter party at the home of Mrs. Sarah Hovenden, 60 Austin street, Newtonville, on Wednesday evening, November 30. Come and bring your friends.

A visit to our store will solve many of your Christmas problems. We carry the following lines of merchandise: kimono, negligees, bathrobes, household linens, silk hosiery, silk underwear, handkerchiefs, perfumes, Spanish shawls, both handmade and machine made. The Linenraft Stores, 1294A Beacon street, Brookline. Open evenings until 10 p. m.

## Chinese Actors Lose Cast.

When a Chinese goes on the stage he loses caste, he and his children after him being deprived of citizenship for four generations.

## Great Roman Ruler

## in Advance of Age

Appius Claudius Cæcilius, who appeared in history in 312 B. C., was called by one German historian the boldest innovator in Roman history. By law the tenure of office of a censor was limited to eighteen months, but Appius Claudius seemed so much the superior of all other men of his age that he was censor for five years and he carried through, despite frantic opposition from the conservatives, a law to bring new blood into the governing classes.

The aristocracy was jealous of its prerogatives and made birth the essential to a senatorial career, but Appius Claudius broke down the admission requirements. He put into the senate the names of many plebeians who had recently attained wealth and even free men of distinction who were not especially prosperous.

Probably the greatest contribution to Roman progress was his building of two great public works on a scale that Rome had never known. They were the famous Appian way, the great road that led from Rome to Capua, and the vast aqueduct to bring water to the city. Few tourists who visit Rome have failed to drive out upon the historic Appian way or have failed to catch sight of the tremendous ruins of the once mighty aqueduct that strikes across the Campagna—Kansas City Star.

## Painted Rocks Record

## Where Indians Played

"Painted Rocks," in the Rio Grande national forest, record the recreation activities of Indians.

Many moons before the white man invaded that part of Colorado the forest was the favorite play and hunting grounds of the Indians. Here they held their annual games in connection with their hunts.

The forest is rich in Colorado history. Spaniards traversed the mountains more than 200 years ago; Fremont forced his way through, and ruins of his fortifications still are visible at Wagon Wheel gap. Adventurers, trappers and prospectors thronged the country, and old-timers will relate scores of thrilling stories to the auto tourist.

The forest itself contains more than 1,000,000 acres and the granite back of the continental divide has jagged peaks and vast canyons as it bends and twists for 125 miles.

## Ships and Tonnage

Tonnage of a ship refers not to its weight, as is often supposed, but to its carrying capacity. The term originated in the time of King Henry VII of England, who introduced one of the first navigation acts of its kind in which the importation of Bordeaux wine in any vessels except those owned by the lieges was forbidden.

The liquor was carried in huge barrels called tuns, and, since then, the cargo capacity of a ship has been measured by tonnage or tonnage, the modern term. In connection with war vessels, however, the word refers to the weight of water they displace, or their displacement tonnage, the common way of describing the weight of other ships.

## Advance Information

"Every trade has its stock of well-known yarns, but occasionally a new one does occur only, alas, in time to become a classic. A certain well-known newspaper man was holding forth to a group of writers among whom was a rather famous novelist. The journalist was saying that he had recently been engaged in revising the obituaries held in readiness by his paper. Turning to the novelist, he added jocosely: 'I've just been writing you up.'"

But the novelist, apparently, had not been following very closely. Waking up with a start, he asked eagerly: "When is it going to be published?"

## Old Nick

Old Nick is an ancient name for the devil derived from that of the Neck or Nikke, a river ocean god of the Scandinavian popular mythology. "British sailors," says Sir Walter Scott, poet and novelist, "who fear nothing else, confess their terrors for this terrible being, and believe him the author of almost all the various calamities to which the precarious life of a seaman is so continually exposed."

Scott wrote this many years ago, and superstition has greatly decreased since then.

## Nothing Left

Little Ted, five years old, was continually losing his pencils in school. Seldom an evening went by that he didn't come home in tears because he had lost his pencils again.

To put an end to it, his mother wrote Ted's name on them one morning. That evening he came home weeping as usual.

"What's wrong?" asked his mother. "They're gone again," stammered Ted through his tears; "name and all."

## "Bags" Don't Charge for It

Science, we are informed, is coming to the aid of farming by doing a job for him formerly done only by a kind of bacteria. The job is to take the nitrogen out of the air and turn it into a nitrogen compound which can be used as fertilizer. The bacteria do a better job than that. They put it right on the roots of the plant and don't charge a cent.—Copper's Weekly.

## "Star-Spangled Banner"

## Finished in Rowboat

The last lines of "The Star-Spangled Banner" were written in a rowboat by Francis Scott Key and were not penned in the hold of a prison ship as the old school books taught.

Legendary history was that Key was a prisoner of war while watching the British bombardment of Baltimore and Fort Mifflin during the war of 1812. The correct story has been brought to light by the Woman's Home Companion, which shows that Key was permitted to go to the British flagship under a truce signal to obtain the release of a friend who had been taken prisoner, and arrived just as the enemy was ready to open fire.

The young poet developed his verses during the anxiety of the night, but it was while returning to shore in a small boat the following morning that he wrote exultantly "Tis the Star-Spangled Banner. Oh! long may it wave o'er the land of the free and the home of the brave."

## Then the Fun Ecgan

A young university undergraduate had to present himself for an examination in which he was expected to read a short thesis on Greek tragedy. Knowing nothing of the subject, he asked the help of a friend, who was an expert. This gentleman wrote and gave him a masterly little treatise, of which the only fault lay in the penmanship.

At the examination all went well until the young man started his audience with the sentence, "We now come to the tragedies of Sophocles."

"The tragedies of whom?" gasped one of the examiners.

"You mean Sophocles!" exclaimed another.

For some moments the young man gazed earnestly at the manuscript. Then he looked up with a reassured smile, and said, "No, it is distinctly Bophocles here."

## Tips to Beses

Don't hire a man with light hair and blue eyes for an office job unless you're going to give him a great deal to do and a heap of credit for doing it.

Men work harder if they think they are appreciated. Half an executive's job is to learn when and how to praise men under him.

Most of our great students, philosophers and scientists have rather dark complexions. Most of our leaders, pioneers and executives have had a leaning toward light hair, eyes and skin.

To reach people you have to approach them as friends, not as policemen or teachers.

## Golfers' Alibi

On the St. Andrews links an enthusiastic player with a most irascible temper was faced with a critical short putt. He addressed his ball, studied the line, steadied himself carefully, putted—and missed.

Instinctively he glared round but the entire party might have been so many statues—not a caddy had moved, not a player had budged. His eyes roved the horizon in vain. No one outside the match was in sight. Then he gazed aloft, while breathless silence invested the scene. At last the explosion came:

"D—n that lark!"

## Bees Dumb, Says Scientist

Bees may be busy, but not bright, says J. B. Millet, a French scientist who has been investigating their efficiency in gathering honey. Experiments have proved to him that the buzzers are guided solely by odor, and they often pass by scentless flowers with stores of honey and go to those that have a sweet perfume and little sugar. He says that they even try to extract honey from perfumed artificial flowers.

## Eats Fruit Tree Pests

The orchard oriole, sometimes called basket bird, is found in eastern North America, over the central plains, south to the gulf of Mexico. The tribe is of sufficient numbers, says Nature Magazine, to be useful to the agriculturist as a destroyer of injurious insects and their larvae, especially those affecting fruit trees.

## SCHOOL NOTES

## Stearns School

The following is the Thanksgiving program, which was very well given by the children. All grades participated: Song, "Praise Ye the Father," Gounod, by Grade Five, Miss Parker, teacher; Dialogue, Thanksgiving Friends, by Grade Four, Miss Thurston, Song, "Thanksgiving Worries," by Miss Broughton's Grade Three, Recitation, "Little Pilgrim Children," by Mr. Sears' Grade Six, Song, "Thanksgiving Day," by Grade Three, Mrs. Goddard's room. Recitation and song, "Thanksgiving Turkey," by Miss Mary Smith's Grade One, Recitation, "Bobby's Choice," by Miss Lovely's Grade Four, Song by entire school, "The Breaking Waves Dashed High," Play, "Separation of Newton from Cambridge," by Grade Four, Miss Walker, teacher. The Special Class presented "For Common Things," by Miss Rogers. Entire school sang "America."

There is great activity to be seen in the well organized teams which play different games during the recess and out-of-door gymnastic period, on the playground. Grade Four won a relay race from the Special Class Monday afternoon.

The secretary of the Boston Chamber of Commerce sent thirty-one booklets entitled "Boston, an Old City with New Opportunities," to the fourth grade to help in their study of Boston. Miss Thurston and Miss Walker took their classes to Boston and visited the following places of interest: Public Library, Museum of Natural History, Public Gardens and the State House. Many of the children had never been to Boston. These trips were of great help in their geography work.

A new, seven-tube Grebe radio has been installed in the school. The sixth grades listened to the broadcasting of the Armistice Day program. It was given by the Weymouth Post, American Legion, Band. The program consisted of many patriotic selections. The teachers enjoyed a bridge tea at Flincy's Tuesday afternoon.

The following program was given on Monday at a Mothers' meeting.

Greeting to Mothers, Mr. Winslow; Two Songs, Kindergarten (Miss Kate Murdock); Two Recitations, Kindergarten; Folk Dance, First Grade (Miss Pauline Marsh); Song, First Grade (Miss Pauline Marsh); Song, Recitation and Folk Song, First Grade (Miss Hazel Stewart); Recitation and Song, First Grade (Miss Mary Smith); Speaker, Mrs. Florence Sloan (From Newton Public Library); Vocal Selection, Miss Ida Broughton. Refreshments were served in the Kindergarten.

## STEARNS SCHOOL CENTER

The Senior Girls' Minstrel Show is at hand Monday and Tuesday evenings at 8:15 p. m. in the Stearns School. It's not just knowing the end men that makes them so funny because when they are hardly recognizable they seem yet funnier.

The annual Fall Bazaar of the Club will be Saturday, December 3, 1927, from 12 noon to 6 p. m. at the corner of Walnut street and Madison avenue, Newtonville. Stuffed animals, hand painted lamp shades; and many other hand-made articles make excellent Christmas presents.

## LODGES

Cryptic Council R. & S. M. held its annual election of officers last week Thursday and they were immediately installed by Ill. Com. George E. Fisher, assisted by Ill. Com. John Keays. The new officers are William S. Burleigh, Ill. Master; Arthur H. Burdick, Deputy Master; Joseph B. Ross, Prin. Con.; Edmund J. Macdonald, Capt. Guard; Lowell D. MacNutt, treasurer; Chas. E. A. Ross, recorder; John M. Knudsen, chaplain; J. Harold Libbey, Master of Ceremonies; Burton W. Moore, sentinel, and Chas. P. Potter, organizer.

## DEBUTANTES

Dinner, Dance and Small Party invitations, copper plate engraved in the Antique Roman style, with stiff 3-ply kid finish, boards paneled, and very finely made envelopes to match. In all, these cards when finished reveal artistry of the highest order—\$15.85 the hundred. Armorial impressions at top of cards in plain emboss or silver-grey ink, add \$2.00.

"The Place for My Savings"

## WOMEN'S CLUBS

## RECENT EVENTS

## Newton Federation

The regular monthly meeting of the Executive Board of the Newton Federation of Women's Clubs was held in the Newton Technical High School Library on Tuesday, November 22nd.

The Finance Committee recommended a gift of \$200 to the Welfare Bureau and \$5 to the American Home Committee. The gift and appropriation is approved by the board.

A roll call was made of the clubs in the Federation to determine how many of them entertained foreign-born. Mrs. Francis Williams, of the Newton Hospital Aid, gave a brief sketch of the work of the organization for the Newton Hospital and told of the success of the Benefit Shop conducted by it. She made it clear that the results are far more wide-spread than the general idea of the shop would indicate. She says that they can always use more helpers in the shop.

Mrs. Ellis Spear, Jr., Legislative Chairman, asked the very serious consideration of the members of the question which will be discussed and acted upon at the February meeting of the State Federation. The old policy of the endorsement of bills before the Legislature by the Federation was abandoned for a so-called educational program for club women in Massachusetts. Whether or not to return to the previous method is the question. Mrs. John Kimball, State chairman of Legislation, spoke very frankly of the sincere difference of opinion on this subject by the women of the State Federation who are most conversant with legislative matters and methods. She urged all Club presidents to discuss this question with their respective Clubs and to be sure that the delegates to the mid-winter meeting know the wish of their Clubs and be able to vote intelligently when it comes up for action.

All women of Newton are urged to go to the polls at the next city election, as it was stated the records show that they have been neglecting that duty most deplorably for the last few years.

## Ancient Bronze Mirror

A bronze mirror dating from Caesar's invasion of Britain has been found in the forest depths of the Celtic encampment. It was presented to the British museum.

## About the Bible

Hardly a verse in the Bible but sounds important, quoted by itself or with the whole chapter. That comes from knowing how to write and having something to write about.

## Immortal Volumes.

When another thousand years have gone by, the only things men will trouble to reprint will be the world's two oldest books—Homer and the Bible. Ernest Renan.

At 8 p. m. an entertainment will be given, among other attractions being a reader, orchestral music and the motion picture "Captain January," by Laura Richards.

### Waban

—William and Sewell Champion of Chestnut street are home for the holidays from Moses Brown Academy in Providence, Rhode Island.  
—Miss Sylvia Meadows came down from Mt. Holyoke College to spend Thanksgiving with her parents. She brought with her a friend from Ohio.  
—Mr. and Mrs. L. A. Linscott and children have been in Jefferson, Me., this week, having gone there to spend Thanksgiving with Mr. Linscott's mother.

### Child Training That Has Harmful Effects

Too much or too little affection of parents is equally harmful and both spoil character. The training that produces docile obedience spoils the child's native aggressiveness and leaves him to be easily beaten in the later competitions of life by minds superior only in their inner preparation. The authority of a parent is a responsibility rather than a privilege.  
Another risk assumed by parents, which is not so commonly understood, is that of hurting their children by affection. With human beings the love attitude may persist in such a way that the child never actually matures and comes to have a fully developed self-life, or indulgence heaped upon the child by the parent may spoil the zest of life and keep the child emotionally infantile. He may become fixed upon the parent so that he is essentially parasitic in his inner emotional cravings and cannot maintain normal relationships in business, social contacts or later family life if he ever attempts to establish a home of his own.—From "Social Problems of the Family" by Prof. Ernest I. Graves.

### Famous Brigade That Served "Lost Cause"

Two reasons are given for the naming of the Orphan brigade of the Confederate army. Kentucky tried to be neutral when the Civil war broke out, but neutrality was violated and many Kentuckians decided to fight for the South. The famous Camp Boone was formed near the Kentucky line, a few miles north of Clarksville, Tenn. Fifty companies from 84 counties in Kentucky enlisted. These composed the larger part of the First Kentucky, better known as the Orphan brigade.  
One of the reasons why this command was called the Orphan brigade was because so many commanders were lost, either by reason of promotion or by death on the battlefield, says a contributor to the Pathfinder Magazine. Another is that the members were away from Kentucky during nearly all the time of their service and so cut off from communication with friends or family.

### Meal Time in China

The Chinese consider the stomach the source of intellectual life, and therefore the fastest man goes for the wisest one. They affect to believe that foreigners come to China to eat because they have not enough to eat at home. It is considered a mark of refined politeness to treat a guest or a visitor to a meal at any time of the day. For the most part only those who have families take their meals at home; the rest eat at hotels. They usually have two substantial meals a day—one an hour after getting up in the morning, the other between three and four o'clock in the afternoon. The well-to-do class take three or four meals a day. Often the father alone eats meat, while the rest of the family have to be satisfied with rice.

### Feeling Like a Lord

I have a cottage in Colchester row, Islington. A cottage, for it is detached; a white house, with six good rooms; the New river (rather elderly by this time) runs (if a moderate walking pace can be so termed) close to the foot of the house; and behind is a spacious garden, with vines (I assure you), pears, strawberries, parsnips, leeks, carrots, and cabbages, to delight the heart of old Alcibiades. You enter without passage into a cheerful dining room, all studded over and rough with old books, and above is a lightsome drawing room, three windows, full of choice prints. I feel like a great lord, never having had a house before.—From "Letters to Barton, 1823," by Charles Lamb.

### Wonderful Alpha Rays

The Alpha rays from radioactive matter, it appears, consist of veritable atoms of matter projected at a speed averaging 6,000 miles a second. It is the great energy of motion of these swiftly expelled masses that gives rise to the heating effect of radium. Yet they do not go far. The swiftest alpha particle travels seven centimeters in air, under ordinary conditions, before it is stopped. But on its way it plunges straight through every molecule in its path, producing positively and negatively charged ions in the process. On an average, an alpha particle, before its career of violence is stopped, breaks up about 100,000 molecules.—Washington Star.

### His Own Religion

I often wonder at religious men. They have such varying ideas on the subject. I was talking lately with a prominent man—one whose name is really a household word—and he said: "I was brought up in a religious family. I have chosen to accept religion in my own way, but never bother others with it. I have no desire to convert the world. I wouldn't give a d—n to convert anybody tomorrow."—E. W. Howe's Monthly.

### Wren's Sweet Song

While Jenny Wren is incubating, her mate perches nearby, untiringly warbling his sweet song, says the Nature Magazine. After the young are hatched there is little rest for either of them. Caterpillars, beetles, bugs and spiders must be supplied in astonishing numbers all the time, until the youthful wrens are ready to help in the hunt.

### THE SECOND CHURCH IN NEWTON West Newton

10:45 Morning Worship, Rev. Boynton Merrill will preach.  
9:30 A. M. Church School.  
Thursday, 4:30 P. M. Vesper Service.  
All Seats Free at Every Service

### West Newton

—Mrs. John R. McCarthy is in New York for a few days and the week end.  
—Frederick L. Felton, Harvard '29, is chairman of the Republican Club of Harvard College.  
—Mrs. C. E. A. Peck of Melrose street, is spending two weeks with her son in New York City.  
—Miss Marion Tufts of Highland street, gave a dinner party on last Saturday evening. Covers were laid for 30 guests.  
—Miss Irene Forte, the popular violinist of West Newton, was the soloist at the Lincoln Park Baptist Church on last Sunday morning.  
—Mr. Fred Bennett Ford, pastor of the Lincoln Park Baptist Church, accompanied by Mrs. Ford, spent Thanksgiving Day at Clinton, Mass.  
—Mrs. John Olin of Eden avenue, who have been at the Newton Hospital for several weeks, returned to her home on Thursday of this week.  
—Mrs. Emily Jigger 27 Cross street, left on Thursday of this week, for a visit with her son who is in the Treasury Building in Washington, D. C.

—Mrs. George H. Jackson will give a paper upon Colonial Life of New England, and Mrs. Harry S. Wells will give an illustrated talk upon Musicians of the U. S.  
—Mrs. James Campbell and daughter Jean, who have been the guests of Mrs. Frederick E. Waring of Davis avenue, returned to their home in St. Johnsbury, Vermont this week.  
—Mr. and Mrs. Harry S. Wells 28 Parsons street, entertained a dinner party on Thanksgiving Day. Among the guests were Mr. and Mrs. Frederick A. Ward, 244 Ward street, Newton Centre.  
—Miss Eleanor D. Adams of Temple street is general chairman of the annual bazaar of the Girls' Friendly Society of Massachusetts, to be held at the Hotel Vendome, Boston, next week Saturday.

—The Travel Class connected with the West Newton Woman's Educational Club, will be entertained at the home of Mrs. Arthur M. Teulon, 9 Elmwood park, Newtonville, on Monday afternoon, November 28. Mrs. Frederick E. Waring will be the assisting hostess.  
—An advanced announcement has been made of the Monthly Church Supper and entertainment, which will be held in the Lincoln Park Baptist Church in December, by "The Service Club" connected with the church. There is to be a comedy "Squaring it with the Boss," by J. C. McMullen. Special music will be an attractive feature of the evening's entertainment.

### Auburndale

—The Young People's Fellowship of the Church of the Messiah will hold an open meeting for members and friends Sunday evening, Golden Rule Sunday at 7:30 when Rev. Dr. W. A. Bartlett, New England Director of the Near East Relief will deliver the address.

### WORLD VISION INSTITUTE OPENS

The second world vision institute will be held next week at the Methodist church in Newtonville with a full program on each day.  
Rev. Dr. Ralph E. Diefendorfer, corresponding secretary of the Board of Foreign Missions will be in charge of the usual church services on Sunday. On Monday evening members of the institute will visit the Boston City Missions of the Methodist Church including the Cooper Community House, Roxbury. St. John's Lithuanian Church, South Boston, Wesley M. E. Church, South Boston, the North End Italian Church and Social Service House and Trinity Church, East Cambridge. Automobiles will leave the Newtonville Church at 7:15.  
Tuesday will be Greater Boston night with an address by Dr. A. F. Reimer, secretary of the Boston City Missionary Society on "Our New Americans."  
Wednesday will be Interdenominational Night with Rev. Dr. D. Brewer Eddy as the speaker.  
On Thursday night Mrs. E. E. Dixon of China will speak on "The Church Adventuring in China" in behalf of the Woman's Missionary Society.  
Friday night will be Foreign Missionary Night with an address by Rev. Roger Gupitil of the Belgian Congo.  
On Sunday, Dec. 4, Dr. George Elliott will be in charge of all the church services.

### INFANTILE PARALYSIS DISAPPEARING

The report of the Newton Board of Health for October shows that the dreaded infantile paralysis had fewer victims in Newton for that month, only three cases being reported, one each in Wards 1, 2 and 5. During the first three weeks of November but 116 cases were reported in the entire state. Communicable diseases reported during the month included 37 cases of chicken-pox, 24 of whooping cough, 2 of lobar pneumonia, 3 of tuberculosis, 2 of diphtheria, 2 of measles and 1 of typhoid.

## About MORTGAGES ON HOMES

Continuity of a mortgage is often a valuable feature. Mortgages held by individuals or even by Trustees are apt to be called for payment and frequently are called at times when the borrower finds it inconvenient either to pay or to secure the loan elsewhere.

A mortgage held by this bank is not apt to be called for payment if the terms are complied with and the valuation of the premises has not decreased.

To help the thrifty, small payments are accepted at any time even as small as ten dollars.

Bring this advertisement as your introduction.

### Waban

—Mrs. James H. Gardner entertained at bridge on Tuesday afternoon.  
—Miss Helen Andrews and Miss Eleanor Hayward are Vassar girls who are home for the holiday.  
—Mrs. Charles R. Boggs of Wameit road is local chairman of the Christmas Health Seal Committee.  
—On Tuesday night a bowling contest was held, the winner of which received a nuley, the gift of Mr. Donald Hill.  
—On Thanksgiving night a junior assembly will be held at the Neighborhood Club under the direction of Mr. Champagne.  
—Mr. and Mrs. R. W. Moore, Jr., and children are spending Thanksgiving week at Hamilton, N. Y., with Mr. Moore's parents.  
—Ex-President and Mrs. George Olds of Amherst College were Thanksgiving guests of Mr. and Mrs. Charles A. Andrews of Neholiden road.  
—Mrs. James Bailey and Miss Alice Bailey of Machias, Me., are visiting Mrs. F. G. Marsh and will stay in Waban until after Christmas.  
—Miss Dorothy L. French, who is spending the winter at the home of Mr. H. S. Kimball, has gone to Waterbury, Conn., for Thanksgiving.  
—The regular monthly dance is to be held at the Neighborhood Club House on Saturday evening. Music will be furnished by Louis Haffner and his orchestra.  
—At the Young People's Forum next Sunday night, Constance Ziegler, who spent last year at Robert College, Constantinople, will speak on the subject of "Turkey and the Holy Land."

—Mrs. H. W. O'Leary has had as her guest this week her mother, Mrs. Schofield of Portland, Me. Mr. O'Leary, whom business has taken to Charlotte, S. C., is at home in Waban this week.  
—Edwin T. Cady, Jr., came home from the Moses Brown School in Providence for Thanksgiving, while Jane Cady came from Kendall Hall, Frides Crossing. Each brought a school friend as a guest over the holidays.  
—Miss Sydna White of Beacon street, who was president of the class of '27 at Abbot Academy, held a reunion of her classmates on Sunday evening. About 20 girls who are studying in and about Boston were present.  
—The second of the Senior Assemblies in charge of Mr. Champagne was held at the Club House on Wednesday evening. The matrons were Mrs. Edwin N. Chase and Mrs. Henry C. Robbins. The first of the Freshman Assemblies was held on the following evening.  
—On Monday, November 28, at 2:30 p. m., Mrs. Henry G. Pearson will speak in the Union Church vestry on "The Nursery School." This is the first of the Mothers' Round Table Conferences and will be of especial interest to mothers who have children of pre-school age.  
—Mrs. Julia Buffum was the fortunate winner of the turkey at the Turkey Tournament at the Neighborhood Club House on Tuesday evening. Among the others who won gallon jugs of cider, because of their individual high scores in bowling, were George F. Reinhardt, Rutherford O. Ainslee and Mrs. Fred Williams.

## FIRE RECORD

A still alarm at 12:30 Saturday morning brought Engine 1 out to extinguish a fire in a Stutz touring car which caught ablaze in Nonantum square. The car was owned by William Connors of Taylor street, Waltham.

Monday night at 8, Box 241 was pulled for a fire in an automobile owned by Ernest Odium of 320 Adams street, Newton. The blaze was caused by a backfire and the car was badly damaged.

At 8:45 Monday night, Box 81 was for a brush fire on land at 240 Ward street, Newton Centre.

Patrick FitzSimmons, night watch-

man at City Hall, discovered a chimney fire in Nickerson's Block, West Newton, at 8 o'clock, Monday night. Engine 2 was notified and the blaze quenched before serious damage resulted.

## POLICE NEWS

Joseph Bruno of Boston and John Di Rocco of East Boston, arrested Saturday morning by Federal prohibition officers who caught them at a large still which was being operated. They were brought to police headquarters at West Newton and held there in \$5000 bail for appearance before United States Commissioner Jenney.

## Y. M. C. A.

On Monday evening, November 28th, at 6:30 p. m. The Blue Triangle Club, composed of business and professional women and girls, meets for supper at the Y rooms at 251 Washington street, Newton. At 7:45 p. m. Mrs. Henry H. Powers will give her second talk on Art. Mrs. Powers' handling of this subject ensures a most interesting evening. The Bridge Class follows at 8:30 p. m.

Both Gym classes are truly growing. The Adult Gymnasium Class meets on Tuesday evening at 7:30 p. m. This is followed by basketball. It is not too late to sign up for either of these classes. The Children's Gym Class comes together on Thursdays at 4 p. m. Send the children down for a healthy, entertaining period. Occasional swimming parties are being arranged for the younger girls, too.

There is bowling for those so inclined, every Thursday evening at the Y. M. C. A. from 7:30 to 9:00. Splendid exercise is here afforded, and those interested are cordially invited.

The Grade School Girl Reserves meet this week on Tuesday at 4 o'clock, and the High School Girl Reserves on Friday, at 7:30 p. m. A jolly time, is always assured in both these groups.

Keep the date, December 3rd, in mind for on this evening, from 8:00 to 11:00, the Blue Triangle Club Dance will be in full swing. The music will be furnished by an M. I. T. orchestra and a good time really may be anticipated.

## THE ARM OF THE RED CROSS

Although a semi-official arm of the United States Government, empowered by Congress to perform certain specified duties, the Red Cross is an organization of the people. If unsupported by membership, it can not do its work. Enough people in our country understand this to make it the great working organization that it is. But with increasing responsibilities and a growing demand for service, it needs more members right in our own community—Newton.

The emblem of the Red Cross is the nation's badge of mercy. The Red Cross carries out the will of Congress and the beneficent aims of its member millions. The manifold services of the American Red Cross can not be translated into words.

The arm of the Red Cross is far-reaching—it extends to every disaster community of our country, into foreign countries where there is dire distress; it is an official arm of our Navy and Army; the influence of its nursing service reaches around the world; and wherever there is illness and suffering the Red Cross wages its quiet war.

The Newton Chapter of the Red Cross (12 Austin street, Newtonville) extends to man, woman, and child in Newton an invitation to join the Red Cross for 1928. The membership fee is \$1.00. Of the 53,000 people in Newton 4,000 have joined the Red Cross for 1928.

## LODGE RECEPTION

Hon. John F. Malley, grand exalted ruler of the Benevolent and Protective Order of Elks, was the guest of Newton Mass. Lodge No. 1327 at a reception given in his honor, at the Boston Chamber of Commerce on Tuesday evening, November 15th. The committee on arrangements, consisting of Robert A. Vachon, E. R. William E. Earle, P. E. R., and Frank L. Wilcox, E.L.K., together with the special committees arranged the affair to be in the form of a Ladies' Night and Reception, where members and their ladies could gather to honor a man from their own city who has reached the highest office in the great order of Elks.

The reception committee, through its chairman, Bancroft L. Goodwin, P. E. R., held a reception from 6:30 to 7 where 250 members and their ladies had the opportunity to greet Brother Malley not only as the grand exalted ruler but also as their neighbor.

Following the reception a banquet was served in the main dining room where Frank Stevens the organist, rendered several musical numbers during the entire period of the dinner.

Seated at the head table, which was beautifully decorated for the occasion, was the Hon. John F. Malley and Mrs. Malley. Hon. Edwin O. Childs, P. E. R., and Mayor of the city, James R. Nickerson, P.G.E.R., Hon. Andrew J. Casey, P.D.D.G.E.R., Michael F. Burke, P.D.G.E.R., H. Wesley Curtis, P.D.D.G.E.R., J. E. McManis, P.D.D.G.E.R., James R. Flanagan, President of Mass. State Elks Association, Thomas F. Brady, District Deputy G. E. R., Robert A. Vachon, E. R., and all officers of Newton Lodge, and their ladies.

Robert A. Vachon, E.L.K., who was the presiding officer for the evening, called on the Hon. Edwin O. Childs, P.E.R., James R. Flanagan, President of Mass. State Elks Association, and the Hon. John F. Malley, grand exalted ruler as the speakers of the evening.

Following the banquet an entertainment was given during which time Wm. E. Earle, P.E.R., presented the grand exalted ruler, in behalf of Newton Lodge with a beautiful aquarium, and Frank L. Wilcox, E.L.K., presented Mrs. Malley with a bouquet of roses.

During the entertainment the hall was cleared and dancing and moving pictures were enjoyed by all.

## MISS COBB ENGAGED

Mr. and Mrs. Ernest Cobb of Newton Upper Falls, announce the engagement of their daughter, Priscilla, to Mr. Joseph Nicholson Kelly, son of Mr. and Mrs. Joseph Judd Kelly of Medford. Miss Cobb is of the class of 1930 at Jackson College. Mr. Kelly is a member of the class of 1927 Dartmouth, and will enter medical school in 1928. He is former captain of the Medford High track team, and prominent in track at Dartmouth. He is a member of the Phi Sigma Kappa fraternity.

## BIRTHDAY PARTY

Sarah Hull Chapter, D. R., will observe its 31st birthday on Thursday, December 1st, at the home of Mrs. Oliver M. Fisher on Franklin street, Newton.

## NEW CATHOLIC CHURCH AT WABAN

A beautiful new mission chapel is being constructed at Waban for the Catholic parish of Mary Immaculate of Lourdes at Newton Upper Falls, of which Rev. Fr. Dennis H. Donovan is rector, and it is expected to be completed and ready for use by Feb. 1.

The building will be one of the most artistic and distinctive of Newton churches. The type of architecture is English Country Gothic. A name for the church has not yet been chosen.

Good progress has been made by the contractors handling the construction. The exterior work, with the exception of the roof, is largely completed. Much, however, still remains to be done in the interior.

Approximately cost of the structure will be \$75,000.

Establishing of a mission in Waban was made advisable by the continued growth of Rev. Fr. Donovan's parish, which numbers many Waban communicants.

The church is ideally situated at the corner of Beacon and Chestnut streets, Waban. The topography of the ground has been taken into account in the design of the building, so that the upper church is easily approached from the level of the street.

The building is of brick, and is of ample dimensions with gables of half timber and plaster work, with a high-pitched, variegated slate roof.

The upper church will accommodate about 800 people, and there is a basement auditorium seating about 700.

The church proper has an ample sanctuary, minor transepts, a baptistery, choir gallery, and a vestry of good size on the street side of the sanctuary. The roof will be finished in hard wood with open trusses exposed. The trusses are supported by a series of eight arches on either side of the church, separating the nave from the side aisles.

The church windows are of English Cathedral and antique glass arranged with symbolic treatment. The Stations of the Cross are uniquely placed over the piers in the main nave of the church.

The lighting, which has had special study, is to be arranged with three dominant chandeliers hung from the high point of the wooden ceiling; these three light throughout the seating portion. The sanctuary has the usual lighting back of the arch, throwing a flood-light on the altar.

The sanctuary will be arranged with a marble wainscot and an imported marble altar composed of rich Sienna and Istrian marbles, with some precious marble inlays. Some Brescia marble will be used. Marble will likewise be employed in construction of the baptistery.

The pews, the confessionals, the vestment cases, the wood wainscot to the height of the window sills, and the other interior finish, is all to be built of white oak, presenting a most pleasing interior.

Edward T. P. Graham of Boston is the architect. Affairs of the Waban church will be administered by Rev. Fr. Donovan in connection with the Upper Falls parish. Details of the consecration of the church are not yet available, much depending upon the date of its completion. There is a possibility that it may be ready before February 1.

In the Spring the lot will be attractively landscaped.

## ASKS FOR BETTER TRAFFIC CONDITIONS ON BOYLSTON STREET

Alderman Ball at the meeting of the Board last night suggested that the Traffic Committee take up the matter of bettering traffic conditions on Boylston street, from Woodward street at Newton Highlands to the Brookline line at Chestnut Hill. He explained that only the north roadway of this traffic artery has been used for travel, due to the poor condition of the south roadway. The latter part of Boylston street, between Woodward street, Newton Highlands, and Chestnut Hill, has been, for the most part, improved, so that now it can be used by automobiles.

Mr. Ball suggested that because of the fact that the north roadway is narrow, and that traffic on Boylston street is rapidly increasing, that the Traffic Committee take steps to make the south roadway a one-way street for traffic going east from Woodward street, and that the north roadway be made one-way for traffic going west from Chestnut Hill to Woodward street.

## REAL ESTATE

John T. Burns and Sons, Inc., report unusual activity in the sale of single homes at Newtonville during the past few weeks. They have sold for Haynes & Hernandez, Inc., a new frame ten room home just completed on Whitney road, Newtonville. With the house there is a garage and 8,000 feet of land and the total property is valued at \$25,000. William L. Holder purchases for occupancy.

For Arthur McLellan they have sold to Elizabeth B. Fowler the new eight room single home located at 14 Calvin road, Newtonville. This house has the bathrooms, sun parlor and garage, and is valued at \$15,000.

At 11 Calvin road, Newtonville, Burns and Sons have also sold for Daniel A. Brady to Alice E. Fowler, a new colonial seven room home with two baths and garage, together with 3,300 feet of land, the entire property being valued at \$15,500.

The have also sold for Ellen F. Knowles of Cincinnati, Ohio, the modern frame single house located at 256 Lowell avenue, Newtonville. With the house there are 6,000 sq. ft. of land, and the total value of the property is \$10,000. Arthur E. Treadwell purchases for a home and will occupy the premises.

In the Newton Centre district they have sold for Louis F. Bachrach a lot of land containing 6,000 sq. ft. on Clark street, to Norman C. Edwards, who intends to improve the land by the erection of a modern single home for his own occupancy. The land is valued at \$1,800.

In Natick, Burns and Sons have sold for J. Naphen to Antonio Costa a modern single frame home located on lot 34 Circular avenue. With the house there are 6,000 sq. ft. of land, and the property is valued at \$6,500.

## Y. W. C. A.

The Public Speaking Class held its opening meeting Thursday, November 17th, and listened to a spirited address by Mayor Edwin O. Childs on the value of Public Speaking ability. Eighteen business and professional men registered for the course which runs for ten weeks, regular meeting night being Thursday. The class will meet this week on Friday night at 7:45 and anyone interested will be welcome as there is room for a few more men.

Last Monday the members of the Fellowship Club listened to Rev. John L. Spiers give a talk on "Thanksgiving." Next week on Monday, November 28th, Mr. John L. Sullivan, Coach of the Newton High School Football team will tell about some of his experiences at the football school at the University of Illinois which he attended this last summer.

## APPRECIATED

Mr. John C. Brimblecom, Editor, My dear John:

Feeling that you, being a member of the Newton Rotary Club, may be over-modest in bringing before the Public the good work which your club did in bringing Dr. Charles E. Barker to Newton, I am writing this letter to you in the hopes that you will publish the same.

As President of the Kiwanis Club of Newton, I appreciated greatly the opportunity which was given me last evening to hear Dr. Barker. He is one of the most forceful speakers to whom I have ever had the pleasure of listening.

The message which he brought to Newton was one that certainly must have done a great deal of good to all who heard it in the four talks he gave yesterday.

In behalf of the Kiwanis Club of Newton, I want to congratulate the Newton Rotary Club for all that they have done in bringing such a man to our city and giving so many people an opportunity to hear his message.

Such constructive work as this is the kind of work that the service clubs are best fitted for and I sincerely hope that every citizen of Newton will fully appreciate the wonderful work done by your club in this instance.

Sincerely yours,  
G. CLEMENT COLBURN,  
President, Kiwanis Club of Newton.

## BUILDING PERMITS

1 family frame house 94 Day street, Waban, cost \$12,000. K. C. Lincoln, owners; Greenwood Bros. builders.

1 family brick and wooden house 269 Waltham street, West Newton, cost \$10,000; Herbert Brodick owner, Louis Haskey builder.

## THE ENGLISH LANGUAGE

We'll begin with box; the plural is boxes. But the plural of ox should be oxen, not oxes.

One fowl is a goose, but two are called geese. Yet the plural of moose should never be meese.

You may find a lone mouse, or a whole nest of mice. But the plural of mouse is houses, not mice.

If the plural of man is always called men, Why shouldn't the plural of pan be called pen?

The cow in the plural may be called cows, or kine; But a bow, if repeated, is never called bine.

And the plural of vow is vows, never vine. If I speak of a foot and you show me two feet

And I give you a boot, would a pair be called beeth?

If one is a tooth and a whole set are teeth, Why shouldn't the plural of booth be called beeth?

If the singular's this, and the plural is these, Should the plural of kiss ever be written keese?

Then one may be that, and the two would be those, Yet hat in the plural would never be hose.

And the plural of cat is cats, and not cose. We speak of a brother, and also of brethren.

But though we say mother, we never say methren. Then the masculine pronouns are he, his and him,

But image the feminine, she, shis and shim! So the English, I think you all will agree,

Is the funniest language you ever did see. —Typosium.

I used to think I knew I knew, But now, I must confess, The more I know I know I know, I know I know the less.

—Gage Readings, Battle Creek, Mich.

No. 20 Daniels street, one of New-  
ton Centre's artistic English homes of  
six rooms and one-car garage has  
been sold to Herbert J. Fowler for  
\$10,500. A lot of land on Warren street, New-  
ton Centre, near the corner of Glen  
avenue, of about 7,000 square feet, has  
been sold for Burnham Bros. to A. J.  
Archibald. Mr. Archibald has already  
started to build a six-room house on  
this piece, which is valued at about  
\$2,000.

Alvord Bros. negotiated all of these  
sales.

## CHEVROLET USED CARS

### Buy Used Chevrolets from Chevrolet Dealers!

As Chevrolet dealers, we  
are particularly interest-  
ed in Chevrolet perform-  
ance. We do our utmost  
to make every used Chev-  
rolet deliver the depend-  
able transportation for  
which Chevrolet is  
famous the world over.  
That's one of the big rea-  
sons why it pays to buy  
used Chevrolets from

Chevrolet dealers! An-  
other safety factor is the  
red "O. K." tag which  
we attach to the radiator  
cap of each reconditioned  
car. This tag shows you  
exactly what condition  
the car is in—unit by  
unit. Look for it on the  
car you buy—and KNOW  
that you are getting su-  
perior value.

## PRES. HARRIMAN OF POWER CO. RESIGNS

Mr. Henry I. Harriman who has been president of the New England Power Company since its organization a year ago, has retired to become vice-chairman of the board and a member of the executive committee. The 11 companies owned in entirety by the New England Power Association have a total property value of more than \$200,000,000, and an output in excess of 1,000,000,000 kilowatt hours a year. They serve more than 250 cities and towns with an aggregate population of 2,500,000.

Mr. Harriman, the retiring president, was one of the pioneers in public utility development in this part of the country. He organized the New England Power Company, in association with Malcolm G. Chase of Providence, and Messrs. Baker, Ayling and Young of the banking firm of Baker, Young & Co., and was prominent in the organization of the other companies which now make up the association.

The constituent parts of the association now are: The New England Power Company, which owns eight hydro plants and two storage reservoirs on the Deerfield river in Massachusetts and Vermont, and a steam plant at Uxbridge; the Connecticut River Power Company of New Hampshire, which owns the station at Vernon, Vt., with lines and sub-stations; the Rhode Island Power Transmission Company; the Rhode Island Public Service Company, a holding company which controls the Narragansett Electric Lighting Company and the United Electric Railways Company; the Belknap Falls Power Company and subsidiaries, which owns valuable water power rights on the Connecticut river now in process of re-development; the Grafton County Electric Light & Power Company-Hartford Water Company, operating in White River Junction and surrounding towns; the Lawrence Gas & Electric Company of Lawrence; the Webster & Southerland Gas & Electric Company, operating in a number of Massachusetts towns in the southern end of Worcester county.

When Mr. Harriman became chief executive of the company which built the station at Vernon, Vt., the total generating capacity of the concern was 20,000 horse-power. When he stepped out the association which he had developed had a total generating capacity of 550,000 horse-power.

## SILVER WEDDING

Mr. and Mrs. J. Augustus Remington of 224 Jackson street, Newton Centre, celebrated their 25th wedding anniversary Sunday, Nov. 20, in their new home, the reception lasting from 3 to 8 o'clock.

The house was tastefully decorated with flowers, a green and white color effect being carried out in the decorations. Mrs. Merrill Hammond of Newton Centre and Mrs. William D. Smith of Needham poured, and Miss Anna Richardson of West Newton, Miss Polly Francis of Andover, Miss Evelyn Pullman of Newtonville, Mrs. Bernard E. Proctor of Malden, Mrs. Ralph W. Baldwin of Milton, Mrs. Fred Page of Salem and Miss Virginia Remington assisted in serving. Many choice gifts were received, and many happy memories revived.

## MISS MARY BASSETT

Newton has lost a woman of very rare character and ability in the death of Miss Mary Bassett who passed away on Sunday, November 20th, at her home, 264 Centre street.

Miss Bassett was born in Lakeville, Massachusetts, on April 9, 1842, and after a short residence in Chicago, came to Newton where she lived for more than sixty five years. She was the daughter of Henry D. Bassett who will doubtless be remembered by the older residents of this city.

Rev. Ray A. Eusden, minister of Eliot Church, of which she was a member, officiated at the services which were held on Wednesday at her home. Burial was in the Newton Cemetery.

She is survived by Mrs. Annette B. Bassett and her sister Mrs. Herbert Whitcomb.

## DEATHS

CROWELL: On Nov. 22 at 39 Rockledge road, Newton Hds., Mrs. Laura E. Crowell, age 55 years.  
PORTER: On Nov. 21 at 45 Moreland avenue, Newton Centre, Mrs. Blanche S. Porter, age 55 years.  
WASHBURN: On Nov. 19 at 142 Lowell avenue, Newtonville, Charles A. Washburn, age 71 years.

## Can't See It

Those who don't like to speak in public can't comprehend the charm some people find in doing it.

## Trace Wedding Cake to Old Roman Custom

The wedding cake is believed to be the survival of an old Roman practice when the bride and groom not only ate together as a sign of their kinship and mutual love, but feasted the guests as well. At this time it was good etiquette to break the cake over the bride's head as a sign of plentifulness. In the marriage ceremonies of the early Anglo-Saxons huge baskets of dry crackers were employed. After the feast each guest took a cracker home with him and the remainder was distributed to the poor. "Later it became the custom for the guests themselves to bring to the wedding small, richly spiced buns, which were piled in one huge mound on the table. It was a common occurrence for the bride and groom to attempt to kiss each other over this mound, and if they succeeded they were assured lifelong prosperity." It is said the wedding cake of today is due to the genius of a French cook, who, while traveling in England, observed the inconvenience of stacking hundreds of these small cakes in a mound and conceived the idea of cementing the mound into a single huge cake with icing. At the wedding feast it was the duty of the newly married man to wait on his bride at the table, whence came the name bridegroom—signifying one who serves the bride.

## Mother Ants Employ Babies as Needles

"A baby that you sew with, a baby that's needle and thread—child labor with a vengeance, eh?"

The naturalist closed a book by a brother-naturalist, Glenwood Clark. "Glenwood Clark tells all about it here," he said. "The baby I refer to is an ant, not a human being. In the chrysalis or baby form this ant secretes a silk, and with that silk its mother sews the leaves together to make the ant nest, using the baby itself as a needle, mind you."

"The ant nest is built on a twig rather high up in a tree. The leaves that form it are held together by one group of ants, while another group—mothers armed with their babies—does the sewing."

"They hold their babies in their claws. They press the tiny heads against a place where two leaf-edges join. The heads deposit on the leaves their cobwebby silk, and then they are moved across the leaf joint, needle fashion, back and forth, and as they move they make a thread."

"In this manner, thanks to the needle-and-thread babies, the ants' nest is soon ready."

## The Journey of Life.

When about to undertake a journey we consider the way, the people, and the conveniences of travel, and try to meet their requirements in advance. An effort is made to learn what we can from the reports of those who have traveled that way, and we accordingly supply ourselves with accessible literature pertaining to it. This is the course that wise people follow, but there are many inconsiderate ones who give no attention to sane preparation, and therefore get confused respecting the course, get off at uninteresting and dangerous places, suffer much inconvenience, and derive little benefit. Therefore, let us give heed to the proper beginning of our journey.—Psychological Magazine.

## Violin Is Given Motto

Johannes Robey, the well-known collector of violins, has one instrument of which he is particularly proud, since it contains a label which is a curiosity, states the Pathfinder Magazine. The label is in old Latin and it reads: "Viva fuy in sylvis; sum dura ocissa securi. Dum vixi, tacui; mortua, dulce cano." Which being interpreted means: "I was living in the forest; the cruel ax slew me. While I was alive I was mute; dead, I sweetly sing."

This violin is a product of the Sixteenth-century luthier or violin maker named Gaspa Dittopfgrugear.

## Helpful Suggestion

Peter, three and a half, was caught red-handed throwing the morning's letters into the grate fire and gleefully watching the flames. It was his third offense. Seriously, his father took him in hand. "I don't want to punish you, Peter, but what shall I do to make you remember?" The young delinquent looked thoughtful; then, brightening, advised: "I'll tell you what to do, daddy—you just put it down in writing."

## First Secretary of State

Thomas Jefferson was chosen by President Washington to be secretary of state or secretary of foreign affairs in the first cabinet. But Jefferson was still in France when the new government began to function. John Jay was secretary of foreign affairs under the articles of confederation and acted as secretary of state, at Washington's request, until Jefferson's arrival in March, 1790.

## No Superlative

An English teacher was making it a practice of giving an 8A class a review of a certain point in grammar each day. One day she said, "You may compare the adjective I shall give you."

The entire class looked puzzled. To the first girl the teacher said, "high." There was a little pause and finally in a little hesitant voice, the girl said, "hello."

## CITY AFFAIRS

The following miscellaneous business was transacted at the meeting of the aldermen on Monday night.

### Appropriations

The appropriations made by the Board included \$1800 for the collection of ashes, \$1952.50 for laying out the grounds around the new Plummer Memorial Library at Auburndale, \$310 for miscellaneous expenses in the Law Department.

On the recommendation of the Finance Committee, the request for an appropriation of \$375 to repair the Auburndale tunnel was referred to the next year's City Government.

The Aldermen voted to authorize the widening of Washington street opposite the grounds of the Newton Hospital. This is deemed necessary because of the new building which is to be erected there.

The petition of Rupert C. Thompson for a permit to establish a gasoline filling station on land leased from the Boston & Albany railroad on Washington street, nearly opposite Crafts street, Newtonville, was withdrawn in deference to protests from persons owning property in that locality.

### Petitions Received by Aldermen

Petitions and communications received by the Board, and referred to committees were as follows:

### Referred to Claims and Rules Committee

Howard A. Sanderson, damage to automobile caused by hitting shut-off cover on Beacon street, Ward 5, October 29th, 1927.

### Referred to Public Works Committee

Boston Consolidated Gas Co., laying 16" gas main in Beacon street.

Edith F. Chandler and Lonzo A. Chandler, division of street assessment, Parmenter road, Ward 3.

Frank S. Lane et al, division of sewer improvement assessment, Converse avenue, Wd. 1.

Walter H. Little, drain into Kenrick street, from about 100 ft. west of 294 Kenrick street to Boston line to connect with City of Boston drain.

Arthur R. Kimball et al, laying out, grading and acceptance of Stuart road, Wd. 6, from Waverley avenue, northwest to end of Stuart road, under betterment law.

S. M. Fisher, communication stating that he is not opposed to sewer and drain on Whitney road.

### Referred to Franchises and Licenses Committee

Alan C. Bemis, certificate of incorporation, Speakers' Club.

Caroline Whittier Ferrers, cert. of incorporation, Boston Daughters of Maine, Inc.

L. W. Witback, permit to move present garage nearer rear line, 94 Moffat road, Ward 5.

Edison Co., wire attachments to pole of Telephone Co., Melrose street, 1 pole.

Telephone Co., pole relocation, Valentine street, easterly from Wauwinet road, 1 pole.

Edison and Telephone Companies, joint pole relocations, viz.: Greenwood street, 2 poles; Ward street, approximately 60 ft. east of Hobart street, 1 pole; Charlotte road, approximately 360 ft. south of Homer street, 1 pole.

John J. Moorhead, 5 pool tables and 1 billiard table, 218 Washington street, Wd. 7.

John T. Burns, gasoline selling station with building, tanks and pumps, No. 59 Waltham street, Ward 3.

William J. Doherty, Jr., filling station with brick tile building, 2 pumps and 2 storage gas tanks, 1000 gallons capacity, 903 Washington street, Ward 2.

Riverside Sand & Gravel Co., 500 gal. gasoline tank for private use at 419 Grove street, Ward 4.

Hearings were assigned for December 5th, on the last three petitions.

### WANTS PROTECTION FROM FLOODS

At the meeting of the Board of Aldermen on Monday night, the claim of Theodore Dearborn of 382 Wolcott street, Auburndale, for damages to his property on October 13 when the surface water from the street poured onto it was refused.

The Committee on Claims and Rules gave leave to withdraw not on the merits of his claim, but because he did not seek money damages. Some years ago he voluntarily gave the City an easement over his land to carry off surplus water on Wolcott street; this improvement lowered one corner of the sidewalk in consequence of which the water during severe storms overflowed into Mr. Dearborn's land and washed away his driveway.

At the hearing before the Committee he explained that what he wanted was some action by the Street Department in raising the line of the sidewalk, and a conference with the Street Commissioner was then arranged for.

### REAL ESTATE

John T. Burns & Sons report that they have sold to Perley F. Crosby the Howard Estate located at 284 Mount Vernon street in the West Newton Hill district of Newton. The property comprises a frame ten-room home together with stable and 51,000 square feet of land. Mr. Crosby intends to develop the property by razing the buildings and erecting five new single Old English brick residences on the land. Work has already commenced on this development. The property is valued at \$15,000 and the grantor was K. Howard, administratrix.

Burns & Sons report that they have sold for Henry J. Perry, 24 Fairfield street, corner of Bolton road, Newtonville, to Haviland and Bida Ames, who purchase for a home. The house contains nine rooms and two baths, and together with a corner lot of 10,000 square feet is valued at \$17,500.

The Burns office also reports that they have sold for Elina M. Cole the new two-family house of 13 rooms located at 154 Cabot street, Newtonville. The house there is a garage and 9000 square feet of land, and the total value of the property is \$18,000. Wynne Lewis purchased and will occupy part of the premises immediately.

## GIRL SCOUTS

Almost every Girl Scout troop in the city has turned its thoughts towards service during the past week and many are the baskets of Thanksgiving cheer that have been left at the doors of the needy and unfortunate. While the majority of troops have made their Thanksgiving offerings in the time-honored fashion with baskets piled high with good things, the West Newton troops are sending their offering far afield to the little flood-stricken town of Becket, Mass., where the local Girl Scouts are struggling to recreate their neighborhood playground and community center which was completely destroyed in the recent disaster. The girls had worked long and hard to build up a splendid recreation center for all the folk of their village and now that it has been swept away they are bravely going about the work of reconstruction with no money and very few materials. We hope that a large sum of money may be raised in West Newton for the aid of this plucky troop in the flooded area of the State.

The second monthly meeting of the Newton Girl Scout Officers Association was held in the Unitarian Church in West Newton on Wednesday evening, Nov. 16th. Mrs. Henry B. Dawson of Holliston spoke to the leaders on how not to use the new nature program—and also how best to use it and enjoy it.

Several members of Newton Council attended a Camp Conference for Camp Directors and others interested in camping, held by the Massachusetts Girl Scouts at Cedar Hill last week. This is an annual affair which is of great interest to all those who are interested in promoting the best methods of camping in our Girl Scout camps.

### WEST NEWTON RALLY

The West Newton Businessmen's Association will hold a rally in Players Hall, West Newton, on the evening of Thursday, December 8, at which time all candidates for Mayor, Aldermen-at-Large and candidates for Ward Aldermen in Wards 3 and 4 will be invited to speak.

George P. Brophy will act as chairman of the meeting and an invitation has been extended to all citizens of the city to attend.

### CITY OF NEWTON

#### CITY CLERK'S OFFICE

November 23, 1927.

Notice is hereby given that the Board of Aldermen will hold public hearings at City Hall, West Newton, Mass., on Monday, December 18, 1927, at 7:45 o'clock P. M., upon the following petitions, under the provisions of the General Laws and Revised Ordinances of the City, viz:

No. 58737 John T. Burns, for permit to keep, store, and sell gasoline at No. 59 Waltham street, corner High Street, Ward 3, in connection with outside gasoline selling station. Maximum quantity of gasoline at one time, 1,000 gallons. Two 500-gallon underground tanks, two pumps.

No. 57738 William J. Doherty, Jr., for permit to keep, store, and sell gasoline at 903 Washington street, Ward 2, in connection with outside gasoline selling station. Maximum quantity of gasoline at one time, 2,000 gallons. Two 1,000-gallon underground tanks, two pumps.

No. 57739 Riverside Sand & Gravel Co., for permit for gasoline storage tank and pump at 419 Grove street, Ward 4, and to keep, store, and use gasoline in connection therewith. Tank of 500 gallons capacity to be installed for private use only.

No. 58762 Dr. D. C. Green, for permit to erect 3-car garage at 85 Dudley Road, Ward 5.

FRANK M. GRANT, City Clerk.

### LASELL SEMINARY

The vesper service at Lasell Seminary on Sunday afternoon, November 27, will be a musical service under the direction of Harold F. Schwab, A. A. G. O.

The first part of the program will be an organ recital by Mr. Schwab. This will be followed by several numbers by members of the Alpha Chapter of Phi Mu Alpha Sinfonia Fraternity of the New England Conservatory of Music.

### DIES IN BOSTON

Mr. J. Edward Dudley, an old resident of Newton Centre, was taken suddenly ill while in the Boston Herald office in Boston last Monday afternoon and died while in an ambulance sent from the Relief Hospital. Mr. Dudley was accompanied by his wife and was making preparations for his annual trip to Florida. Mr. Dudley is survived by his widow and one son. He was 69 years of age and had retired from the real estate business. Funeral services will be held from his late home, 68 Parker street, Newton Centre, this afternoon at 2:30 p. m.

## WOMEN'S CLUB ACTIVITIES

Edited by EMMA D. COOLIDGE

## COMING EVENTS

## Monday Club of Newton Highlands

"Metals, Gems and Ring Lore" is the fascinating subject for the program of the Monday Club of Newton Highlands on the afternoon of the 28th, at 2:30 o'clock. To Mrs. A. H. Armstrong and Mrs. Seward W. Jones falls the pleasure of presenting this subject that is so attractive to all hearts feminine. Mrs. H. B. Hopkins opens her home, 39 Terrace avenue, for this meeting. Attention of members is called to the change in hostesses from that given in the Year Book.

## West Newton Women's Educational Club

The Travel Class meets next Monday afternoon, the 28th, at 2:30 o'clock, at the home of Mrs. Arthur M. Teulon, 9 Elmwood park, Newtonville, with Mrs. Teulon and Mrs. Frederick E. Waring as joint hostesses. The program will be a paper on "Music," by Mrs. Harry S. Wells. The opportunity given for variety, scope, and interest will be availed of to the nth degree by Mrs. Wells, one may be sure.

Luncheon will be served in the Unitarian Parish House by the Home Economics Class of the Club on Thursday, December 1, at one o'clock. This sociable get-together will be followed by talk on the making of rugs, a fascinating subject and a fascinating pastime in these days of the return to colonial decoration.

## Waban Woman's Club

Mrs. William G. Brown, chairman of Education of the Waban Woman's Club has arranged a most interesting series of meetings, with opportunity for discussion of educational topics, the first one to be held on Monday, the 28th, at 2:30 o'clock, at Union Church Vestry.

The series has been styled "Mothers' Round Table," and the first talk under this general head is "The Nursery School," to be given by Mrs. Henry C. Pearson, and it is intended for the training of children of pre-kindergarten age. All mothers of young children will be especially interested in this meeting.

On Tuesday, December 2nd, at 3 o'clock, also in the Union Church Vestry, comes the last of the literature lectures, that of the postponed Lecture of November 8th. This is a "Review of Current Fiction," by John Clair Minot and is eagerly looked forward to at this opportune time when Christmas books are being considered. Mr. Minot has the gift of summing up rapidly, spiritedly, accurately, and vividly, or humorously, the book list that holds daily attention, and his summarization is invaluable both to the reader and to the one who has less time for keeping up with the new books.

## Auburndale Review Club

Miss Margaret Haskell, of 5 Vista avenue, will be the hostess for the next meeting of the Auburndale Review Club, on Tuesday morning, November 29, at 10 a. m. Mrs. H. H. Longfellow, Mrs. Charles Packard, and Mrs. J. P. Rider are in charge of the morning, at which time a play will be read. The enjoyment of a play is one that Club members await eagerly, and so successful have such experiences been in the past, the form of program is becoming a custom, at least one a season being given by members.

## Newtonville Woman's Club

"Adam and Eva" is the attractive play selected by the Newtonville Woman's Club to be given the evening of December 2nd at the High School Auditorium for the benefit of the scholarship fund. The cast has been hard at work for weeks under the able direction of Mr. and Mrs. Derby Brown, and a very fine production is promised.

Tickets may be obtained at Tuttle's and Quinlan's Drug stores or at the door the night of the performance.

Kenneth B. Backman, manager of the Boston Better Business Bureau, will speak on the work of that bureau at the home of Mrs. Fred W. Wood.

## Music Brings Happiness

Self-expression means self-content. You will find your home all the happier for a family orchestra.

Come in to see us and let us explain our free lesson plan, available for readers of this advertisement only.

King Band Instruments are the finest; they are made by America's most skillful craftsmen.

Chas. W. Homeyer & Co.  
458 Boylston Street  
Boston

ard, 269 Walnut street, at 2:30 p. m. Tuesday, November 29th. This is under the auspices of the American Home committee, Mrs. Arthur H. Alger, chairman.

## Shakespeare Club of Newton Highlands

The next meeting of the Shakespeare Club will be held at the home of Mrs. Mildred Stratton, 15 Glenmore terrace. The work—and play, in more senses than one, so greatly do the members enjoy the works of the dramatist whose name they honor—is to be the fourth and fifth acts of Macbeth, in charge of Mrs. W. J. Bicknell. Saturday, December 3, at 2:30 o'clock is the time.

## Newton Highlands Woman's Club

A busy week confronts the members of the Newton Highlands Woman's Club with lectures Tuesday and Wednesday, and Community Day on Friday, the latter event, the culmination of many months of planning and hard work.

Owing to an engagement in a distant city, Mrs. Miriam Francis Skidell, Ph.D., has been forced to advance the date for the second of her lectures on Modern Drama and will give it before the Class in the Workshop, Tuesday morning instead of on December 13 as announced in the Year Book. Subscribers to the Course are asked to make the change of date please, as there has been little opportunity to give publicity to the change and the Class is a large one this year. Tuesday morning, November 29, at 9:30 is the date for subscribers to jot down on their engagement pads.

The Workshop is to be open Wednesday afternoon at 2:30 p. m. for the first of Miss Avery's "extra" lectures on Current Events. As these additional lectures are outside the regular Club meetings, it is necessary to secure tickets in advance, and these can be obtained from Mrs. Harlan J. Maynard, Mrs. Frank F. Patterson or Mrs. Fred G. Sandford.

With the dawn of Friday, December 2, the day of the Club will be early astir in an endeavor to make of Community Day, the biggest and most successful get-together ever attempted in the village. For not only have Mrs. G. D.W. Marcy and members of the Ways and Means Committee been planning by this method to raise sufficient funds with which to pay off the standing indebtedness on the Workshop, but at the same time to bring together, in better acquaintance and friendship, the families of the village. And with that end in view, a wide choice of diversion is offered for the day.

Those who are burdened with the thought of Christmas shopping, will find when the doors of the Congregational Parish House are opened at 10 o'clock that there is slight need of seeking the large stores for novelties, when foreign and domestic wares can be bought in such variety in their own village. From the Cape, there will be Colonial doll-house furniture, and the tiniest of all windmills made will be brought from West Dennis, and many examples of the mountain industries from Asheville, N. C., including weaving, hooked rugs, and chair covers have already been shipped here. A member of the Art Committee has brought back from a recent extended trip in Italy, many of the native baskets, bags and bead work and another foreign collection will be Greek and Near East curiosities.

In the afternoon, tea is to be served, and over in the Workshop on Columbus street, Mrs. Edwin S. Drowne is to put on an entertainment for the children. From 5:30 to 7:30, dinner is to be served and while the hour is flexible, the seating capacity is not, and tickets must be secured in advance to avoid disappointment at the time the good things are served by members of the American Home Committee under the supervision of Mrs. Richard A. Cody. The village has been divided into 17 districts, with a designated member of the Club in each, who has the supper and entertainment tickets to sell for that section. Mrs. Albert Mackintosh is in charge of that important feature.

The S. R. O. sign will undoubtedly be hung out for the entertainment that will be put on at 8:10 by Mrs. Lawson W. Oakes, whose well-earned reputation in that line, is sufficient guarantee for the quality of amusement to be offered. The major portion of the program for the Variety Show is being kept a close secret, but a few details have leaked out, which promise an entertaining number in the appearance of a group of young people in a modern dance for which they are being trained by Mrs. Lucille Perry Hall of Boston. Then the Club's "own" Mrs. Ginn is to sing and is sure of a most friendly audience, as will be Charles F. Johnson, Jr., when he appears before the curtain in one of his well-known numbers. Two classes of tickets are being sold for the entertainment, single admissions and reserved seats, and like the dinner tickets, the number is necessarily limited.

Should there be any of the articles collected by the Art Committee left unsold when 10 o'clock strikes that evening, the remainder will be placed on sale in the high order established by the committee in by-gone years, it is more likely that late comers to the sale on Friday, will find nothing left to buy.

## Auburndale Woman's Club

For the Auburndale Woman's Club—and for Auburndale residents, to their pleasure—November 30th will be Community night. This meeting will be held under the joint auspices of the Club and the community is invited, the entertainment offered being a most attractive and timely one.

Col. Laurence La Tourette Driggs will lecture on "Our Mastery of the Air." He will illustrate his lecture with both motion pictures and slides. It will be a story of the amazing development of aeronautics, and of the United States' mastery of the air in peace, as well as in war.

Col. Driggs is a recognized authority on the subject of aeronautics and officially visited the battle fronts as guest of the Allies in 1914, 1916, and 1918.

The meeting will be held in The Congregational Church on Wednesday, November 30, at 8 p. m.

## Social Science Club

"Literary Scotland" will be the subject of the talk by Rev. David Cunningham Graham on Wednesday, November 30, for the Social Science Club. Mrs. Charles B. Beason and Miss Eugenie F. Bradshaw will be the hostesses.

## Newton Centre Woman's Club

On Thursday, December 1, a short business meeting will be followed by a program in charge of the Committee on Public Health, of which Mrs. Harry F. Friedman is the chairman. Dr. Clarence L. Scammon, director of the Communicable Disease Division of the Department of Public Health in Boston, is to speak on "Communicable Diseases." He will be followed by two speakers who will talk briefly, Miss Mabel A. Bragg, supervisor of the Newton schools, on "Health Conditions in the Schools," and Mr. Ernst Hermann, Superintendent of Newton playgrounds, on "Play and Health." There will be a display and sale, before and after the meeting, of the work of the blind people of Boston, under the charge of the Massachusetts Commission for the Blind.

The Club Play on December 7 is to be given this year under the Activities Committee, tickets for which at \$1 and \$1.25, can be bought of Mrs. Everett W. Varney, chairman. "A Prince There Was," by George Cohan, is in three acts and the lead was written to be played by Grant Mitchell. That part will be taken by Professor Kirtley F. Mather of Harvard University, while the leading woman's part will be interpreted by Mrs. Montague Ford. Prof. Mather is a man of wide accomplishments that are today much in the public eye of Newton with his lectures, the Forum, and now as a master of the histrionic art! This is quite a capture for the Newton Centre Club, and will draw a capacity house.

## C. L. S. C. of Newton Highlands

The date and place of the next meeting of the C. L. S. C. of Newton Highlands has been changed from November 28th, at the home of a Club member, to December first, at 1:30 o'clock, at the Boston Art Museum. The subject of the lecture to be heard here at this hour will be "Chinese Arts and Crafts." Illustrations in the real objects of art and of skill will make the address of intense interest.

## Community Service Club of West Newton

The decidedly worthwhile course of lectures in Current Events now being proffered to members of the Community Service Club in the Parish House of the Unitarian Church this winter has as its second date December 2, Friday, at 10:40 o'clock. Mrs. Claude U. Gilson gives the Course, which is twelve lectures, the ticket being \$2.50.

## Newton Community Club

The Bridge Party for the Newton Community Club on Monday afternoon, December 5th, will be a most social and enjoyable affair while the funds for the Philanthropic Fund profit from the sociability. The attractive parlors of the Hunnewell Club will once more be thrown open for the event, and all Club members are looking forward to the enjoyment of a game, and to the added features which will make the afternoon a festive one. This pleasurable form of raising the funds for the Club's many splendid philanthropies always has the hearty co-operation and support of the Club's generous and loyal members. These philanthropies amounted last year to over eight hundred dollars, including the two Scholarships which mean so much to some brilliant girls who otherwise could not see their ambitions for college realized. Club members who have not already bought (Continued on Page 10)

## CANARIES'

Nothing would be more appreciated by your friend than a sweet singing canary bird. Melodious song drives away dull care and brings brightness and happiness wherever they go. We have Hart's Mountain singers, \$7.99, genuine selected St. Andrewsburg with long silvery trills and grand variations, day and night songsters, \$9.99; Campanini canaries second to none, imported by special contract by me, are famous for their trained vocal music and changes, water, dute, Nightingale and bell notes, etc., \$12.99 to \$19.99.
